C1.2 Implementation

Part “A” may include provisions respecting the implementation of central terms by the school board and the union. Any such provision shall be binding on the school board and the union. Should a provision in Part A conflict with a provision in Part B, the provision in Part A, Central Term will apply.

C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

C1.4 Single Collective Agreement

Central terms and local terms shall together constitute a single collective agreement for all purposes.

C2.00 DEFINITIONS

C2.1 Unless otherwise specified, the following definitions shall apply only with respect to their usage in standard central terms. Where the same word is used in Part B of this collective agreement, the definition in that part, or any existing local interpretation, shall prevail.

C2.2 The “Central Parties” shall be defined as the employer bargaining agency, the Council of Trustees’ Associations/Conseil d’Associations des Employeurs (CTA/CAE) and the employee bargaining agency, the Canadian Union of Public Employees/Syndicat Canadien de la Fonction Publique (CUPE/SCFP).

CUPE/SCFP refers to the designated employee bargaining agency pursuant to subsection 20 (1) of the *School Boards Collective Bargaining Act, 2014* for central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency.

CTA/CAE refers to the designated employer bargaining agency pursuant to subsection 21 (6) of the *School Boards Collective Bargaining Act, 2014* for central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency. The CTA/CAE is composed of:

1. ACEPO refers to l'Association des conseils scolaires des écoles publiques de l'Ontario as the designated bargaining agency for every French-language public district school board.
2. AFOCSC refers to l'Association franco-ontarienne des conseils scolaires catholiques as the designated bargaining agency for every French-language Catholic district school board.

C3.1 Term of Agreement

The term of this collective agreement, including central terms and local terms, shall be from September 1, 2022 to August 31, 2026 inclusive.

C3.2 Term of Letters of Agreement/Understanding

All central letters of agreement/understanding appended to this agreement, or entered into after the execution of this agreement shall, unless otherwise stated therein, form part of the collective agreement, run concurrently with it, and have the same termination date as the agreement.

C3.3 Amendment of Terms

In accordance with Section 42 of the *School Boards Collective Bargaining Act, 2014*, the central terms of this agreement, excepting term, may be amended at any time during the life of the agreement upon mutual consent of the central parties and agreement of the Crown. It is understood the union will follow its internal approval process.

C3.4 Notice to Bargain

- a) Where central bargaining is required under the *School Boards Collective Bargaining Act, 2014*, notice to bargain centrally shall be in accordance with Sections 31 and 28 of that Act, and with Section 59 of the *Labour Relations Act, 1995*.

Notice to commence bargaining shall be given by a central party:

- d) In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and CUPE. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution Process.

C5.5 Payment in Lieu of Benefits

- a) All employees not transferred to the Trust who received pay in lieu of benefits under a collective agreement in effect as of August 31, 2014, shall continue to receive the same benefit.

An employee, other than a casual employee as defined above, is eligible for benefits under this article.

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only. Appointments shall be scheduled outside of working hours, where possible.

Employees receiving benefits under the *Workplace Safety and Insurance Act*, or under an LTD plan, are not entitled to benefits under a school board’s sick leave and short-term disability plan for the same condition.

b) Sick Leave Days Payable at 100% Wages

An employee completing a long-term supply assignment that is less than a full year will be allocated eleven (11) sick days payable at one hundred percent (100%) reduced to reflect the proportion the long-term supply assignment bears to the length of the regular work year for the position.

c) Short Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, permanent Employees will be allocated one hundred and twenty (120) short-term disability days at the start of each fiscal year or the first day of employment. Permanent Employees eligible to access short-term disability coverage shall receive payment equivalent to ninety percent (90%) of regular wages.

Employees on Long-Term Supply Assignments

Subject to paragraph d) below, Employees completing a full year long-term supply assignment shall be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages at the start of the assignment.

An employee completing a long-term supply assignment that is less than a full year will be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages reduced to reflect the proportion the long term supply assignment bears to the length of the regular work year for the position.

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short-term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation

may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and

payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

I) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

C7.00 CENTRAL LABOUR RELATIONS COMMITTEE

C7.1 Preamble

The Council of Trustees' Associations (CTA) and the Canadian Union of Public Employees (CUPE) agree to establish a joint Central Labour Relations Committee (Committee) to promote and facilitate communication between rounds of bargaining on issues of joint interest.

C7.2 Membership

The Committee shall include four (4) representatives from CUPE/SCFP and four (4) representatives from the CTA. The parties may mutually agree to invite the Crown and/or other persons to attend meetings in order to provide support and resources as required.

C7.3 Co-Chair Selection

CUPE/SCFP and CTA representatives will each select one co-chair. The two Co-Chairs will govern the group's agendas, work and meetings.

C7.4 Meetings

The Committee will meet within sixty (60) calendar days of the ratification of the central terms of the collective agreement. The Committee shall meet on agreed upon dates three (3) times in each school year, or more often as mutually agreed.

C7.5 Agenda and Minutes

- a) Agendas of reasonable length detailing issues in a clear and concise fashion will be developed jointly between the co-chairs, translated into the French language and provided to committee members at least ten (10) working days prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

C7.7 Cost of Labour Relations Meetings

The parties agree that efforts will be made to minimize costs related to the committee.

C8.00 CUPE/SCFP MEMBERS ON PROVINCIAL COMMITTEES

CUPE/SCFP appointees to Provincial Committees will not have their participation charged against local collective agreement union release time or days.

C9.00 ATTENDANCE AT MANDATORY MEETINGS/SCHOOL EVENTS

Where an employee is required through clear direction by the board to attend work outside of regular working hours, the provisions of the local collective agreement regarding hours of work and compensation, including any relevant overtime/lieu time provisions, shall apply.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

C11.00 UNION REPRESENTATION AS IT RELATES TO CENTRAL BARGAINING

Negotiations Committee

At all central bargaining meetings with the Employer representatives the union will be represented by the OSBCU negotiations committee.

The union will be consulted prior to the tendering process for the broader central bargaining location. The tendering process shall be conducted in accordance with the OPS Procurement Directive.

Supplemental Employment Benefits (SEB)

- g) The Employer shall provide for permanent employees who access such Leaves, a SEB plan to top up their E.I. Benefits. The permanent employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the work year and during a period for which the permanent employee would normally be paid. The SEB Plan pay will be the difference between the gross amount the employee receives from E.I. and their regular gross pay.
- h) Employees completing a term assignment shall also be eligible for the SEB plan with the length of the benefit limited by the length of the assignment.
- i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

The parties agree to discuss the impact to the affected school board or authority of the merger, amalgamation or integration, including possible redeployment strategies.

C14.00 SPECIALIZED JOB CLASSES

C15.00 PROFESSIONAL ACTIVITY DAYS

The parties agree that if the Ministry of Education declares a change in the number of PA Days the following shall apply:

The parties agree that there will be no loss of pay for CUPE members (excluding casual employees) as a result of the change in the number of PA Days determined by the Ministry of Education. The scheduling of PA days shall not change the number of paid days for the work year as per the Collective Agreement.

* “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

Re: Status Quo Central Items

The parties agree that the following central issues have been addressed at the central table and that the language relating to these provisions shall remain status quo. For further clarity, if language exists in part B, the following items are to be retained as written in the 2019-2022 collective agreements. AND

**The Council of Trustees' Associations
(Hereinafter the 'CTA/CAE')**

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (*or insert local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

LETTER OF UNDERSTANDING #3

BETWEEN

**The Canadian Union of Public Employees
(Hereinafter 'CUPE')**

AND

**The Council of Trustees' Associations
(Hereinafter the 'CTA/CAE')**

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a. In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b. In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this

consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b. Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).
7. The above language does not allow trade-offs between the classifications outlined below:

- 11 The purpose of this Collective Agreement is to set forth rates of pay, hours of work, benefits and other terms and conditions of employment, including the provision of procedures for the resolution of grievances between the Board and the employees who come under the scope of this Agreement.

IMPLEMENTATION

- 12 (a) Both parties shall be bound by appropriate legislation of Canada and the Province of Ontario.
- (b) For the purpose of administering this Agreement previous geographical areas will be defined as any new and existing work sites within the regions covered by the following former Boards/areas: Hornepayne, Chapleau, Michipicoten, Central Algoma, Sault Ste. Marie.

ARTICLE 2

RECOGNITION

- 21 The Board recognizes the Canadian Union of Public Employees and its Local 16 as the bargaining agent in respect of the Plant/Maintenance/Carestaff Unit being: all employees of the Algoma District School Board engaged in plant, maintenance, caretaking, groundskeeping, stores and cafeteria positions, save and except supervisors, assistant supervisors and persons above the rank of supervisor.
- 22 The parties agree that current scenarios for contracting out of work within the scope of this Collective Agreement shall be allowed to continue. Such scenarios include but are not limited to:
- (a) North Shore cleaning and maintenance and District Wide Cafeterias currently being outsourced will be excluded from the scope of this Agreement.
- (b) Significant projects or work requiring specialized equipment, expertise, licenses, etc. which do not affect the regularly scheduled hours of work of bargaining unit employees.

- (c) Students who are employed to work regularly less than eight (8) hours per week shall be excluded from the scope of this Agreement, provided such work does not lessen the regularly scheduled hours of work of a bargaining unit employee in the former Board areas of Michipicoten, Chapleau and Hornepayne. (Reference Letter of Understanding I)

23 No bargaining unit employee shall be required or permitted to make any written or verbal agreement with the Board or its representatives which is contrary to the terms of this Collective Agreement.

ARTICLE 3

MANAGEMENT RIGHTS

31 Except as modified by this Agreement and to the extent specifically described in the Agreement, all rights and prerogatives of management are retained by the Board and remain exclusively and without limitations, within the right of the Board and its administration. Without limiting the generality of the foregoing, the Board's rights shall include:

- (a) The right of the Board to hire, direct, promote, demote, classify, transfer, suspend and lay off employees and also the right of the Board to discipline or discharge any employee for just cause; provided, however, that a claim by an employee (who has acquired seniority) that the employee has been discharged, suspended, demoted or disciplined without just cause, or that the Board has exercised any of its other rights contrary to the terms of this Agreement may be subject of a grievance and dealt with as hereinafter provided.
- (b) The right of the Board to authorize any agent, advisor, counsel, solicitor or duly authorized representative to assist, advise or represent it in all matters pertaining to the negotiation and administration of this Collective Agreement.
- (c) The right of the Board to determine qualifications, duties and responsibilities of positions.

32 The Union further recognizes the right of the Board to operate and manage its business in all respects in accordance with its commitments and responsibilities. The methods, processes and means of operation used, the right to use improved methods, machinery and equipment, and jurisdiction over all operations, buildings, machinery and tools are solely and exclusively the responsibility of the Board, subject to the terms of this Agreement.

The Board also has the right to make, alter and enforce from time to time rules and regulations to be observed by the employees, but such rules and regulations shall not be contrary to the terms of this Agreement.

- 33 Any exercise of the above-noted rights by the Board that establish a new, changed or modified policy or practice will be communicated to the President and the Recording Secretary of the Union in writing as soon as possible.

ARTICLE 4

CONTRACTING OUT

- 4.1 The Board agrees that all schools and buildings under its jurisdiction shall continue to be maintained by bargaining unit employees of the Board. The Board will not contract out work normally performed by employees who are embraced by the Bargaining Unit. This shall not prevent the Board from contracting out work of an emergency nature and work not normally performed by members of the Bargaining Unit.
- 4.2 When contracting out is necessary it will not directly lessen the regularly scheduled hours of work for employees.
- 4.3 Student Co-op will not be used to lessen the regularly scheduled hours of work for employees.

- 5.3 The Board shall deduct from the pay of each employee, as described in Article 2 (Recognition), such dues and assessments that may be levied by the Union. The total amount of dues deducted, together with a list of employees showing wages and hours of work for the pay period, shall be remitted to the National Treasurer of CUPE as soon as possible following each pay period.
- 5.4 The Union is responsible for keeping the Board informed of the name and address for the National Treasurer of CUPE.
- 5.5 The Local 16 Secretary-Treasurer of the Union is responsible for informing the Board of the dues and assessments on regular pay to be deducted from each employee's pay.
- 5.6 The employee, the bargaining unit and the Union, as the case may be, shall indemnify and hold the Board harmless from any claims, suits, attachments and any form of liability as a result of deductions authorized by the Union.
- 5.7 On request, provided sufficient notice is given by the Union to the Superintendent/Manager of Human Resources, the local President or the Recording Secretary of the Union shall be provided with a list of employees covered by the bargaining unit. The information provided will contain the employees' name, gender, work location, mailing address and listed phone numbers. The information requested may appear on more than one list.
- 5.8 The Human Resources Department of the Board agrees to advise new employees that a Collective Agreement is in force, and that Union dues will be deducted in accordance with the Collective Agreement.

Except for bona fide religious reasons in accordance with The Ontario Labour Relations Act and/or the Human Rights Code, all present employees shall either maintain their Union membership or join the Union within thirty (30) days after the ratification of this Agreement and shall remain Union members in good standing.

Except for bona fide religious reasons in accordance with the Ontario Labour Relations Act, and/or the Human Rights Code, employees hired subsequent to the ratification of this Agreement shall become Union members as of the first day of work, and shall remain Union members in good standing.

- 5.9 The Union may, with the approval of the Director or designate, be allowed to use the inter-school or inter-district mail service for the purpose of communicating with its membership.
- 5.10 The Board recognizes the right of the Union to authorize any agent, advisor, counsel, solicitor or duly authorized representative to assist, advise, or represent it in all matters

ARTICLE 6

GRIEVANCE PROCEDURE

- 6.1 Every effort will be made to resolve complaints before they become grievances.
- 6.2 A grievance shall be defined as any difference arising from the interpretation, application or alleged violation of the terms of this Collective Agreement including whether a matter is arbitrable.
- 6.3 Time lines for Grievances and Arbitration shall be suspended during the period of School Breaks (such as Christmas, Spring, Summer) except in cases of suspension or discharge. Suspension or Discharge grievances will proceed as per the time lines set out in the Grievance Procedure.
- 6.4 All grievances and answers after the informal stage shall be in writing. All employer responses shall be provided on letterhead and signed. Meeting arrangements shall be made through the Human Resources Department.
- 6.5 A member of the Union Grievance Committee shall have the right to visit the work area during their investigation of a complaint at no cost to the Board.
- 6.6 For the purpose of this Article, participation by teleconference or video conference shall be deemed to constitute attendance at a meeting.
- 6.7 (a) **Board Committee**
- The Board's Grievance Committee may include up to four (4) non-union employees.
- (b) **Union Committee**
- The Union's Grievance Committee may include up to four (4) employees duly authorized by the Union to act on its behalf. Three of these employees shall be from the Sault Ste. Marie geographic area. The fourth committee member shall be

an employee representing the geographic area from which the grievance arises.

- (c) Grievance meetings shall be arranged at mutually satisfactory times during the “split”, but in any case every effort will be made to minimize disruption of the Board’s operational requirements.

Should either party have to reschedule a grievance meeting to a time “outside of the split”, the party requesting the change will be responsible for the wage loss for the Union Committee and grievor to attend the meeting which occurs outside the “split”.

In the event the grievance meeting is held during the scheduled “split”, the Board agrees to pay the wages of one (1) employee who has been elected to the Grievance Committee and who is required to work during the “split” shift period.

The Union shall have the right to include its National Representative as a fifth committee member should the Union so desire, at no cost to the Board.

- (d) Resource People

Additional resource people may be included by mutual consent. Each party will bear their own costs for resource people.

PROCEDURE – INDIVIDUAL(S) GRIEVANCE

6.8 Step 1 - Informal Step

If an employee(s) feels there has been a violation of the Collective Agreement the employee(s) shall first seek remedy through a meeting with the immediate supervisor. The employee(s) shall have Union representation (a member of the Grievance Committee) present at said meeting should the employee(s) so desire. A representative from Human Resources may be present at this stage should the immediate supervisor so desire. The Step 1 grievance procedure shall not be considered to be complete until the employee has participated in a meeting (conference calls, emails etc.) with the immediate supervisor regarding the violation of the Collective Agreement.

The employee(s) must discuss the alleged violation with the immediate supervisor within fifteen (15) school days of the date of the incident. The immediate supervisor will respond verbally to the employee(s) union within fifteen (15) school days.

A grievance regarding the dismissal of an employee may be initiated at Step 2 of the Individual Grievance Procedure.

6.9 Step 2

If the informal meeting does not result in a resolution, the Union may submit the grievance, in writing, to the Manager of Plant, with copies to Human Resources, within ten (10) school days of the date of the response of the immediate supervisor. Such written grievance shall contain:

- (a) a description of the facts giving rise to the grievance, the dates of the alleged violation(s) and the relevant Article;
- (b) the remedy sought;
- (c) signatures of the duly authorized official of the Bargaining Unit and grievor.

The Manager of Plant or designate shall respond in writing to the grievance within ten (10) school days from the date the grievance was received.

6.10 Step 3

- (a) If the grievance is not resolved at Step 2, the Union may, within fifteen (15) school days from the date of receipt of the reply, submit the grievance to the Director or designate.
- (b) A joint meeting of the parties' respective grievance committees will be arranged within ten (10) school days to try to resolve the dispute. If a meeting has not yet been held between the Grievance Committee and the Board, then a meeting will be held at Step 3.
- (c) The Union shall be notified in writing of the answer of the Director within fifteen (15) school days from the date of the Step 3 grievance meeting.

6.11 If the grievance is not resolved at Step 3, the Union shall advise the Board within twenty-five (25) school days of their intent to forward the grievance to arbitration.

6.12 Time restrictions are mandatory but may be extended if mutually agreed upon. Consent to extend the time limits will not be unreasonably withheld. The failure of one party to comply with time allowances or any agreed upon extensions shall result in the grievance being moved to the next step in the process.

POLICY GRIEVANCES

6.13 Step 1 - Informal Discussion

The Union alleging the contravention of the Collective Agreement shall first attempt to resolve the matter by informal meeting with the Manager of Plant and/or designate. Such a meeting will occur within ten (10) school days of the date of the alleged contravention of the Agreement.

6.14 Step 2

In the event that this issue remains unresolved, a grievance may be filed in writing to the Director of Education within ten (10) school days of the informal meeting. Such written grievance shall contain:

- (a) a description of the facts giving rise to the grievance, the dates of the alleged violation(s) and the relevant Article;
- (b) the remedy sought;
- (c) signatures of the duly authorized officials of the Bargaining Unit.

6.15 A joint meeting of the party's respective grievance committees shall be arranged within ten (10) school days of receipt of the written grievance to discuss the grievance and attempt to resolve the dispute.

6.16 The Director shall respond in writing to the grievance within fifteen (15) school days from the date of the meeting.

6.17 If the grievance is not resolved at Step 2, the Union shall advise the Director within twenty-five (25) school days of the intent to forward the grievance to arbitration.

6.18 Time restrictions may be extended if mutually agreed upon. Consent to extend time restrictions will not be unreasonably withheld.

ARBITRATION

6.19 Where a difference arises between the parties relating to the contravention of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after

exhausting the grievance procedure established by this Agreement, notify the other party in writing of its desire to submit the grievance to arbitration. The notice shall contain the names of three (3) sole arbitrators for consideration.

The recipient of this notice shall, within twenty (20) school days, advise the other party of the name they can agree to, if not they will submit three (3) names for the first party to be considered.

- 6.20 If the parties fail to agree upon a sole arbitrator within the time limit, the appointment shall be made by the Minister of Labour upon request of either party.

The Arbitrator (as the case may be) shall hear representations of the parties and shall issue a decision. The decision shall be final and binding upon the parties.

- 6.21 The parties may mutually agree in writing to substitute a single arbitrator for an Arbitration Board at the time of referral to arbitration. All other provisions contained in this Article shall continue to apply.

- 6.22 In the event of an Arbitration, the Board shall bear the cost of its attendees. Regardless of the number of local Union grievance representatives, the Board will be responsible for a total of up to four (4) days lost wages. Local grievance representatives shall be employees of the Algoma District School Board and may include the grievor.

Each of the parties will jointly bear the costs of a sole Arbitrator on an equal basis.

- 6.23 The Arbitrator shall not alter, modify or amend this Agreement in any manner and shall not make any decision inconsistent with the provisions of this Agreement.

ARTICLE 7

LABOUR/MANAGEMENT COMMITTEE

- 7.1 a) The Labour/Management Committee will consist of the following:
three (3) representatives from the Union and three (3) from the Board.
- b) The Committee shall meet semi-annually or as required by the Bargaining Unit Executive or by the Employer to discuss matters of common concern. A meeting shall be held as expeditiously as possible as mutually agreed between the parties, but not later than fifteen (15) days after receipt of a request by either party or as otherwise mutually agreed.
- 7.2 This Committee will form to discuss issues that arise regarding the interpretation of the

Collective Agreement. Every effort will be made to schedule committee meetings outside of working hours. In the event that this is not possible, Union members on the Committee shall be granted leave with pay to attend committee meetings.

7.3 The purpose of the Committee is to discuss issues which arise out of the administration and interpretation of this Collective Agreement. However, any discussions of the Committee shall not replace or infringe upon the grievance procedure.

7.4 All committee members must be employees of the Algoma District School Board. The National Representative may participate in meetings of this Committee should the Union so desire.

ARTICLE 8

JOB EVALUATION/PAY EQUITY COMMITTEE

8.1 The Board acknowledges the right of the Union to appoint a Job Evaluation/Pay Equity Committee of not more than three (3) members.

8.2 Committee members shall be granted leave to attend committee meetings between the Board and Union at no cost to the Board.

ARTICLE 9

SENIORITY/LOSS OF SENIORITY

(In addition to Central Item C10.00 Casual Seniority Employee List)

9.1 Seniority is a principle of granting preference to employees in the bargaining unit for promotion, demotion, transfer, layoff and recalls after layoff. Seniority shall operate on a bargaining unit wide basis. Seniority shall be based on the date of hire with the employer. Seniority shall include service with a predecessor board in a bargaining unit prior to the certification of this bargaining unit. In the event of a tie, the date on the employee's most recent application, which is in the Human Resources Personnel File, will be used to determine seniority order. In the event the seniority is still tied it shall be broken by lots conducted jointly by the Parties.

9.2 Seniority lists showing the name, date of hire and employee's job title will be prepared by the Board for all full and part time employees. Seniority lists shall be ranked in order of highest to lowest, based on date of hire. Such lists shall be distributed via email to all employees and a copy forwarded to the Union by September 30th and March 30th of each year.

An employee noting an error in the employee's seniority will make it known in writing to the Superintendent/Manager of Human Resources or designate within thirty (30) working days of the date the list was posted. Any error verified will cause a revised list to be posted. An employee who was on an approved leave of absence shall have five (5) working days from their return to work date to check the list for errors.

Failure to dispute the accuracy of the seniority list in writing within the specified time period shall result in the list being deemed to be correct.

WORKERS SAFETY AND INSURANCE BOARD (WSIB)

(In addition to Central Item C6.00 (f) Sick Leave)

- 34.1 (a) Where an employee is absent by reason of an occupational disease or an occupational injury as a result of the employee's employment, and where a claim is made to the Workers Safety and Insurance Board (WSIB), the employee shall continue to receive regular pay until the claim is approved by WSIB and such time shall be deducted from the employee's sick leave credit bank. The amount of regular pay shall be limited to the employee's accumulated sick leave credits.
- (b) Upon confirmation of approval by the WSIB regular pay shall cease and WSIB benefits shall commence. Once the claim is approved by WSIB the Board shall perform the necessary paperwork to generate credits back to the employee's sick leave credit bank. Since the WSIB credit does not equate to the regular pay received by the employee during the waiting period, sick leave will be refunded to the employees' sick leave credit bank on a prorated basis.
In the event that the employee is paid by WSIB for the waiting period for which the employee received regular pay from their sick leave bank, the employee shall reimburse the Board forthwith.
- (c) The Board will continue to cover the employee for benefits in accordance with WSIB legislation.

LETTER OF UNDERSTANDING "B" - LETTER 1

RE: ON ISSUES RELATIVE TO RATES OF PAY

The parties agree that the hours of work for those named employees in the geographic areas listed below will hereby be grandparented according to the following terms and conditions:

Chapleau:

Lucie Ayotte

The above named employees, who are currently assigned to work eight (8) hours per day, shall be grandparented at eight (8) hours per day/forty (40) hours per week until such time as the employee retires, resigns, is laid off or displaced, posts out or until such time as the next collective agreement is negotiated subject to the Ontario Labour Relations Act whichever comes first.

For clarity, the parties hereby agree that these employees continue to be subject to the provisions of the Layoff Article on a seniority basis. Consequently, these employees may have their hours reduced, may be displaced, and/or may be required to take a position of lesser hours as a result of the provisions of the Layoff Article.

Once an employee leaves an eight (8) hour position for any reason, the job will then be deemed to be a seven (7) hour (F.T.E. = 1.0) position.

Employees entering any of the above noted areas or position, either as a result of the Layoff provisions or as a new hire, will be scheduled on a seven (7) hour basis (1.0 F.T.E.).

For the above named employees, eight (8) hours per day will be equivalent to 1.0 F.T.E. with respect to the provisions of the following articles: Sick Leave, Vacations, Overtime, OMERS.

Shift schedules for eight (8) hour people will be adjusted accordingly by plant supervision.

Chapleau: Lucie Ayotte

Michipicoten: Gertrude Bertin

The Board will grandparent the above named employees until such time as a new collective agreement is negotiated, subject to the Ontario Labour Relations Act, or to the retirement or resignation of the employee, and subject to the provisions of the Layoff Article, whichever comes first.

In the event that one of these employees is laid off, displaced or leaves the position for any reason, the position will be deemed to be ten (10) months

RE: FOUR DAY SUMMER WORK WEEK

The parties agree to implement without prejudice or precedent, a four (4) day work week program during the summer months. The four (4) day work week program will be called the “Summer Work Program”. The Summer Work Program will commence on the first full work week in July, without a statutory holiday, and terminate on the second last Friday in August in each summer. The Summer Work Program will be governed by the following terms and conditions, and these shall override any conflicts/contradictions with the collective agreement for the duration of each Summer Work Program.

Project Custodians and Project Custodians Lead may be assigned to a four (4) day work week, weather permitting, between April 1st and October 31st of a calendar year under the terms and conditions of this Letter of Understanding. It is understood that in extenuating circumstances the period may have to be altered depending on operational needs.

The terms and conditions are as follows:

1. Vacation days will be booked in blocks of one week equaling five (5) days to be deducted from the employees vacation entitlement. Requests for single vacation days may be granted at the discretion of Plant Manager but only for extenuating circumstances.

2. Hours of Work:

Regular Week: 35 hours/4 days at 8.75 hours per day plus ½ hour unpaid lunch;
or

Regular Week:40 hours/4 days will be scheduled with four (4) ten (10) hour shifts; or

Specific hours of work for each position will be governed by the criteria in item #2.

Maintenance will be scheduled by the Board from Monday to Friday inclusive. Some maintenance employees will work Monday to Thursday and others will work Tuesday to Friday to ensure that the full five (5) day period is covered each week with a 7:00 a.m. daily start.

Where necessary, the Board may change the schedule of an employee due to the delivery of Educational Programs, operational demands and/or extenuating circumstances but still maintain the four (4) day work week.

3. Sick Leave is accumulated and taken in hours. Therefore if an employee is sick during the period of a Summer Work Program, sick time (if applicable) shall be deducted as per normal practice - hour for hour.
4. Overtime, if applicable, will be for hours worked in excess of thirty five (35) hours per week, or daily for hours worked after the appropriate daily hours according to item #2.
5. In areas, where a forty (40) hour work week exists the overtime will be paid for those hours in excess of forty (40) hours per week or for those hours worked after the appropriate daily hours according to item #2 (above).
6. Current levels of productivity must be maintained at a minimum, and the Board will monitor productivity levels in each school program as per past practice.
7. The Unpaid Lunch Period will be one half hour (½) taken between 11:00 a.m. and 1:00 p.m.
8. Paid Leave Days are based on a 7 or 8 hour day (whichever is applicable), therefore the additional hours will be worked by the employee as scheduled by Plant Management. This time will be worked before the end of that summer's Work Program.

9. Statutory Holidays will also be paid based on the employee's regularly scheduled shift.
10. Casuals will be utilized to replace according to the hourly schedule currently in operation for the department to which they are being assigned.

RE: PRINCIPLES FOR THE NEW CLEANING METHOD (In addition to Central Letter of Understanding #1)

I. General

The model will be based on the following core principles:

Core Principles:

1. A consistent standard schedule of cleaning to provide every operational classroom with some cleaning attention every school day.
2. The standard of cleaning described in #1, will result in a higher standard than the “Alternate Day” cleaning model.
3. Time for “minor maintenance functions” (such as but not limited to, light fixture repairs, door hinge repairs, washroom stall repairs, tightening and cleaning of machines, fixtures, brackets, etc.) will be incorporated.
4. The purchase and use of automated cleaning equipment to increase cleaning efficiencies and improve cleaning effectiveness while reducing the risk of injury which would lead to a reduced number of WSIB claims.

Extenuating circumstances may require minor deviation from this model to achieve effectiveness and/or meet operational needs.

II. Application of Principles

1. There shall be an annual review of the allocation of hours, if applicable.
2. During the annual review, factors which will be considered in triggering an adjustment of allocation of hours (up or down) include:

A. Internal

- an increase of three (3) or more classrooms from the foundation allocation or most recent adjustment of the allocation of hours; or
- a decrease of three (3) or more classrooms from the foundation allocation or most

recent adjustment of the allocation of hours.

B. External

- an increase of two (2) or more portables from the foundation allocation or most recent adjustment of the allocation of hours; or
- a decrease of two (2) or more portables from the foundation allocation or most recent adjustment of the allocation of hours.

C. Combinations

- an increase of one (1) portable and two (2) classrooms or more from the foundation allocation or most recent adjustment of the allocation of hours; or
- a decrease of one (1) portable and two (2) classrooms or more from the foundation allocation or most recent adjustment of the allocation of hours.

In each review conducted the number of decreases or increases shall be compared against the foundation allocation or the most recent adjustment of the allocation of hours with the understanding that a trigger may not be reached for a number of years but that when it is reached an adjustment will occur.

Should areas be closed*, which are less than the aforementioned adjustment triggers, resulting in employees having more time to clean less space, the parties recognize that there will be a higher level of cleaning and maintenance productivity.

* Closed will mean where cleaning is not required.

In the event of a decrease in the allocation of hours as described above, the relevant provisions of the collective agreement shall be adhered to.

RE: ARTICLE 2 CLARIFICATION

The parties agree that with respect to the use of casual students and the pay rate for them, the following shall apply:

- i. The Board is able to continue to contract out work within the scope of the collective agreement provided such work is similar to scenarios in existence between January 1st, 1998 and November 20th, 1999.
- ii. If the Board employs casual students who regularly work more than eight (8) hours per week, they will be paid \$9.50 per hour and union dues will be deducted from such casual students.
- iii. If the Board employs casual students who regularly work less than 8 hours per week, they will be paid at a rate determined by the Algoma District School Board. Use of casual students shall not lessen the hours of work of a regular bargaining unit employee in the areas of Hornepayne, Chapleau and Michipicoten.

The parties agree that a Committee comprised of equal numbers of management and union personnel will be formed with the intent of designing and recommending a new cleaning model which will include new standards of cleaning, agreeable to the parties.

Union members who serve on the Committee shall be granted leave with pay to participate in Committee meetings.

The parties agree that as part of the new cleaning model, the Committee will investigate hours of work as they relate to cost effectiveness, productivity and impact on employees.

The parties agree that once the model is designed and agreed to by the Committee, the Committee will present the model and a Pilot Project Plan to the Union Executive and to Senior Board Management and will request approval to proceed to a pilot project stage in various Board worksites.

With the approval of the Union Executive and Senior Board Management, the Committee will operate, monitor and evaluate the viability of the model in the pilot test sites.

Upon completion of the pilot project stage, the Committee will report, in writing, their findings, along with a recommendation with respect to the implementation of the model. The Committee will then be dissolved.

Any recommendation for implementation of the model will be subject to ratification by both the Board and the Union.

In the event that the Committee reaches an impasse at any time throughout the process the Committee will be dissolved.

RE: OVERTIME SCHEDULING CHANGE OF PRACTICE OCTOBER 2008

As per Article 18 of the Collective Agreement:

18.1 a) An employee will not be permitted to work overtime except with the prior approval of the immediate supervisor.

18.1 c) the parties agree that overtime shall be kept to a minimum but will cooperate in meeting operational needs where overtime is required.

Casuals will be called first on a seniority rotation basis if available and, if they have not worked a 35 hour work week.

Overtime required in a school shall be offered by seniority on rotation basis, first to the full-time or part-time employees assigned to the building. In the event that full-time or part-time employees of this building decline to work overtime, then it shall be offered to other full-time or part-time employees from the elementary schools according to the seniority in rotation. In the event that full-time or part-time employees decline the overtime, then it will be offered to casuals.

CAFETERIA SECONDARY WEEKEND WORK (ie. Cafeteria training, Smart Serve Certification).

- See below for details

PROJECT CUSTODIANS, MAINTENANCE HELPERS, TRADE POSITIONS (ie. Chainsaw certification, and maintenance related training and tradesmen)

- For these specific jobs (noted above)
- Any overtime required will remain status quo
- The people will cover their own areas(s)/job(s) as per past practice

It must be noted that the change for the practice of calling out is based on the fact that

- There are not enough employees most of the time to cover weekend work
- The Board feels that they have an obligation to offer the overtime to other employees within their system
- Cost to the Board by having one person always covering is extreme
- Ongoing concerns raised by the Union

CUPE CUSTODIAL STAFF

Carestaff interested in working overtime, must submit their intent in writing to the Supervisor of Carestaff upon receipt of this memo.

NOTE: Carestaff Supervision will remove an employee from the Overtime List if the employee refuses work three (3) times in the current school year.

CUPE CAFETERIA STAFF

Cafeteria staff interested in working overtime in the cafeterias must submit their intent in writing to the Supervisor of Carestaff upon receipt of this memo.

NOTE: Carestaff Supervision will remove an employee from the Overtime List if the employee refuses work three (3) times in the current school year.

It must also be noted that cafeteria staff will not be put on the weekend Custodial Call Out List.

- Retroactive pay (Including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members
- Lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (for example, payment based on organizational performance, some types of variable pay, merit pay, commissions)
- Market value adjustments (for example, percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy)

- Ongoing long service pay (extra pay for completing a specified number of years of service)
- Sick pay deemed to be regular wages or salary
- Salary or wage extension for any reason, provided service is extended (the member must be kept whole for example, continuation of salary and benefits). If the member becomes employed in another position and begins contributing to another registered pension plan (except CPP), the balance of the extension period becomes unpurchaseable service
- Stand-by pay/call-in pay (pay for being on call, not pay for hours worked when called in) where this pay is in relation to duties that are an extension of the member’s normal job
- Living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement)
- Ongoing taxable payments to pay for costs (for example, educational or car allowance)
- Taxable premiums for life insurance

If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance wear and tear on the vehicle and

licence fees and should not be included as part of contributory earnings)

- Payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended
