RE: 2010 Spring Education Calendar

Dear Sisters & Brothers:

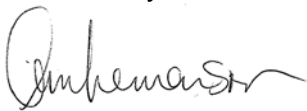

Enclosed please find a copy of the 2010 Spring Education Calendar. The calendar will be available on-line at the CUPE National website www.cupe.ca and on the CUPE Ontario website www.cupe.on.ca. We hope to have our own Ontario Union Development website in the near future where you will be able to find our calendar as well as other education related updates. We will keep you posted on our progress on this exciting project.

Almost all of the workshops requested have been scheduled or are still being worked on. This calendar will continue to be a work in progress and the website version will be updated regularly as more workshops are confirmed. If you have requested a workshop that is not on the calendar or if there is an error in the information listed, please advise Collette Calvelli at ccalvelli@cupe.ca. The calendar will be updated on a bi-weekly basis, so make sure you check it regularly to see what's going on in your area.

We would also like to take this opportunity to introduce Joe Matasic who joined our Union Development team. Joe is replacing Greg Burkitt who has transferred to Union Development in British Columbia. Joe brings a whole new perspective and skill set to our department and we are thrilled to have him.

On behalf of CUPE Education, we want to thank the District Councils and Locals as well as Member and Staff facilitators for their continued support for union education. It is one of the benefits of belonging to CUPE that sets us apart from other Unions and it is the foundation for keeping our Union strong.

In solidarity,

Ann Lennarson
Education Representative
