Dear Premier:

We are now entering day 10 of the hospital strike in Moncton. The matter is of utmost concern to the citizens of New Brunswick who are desirous that a settlement be reached without further delay.

Therefore, we herein request that you return to the negotiating table with the Independent Conciliation Board Report as the basis for further negotiations.

We further request that you discuss this matter with your colleagues at your meeting today.

Thank you for your attention to this matter.

Yours truly,
