

PRIVATE CONTRACTORS COULDN'T GET THE JOB DONE.

THAT'S NOT THE SUMMER WE WANT FOR OUR KIDS.

A CLEAN, SAFE PARK - FAMILIES COUNT ON IT. AND CUPE STAFF WORK HARD TO MAKE SURE CALGARY PARKS ARE THEIR BEST ALL SUMMER LONG.

The City has privatized maintenance and irrigation services in many of Calgary's parks. But the private contractors have not been held accountable for the services they provide.

That's just one of the many problems with privatization. The public loses accountability and control. Service quality decreases, while costs increase.

When private operators couldn't do the work in Calgary's parks, the City paid civic workers (who should have been doing the work in the first place) to finish the job. It just doesn't make sense. If you hire someone to do a job, you don't do the work yourself but keep paying them.

Let's make sure that Calgary's parks are the best they can be. If you think services have diminished in any of these privatized parks, call 3-1-1 and let the City know.
