No request shall be reasonably denied.** Such immediate supervisor shall answer the informal complaint within five (5) working days **of receiving the complaint.**

11.06 Step Two

If the reply of the immediate supervisor is not acceptable to the Employee, then the matter shall be forwarded to the Coordinator of Human Resources, or **their** designate, for a Step Two review within ten (10) working days of the occurrence of the event giving rise to the grievance, or within not more than ten (10) working days of the Supervisor's reply or deemed reply in Step One. Such written grievance shall bear the signature of the grievor, provide a summary of the facts giving rise to the grievance, the Article of the Agreement allegedly violated and the remedy sought. The grievance shall be on a grievance form approved by the Employer and Union. The Coordinator of Human Resources, or designate, shall render a decision in writing within ten (10) working days, failing which the grievance shall be deemed denied.

11.07 Step Three

Failing settlement at Step Two, the Union may, within ten (10) working days of receipt of the Step Two decision, forward the grievance to the Director of Human Resources Services, or **their** designate, who shall render a written decision within ten (10) working days of receipt of the grievance.

11.08 Step Four

Failing settlement at Step Three, the Union Grievance Committee may, within 10 working days of receipt of the Step Three decision, give notice in writing to the Director of Human Resources Services, or designate, of its intention to refer the grievance to binding arbitration.

11.09

- a. Either the Union or the Employer may request that either or both of Steps Two and Three be held by meeting in person, if the nature of the grievance so warrants. Otherwise, the grievance may be processed in writing.
- b. Failure to have a Union official present at any Step of the grievance procedure will not invalidate the grievance.

11.10 It is agreed that the Employer may submit to the Union any complaint with respect to the conduct of the Union, its officers or members, or any complaint regarding the interpretation, meaning, operation, application or alleged violation of this Agreement. Such complaint, if not resolved by oral discussion, shall be reduced to writing and forwarded to the President of the Union Local. The President shall reply to the Employer's complaint in writing within 10 working days of receipt of the complaint by the President. If the reply of the President is not acceptable to the Employer, the Employer may, within 10 working days from the date the Employer receives the President's reply, give notice in writing to the Union of its intention to refer the complaint to arbitration in accordance with the provisions of this Article.

11.11 A Union policy grievance, which is defined as an alleged violation of this Agreement, concerning more than one employee in the bargaining unit, may be lodged by the President of the Union, or **their** designate, in writing, at Step Two of the grievance procedure at any time within ten (10) working days after the circumstances giving rise to the grievance occurred or originated. If the grievance is not satisfactorily settled, it may be processed to Step Three and to arbitration in accordance with the provisions of this Article.

11.12 It is recognized by the Employer that the President of the Union may, if **they** deem it necessary, be represented by the representative of the Canadian Union of Public Employees of the Atlantic Provinces when appearing before an arbitrator or, at a Step Three meeting with the Director of Operational Services, provided such representation does not constitute any material delay in the advancement of the grievance process.

11.13 Any step of the grievance procedure may be omitted by the mutual consent of both parties.

11.14 Once a grievance has been initiated by the Union, the Employer shall not enter into any detailed discussions or negotiations with the aggrieved Employee, either directly or indirectly, without the consent of the Union.

ARBITRATION

- 11.15 Both parties agree that arbitration shall be by way of a single arbitrator. Within ten (10) working days of notice of arbitration, the parties shall exchange names and communicate in an effort to agree upon a single arbitrator. If the parties are unable to agree upon an arbitrator within 10 working days of notice of arbitration, either party shall be at liberty to apply to the Minister of Labour and Manpower to make an appointment of such arbitrator.
- 11.16 The decision of such arbitrator shall be final and binding upon the Employer, the Union and all members of the bargaining unit.
- 11.17 The Arbitrator shall not have the authority to modify, change or alter in any way the provisions of this Agreement, or to substitute new provisions in lieu thereof, or to give a decision inconsistent with the terms or provisions of this Agreement.
- 11.18 Unless the arbitrator considers that the circumstances otherwise warrant, each party shall share equally in the costs, expenses and fees of the arbitrator.
- 11.19 The time limits contained in this Article are mandatory and no arbitrator shall have the power to amend such time limits, nor proceed with the grievance with respect to which there has been a breach of the time limits, unless such breach constituted a minor technical violation of not more than 48 hours and which did not materially prejudice the rights of the Employer. Subject to such provision, failure by the Union to proceed to the next stage of the grievance procedure within the time limit specified shall constitute abandonment of the grievance. Where the Employer has failed to provide a reply within the time specified, such reply shall be deemed to be negative and have been made on the last day for such reply. Thereafter, the Union shall be required to proceed to the next Step within the stipulated time limit. The time limits contained in this Agreement may be extended by mutual agreement of the parties, but only if such extension and mutual agreement is forthwith confirmed in writing by the requesting party.

Each such time study shall be rounded down if actual time exceeds the hour or half-hour by 10 minutes or less; otherwise it shall be rounded up to the next highest half-hour increment. **In order to achieve a five (5) hour minimum hours of work for bus drivers, the Employer will operationalize the scheduling of bus drivers in accordance with LOU#4**
 - d. Where a shift is extended because of reported mechanical breakdown, flat tire or other such accident, or adverse weather conditions, actual additional time worked by the bus driver shall be paid. Provided, however, that adverse weather conditions resulting in a delay of 30 minutes or less shall not affect deemed time run.
 - e. The Employer shall designate the location where a school bus shall be parked overnight when not in use - i.e. Bus Driver's residence, school site or other community location.
 - f. For purposes of pay calculation, for a Bus Driver who normally parks the bus at home, pick-up shift shall be deemed to commence 15 minutes prior to first student pick-up, to allow for pre-trip inspection.
 - g. For a Bus Driver who normally picks-up the bus at an assigned site other than **their** home, pick-up shift shall be deemed to commence upon entering the bus and such Bus Driver shall then be assigned 15 minutes pre trip inspection prior to commencement of run.

 - j. At the discretion of the Employer and within the shift time assigned, a further 30 minutes per full work week may be assigned for extra cleaning, waxing, and other related bus maintenance duties.
 - k. **If a bus is required to remain at a garage between bus runs, the driver will be provided a spare bus for transportation. If a driver is required by the employer to remain at the garage while their bus is being serviced, they will be paid for this time at the normal hourly rate for their classification and may be assigned duties within their classification.**
- 12.02 Existing 10 hour shifts shall continue. Any new 10 hour shifts in any classification shall require the consent of the Union. For such 10 hour Employees, accrual of benefits shall be pro rated, but deemed to be no greater than a regular full-time Employee working a 40 hour work week.

- a. Nothing in this Article shall be interpreted as providing a minimum guarantee of hours or days of work.
- b. When the last day of school falls on a Saturday, such Saturday may be designated by the Employer as a normal work day with regular pay only, notwithstanding that such week may then have 6 work days. An Employee, who is required to work such Saturday, who would not otherwise have done so, shall be provided a designated lieu day within the preceding or following 5 work days.

12.04

- b. Every Employee who works 4 or more consecutive hours shall be entitled to a paid 15 minute rest period for each such 4 hour period worked, at a pre-determined time to be scheduled by the Employer, after consultation with the Employee. Provided, however, an Employee working a 10 hour shift shall only be entitled to 2 15 minute rest periods, plus 1 unpaid meal break.
- c. All meal and rest breaks are non-cumulative and, operational conditions permitting, shall be taken at the scheduled time. Any change in designated time shall be pre-authorized by the Employee's immediate supervisor.

12.06

- c. When temporary Employees are called-in to replace regular full-time or part-time Bus Drivers they shall be required to perform all the work the absent Employee would have performed that particular day, and shall be paid for the same number of hours as the regular Employee would have been paid, or as operationally required but at the rate of pay for temporary Employees.

The number of hours and description of such services shall be as determined by the Employer. When the regular shift is not replaced, remaining custodial staff at the site shall work a modified work plan, provided by the Supervisor, to ensure essential cleaning services are provided.

- e. In the absence of a regular full-time or regular part-time custodian within a building, the Employer shall first offer such assignment to an available regular employee assigned to that worksite to the position provided that the transfer represents an increase or change of hours for the employee.
- f. Notwithstanding 12.06(a), the Employer may require a daytime custodian to commence their shift early where snow shoveling is required. The employee will move their entire shift to the earlier start time. Where there is no daytime custodian, the Employer may require an afternoon custodian to commence their shift early. An afternoon custodian who accepts this work will have the option of moving their entire shift to the earlier start time or working a split shift. Where there is no daytime custodian, and prior to the winter season, the Employer will seek volunteer(s) for daytime snow shoveling. Where there are multiple volunteers in one school, the most senior employee will be given the opportunity to adjust their shift. Where there are no volunteers, the most junior employee will be required to adjust their shift. The employee shall exercise independent judgment on whether to adjust their shift because snow shoveling is required. The Employer will provide employees with guidelines on the parameters for adjusting their shift. An employee who adjusts their shift within the Employer's parameters will not be disciplined.

12.07

- a. Any kilometrage claimed by an Employee must be approved in advance by the Employer. The Employee shall not be paid kilometrage to and from the Employee's place of residence. - 13.03 Where operational conditions so require, overtime shall be mandatory. The Employer shall first seek volunteers from amongst the Employees who normally perform the work. In the absence of such volunteers, mandatory overtime shall be imposed in reverse order of seniority, to the extent that such Employees are available and have the required skills and ability.
- 13.04 Except where otherwise noted in this Agreement, overtime shall be paid to Employees covered by this Agreement at 1½ times regular rate of pay, for all approved time.
- 13.05 Employees who normally perform the work will be given first preference for overtime in order of seniority at site provided they are willing and qualified to perform the available work.

- b. Subject to scheduling of Bus Drivers pursuant to Article 17.05 b, and so long as the Director of Operational Services concludes that such offer of work does not interfere with operational requirements, all week-end extra-curricular trips commencing at 5 p.m. or later on Friday shall be shared equitably amongst all regular full-time and regular part-time Bus Drivers in the area to which they are normally attached.
Effective January 1, 2019, notwithstanding (a) above, all weekday extra-curricular bus trips known in advance that represent an increase in hours from the bus driver's regular bus run will be offered equitably amongst all regular part-time Bus Drivers in the area to which they are normally attached. An employee scheduled for a weekday extra-curricular bus trip that falls within their normal runtimes shall not be permitted to drive their regular bus run and shall be compensated in accordance with article 15.03 for the hours driven in excess of their regular bus run. The temporary employee replacing a regular employee in accordance with this article will be compensated as if those hours were for an extra-curricular bus trip (15.03).

16.02

- a. The Employer shall require all such third party users of school facilities to make reasonable arrangements to ensure return of the facility to its previous clean condition. Any failure of a user to abide by such provision shall be reported by the custodian to **their** immediate supervisor to be dealt with by the Employer, but shall not become a matter for grievance under this Agreement. Any significant clean-up work undertaken by a custodian as a consequence of a failure by the third party to properly clean-up the premises as required, shall be appropriately acknowledged by the Employer, through re-assignment of work, payment of overtime or other such measures as shall reasonably accommodate the extra work assigned to the custodian.

The committee will consist of equal representatives of both the **Centre** and the Union. The mandate of the committee will be to make recommendations regarding processes associated with storm cancellation days.
- 17.09 Each Employee may exercise independent judgment, in consultation with the Employee's immediate supervisor (or designate), to either remain home or to leave work early, if the Employee has legitimate concerns about the Employee's safe transportation to and/or from work due to such conditions. In such circumstances, the Employee shall have the option of:

The parties agree that the purpose of the probationary period is to provide the Employer with the opportunity to assess the probationary Employee's long term suitability for on-going regular employment and that if, at any time during the probationary period, the Employer determines that the Employee is not suitable, the Employee may be terminated. Such termination may not prevent the unsuccessful applicant from subsequent opportunities for employment as a temporary Employee. **A probationary employee shall have the right to apply for bargaining unit positions. All Employees shall have 30 days to protest **their** position jointly to the Employer and the Union. After hearing all such representations and upon expiry of the 30 day notice period, the Employer and the Union shall finalize such seniority list, which list shall be deemed conclusive and not open to challenge by either party or any Employee, once so approved. In the event the Employer and the Union do not finalize such seniority list, either party may refer the matter to binding arbitration and the costs of such referral shall be assigned by the Arbitrator as **they** deem appropriate.
- b. The Union and the Employer shall jointly prepare an agreed list of hours worked for Temporary Employees which shall be posted. All Temporary Employees shall have 30 days to protest **their** position jointly to the Employer and the Union. After hearing all such representations and upon expiry of the 30 day notice period, the Employer and the Union shall finalize such list, which list shall be deemed conclusive and not open to challenge by either party or any Employee, once so approved. In the event the Employer and the Union do not finalize such seniority list, either party may refer the matter to binding arbitration and the costs of such referral shall be assigned by the Arbitrator as **they** deem appropriate.
- c. The Employer and the Union shall annually, on or before March 31st of each year, approve and initial an updated seniority list as of the preceding December 31st. In the event the Employer and the Union are unable to reach agreement, the matter shall be referred to arbitration, or the Employer shall have the option to refer the matter to the Union for a unilateral determination by the Union.
- d. The Employer shall provide a copy of the Regular Employee seniority list and temporary Employee list to the Union and shall post a copy on the available bulletin boards. Distribution of the approved Lists amongst the Employees shall be the responsibility of the Union. Any Employee may challenge **their** position on their respective seniority list, as far back as the previously approved list, by filing a written notice of objection with the Coordinator of Human Resources and Union within 30 days of posting. The Employer and Union shall then resolve the matter after hearing the Employee's representations. After all such challenges have been settled, copies of the Regular Employee and temporary Employee lists shall be deemed approved by both the Employer and the Union and shall be conclusive evidence of the seniority of such Employee, or the hours paid to such temporary Employee, until such time as new seniority lists are updated and approved. The temporary Employee list shall be **four (4) times per year no later than January 20th (up to the last pay period in December), April 20th (up to the last pay period in March), July 20th (up to the last pay in June), October 20th (up to the last pay period in September).**

- 20.03 In cases where Employees have the same seniority according to the seniority list, such tie shall be broken by giving preference to the Employee whose last digit of **their** social insurance number is higher. If the digits are equal, then preference shall be given to the Employee whose last 2 digits are higher.
- 20.04 An Employee who accepts employment with the Employer outside the bargaining unit shall retain seniority for a period of 12 calendar months subsequent to date of leaving the bargaining unit, after which all seniority shall lapse, unless otherwise agreed to be reinstated by the Union. Such period may be extended with consultation and agreement amongst the Employer, the Union and the affected Employee. The terms of this Collective Agreement shall not otherwise apply to such Employee while in the non-bargaining unit position
- 20.05 An Employee's seniority shall be lost (and the Employee's employment therefore terminated) when:
- a. The Employee is discharged for just cause and not reinstated;
 - b. Resignation by the Employee, provided such action is not revoked by the Employee within **3 business days of the Central Office**;
 - c. The Employee is on lay-off or expired authorized leave of absence and fails to respond to a notice to return to work within 7 days after notification has been sent to the Employee by registered mail. If, within the 7 day period, the Employee notifies the Employer of the Employee's intention to accept such recall, then the Employee shall be allowed up to a maximum of an additional 10 days, if employed elsewhere, to report for duty as set forth above;
 - d. An employee on Layoff will have a maximum of two (2) working days to provide notice of acceptance of a recall to any job. If employed elsewhere, the Employee shall then be allowed up to two (2) weeks from the date of such notice of acceptance to report for work.

 - f. The Employee has been unable to return to **their** classification as a consequence of illness, long term disability, injury on duty or other such cause for a continuous period in excess of 2 years. Temporary returns to work for periods of less than 30 calendar days shall be deemed not to interrupt such continuous periods of absence. In the event an employee has continued to be absent as a consequence of illness, long-term disability or injury on duty for a period in excess of two (2) years, the position would be declared vacant and would be posted in accordance with Article 23. In the event an employee is no longer able to document **their** absence as a result of an illness, long-term disability or injury on duty, **they** will return to work or shall lose **their** seniority and employment status. - a. Employees shall be laid off in the reverse order of seniority within classification.
- b. An Employee who is to be laid off shall be permitted to bump any Employee with less seniority, in any classification for which the Employee is currently qualified, within the same family of Schools. If such bumping is not available within the Family of Schools, the affected Employee shall be permitted to bump the least senior Employee within any classification for which the affected Employee is currently qualified, in any of the other remaining Families of Schools. Both the Union and the Employer recognize the value of minimizing a rippling effect of lay-offs as much as possible and both parties agree to meet to discuss lay off procedures prior to implementation of any actual lay-offs. In the event that the Employer finds this lay-off mechanism to be impractical and detrimental to the efficient operation of the workplace subsequent to signing of this Agreement, the Employer shall be entitled to refer this Article 22.01 to an Arbitrator appointed under this Agreement, who shall be empowered and have final and binding authority to rewrite this Article in a manner that recognizes the concept of seniority while minimizing the detrimental impact on the efficient operation of the workplace when lay-off is required.
- c. As positions become available, regular posting procedures shall be followed, allowing laid-off Employees the opportunity to bid on available positions in accordance with seniority rights. Laid off Employees shall be advised or mailed copies of all job postings for which they are qualified and for which they have given written notice to the Department of Human Resources.
- d. In the event of lay-off or recall, Employees retained or recalled in accordance with seniority rights must meet the necessary qualifications for the position. Office complexes and rental facilities which require (by terms of the lease) Employees to have a security clearance, then such clearance shall be considered a necessary qualification for the position. Any administrative cost incurred in acquiring said clearance shall be the responsibility of the Employer.

- 22.02 It shall be the duty of every Employee on lay-off to advise the Employer of current mailing address and phone number where the Employee can be reached. Failure to do so, or maintain current information, shall constitute a waiver of the opportunity for recall, until such information is provided.
- 22.03 New Employees within a classification shall not be hired until those laid-off within classification have been given an opportunity of recall. It shall be the responsibility of each Employee to notify the Employer, in writing, of classifications for which the Employee qualifies, other than the classification occupied immediately prior to lay-off.
- 22.04 An Employee laid-off at the end of a regular school term shall be deemed to have been given notice of recall for the first day of the following school year, unless otherwise advised. To the extent appropriate, the same shall apply with respect to Christmas and March Breaks.

- a. Except for matters reasonably beyond the control or fore-knowledge of the Employer, the Employer shall notify the Union and the designated Employees at least 15 days prior to the effective date of any proposed lay-off. Where such advance notice is not so provided, the Employer agrees to advise the Union before notice is given to the affected Employees.
 - b. Where the Employer is unable to provide such advance notice, the Employer shall have the right to re-assign such Employees to other duties, either within or outside classification, during the balance of the period for which 15 days' notice was not provided.
 - c. Article 22.05 does not apply to normal lay-offs for school breaks.
 - d. Temporary Employees shall not be entitled to such advance lay-off notice.
- 22.06 Bargaining unit employees who are on lay-off shall be given preference by seniority for summer employment to perform work for which they are qualified. During the summer employment period employees who seek and obtain summer employment shall be paid at the rate established for the position as per Schedule "B" and the contracted benefits available to regular employees do not continue to accumulate during this period and accumulated totals shall not accrue or be used during this period. However, all employees shall be subject to the Nova Scotia Labour Standards Code. [Former Article 2.15]
- 22.07 The Parties agree that in March of each year a Labour Management Meeting shall be held to consider any possible layoffs during the summer period of twelve (12) month employees.
- The Parties will jointly consider ways to minimize or eliminate the need for any scheduled lay off through operational changes or efficiencies.
- It shall be the goal of each Party to mutually cooperate in consideration of any initiatives that would result in continued employment during this planned lay-off. [Former Article 10.06]
- 22.08 The Employer agrees that twelve (12) month employees shall not be subject to lay off during the school year (September to June), including Christmas and March Break. Twelve (12) month employees shall be required to take vacation as provided in Article 25.02 (c) of this collective agreement, unless otherwise mutually agreed. [Former Article 12.07]

- 22.09 In the event the Employer is considering layoffs within the bargaining unit, a subcommittee comprised of equal representation from both the Union and the Employer will be struck to discuss considerations associated with the layoff and develop a fair and reasonable process and procedure for implementation of layoff. In the event that agreement is reached through this subcommittee, said agreed-to provisions will be adopted. Likewise, in the event that no agreement is reached through this subcommittee, status quo language as set out in Article 22 stands.
- 22.10 Notwithstanding Article 22 – Layoff and Recall, the Employer shall provide the Union at least thirty (30) calendar days' notice of reductions which may result in the permanent layoff of any Regular Full-Time or Part-Time Employee in the bargaining unit.

The Employer and the Union will engage in consultation to attempt to minimize any adverse effects of the reduction on Regular Full-Time or Part-Time Employees in the bargaining unit. This may include revisions to the current displacement/layoff provisions where mutually agreed.

Temporary Employees with less than 2,000 hours by the most recent employee list shall be deemed to be external applicants. Temporary employees, who qualify, shall be considered for available positions which remain once regular full-time and regular part-time employees have completed the above-noted process. Temporary employees shall be given preference for available positions in their classification in the order of their accumulated hours as established in accordance with article 20.02d. In extenuating circumstances, the parties may agree, by mutual agreement, to extend an employee's qualifying hours beyond the hours of work set out. In the event that Shared Services initiatives result in work being transferred from one or more of the above Employers to another of the above Employers, and the transferred work falls within the bargaining unit of a CUPE Local at the receiving Employer and the receiving Employer determines that it will require an increase in the complement of employees to perform the transferred work, the Parties agree to the following:

1. The principle is permanent/regular CUPE bargaining unit Employees who have been subject to layoff and who have recall rights under their respective Collective Agreement will have the opportunity to transfer into newly created positions in the same classification, subject to qualifications as determined by the receiving **Centre**, provided that classification is currently a CUPE classification in the receiving **Centre**. Notwithstanding, existing employees of the receiving **Centre** shall maintain the right to internal transfer within their classification in accordance with the provisions of the local Collective Agreement considered for available employment opportunities in CUPE bargaining units in the same classification with the other participating **Centres** in priority to the hiring of new employees. Bus Driver Hours of Work

In order to achieve a minimum pay of 5 hours per day for bus drivers, the Employer will first route bus runs to maximize the regular driving duties and duties in 12.01 (i) to be as close to 5 hours as reasonably possible. Both parties acknowledge the scheduling of bus routes to a minimum of five hours may result in redundant bus routes. Where a bus route is consolidated for the 2023/24 school year, any employee not assigned a regular bus run will be considered a "regular spare" and scheduled to work on each day the regular drivers are working, first as a spare driver within their zone or adjacent zones and then in accordance with the duties below. An employee will not be required to accept an assignment where the bus is parked more than 35 km from their original bus parking location.

A regular spare will be permitted to park the bus at their residence between the morning and afternoon run but will not be compensated for any additional time to drive the bus to their residence after the morning drop off or from their residence to the school for afternoon pickup. A regular spare will be permitted to park the bus at their original parking location if they are assigned a bus route for more than 3 consecutive days.

Employees will be assigned to regular bus routes within their zone in accordance with seniority. For greater clarity, the least senior employee within the zone will be the employee assigned to the regular spare list as defined above. An employee assigned to the regular spare list may choose to accept the regular spare assignment or displace the least senior employee in any classification for which the affected employee is currently qualified, within the same Family of Schools. If such displacement is not available within the Family of Schools, the affected employee shall be permitted to displace the least senior employee in any classification for which the affected employee is currently qualified in any remaining Family of Schools. For the purpose of determining which employee may be assigned to the regular spare list, all employees will be assigned to a "home zone" which is defined as the zone where the employees drives the largest percentage of time. This information will be shared with the Union in advance of any routes be consolidated.

Regular spares will be recalled to positions within their home zone in accordance with seniority absent the posting process. Positions outside the employee's home zone will be posted and filled in accordance with article 23. An employee who does not accept recall to a position within their home zone will be laid off and recalled to positions in accordance with article 22. A regular spare that does not apply to positions within their Family of Schools will be laid off after 24 months.

Where the Employer cannot schedule a Bus Driver for five (5) hours of regular driving duties and duties in 12.01(i), the Employer will assign additional duties, on a daily, weekly or bi-weekly basis, including but not limited to:

- a. Additional driving duties, excluding extracurricular bus trips.
- b. Additional duties in accordance with 12.01 (i)
- c. Bus evacuation training with students
- d. Training and professional development
- e. Additional duties within another classification that the employee is qualified for ie. Cleaning the garage, mechanic helper, duties that would otherwise be assigned in the school on a storm or in-service day.

For greater clarity, a Bus Driver will be compensated for twenty-five (25) hours per week and will be scheduled for additional duties on a pre-determined schedule as determined by the Employer.

The Employer will provide regular updates and will consult with the Union prior to implementation of this LOU.

IN WITNESS WHEREOF the parties have signed this Agreement this 28th day of August, 2023.

hereinafter referred to as the "Union"

Wage Harmonization

WHEREAS the parties acknowledge the non-teaching educational, operational and administrative support functions of the Employer represented by the Union play a critical role in Nova Scotia's public education system;

ANDWHEREAS the Parties are in agreement to a wage harmonization process that will result in the Regular Hourly Rate of pay (not including the value of benefits, pension or vacation in the comparative calculations), for each qualified classification moving to the highest Regular Hourly Rate of pay, for the same or substantially similar classification across the Province's eight (8) education entities;

The Parties Agree as Follows:

1. No later than July 1, 2023, the Classification and Review Committee as contained in this agreement will meet to agree on what the Regular Hourly Rate of pay of each qualified classification should harmonize to, based on the following:
 - a. Identify a proper comparator classification from a Provincial education entity, based on the job responsibilities and duties (recognizing that not all similarly titled jobs perform identical work, and not all job titles match precisely to one another) which the parties agree has the highest Regular Hourly Rate of pay in the Province's eight (8) education entities. The job description and/or job posting, including the Regular Hourly Rate of pay will be provided to the committee no later than 14 calendar days in advance of the meeting.
 - b. The highest Regular Hourly Rate of pay will be top of scale rates that are adjusted to include the first two years of general wage increases of this agreement (1.5%, 1.5%) and in effect as of December 1, 2022.
 - c. In comparing Regular Hourly Rates of pay, use the Employer rate paid at top of scale as of December 1, 2022. It will also include any advance parity adjustment up to that date, unless that advance parity adjustment results in the creation of the new highest rate for a particular classification, in which case a partial adjustment to bring any such classifications to the top hourly wage rate in the Province's eight (8) education entities, shall be applied.

- d. For the purpose of determining the applicable Halifax CUPE Regular Hourly Rate of Pay, the salaries as contained within the Halifax CUPE wage schedules (Schedule A) will be converted to a Regular Hourly Rate of pay less any vacation amount that had been added and will factor in the smoothing which occurs within the Halifax agreement.
2. The parties agree to make best efforts to complete the wage harmonization analysis no later than October 31, 2023. The timeline for moving to the aligned rate will be as follows:
 - a. Retroactive to date of ratification - adjust the Regular Hourly Rate of pay to bridge 50% of the gap with the aligned rate;
 - b. March 31, 2024 - bridge the remaining gap with the aligned rate. The increase resulting in this point will be applied prior to any applicable general wage adjustment.
 - c. Any classifications adversely impacted in this process whereby a particular classification's Regular Hourly Rate of pay is surpassed by the subordinate classification Regular Hourly Rate of pay, the previous differential will be restored in line with a) and b) above.
 3. Notwithstanding any other provision in the collective agreement, this Memorandum of Agreement shall prevail.
 4. This document will govern the wage harmonization process.
