- 19.03 An employee who has completed less than one (1) year of employment at the vacation cut-off date in effect at the Facility shall be entitled to a paid vacation at the rate of .833 days per month worked, however it is understood that a vacation payment for full-time employees who have less than one (1) year's service with the Employer, will be paid upon request, three (3) weeks prior to their vacation or at the end of the calendar period.

Unless otherwise mutually agreed, the Employer is not obliged to permit earned vacation to be taken until an employee has completed six (6) months of employment.

- 19.04 For the purpose of determining the paid vacation entitlement the term “employment” as used above will be deemed to exclude any period of time in excess of thirty (30) days which is not paid by the Employer.
- 19.05 Unless otherwise mutually agreed between the Employer and the employee, the Employer will provide for vacation days to be taken on a consecutive basis, recognizing that five (5) vacation days equal one (1) calendar week. The dates used to calculate vacation earned shall be from May 1st to April 30th in the following year. Vacation earned in any vacation year is to be taken in the following vacation year unless otherwise mutually agreed between the employee and the Employer.
- Vacation time will not normally be scheduled in the period December 15th to the next following January 15th.

- 19.11 Where an employee qualified for bereavement leave and/or sick leave, involving hospitalization or incapacitation during her period of vacation, there shall be no deduction from vacation credits for such absence. The period of vacation so displaced shall either be added to the vacation period or reinstated for use at a later date. The above hospitalization or incapacitation is to be substantiated by a medical certificate or an appropriate funeral notice.
- 19.12 The Employer will post vacation entitlement lists not later than March 1 of each year and allow employees to express their preference as to dates until April 1.
- The Employer will post the vacation schedule not later than April 30. **Vacation requests will be reviewed by management and will be awarded on a rotating basis giving** due consideration to employee preference and individual circumstances. **The Employer further agrees that where more than one (1)**

employee applies for the same period of vacation, the vacation will be awarded to the most senior employee.

Such vacation shall not be changed unless mutually agreed upon by the employee and the Employer.

Employees who fail to express their preference as to dates by April 1 shall not have their preference as to vacation time considered where other bargaining unit members have indicated their vacation preference. Requests after April 1 will be considered on a first come, first serve basis.

Employees shall be given the opportunity to request remaining unscheduled vacation entitlement by **October 15** of each year on a first come first serve basis. Any vacation entitlement not requested by **October 15** may, at the discretion of the Employer, be scheduled by the Employer. - 19.17 Approved vacation cannot be canceled within sixty (60) days of the start of the vacation unless mutually agreed upon by both parties.**

Cancelled vacation periods shall be posted within twenty-four (24) hours.

ARTICLE 20 - INCOME PROTECTION BENEFITS

- 20.01 Sick leave means a period of time an employee is absent from work with full pay by virtue of being sick or disabled, exposed to a contagious disease or under treatment by a physician or because of an accident for which compensation is not compensable under the *Workers' Compensation Act*.

Therefore an employee having accumulated an entitlement to income protection may claim basic pay against accumulated benefits only with respect to such employee's permanent or temporary EFT excluding call-in shifts (unless call-in shifts were scheduled at least three (3) days prior to the date for which the employee wishes to collect income protection) which:

- (a) she was unable to work because of an incapacitation due to accident or illness, or
- (b) her presence constituted a health hazard for patients, residents and/or other employees.

20.02 Income protection shall accumulate at the rate of one and one-quarter (1 ¼) days per month to a maximum of one hundred and ten (110) days. Part-time employees shall accumulate income protection on the pro rata basis of regular hours worked.

20.03 Every employee shall notify or cause someone on her behalf to notify her department head or designate, without delay, if she is unable to report for any reason. Where possible, minimum notice shall be given as follows:

- (a) in the case of a day shift, at least one (1) hour before the commencement of the shift;
- (b) in the case of an evening shift, at least three (3) hours before the commencement of the shift;
- (c) in the case of a night shift, at least three (3) hours before the commencement of the shift.

Failure to give notice of absence without a reason satisfactory to the Employer may result in non-payment of wages for the entire shift until an acceptable reason is received by the Employer.

20.04 An employee who is able to return to work following an absence shall inform the Employer as soon as possible but not less than eight (8) hours prior to the start of the shift.

If no call is received replacement may be initiated.

If no call has been received and the employee arrives to work the next scheduled shift and has been replaced, that person will be sent home without pay and the replacement will remain at work.

20.05 The Employer agrees that unused income protection credits accumulated prior to the effective date of this Collective Agreement will be maintained.

20.06 The Employer reserves the right to require a certificate from a qualified medical practitioner as proof of the employee's fitness to return to work or in the case of suspected abuses, as proof of illness in regard to any claim for income protection. The Employer will not require a certificate for absences of less than three (3) consecutive days except in cases where the pattern of absence would cause the Employer to suspect abuse. Failure to provide such a certificate when requested may disqualify an employee from receiving income protection benefits.

The Employer and the Union agree that suspected abuse of sick leave will be investigated and that proven instances may result in disciplinary action being taken against the employee.

20.07 Upon request in writing by an employee, the Employer shall provide the employee in writing the amount of her accrued income protection.

20.08 An employee who becomes injured or ill in the course of performing her duties must report such injury or illness as soon as possible to her immediate supervisor.

An employee unable to work because of a work-related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers' Compensation Board. Payments will be paid directly to the employee by the Workers' Compensation Board.

By application from the employee, the Employer will supplement the award made by the Workers' Compensation Board for loss of wages to the employee by an amount equal to ten percent (10%) of the employee's regular net salary. Such supplementation shall continue for a maximum period of one hundred and nineteen (119) days from the first day of supplement.

Regular net salary will be based on the employee's basic salary (exclusive of overtime and premiums) less the employee's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions, and any benefit plan contributions which are waived under the terms of the plan.

Subject to the provision of each plan, the employee may request the Facility to deduct from the supplement, if sufficient, the contributions which would have been paid by the employee to the Facility's long term disability plan and dental care plan as if the employee was not disabled. If the supplement is not sufficient, or where the employee elects to receive an advance, the employee may, subject to the provisions of each plan, forward self-payments to the Employer for the first one hundred and nineteen (119) calendar days, to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the employee contributes.

If at any time it is decided by the Workers' Compensation Board that a supplement paid by an Employer during a claim for Compensation Benefits must be offset against benefits otherwise payable by the Workers' Compensation Board, such supplementation shall cease immediately and no further supplement shall be payable by the Employer.

Further to this, the Facility shall notify Workers' Compensation of salary adjustments at the time they occur.

- 20.09
- (a) Where an employee has applied for WCB benefits and where a loss of normal salary would result while awaiting a WCB decision, the employee may elect to submit an application to the Facility requesting an advance subject to the following conditions.
 - (b) Advance payment(s) shall not exceed the employee's basic salary, less the employee's usual income tax deductions, Canada Pension Plan contributions and EI contributions.
 - (c) The advance(s) will cover the period of time from the date of injury until the date the final WCB decision is received, however, in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the employee's accumulated income protection credits.
 - (d) The employee shall reimburse the Facility by assigning sufficient WCB payments to be paid directly to the Facility to offset the total amount of the advance.
 - (e) In the event that the WCB disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Collective Agreement and the Facility shall recover the total amount of the advance by payroll deduction.
 - (f) Upon request, the Facility will provide a statement to the employee indicating the amount of advance payment(s) made and repayment(s) received by the Facility.
- 20.10
- (a) A full-time or part-time employee may use up to five (5) days'/times of income protection in any one (1) calendar year for medical appointments or related to family illness. Income protection that may be utilized for this purpose is limited to days earned in excess of nine (9) days during the employee's first year of employment and days earned in excess of twelve (12) days per year of employment thereafter.
 - (b) Payment to such employee shall be made on the basis of hours scheduled but not worked for such occurrence.

- (c) For the purposes of Article 20.10, “family illness” shall mean illness of a spouse, child (including child’s partner), or parent (including in-law).
- (d) For the purposes of Article 20.10, the Employer may request proof of family illness in cases where the pattern of absences would cause the Employer to suspect abuse.

20.11 Where an employee is unable to work because of injuries sustained in a motor vehicle accident, she must advise her supervisor as soon as possible and she must submit a claim for benefits to Manitoba Public Insurance (“MPI”). An employee is not entitled to the use of any of her accumulated income protection credits for any period for which she is receiving benefits from MPI.

20.12 **For any meetings involving return to work after illness or accommodation requests, an employee shall have the right to have a union representative in attendance.**

ARTICLE 21 - LEAVE OF ABSENCE

21.01 Except in an emergency an employee will be required to submit a written request for any leave of absence at least one (1) month prior to the effective date of the request. Such requests must specify the reason for the leave of absence and will be considered on an individual basis.

21.02 (a) Subject to (b) below, upon at least two (2) weeks’ prior written request to the Employer an employee elected or appointed to represent the Union at a convention or other Union function shall be granted necessary leave of absence without pay.

(b) Leave granted pursuant to this Article shall be limited to a maximum of four (4) per facility per day. Such requests will be subject to operational requirement. By mutual agreement of the parties, additional employees may be granted such leave subject to operational requirements.

(c) Employees so elected or appointed shall suffer no loss of pay or benefits while on such leave. The Union agrees to compensate the Employer for such wages and benefits within thirty (30) days of receipt of the Employer’s invoice in the matter.

21.03 When an unpaid leave of absence in excess of one (1) month is granted or occurs for other reasons through the operation of the Collective Agreement, the anniversary increment for the employee shall move forward in direct relation to the length of the leave.

21.04 The Employer recognizes the right of an employee to participate in public affairs. Therefore, upon written request, the Employer shall allow leave of absence of up to two (2) months without pay and without loss of seniority so that the employee may be a candidate in federal, provincial or municipal elections.

21.05 An employee who is elected to public office may be granted leave of absence without pay and without loss of seniority for a period of three (3) months. Such leave may be renewed or extended on request during her term of office with the approval of the Employer.

In the event of the death of the employee's **spouse**, child, stepchild, brother, stepbrother, brother-in-law, sister, stepsister, sister-in-law, father, stepfather, father-in-law, mother, stepmother, mother-in-law, grandparents, spouse's grandparents, grandchildren, common-law spouse, **daughter-in-law, son-in-law**, former legal guardian, fiancé, such employee shall be granted up to three (3) shifts leave without loss of pay beginning from the date of death and ending with the day following the funeral.

A relationship of at least six (6) months' duration is required for the employee to qualify for this provision in case of death of a common-law spouse or fiancé.

Where the term spouse, common-law spouse, or fiancé is used, it shall be deemed to include the equivalent same sex relationship.

In accordance with the above if an employee is required to attend a funeral outside the province, then any necessary travel time will be granted as a leave of absence without pay.

The employee will notify the Facility when bereavement leave becomes necessary.

Notwithstanding the above provisions, where special circumstances exist, an employee may request that bereavement leave be divided into two (2) periods. Such request is subject to the approval of the Employer. In no circumstances, however, shall an employee be eligible for more shifts off with pay than she would have been eligible to receive had the bereavement leave been taken in one (1) undivided period.

Bereavement leave may be extended without pay on approval by the Employer.

21.07 One-half (½) day without pay shall be granted to attend a funeral as a pallbearer.

21.08 The Employer shall grant leave of absence without loss of seniority benefits to an employee who serves as a juror or witness in any court. The Employer shall pay such an employee the difference between her regular hourly rate of pay and the payment she receives for jury service or court witness, excluding payment for travelling, meals or other expenses. The employee will present proof of service and the amount of pay received. Time spent by an employee required to serve as a court witness in any matter arising out of her employment shall be considered as time worked at the appropriate regular hourly rate of pay. "Witness" for the purposes of this article shall mean only those situations related to an employee's performance of job duties for the Employer.

21.09 Maternity Leave

When greater than the provisions below, the most current provisions of the Employment Standards Code for Maternity Leave shall apply.

A female employee who has completed seven (7) months of continuous employment shall be granted up to seventeen (17) weeks maternity leave without pay. Maternity leave of absence may be granted for a longer period at the discretion of the employee's attending physician. The employee must submit her written request for such leave of absence at least four (4) weeks before the intended date of the leave and in no case later than the end of the fifth (5th) month of pregnancy.

The Employer shall be entitled to require an employee to stop work and the provisions of a leave of absence will apply if, in the opinion of the Employer, the employee is unable to continue to carry out the duties and responsibilities of the position.

An employee may end her maternity leave early by giving the Employer written notice of at least two (2) weeks, or one (1) pay period (whichever is longer) before the day she wishes to end the leave. Upon receipt of such notice the Employer shall arrange her return to work, on that date or as quickly as possible thereafter but in any event not later than thirty (30) days from the date she intended to return to work and she shall be placed in her former position and shift schedule at the same and appropriate salary level. The Employer may request a medical certificate as proof of her medical fitness and ability to perform such duties of her position.

21.10 Parental Leave

When greater than the provisions below, the most current provisions of the Employment Standards Code for Parental Leave shall apply.

An employee who has completed seven (7) consecutive months of employment and who has become the natural mother or natural father of a child shall be granted up to **sixty-three (63)** weeks of parental leave without pay. The

employee must apply in writing at least four (4) weeks before she intends to commence parental leave.

The Employer may request a medical certificate as proof of her medical fitness and ability to perform such duties of her position.

Where an employee takes parental leave in addition to maternity leave, the employee must commence parental leave immediately on the expiry of maternity leave without a return to work unless otherwise approved by the Employer.

21.11 Adoption Leave

Up to thirty-seven (37) weeks of leave without pay will be granted to an employee upon adoption of a child. The employee must submit a written request for such leave. The employee may commence adoption leave upon one (1) day's notice provided that application for such leave is made when the adoption has been approved and the Employer is kept informed of the progress of the adoption proceedings.

21.12 Leave for Union Position

An employee who is elected or selected for a full-time position with the Union or any labour body with which the Union is affiliated shall be granted an unpaid leave of absence without loss of seniority for a period of one (1) year. Such leave shall be renewed each year during the term of the position. Said renewal request for Union leave will not be unjustly withheld.

21.13 Compassionate Care Leave
