

HEALTH ACTION ASSEMBLY & TEACH-IN At Premiers' Conference on Health Care

**Wednesday, July 28
10:00 a.m. - 6:30 p.m.**

**Addison Hall
St. Mark's Anglican Church
41 Byron Street
Niagara-on-the-Lake**

Premiers from all the provinces and territories are meeting in Niagara-on-the-Lake on July 28 to develop a strategy for the upcoming First Ministers' Conference on healthcare. Prime Minister Paul Martin has said that he plans for these negotiations to end in a 10-year plan for Canada's Medicare system.

We need to be there. Concerned Canadians are invited to take part to support Medicare. The day's events will include:

- & a strategic plenary;
- & sharing of information and strategies from across the province and country;
- & teach-in events; and
- & a public demonstration of support for protecting our public health system as the premiers arrive for their first engagement.

Assemble in Niagara-on-the-Lake and let the Premiers know that Canadians - who pay for and need Medicare - are vigilantly observing this conference and its result. The Premiers need to know that the citizens of this country want Medicare protected and kept in public hands. More information: Call the Ontario Health Coalition 416.441.2502

The Health Action Assembly and Teach-In is sponsored by:

CAW-Canada, Canadian Health Coalition, Canadian Labour Congress (Ontario Region), Canadian Union of Public Employees, Council of Canadians, Friends of Medicare - Alberta, KAIROS, Niagara Health Coalition, Ontario Coalition of Senior Citizens' Organizations, Ontario Federation of Labour, Ontario Health Coalition, Ontario Public Service Employees' Union, Polaris Institute, Primary Health Care Coalition, St. Catharines & District Labour Council.
