It is understood and agreed that a representative of the Canadian Union of Public Employees may be present at the meeting. It is further understood that the CAO or designate may have such counsel and assistance as they may desire at such meeting. It is further understood that if the Union specifically requests the Chief Administrative Officer's attendance then that shall occur. The decision of the CAO or designate shall be delivered in writing within ten (10) working days following the date of such meeting. The Employer must be notified in writing within ten (10) working days following the meeting if the grievance is to be submitted to arbitration.

### **7.08 Policy Grievance**

Where a dispute involving a question of the application or interpretation of this Collective Agreement occurs, a grievance may be submitted in writing to the Chief Administrative Officer or their designate by the President or vice versa. The parties shall meet within ten (10) working days to consider the grievance and the Employer shall respond within ten (10) working days. **8.02 Failure to Appoint**

If the recipient of the notice fails to nominate an arbitrator, or if the two (2) nominees fail to agree upon a chairperson within seven (7) days of appointment, the appointment shall be made by the Minister of Labour, upon the request of either party.

**8.03 Board Procedure**

The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations to it. It shall hear and determine the difference or allegation and render a decision within in a timely fashion.

**8.04 Decisions of the Board**

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The decision of the Board of Arbitration shall be final and binding and enforceable on all parties, but in no event shall the Board of Arbitration have the power to change this Collective Agreement or alter, modify or amend any of its provisions.

**8.05 Disagreement on Decision**

**8.08 Witnesses**

At any stage of the grievance or arbitration procedure, the parties may have the assistance of the employee(s) concerned as witnesses and any other witnesses and all reasonable arrangements will be made to permit the arbitrator(s) to have access to the Employer's premises to view any working conditions which may be relevant to the grievance.

## **8.09 Single Arbitration Process**

A single Arbitrator process will be used unless either party requests to proceed with a Board of Arbitration as outlined in this Article.

## **Article 9 - Discharge, Suspension and Discipline**

**9.01** A non-probationary employee may be discharged, suspended, reprimanded, or otherwise disciplined by the Employer for just cause. Employees who are required to attend a meeting with the Employer, which is of a disciplinary nature, shall be informed by the Employer prior to such meeting of their right to Union representation and if requested by the employee Union representation shall be present. In addition, the employer agrees to notify the Union at the same time the employee is notified.

All non-probationary employees shall have the right to a Union Representative during scheduled meetings with the employer regarding performance concerns.

The employee is solely responsible for their proper address being on record with the Employer.

Employees on layoff shall be given preference for temporary vacancies, which are expected to exceed three (3) months. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.

- issues resulting from employment at another paramedic service licensed from the same base hospital;

- the following shall apply:
- a) the Employer will provide paid support to the paramedic. The paid support will be for all lost time during the period of deactivation to a maximum of sixty (60) hours in any twelve (12) month period starting from the date of deactivation or;
  - b) Employees who are deactivated due to an approved leave of absence for greater than 90 days shall be entitled to a maximum of sixty (60) hours of paid support in order to become reactivated. Such hours will not affect entitlements addressed in a) above. These sixty (60) hours do not include hours spent doing service related return to work duties.

The Employer agrees that they will make any and all efforts to facilitate an expeditious resolve with Base Hospital in order for the employee to be reactivated as soon as possible.

During the paid support period provided in a) or b) above, the employee will be assigned to non-patient care duties or attendance at base hospital.

If after the period of paid support is provided to the employee, they have not been reactivated, the employee will be placed on leave without pay and benefits for a maximum duration of twenty-seven (27) months, during which time the employee is expected to regain activation as a certified paramedic. If the employee has not obtained reactivation by the end of the unpaid leave of absence, the employee will be deemed to have met the requirements of Article 11.03 5).

It is further understood that this article does not apply to situations where a paramedic has been reactivated and has further conditions imposed by Base Hospital to maintain their activated status.

### **Article 13 - Hours of Work and Working Conditions**

- 13.01 a)** i) The Employer shall post, in advance, a six (6) week schedule listing the hours and days of work for each employee in an appropriate place. The posted schedule will be in two (2) week increments.  
It is agreed that posting shall be done electronically.

Once posted, the shift schedule shall not be changed, except under Article 13.01 b), without the agreement of the employee affected.

There will be no split shifts.

- ii) **Assigned Shifts**

A part time employee shall provide their availability and maintain their availability between the date submitted and the assignment date as per the following schedule:

Submitted By:	Availability Period:	Assignment Date:	Minimum required shift availability
March 1	June, July, August, September	March 30	28 shifts/4 months Minimum 14 shifts available in July and August Minimum 6 weekend shifts
August 1	October, November, December, January	August 15	28 shifts/4 months Minimum 5 weekend shifts
December 1	February, March, April, May	December 15	28 shifts/4 months Minimum 5 weekend shifts

For the purpose of this article, a shift shall be defined as twelve (12) hours. For the purposes of meeting minimum availability requirements, shifts of availability may be “day availability” or “night availability”.

One shift of “day availability” means the paramedic is available for any shift defined below as starting during the day.

One shift of “night availability” means the paramedic is available for any shift defined below as starting during the night.

Day shift will be defined as any shift starting between 0500 to 1659 hours.

Night shift will be defined as any shift starting between 1700 to 0459 hours. A weekend shift is defined between Friday night shift to Sunday night shift inclusive.

An employee may opt to provide once a month their availability for two (2) twelve hour shifts within a twenty-four (24) hour period. It is agreed that if the employee works for the first of these two (2) shifts within a twenty-four (24) hour period and thereby making themselves unavailable for the second shift within the twenty-four (24) hour period, they shall provide the Employer with an additional twelve (12) hour shift within the availability period in order to maintain minimum availability.

Employees will submit this information in the approved manner. Equitable distribution of scheduled hours will be based on this minimum availability. This is not to be construed as a guaranteed number of shifts.

If availability changes subsequent to the submission, it is the responsibility of the part-time employee to advise the employer. Failure to advise means that

the part-time employee is still available and responsible for the shift assigned.

A part time employee will maintain their availability on an on-going basis and shall be responsible for showing availability in accordance with the requirements set out above on a continuous basis throughout the respective availability periods (i.e., all shifts removed from an employee's availability that will reduce the stated availability below the requisite level shall be replaced within the availability period by the employee). The Parties agree that where an employee has held a shift of availability and that shift has passed without the assignment of a shift, that shift is counted for the purpose of meeting the availability requirements of this agreement.

Employees removing a shift from their availability shall add an additional available shift that is beyond 96 hours from the day they initiate the change in availability.

It is understood that an employee removing a shift from their availability will not need to submit an additional shift if the remaining availability meets the requirements.

### iii) **Additional Shifts**

#### **Available Shifts: 36 hours or more before shift**

When a shift becomes available which is more than 36 hours away, then the Employer shall assign the shift based on submitted availability. If no employee has submitted availability for that shift, the Employer shall do an "open call" for that shift. For clarity, the Employer shall send an e-mail to all part-time employees at their County e-mail address and their personal e-mail address (if requested by the employee). The acceptance of the shift is through e-mail and is on a first come, first serve basis. Each shift is offered individually through the "open call" system.

#### **Available Shifts: 36 hours or less before shift**

When a shift becomes available in less than 36 hours, then the Employer shall offer the shift by telephone at the phone number provided by the employee based on submitted availability. If no employee who has submitted availability for that shift accepts that shift, then the Employer shall offer the shift to full-time employees at the telephone number provided by the employee through a rotational system.

#### **Notification Process**

The parties agree to work collaboratively to explore and establish were possible efficient and secure use of available technology to enable rapid notification to employees.

iv) **Assigned work less than twelve (12) hours in duration**

On occasion, the Employer may be required to assign work based on the provided availability that is less than twelve (12) hours in duration to part-time employees. On these occasions, the following will apply:

- the Employee will be contacted by direct phone call
- the Employee must indicate at the time of the call whether they choose to accept or decline the assigned hours and neither the acceptance or the decline of the hours shall negatively affect the employee
- the acceptance of a partial shift will not be counted towards the employee's total hours in the 4 week block for the purpose of calculating the ordering of the call-in list
- if the employee is not reachable by direct phone call, the Employer shall leave a voicemail message and proceed down the call-in list.

The employee still remains eligible to accept an alternative shift of twelve (12) hours in duration under the following conditions:

- the alternative shift must become available greater than 36 hours prior to the commencement of the short shift.
- the hours of the alternative shift must overlap the short shift
- the alternative shift must be in line with their submitted availability and be in accordance with the equitable distribution of hours principles.

It is agreed that Article 13.06 applies to any and all hours beyond the assigned hours worked.

- b) If the Employer cancels a shift, at least sixteen (16) hours notice will be given. If less than sixteen (16) hours notice is given, the employee will be paid at the rate of time and one-half (1 ½) their regular straight time rate of pay for an equal number of hours on their next shift worked.
- c) An employee performing work outside of the County of Peterborough and in excess of eighty (80) kilometres from their base on normal working hours shall be provided a twelve (12) dollar meal allowance. The Employer agrees to pay a meal allowance to all employees who work two (2) hours or more of overtime past the end of the shift.
- d) Where possible and operational requirements allow, vehicles shall be scheduled on a twenty-four (24) hour basis and the regular hours of work shall be twelve (12) hours per day inclusive of a paid meal period and the regular hours shall average forty-two

(42) hours per week, on a seven (7) day per week, twenty-four (24) hour per day rotation, averaged over a two-week period.

- e) Where possible and operational requirements allow, vehicles may be scheduled eight (8) or ten (10) hours per day with an average of forty (40) hours per week inclusive of a paid meal period. The hours of work to fall between 0630 and 2330 except for the Emergency Response Unit(s). The shifts of eight (8) or ten (10) hours per day will be in addition to the regular complement of full-time positions.

The Employer agrees to provide at least twenty (20) days notice, in writing, to the Union of its intention to implement either eight (8) or ten (10) hour shifts in relation to any employees whose status became full time after October 1, 2004. An employee whose status became full time before October 1, 2004 will not be scheduled to work the eight (8) or ten (10) hour shift unless the employee(s) choose to do so.

When posting full-time positions for eight (8) hour, ten (10) hour or twelve (12) hour shifts the Employer shall include the hours and days of work.

Ambulances that are scheduled on a twenty-four (24) hour basis shall be staffed with twelve (12) hour shifts inclusive of a paid meal period.

- f) In the situation where an employee has missed the opportunity to work a shift (overtime or regular) due to an acknowledged error on the call-in process, the Employer will pay the affected employee double time (2x) their regular rate of pay on their next regularly scheduled shift. Double time compensation will only apply to the number of lost hours, not the entire next shift. For clarity, if an employee misses an opportunity to work 4 hours, the first 4 hours of their next shift will be paid at double time.

- 13.02** For all full-time employees, the Employer will provide for every second weekend off and no more than four (4) scheduled consecutive twelve (12) hour shifts. Days off shall be on the basis of no less than two (2) consecutive days at a time. This clause may be amended by the mutual agreement of the Employer and the Union.

**13.03 Shift Changes**

Employees upon twelve (12) hour notice shall be allowed the trading of shifts with another employee with the consent of the Superintendent. All shifts must be of an equal number of hours. Such mutual exchange would not require the Employer to pay overtime rates of pay. Such mutual exchange shall be in writing, submitted electronically, and shall be within a twenty-eight (28) day period. A shift cannot be traded more than once. Such request will not be unreasonably withheld.

**13.04 Meal and Rest Periods**

In all other circumstances, the employee will take their meal breaks at the base assigned by their shift supervisor. However, the employer will endeavour to return all employees to their home base.
- 4) Employees are expected to take their meal break as soon as possible within the Meal Break Window. As soon as an employee is free of assignment within the Meal Break Window, the employee will expedite their return to the base where they will be taking their meal break.
- 5) If an employee is unable to commence their meal break within the first hour of the Meal Break Window, the employee will contact the shift supervisor and request a meal break. The shift supervisor will make best efforts to ensure the employee commences their meal break within the Meal Break Window. For clarity, in order to be eligible for \$15.00 the meal allowance, an employee must contact the shift supervisor, either by telephone to the Duty Officer Line or in person.
- 6) Notwithstanding paragraph 5 above, if due to exceptional circumstances no member of the crew is able to telephone or speak with a supervisor during the second hour of the Meal Break Window, the employee will remain eligible for the \$15.00 meal allowance.
- 7) If an employee is interrupted during their meal break, efforts will be made to reschedule the meal break within the Meal Break Window.
- 8) If an employee does not commence a complete, uninterrupted meal break within the Meal Break Window, the employee will receive a \$15.00 meal allowance. On a night shift, a meal break will be considered to be complete when an employee receives a thirty – five (35) minute uninterrupted meal break.
- 9) Employees are encouraged to utilize the comments section in the Operative IQ system, or similar applicable system should the current one change, to explain any circumstances the employee would like the shift supervisor to consider in determining whether to approve or deny a claim for the \$15.00 meal allowance. The shift supervisor will consider any such reasons provided.
- 10) When a request for the \$15.00 meal allowance is denied, the Employer will send an email to the employee indicating the following; the date of the claim, the break that was missed and the reason for the denial. This email will be sent once the decision to deny the meal allowance has been confirmed.

- 11) If the employee voluntarily agrees to take their break at a location other than a base during the Meal Break Window, and if they commence a complete uninterrupted meal break within the Meal Break Window as such location, they will not be eligible for the \$15.00 meal allowance.

# **Letter of Understanding #1: Process for Determining Unpaid Time-Off for Part-time Employees on a Temporary Full-time Contract**

**Between**

**The Corporation of the County of Peterborough**

**and**

**The Canadian Union of Public Employees**

**And it's Local 4911**

---

The Parties hereby agree that a process similar to that used to determine vacation and stat days for full-time employees be applied to calculate unpaid time off for part-time employees who request time off during the term of a temporary full-time contract.

The time off will be:

1. unpaid;
2. pro-rated by calculating the applicant's seniority at the time of the posting and the term of the contract (in calendar days);
3. honoured, if:
  - a. requested at the beginning of the contract resulting from prior commitments and
  - b. are within the amount allowed as per above;
  - c. no full-time employee has been previously denied the shift off; and
  - d. subject to the same rules and procedures that apply to full-time employees requesting time off.

Further, it is agreed that the employer will consider and will not unreasonably withhold a request from the employee for additional unpaid time off for extenuating circumstances restricted to health reasons, family and/or elder care requirements. All requests under extenuating circumstances shall be honoured in accordance with the Ontario Human Rights Code.

## **Letter of Understanding #2: Job Sharing**

**Between**

**The Corporation of the County of Peterborough**

**and**

**The Canadian Union of Public Employees**

**And it's Local 4911**

---

### **RE: Job Sharing**

The parties agree to provide a job-share for Paramedic employees in accordance with the following guidelines and principles. Should there be any discrepancy between this agreement and the Collective Agreement, this agreement takes precedence over the terms and conditions of the Collective Agreement for the job sharing employees only.

The parties recognize and agree to the following:

- ▶ That the schedule to be worked by the job sharers shall be equal to one (1) full-time position.
- ▶ That job sharing arrangement will involve two (2) full-time employees working 50% each, or one (1) full-time employee and one part-time employee sharing the regular work schedule equally.
- ▶ That the Collective Agreement is in effect except as modified in this letter of understanding.
- ▶ That employees fulfilling their probationary period are not eligible to participate in a job share arrangement.
- ▶ That the County and the Union agree to permit and implement a minimum of two (2) job sharing positions (four (4) participants), providing such number of requests are made, and the parties agree that there is no obligation to implement any additional job sharing positions except as provided for under section 28 below.
- ▶ That the job share arrangement(s) shall be at no additional cost to the County.

Job sharing is defined as an alternative work arrangement subject to the following:

1. Within sixty (60) days of ratification the Employer will advise employees of the availability of job sharing positions. Interested employees shall complete and submit a written application to the Chief of Paramedics and copied to Human Resources. Upon receiving an application, the Employer will post the job sharing opportunity/opportunities requested (based on the foregoing quantum of shares) to then be filled in accordance with this LOU (based on seniority if more than one employee applies for any given posted job share).
2. Job sharing participation is completely voluntary. It involves sharing a single full-time position with a commitment of both partners for the duration of the agreement.
3. In the event a request is initiated by one interested permanent full-time employee and through the posting process a job sharing partner is not identified, the other half of the job share will be posted in accordance with the requirements of the Collective Agreement. Full-time and part-time employees will be eligible to apply to job share postings and seniority shall be the deciding factor where competing applications are received. There will be no obligation to post a job share externally.
4. The duties performed, or responsibilities of other staff members, shall not be altered or changed to accommodate the job sharing arrangements.
5. Total hours worked by one pair of job sharing partners shall equal one (1) full-time position. The division of hours shall be at fifty percent (50%) for each of the job sharing participants. Scheduling and availability shall be in accordance with the Collective Agreement except that shifts will be scheduled over a 4 week (2 pay period) timeframe. Scheduling options must be regularly occurring and programmable in Time Manager.
6. Opportunities to work additional shifts including holiday shifts will be consistent with how they are offered to other employees in the employees home position (either Full-time or Part-time).
7. Overtime for job sharing employees will be considered as authorized hours worked in excess of the normal scheduled hours of work and will be compensated as prescribed under Articles 13 of the Collective Agreement.
8. If one (1) of the job share participants leaves a job share arrangement (whether voluntarily e.g. bidding on a new, desire to return to former job, taking a leave, etc. or involuntarily), the remaining job share participant has the option to:
  - a. Return to their former status.

- b. Request that the County re-post the vacated job sharing position.
9. If the job share is terminated by any party (either the participants and/or the employer) the job share participants will return to their original position (Platoon, base location and start time). The employer shall not cancel a job share except for extraordinary reasons and shall first notify the Union of its intention to do so in order for the parties to meet and discuss the reasons and to attempt to find a solution other than cancellation. In any event employees shall be notified thirty (30) days in advance of any cancellation.
  10. In the event that the vacated job sharing position cannot be filled by another participant, the job share arrangement shall end by the County providing two (2) weeks' notice in writing, and the remaining participant shall return to their former status.
  11. It shall be the responsibility of each job share participant to communicate all pertinent information to each other and to keep informed of current workplace communications and activities.
  12. Job sharing applications must provide a minimum of thirty (30) days' notice prior to commencing the job share arrangement to allow sufficient time to address scheduling requirements, adjustments to entitlements, etc.
  13. Full-time permanent employees who are job sharing participants will continue to be treated as full-time employees to maintain access to OMERS Pension Plan and group benefits. OMERS contributions and service will be based on the fifty percent (50%) pay arrangements. This is subject to change if directed by OMERS to do so.
  14. Full-time permanent employees who participate in a job share arrangement shall retain full coverage for Extended Health, Dental and EAP. Basic Life, ADD, Short Term Disability and Long Term Disability will be based on fifty percent (50%) salary levels. The administration of group benefits for job sharing participants will be subject to requirements as directed by Manulife or the County's group benefit insurer.
  15. Full-time permanent job sharing participants will retain their seniority accrued to the date the job share arrangement commences and thereafter seniority will accrue based on their actual hours worked and according to the agreed upon calculation used to convert full-time seniority to part-time and part-time to full-time.
  16. Full-time permanent job sharing participants will have their vacation, statutory holiday bank, sick and personal time pro-rated upon the start date and end date of the job sharing arrangement. Any required

adjustments such as claw back of overused entitlements will occur prior to the commencement of the job sharing arrangement.

17. Bereavement leave will be as per the Collective Agreement.
18. Union dues will be deducted per the Collective Agreement based on actual earnings.
19. Part-time employees participating in a job share arrangement shall continue to have the same rights and benefits afforded to part-time employees.
20. Part-time employees participating in a job share arrangement shall continue to accrue seniority as outlined in the Collective Agreement.
21. In the event one of the job sharing participants wishes to terminate the arrangement, they must give thirty (30) days' notice to the County and to their job share partner. The Employer will repost the remaining term of that one year job share provided that the job share will end more than three (3) months from the date. Where the job share will end with less than three (3) months remaining the portion of the job share will be backfilled through the language in the collective agreement.
22. Any job share shall run for a one (1) year period. Following the one year period the employer agrees to advise the paramedics that there is an open job share opportunity.
23. Job sharing participants are eligible for shift exchanges per the Collective Agreement.
24. Job sharing participants will not be eligible to apply for temporary full-time contracts while in a job sharing arrangement.
25. Applicants may not be on a leave of absence at the time of the commencement of the job sharing arrangement. Should a participant of an approved job sharing arrangement need to commence a leave, the Employer shall repost the remaining term of the one year job share provided that the job share will end more than three (3) months from the date. Where the job share was scheduled to end with less than three (3) months remaining the portion of the job share will be backfilled in accordance with the collective agreement.
26. Management agrees to discuss the expansion of the number of positions in Job Share agreement.

**Letter of Understanding #3: Lateral Transfers**  
**Between**  
**The Corporation of the County of Peterborough**  
**and**  
**The Canadian Union of Public Employees**  
**And it's Local 4911**

---

The Union and the Employer agree to apply the following:

Where a permanent vacancy or new position occurs in a classification within the bargaining unit and the Employer determines the position is required to be filled, prior to posting such vacancy the Employer shall notify the Union executive of its intention to post the vacancy. The Union executive will then have fourteen (14) days to poll its membership regarding any requests for transfer(s) of base or schedule rotation and report back to the Employer with the Union's suggested employee transfer(s). The Employer will consider the proposed employee transfer(s) and make a determination whether or not to approve based on operational needs and best practices. Upon approval of the proposed transfer(s), the Employer will post the remaining (final) vacancy in accordance with Article 12.01 of the Collective Agreement.

In the event that a permanent vacancy or new position does not occur within a twelve (12) month period, the Union may have one (1) opportunity to provide notification to the employer of its intention to poll its membership and make recommendation to the Employer of proposed employee transfer.

This agreement will in no way retract from or interfere with any management's rights, including the right to transfer and assign employees to schedule rotations and base locations, in accordance with the collective agreement or letters of understanding appended thereto.

The Parties agree that no grievances will be filed on any aspect of the project.

This agreement shall only be in effect for the term of the current Collective Agreement.

While this letter of understanding is in effect, the Parties agree that notwithstanding Article 12.01, in matters of temporary vacancies, appointment shall be made of the senior part-time applicant able to meet the normal requirements of the job.

This letter of understanding is without prejudice or precedent to the position that either party may take in the future.

## **Letter of Understanding #4: Staffing Assignments**

**Between**

**The Corporation of the County of Peterborough**

**and**

**The Canadian Union of Public Employees**

**And it's Local 4911**

---

The following are the principles and guidelines agreed to by the Employer and the Union to achieve efficiency in making certain assignments mentioned below:

1. The Union recognizes management's right to make ACP and PCP assignments and other staffing assignments in order to maximize coverage and service efficiency. Should a dispute arise out of this Letter of Understanding the Union and Management agree that Article 2 is the superior article and that this Letter of Understanding in no way detracts from or reduces either parties' rights or obligations under the Collective Agreement.
2. In the event of staff training requirements, such as service training and/or assuring an individual's skill retention, the Employer may reassign employees on a temporary basis provided the displaced employee is returned to their former shift and base after training requirements are complete. When an employee(s) must be displaced to accommodate these training requirements, the least senior employee(s) at the applicable base will be moved.
3. In cases where personal and confidential issues arise, the Employer in consultation with the Labour Management Committee may move employees. In considering the movement of employees in this case, the following criteria will be considered in the following order:
  - a) the issue or matter surrounding the required change;
  - b) the effective operation of the service; and,
  - c) seniority.
4. This Letter of Understanding is entered into without prejudice to the position of both parties with respect to any future issues, matters or disputes between them which are not covered directly by the terms of this Letter of Understanding.

**Letter of Understanding #5: Backfilling of Shifts**  
**Between**  
**The Corporation of the County of Peterborough**  
**and**  
**The Canadian Union of Public Employees**  
**And it's Local 4911**

---

It is understood that whenever possible, the backfilling of shifts shall be based on the principles of availability, equitability and seniority as set out in this letter of understanding.

Subject to paragraphs four and five below, when shifts are available and the employer determines the shift will be filled and there is no part-time staff available or timeliness requires the use of a full-time employee, a call-back shall be used. In an effort to maintain equitability and fairness in call-back distribution, the following process is agreed to by the Employer and Union.

If a call back is required and full-time employees are used, the order in which the full-time employees are called will be based initially on a seniority basis and thereafter on a rotational system. If the employee accepts or refuses a shift their name goes to the bottom of the call list. If the employee cannot be reached their name stays in the same position. The employer will maintain a record of call-back requests and the employee status on each request, i.e. accepted, refused or did not answer.

If all the full time staff available are called for such shift with negative or no response, the employer may fill the shift, as they deem necessary.

If the shift required to be filled is within six (6) hours of the shift start time, the employer may use any available staff to fill such shift.

In circumstances where an employee is available to fill multiple shifts i.e. more than one shift such shifts may be given to an employee at the same time provided that 1) all available staff for the prospective shift(s) have been called and have refused or could not be reached for the subsequent shift(s) or 2) there are twenty-four (24) hours or less before the start of the subsequent shift.

Employees that are not working and have had at least eight (8) hours off from their previous shift or other non-County of Peterborough work are considered available for shift(s) under this process.

The union may request information on the shift assignment records should questions of shift assignment arise. The request shall be made in writing and dealt with in normal business hours.

Employees who are called in shall be paid in accordance with the provisions of the collective agreement.

The Letter of Understanding shall expire at the same time as the current collective agreement.

## **Letter of Understanding #6: Placement of a Full-time Paramedic into a Full-time Temporary Contract Position**

**Between**

**The Corporation of the County of Peterborough**

**and**

**The Canadian Union of Public Employees**

**And it's Local 4911**

---

The parties agree to the following process with respect to temporary contract positions:

- a) All temporary contracts shall be a minimum six (6) weeks in duration, and shall be posted as they arise. On each temporary posting it shall indicate the expected duration of such contract, with the intent to post as long as reasonably possible.
- b) If a temporary contract position needs to be extended beyond the posted expected end date, the employee currently holding the temporary contract shall be offered the extension.
- c) An employee posting into a temporary contract shall carry with them any approved vacation provided that they are for the same date(s), otherwise paragraph (i) below will apply.
- d) Available contracts will be sent to all employees via County email and posted for seven (7) days.
- e) Full time employees who wish to make a temporary transfer into vacant position(s) and up to two (2) subsequent vacant positions must apply to the posting. In addition, the employee may email the scheduler other shift rotations and/or bases that may arise from subsequent moves, that they are not interested in. Only those people responding to this notification will be contacted during this round of temporary transfers for any and all openings.
- f) Human Resources will receive applications from both full and part-time employees and the temporary positions will be awarded to the most senior full-time applicant(s). If no full-time paramedics apply, it will be awarded to the most senior part-time paramedic (who has applied to the posting in the same manner as full-time).

- g) The successful candidate will be notified by phone, text and/or County email (as indicated by the candidates' preference on application). Confirmation of acceptance of the contract must be made within two (2) hours unless candidate is currently on shift or coming off night shift where you will have up to eight (8) hours of the offer being made to respond, otherwise the position will be offered to the next most senior applicant.
- h) With two (2) weeks' notice, management or any affected employee(s) may terminate the temporary full-time contract and all affected employee(s) will move back to their regular positions. In these circumstances, the Union agrees to forego Article 13.01 of the Collective Agreement regarding the provision of six (6) weeks' notice of schedule changes.
- i) The full-time paramedic(s) will be required to resubmit their time off requests to management through the normal channels if they are moving to a different schedule where their approved time off does not apply. These requests will be subject to the established system for approval of time off requests.
- j) Previously approved shift exchanges may be cancelled if necessary to facilitate the movement of employees into new positions or returning to their regular positions. It is not the intent of management to cancel shift exchanges without just cause.
- k) Movement of employees into or out of temporary full-time contracts may result in the potential loss of regular hours where a portion of a shift exchange has occurred prior to the movement of staff under this process. This may affect any employee involved in a shift exchange with an employee moving into or out of a contract. Should this occur, the full-time employee(s), management and the union will work together to find an appropriate solution as long as such agreement does not require the creation of new or additional shifts.
- l) In circumstances where scheduling issues arise due to the movement of full-time employee into or out of a temporary full-time contract, the FT employee will make any scheduling changes necessary to address scheduling issues i.e. movement of a full-time employee from a shift pattern that is scheduled for a night shift and the new shift pattern starts on the following day shift.

The parties agree to meet six (6) months after ratification to review this process.

- All County policies and procedures that relate to use of internet and codes of conduct, whether for personal or business use, shall apply to employees making use of the Union provided internet access while on County premises or when deemed to be representing the County in any capacity;
