PREAMBLE

The parties to this agreement respect that the Good Spirit School Division exists to provide services to meet the needs of the students.

The board values the recommendations and concerns of all employees and will establish a consultative process when decisions relating to employee groups are contemplated.

The purpose of this agreement is:

- a) To maintain and improve harmonious relations and settled conditions of employment between the board and the union;
- b) To recognize the mutual value of joint discussions and negotiations;
- c) To encourage efficiency in operation;
- d) To promote an amicable method of settling differences or grievances which may arise with respect to matters covered by this agreement; and
- e) To promote the morale, well-being, and security of all employees in the bargaining unit.

ARTICLE 1 – RECOGNITION

1.1 Description of Bargaining Unit

The board recognizes the Canadian Union of Public Employees, Local 4784, as the sole and exclusive bargaining agent for the following employees:

- a) Administrative assistants, caretakers, educational assistants, library technicians, Indigenous community workers, food services assistants, nutrition workers, and security persons in all Good Spirit School Division schools.
- b) Maintenance workers in the following buildings:
 - i) Melville Comprehensive School
- c) School counsellors in the following schools:
 - ii) Melville Comprehensive School

The board agrees to negotiate with the union or any of its authorized committees concerning all matters affecting the relationships between parties, aiming towards a peaceful and amicable settlement of any differences that may arise between them.

1.2 Work of the Bargaining Unit

Employees whose jobs are not in the bargaining unit shall not work on any jobs which are included in the bargaining unit except for the purposes of instruction, experimenting, or in emergencies when regular employees are not available and provided that the

performing of the aforementioned operations, in itself, does not reduce the hours of work or pay of any employee.

1.3 No Other Agreements

No employee shall be required or permitted to make a written or verbal agreement with the board or its representative which may conflict with the terms of this agreement.

1.4 Management Responsibilities

Subject to the articles of this agreement, the parties recognize the right, duty, and responsibility of the board to organize the operation of the workforce in the Good Spirit School Division, to maintain order, discipline, and efficiency, to manage and direct employees in their duties with the object of fulfilling the legal responsibilities of the board and in general to do all those things, being lawful, which in the opinion of the board further these aims.

1.5 Labour Management Committee

A labour management committee shall be established and shall meet as required up to three (3) times during the school year to discuss items of mutual concern. The committee shall not supersede the activities of any other committee of the union or the board or engage in discussions which infringe upon the role or authority of the union or the board as set out in legislation and does not have the power to bind either the union or its members or the board to any decision or conclusion reached in their discussions. The committee shall reach conclusions by consensus, with the primary focus being to discuss and settle issues of concern.

The parties shall exchange agenda items at least one (1) week prior to each meeting. A prescheduled meeting may be cancelled with mutual consent of both parties.

1.6 Union Responsibilities

The union agrees both for itself and its members to promote and uphold the policies and regulations as set out by the board for the proper maintenance of schools and to do everything possible to retain and create harmony and goodwill between the union and the board and to create good public relations with every person or organization to whom the board may be responsible.

1.7 Union Security

Every employee who is now or hereafter becomes a member of the union shall maintain their membership in the union as a condition of their employment, and every new employee whose employment commences hereafter shall, within thirty (30) calendar days after the commencement of their employment, apply for and maintain membership in the union, and maintain membership in the union as a condition of their employment, provided that any employee in the appropriate bargaining unit who is not required to

maintain **their** membership or apply for and maintain **their** membership in the union shall, as a condition of **their** employment, tender to the **union** the periodic dues uniformly required to be paid by the members of the **union**.

1.8 Check Off

The board agrees to deduct from every employee any monthly dues or assessment levied and initiation fees owing by the employee to the union. Deductions are to be made each pay period and shall be forwarded to the union not later than the fifteenth (15th) day of the following month, accompanied by a list of all employees, their monthly wages, and dues deductions.

1.9 Job Security

The board and union recognize the importance and value of service and sustained employment for all its employees. In order to provide job security to members of the bargaining unit, the board agrees that no employee shall be laid off or have their hours of work or pay reduced due to the board contracting out work or services traditionally performed by members of the bargaining unit.

The board and the union agree that this article does not limit the board's ability to obtain contract services where no member of the bargaining unit is able to provide the required service or fill the vacancy. In this instance, the board agrees to notify and consult with the union prior to contracting out such services.

1.10 Union Representation

The union shall have the right to have the assistance of representatives of the Canadian Union of Public Employees in any negotiations or discussions with the board or its designate. Such advisors or representatives shall have reasonable access to the board's premises to investigate and assist in settling a grievance.

1.11 Prohibition of Strikes or Lockouts

The parties agree that during the term of this agreement there shall be no strike, slow down, stoppage of work, work to rule, or sympathy strike on the part of the union and its members, nor a lockout by the board.

1.12 Communication

a) Correspondence

All correspondence between the parties arising out of this agreement shall pass to and from the director of education or designate and the president of the union unless otherwise specified in this agreement.

b) Union Notices

The union shall have the right to post notices of meetings and other such union notices of interest to the membership on existing bulletin boards, which are accessible to employees.

c) Employee Notification

The director of education or designate will advise all new employees of the provisions of Articles 1.7 and 1.8 and post the current collective agreement on the GSSD website.

d) Staff Changes

The director of education or designate shall notify the union of all appointments, layoffs, reassignments, and terminations of appointment within the bargaining unit. This would include the employee's location, classification, full-time equivalent hours per day, and commencement date of change.

1.13 New Employees

On the commencement of employment, the board will identify the name of the shop steward as part of the new employee's employment package.

1.14 Access to Personnel File

Employees shall have the right to **have a union representative present when they review their file, and a copy of the contents shall be provided to the union upon request.** Written requests to view their file shall be made with reasonable notice given to the director of education or designate. The file must be examined in the presence of the director of education or designate. Material in the file may not be removed and may not be amended or deleted without the approval of the director of education or in accordance with Article 3.3. The director of education or designate shall at the request of the employee provide a copy of any records to which the employee has been granted access.

ARTICLE 2 – NO DISCRIMINATION

2.1 The Human Rights Code

The board and the union agree that there shall be no discrimination with respect to any employee by reason of age, as provided in the Human Rights Code, race, creed, colour, nationality, ancestry, place or origin, political or religious affiliation, gender, sexual orientation, family status, family relationship, disability (physical or mental), or by reason of membership or activity in the union.

2.2 References

Whenever the singular or masculine is used in this agreement, it shall be considered as if the plural or any gender has been used where necessary.

ARTICLE 3 – DISCIPLINE AND DISMISSAL

3.1 Discipline and Dismissal

Subject Article 9.1, discipline and dismissal shall only be for just cause. The board agrees to adhere to the principles of progressive discipline. 3.2 Right to Have a Steward Present

Employees shall have the right to have their steward, local union officer, or CUPE staff representative present at any disciplinary discussion with supervisory personnel. Where a supervisor intends to interview employees for disciplinary purposes, the supervisor shall so notify the employee in advance for the purpose of the interview in order that the employee may contact their steward, local union officer, or CUPE staff representative and request the steward's attendance at the interview. A steward or local union officer shall have the right to consult with a CUPE staff representative and to have that representative present at any disciplinary discussion with supervisory personnel, which might be the basis of disciplinary action.

3.3 Record of Disciplinary Action

Upon written request to the director of education, any record of disciplinary action shall be removed from the employee's personnel file after a period of three (3) years from the closure of the incident, provided there have been no recurrences of a similar nature during the three (3) year period. Upon mutual agreement between the director of education, union, and employee, a written request may be made after a reasonable length of time to remove any record of disciplinary action. Employees may choose to submit a written comment with respect to any disciplinary action in the file. Such comment shall be attached to the relevant document and included in the file.

3.4 Progressive Discipline

It is the policy of the board to afford employees the opportunity to improve unsatisfactory conduct or work performance, and the board will make a reasonable effort to resolve issues with respect to employee performance through discussion and consultation with the employee and union prior to initiating disciplinary action.

The parties to this agreement recognize that a coaching/counselling process usually precedes the discipline process.

The employee shall be given an opportunity to provide a defence for their actions prior to any disciplinary action being taken.

The parties to this agreement recognize and agree to the usual steps of corrective/progressive discipline:

- a) Verbal reprimand
- b) Written reprimand
- c) Suspension
- d) Dismissal

It is understood that normal progression may be altered based on the severity of the offence/misconduct.

The parties acknowledge the right of employees to have any differences regarding disciplinary action or dismissal heard through the grievance and arbitration procedure.

ARTICLE 4 – GRIEVANCE PROCEDURE

4.1 Definition

A grievance exists when there is a dispute or difference of opinion between the board and the union or any employee as to the interpretation or application of any provision of this agreement. A dispute involving a dismissal or discipline, or a general application of dismissal or discipline shall bypass Step 1.

4.2 Procedure

The procedure for the resolution of grievances shall be as follows:

Step 2

Failing agreement after Step 1, The union shall seek to settle the grievance with the **superintendent of human resources** or designate. The union must submit to the **superintendent of human resources** or designate a written statement of the grievance and redress sought, within fifteen (15) working days of its occurrence, and a hearing shall be held.

The employee concerned, a local representative, and the superintendent of human resources or designate shall meet to discuss the grievance within ten (10) working days of its receipt.

The parties agree to enter into mediation prior to progressing to arbitration or may choose to resolve the grievance through expedited arbitration as outlined in *The Saskatchewan Employment Act*.

The board of arbitration shall consist of one (1) member appointed by the union, who shall be appointed within ten (10) working days of the written decision under Step 3, one (1) member appointed by the board, who shall be appointed within ten (10) working days of the appointment of the union nominee, and a chairperson, jointly named by the two members so appointed.

- not have the power to change this agreement, or to alter, modify, or amend any of its provisions;
- be limited to dealing with the issues which are submitted to it for arbitration; and
- render a final and binding decision within thirty (30) calendar days of the hearing.

4.4 Time Limits

- a) The time limits fixed in the grievance procedure may be extended by consent of the parties to this agreement.
- b) In the event the initiator of the grievance fails to follow the procedure and time limits established in this article, the grievance shall be deemed to be abandoned unless otherwise mutually agreed upon.

 - Area central – Yorkton, Saltcoats, and Springside
 - Area south Melville, Grayson, Stockholm, Esterhazy, Langenburg, and Churchbridge

This article will serve as notice of layoff and recall for the school vacation periods during the term of this agreement.

6.8 Reassignment

At the request of either the board or an employee, an employee may be reassigned to another facility or classification by mutual agreement between the board, the employee, and the union. In the event the employee is reassigned to another classification, that employee shall be paid at the appropriate rate of pay for that classification. The cost of any medical exam required as a result of the request shall be paid for by whoever initiates such request.

ARTICLE 7 – ADDITIONAL WORK

7.1 When additional work becomes available at a location, employees will be notified and requested to identify whether they would like the opportunity to work additional hours which may become available in their present classification and/or in another classification for which they have the required qualifications, knowledge, education, skills, and abilities.

7.2 Where fewer than three (3) hours per day of additional work in an existing position becomes available, the director of education or designate will assign and schedule that work taking into consideration: the opinion of the director of education or designate regarding the best interests of the students and the efficient operation of the schools; the qualifications, knowledge, education, skills, and abilities of the employee; any information provided by an employee regarding how they would function with the additional work; and the seniority of the available employees.

ARTICLE 8 – JOB POSTING & APPOINTMENT

8.1 Job Posting

a) When a permanent vacancy or temporary vacancy known to be greater than thirty (30) consecutive working days is to be filled, the director of education or designate shall post a notice of the vacancy in a place accessible to all employees and a copy shall be forwarded to the union. The notice will be posted for a minimum of seven (7) calendar days to allow existing employees an opportunity to apply. In unusual circumstances, a shorter posting period may be required, and

the union will be advised of the reasons why. At the same time those vacant positions are advertised internally, they may also be advertised publicly.

- b) Educational assistant positions which become vacant after October 15 will be posted and filled as temporary positions for the remainder of the school year. All temporary positions created as a result of part-time vacancies throughout the school year shall be reviewed and, if necessary, be posted in June each year as a permanent vacancy to take effect at the start of the next school year. The parties are committed to maximize the number of hours worked by existing staff and will provide opportunities for staff to work additional hours wherever possible in accordance with Article 7.
- c) Such notice shall contain information regarding the nature of the position, its location, the required qualifications, current hours and days of work (if available), and the closing date for application. The posting shall refer applicants to the collective agreement for wage and benefit provisions.

 - ii) In such instances, the union shall be consulted prior to the appointment.
- b) All postings shall be filled within thirty (30) days of the closing date on the posting. This timeframe may be extended upon mutual agreement between the director of education or designate and the union.
 - c) The board is not responsible for any costs that an employee may incur as a result of application and placement in a vacancy unless the position is a board-designated itinerant position.

- d) The union shall be notified of all appointments pursuant to Article 1.12.

8.3 Term Positions

A term position shall be defined as any temporary vacancy with a known duration of three (3) months or longer.

An employee may apply for a posted term position and will be given preference in accordance with Article 8.2. A permanent employee filling a posted term position will continue to be a permanent employee and will be entitled to all contract rights and benefits, including benefit plans. A permanent employee shall maintain their step on the applicable grid, providing they remain in the same job classification. A permanent employee shall maintain reversion rights to their prior permanent position for up to twenty-four (24) months in the term position. Reversion rights may be extended by mutual agreement. Beyond that period, when the posted term position is discontinued, a permanent employee holding the position will be laid off as per Article 6.3. Employees accepting a term position will be expected to stay for the duration of the term. These employees will not have the right to revert to their home position until the end of the term position.

ARTICLE 9 – PROBATION

After successful completion of the probationary period, seniority shall be effective from the last date of hire. The probation period may be extended for a further period of up to six (6) months upon agreement of the director of education or designate and the union. Notwithstanding the above, the director of education or designate may extend the probationary period for a further period of up to six (6) months for educational purposes.

ARTICLE 25 – FLEX TIME

The parties recognize the importance of flexibility in scheduling where individual employees, in consultation with in-school administration, deem it necessary to deliver services that meet the needs of each individual facility. To that, it is understood that the hours/days of work may be extended where necessary and/or warranted, in excess of the maximum days contained in Schedule I provided authorization is granted by in-school administration on behalf of the employee concerned.

In recognition of the need for educational assistants to work additional hours for the purposes of conferencing, planning, parent-teacher interviews, and other areas of necessity, flex time may be allocated to individual employees outside their normal hours of work. The scheduling of such flex time shall be administered at the school level between the employee and school administration provided the employee does not go over the annual approved allotment of hours for that individual employee. Educational assistants that work flex time in addition to their regular hours of work, shall accrue leave tracked in **fifteen (15) minute** increments, not to exceed three (3) days work in any school year. The board shall determine appropriate non-student contact days where employees may choose to utilize banked flex time in exchange for paid time off work.

Re: Maintenance Workers – Article 1 – Recognition

The parties mutually agree that the maintenance worker position at Melville Comprehensive School be renamed to facility technician and remain within the scope of the CUPE Local 4784 collective bargaining agreement until the current employee resigns/terminates employment or retires from their position within Good Spirit School Division No. 204.

The parties agree that subsequent to Bradley Hein no longer being employed in the role of facility technician, that their position be deemed to be an out-of-scope position and Article 1 – Recognition will be amended by removing “Maintenance Workers at Melville Comprehensive School” from 1.1 Description of the Bargaining Unit in b) and the parties may make a joint application to the labour relations board to amend the certification order accordingly.

This letter of understanding shall be effective for the duration of the 2023-2027 CUPE Local 4784 collective bargaining agreement and from year to year thereafter and shall expire upon the resignation/termination and/or retirement of Bradley Hein and the amendment of Article 1 – Recognition as outlined above.

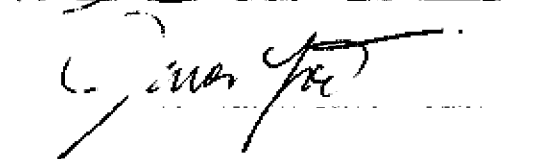

Signed this 2 day of August, 2023.
