Dear Brothers and Sisters:

RE: MEMBER FACILITATOR RECRUITMENT

We are looking to recruit Member Facilitators to help us provide CUPE workshops throughout the province. Enclosed you will find an application and information package.

We want to encourage a diverse range of applicants - members from the equality-seeking groups, and members from different sectors and various geographic regions.

Please help us get the word out by distributing this information as widely as possible throughout your local membership and by promoting it at local meetings, posting it to your website, etc.

The deadline for applications is January 9, 2012.

Additional applications and information packages will be posted on the following CUPE websites:
www.cupe.mb.ca www.manitoba.cupe.ca www.cupe.ca

Please contact me at (204) 942-0343 or via e-mail at arobins@cupe.ca with any questions or if you require further information.

Yours in solidarity,
