## ADDENDUM "D"

### **Overtime Policy**

1. Overtime and call-back time shall be divided as equally as possible among employees qualified to perform the available work.
2. Overtime shall be accumulated each calendar year and shall not be carried over into a new calendar year. Senior employees have the right to perform the first overtime each year, unless it falls on a stand-by weekend.
3. If an employee performs overtime because the other employee(s) are unavailable, this time will also be used to calculate the accumulated time for the employee(s) that were unavailable. The only exceptions are when an employee is on vacation, bonus day, sick leave, or not at the work site because of a regular day off or for training.
4. Stand-by weekends shall not be rearranged to equalize the amount of overtime. Call-outs or stand-by during the absence of Operations Manager shall be used for this purpose, except with the mutual agreement of all employees involved and the Operations Manager.
5. Overtime shall not be assigned to employees with less accumulated overtime if it is going to be an additional cost to the Employer, such as a call-out to exchange the computer and change the telephone list at the WTP.
6. Call-outs during a stand-by day, holiday or weekend shall go to the employee on call during that period.
7. Records will be posted monthly, outlining for each employee's total overtime, any time missed due to unavailability, the overtime per qualification and calculated accumulated overtime.
8. The scheduling of overtime shall be left to the Operations manager, using this policy as a guide.
