

Public Hearings

Bill 36

The government is holding public hearings on the LHINs legislation from January 30 to February 2.

Right now there are hearings planned for Toronto, London, Ottawa and Thunder Bay, but additional days have been reserved for the following week (February 6-9) if there is large demand.

The exact locations and times for the hearings have yet to be announced.

When details are released, they will be posted on www.stophins.ca.

For more information on the hearings contact:
