The Administrator and a Union representative shall be designated as joint chairpersons and shall alternate presiding over meetings.

The Committee shall meet quarterly, or as necessary by mutual agreement, or upon seven (7) days notice by either party. Employees shall not suffer any loss of pay for time spent with the Committee.

Section 2 – Functions of the Committee

4.02 The Committee is established for the purpose of enabling the Parties, during the term of this Agreement, to discuss issues relating to the workplace that affect the Parties, or any employee bound by this Agreement. The Committee shall not deal with grievances or collective bargaining for the renewal or extension of this collective agreement.

ARTICLE 5 - GRIEVANCE PROCEDURE

Section 1

5.01 Any employee(s) having any grievance with respect to violation or alleged violation of this Agreement shall have the right to endeavour to reach an amicable settlement of the grievance in accordance with this Article. It is agreed that the grievor has the right to be present, if requested by either party, at any stage of the procedure. Where the word "days" is used in this Article with reference to length of time, it shall mean "working days" unless otherwise specified.

5.02 Stage 1

The employee(s) concerned, and/or a Union representative, will endeavour to settle the dispute with the immediate Department Manager or designate. Failing to reach a satisfactory settlement of the dispute within "five (5) working days" after its submission, the dispute may be referred to Stage 2.

Stage 2

If the grievance is not resolved under Stage 1, the Union may submit the grievance to the Administrator within ten (10) working days of the date that the grievor received the decision under Step 1. Preparations for the hearing shall be made within two (2) working days of receipt of the Union response. The hearing will take place within seven (7) working days of receipt of the Union's response. The Administrator will reply to the Union, in writing, of his decision within seven (7) working days. Within seven (7) working days of receiving this decision, the Union will either accept or reject the decision in writing. Failure to reach a satisfactory settlement will result in the dispute being submitted to Stage 3.

Stage 3

Where no settlement is affected under step 2 above, the employee and the Union shall have the right to further grieve in writing and submit the matter to the Chief Administrative Officer of the Employer in a further attempt to resolve the grievance. A request to proceed to Stage 3 shall be in writing and shall constitute notice to the Employer. This referral shall take no longer than five (5) working days and the Employer shall respond in writing within an additional five (5) working days, as per the Administrative Fairness Policy as the guiding principal.

Stage 4

The dispute shall be submitted to a Board of Arbitration.

Section 2

5.03 If a dispute is not submitted under Stage 1 within thirty (30) working days after the occurrence of the act or decision giving rise to the dispute, or is not advanced to the next stages within ten (10) working days after a decision was made or should have been made, the dispute shall be deemed to be abandoned and all right to recourse to the dispute procedure shall be at an end.

5.04 The procedure for settling disputes set out in this Article shall be strictly adhered to, but where a dispute involves a dismissal or suspension, the Employer and the Union agree to by-pass Stage 1 and 2 and this must be before the Personnel Committee of Council within five (5) working days. Policy grievances may go directly to Stage 3.

5.05 Time Limits

The time limits in the above Article may be varied and/or extended only by mutual agreement between the Parties.

Section 3

5.06 City Grievance

The Employer shall have the right to submit any dispute regarding the interpretation of or violation of this Agreement to the Executive Officers of the Union. Failing a satisfactory settlement within five (5) working days of the submission, the Employer shall have the right, upon giving fourteen (14) working days notice in writing to the Union, to refer the disputed to a Board of Arbitration constituted in accordance with this Agreement.

Section 4 - Board of Arbitration

5.07 The Board of Arbitration shall consist of three (3) members: one (1) to be selected by the Employer; one (1) to be selected by the Union; and a third mutually acceptable person who shall act as Chair, to be chosen by the two (2) persons thus selected. In the event that the Employer and the Union are unable to agree upon the selection of the third member of the Board, the Director of the Collective Agreement Arbitration Bureau shall be requested to appoint such member.

5.08 The decision of the Board of Arbitration, or of a majority thereof, with respect to an interpretation or alleged violation of this Agreement, shall be final and binding upon the Parties, but in no event shall the Board have the power to alter, modify, or amend this Agreement in any respect.

5.09 Each party shall bear the expenses of the Member of the Board of Arbitration chosen by it, and all expenses incurred in connection with the presentation and preparation of its own case, but the Parties shall share equally the expenses of the third Member of the Board.

5.10 Single Arbitrator

At the time a submission to Arbitration is made, the submitting Party may request that the matter be submitted to a Board of Arbitration composed of a single arbitrator, and if the other Party agrees within three (3) days of submission, this shall be done. In the event that the Employer and the Union are unable to agree upon the selection of the single arbitrator, the Director of the Collective Agreement Arbitration Bureau shall be requested to appoint such arbitrator. The provisions of Articles 5.08 and 5.09 shall apply as appropriate.

ARTICLE 6 - SENIORITY/ANNIVERSARY

6.01 Seniority shall operate on a bargaining unit-wide basis, and the Employer shall maintain a seniority list showing the date upon which each employee's service commenced. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards every six (6) months. Upon completion of the probationary period, the probationary employees' seniority shall be effective from the original date of employment.

- a) Temporary/Casual employees will accumulate seniority, based on the actual hours worked, but such seniority will not be credited for temporary employees, until the employee is hired for a second term of temporary employment or the first term is extended beyond twelve (12) months and casuals will not be credited until they are appointed to regular staff and have successfully completed probation.

Such extension for temporary employees is by mutual agreement with the Union. Upon crediting of seniority, the temporary employee will then be placed on the bottom of the seniority list. Crediting of seniority will be calculated as the total number of hours worked. During the temporary assignment each employee will be provided with an on-going written assessment of their competency, suitability and areas of concern and how such employee may correct such concerns. Such assessment will be reviewed in the presence of a shop steward/union representative.

- b) Temporary/Casual employees, upon appointment to regular staff and upon successful completion of probation, shall then be credited with seniority to the actual number of days worked for the Employer. Seniority date and Anniversary date shall be established by counting back the number of hours worked from the date of appointment as a regular employee. For Appendix "A" a day shall equal eight (8) hours worked. For Appendix "B" a day shall equal seven and one-half (7.5) hours worked.

6.02 If an employee is absent from work because of sickness, accident, lay-off or leave of absence approved by the Employer, they shall not lose seniority rights. An employee shall only lose their seniority rights in the event:

- 1) They are discharged for just cause and is not reinstated.
- 2) They resign.
- 3) They are absent from work in excess of two (2) working days without notifying the Employer, unless such notice was not reasonably possible.

- 4) After a layoff, they fail to return to work within seven (7) calendar days, after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of their current address.
- 5) They receive severance pay.
- 6) They are on layoff and recall rights expire.
- 7) They retire.

ARTICLE 7 - STAFF AND STAFF CHANGES

Section 1 - Probation

7.01 A newly hired employee for a regular position shall be considered on a probationary basis for a period of fifty (50) days worked from the date of hiring to determine the employee's competency and suitability, as judged by the Employer, for the position and for service with the Employer. The employee may be terminated at any time during the probationary period, without notice, at the discretion of the Employer, provided the Employer acts in good faith in the assessment of the employees' suitability for the position. Upon successful completion of the probationary period, the employee shall be considered a regular employee.

If the employee violates the Code of Conduct or the Disciplinary Policy, they may be terminated at any time during the probationary period, without notice, at the discretion of the Employer.

During the probationary period each employee will be provided with a written assessment after the first fifteen (15) working days of their competency, suitability and areas of concern and how such employee may correct such concerns. A second (2nd) written assessment shall be provided after thirty-five (35) days worked. Such assessment will be conducted in the presence of a shop steward/union representative.

Section 2 - Promotions, Demotions, Filling of Vacancies

7.02 The Employer agrees that seniority shall determine in all cases of promotions, demotions, or transfers, provided that competency, efficiency, ability and qualifications of the employees concerned are comparatively equal.

7.03 Prior to filling any staff change or promotion covered by the terms of this Agreement, the Employer shall notify the Union, in writing, and post notice of the position on the designated bulletin boards for a minimum of five (5) working days and a maximum of ten (10) working days, in order that all employees will know about the position and be able to make written application.

7.04 a) Positions shall be posted within two (2) weeks of vacancy and filled within forty-four (44) working days. However, vacancies arising from retirement shall be posted sixty (60) days prior to the employee's retirement date, a job posting to be posted within thirty (30) days from notice of retirement.

b) When a vacancy occurs the vacancy will be filled. The Employer, subject to its requirements, will determine which classification will be used to fill the

vacancy. The Employer will advise the Union through the Labour/Management Committee.

- 7.05 Such notice shall contain the following information: Nature of position, required knowledge and education, ability and skills, shift, and wage and salary rate or range.
- 7.06 No outside advertisement for any new employees shall be made until the required internal postings have been completed, and interviews conducted where applicable.
- 7.07 Conditional on satisfactory service and suitability for the new position, as established in two written evaluations by the employer, a regular employee shall be confirmed in a position to which appointed after a trial period of 400 hours worked. In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, they shall be returned to their former position and former salary without loss of seniority, and any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to their former position without loss of seniority. This trial period may be extended by mutual agreement.
- 7.08 Where the Employer knows or assumes that an employee will be absent in excess of twenty (20) working days, and where the Employer intends to fill the vacancy, such vacancies will be posted and filled. If the temporary vacancy was created by a regular employee being absent due to illness, WCB, or leave of absence, the absent employee must give five (5) working days notice of their return to work. Vacancies of less than twenty (20) working days need not be posted.

ARTICLE 8 - LAY-OFFS AND RECALL

Section 1 - Lay-Off and Lay-Off Notice

- 8.01 In the event of a lay-off, employees shall be laid-off in reverse order of their bargaining unit-wide seniority, subject to job requirement and qualifications. The end of a temporary position is not a layoff.
- 8.02 The Employer shall notify regular employees who are to be laid off, in writing, a minimum of nine (9) calendar days before lay-off is to be effective. If the employee has not had the opportunity to work seven (7) working days after notice of lay-off, they shall nevertheless be paid for seven (7) working days from the date of lay-off notice.

Section 2 - Bumping

- 8.03 A regular employee who is given lay-off notice can bump another regular employee with less seniority provided the employee has the qualifications and ability to perform the work of the position.

A regular employee who is given lay off notice, or a temporary employee with seniority rights, can bump another temporary employee with less seniority provided the employee has the qualifications and ability to perform the work of the position. A regular part-time employee or a temporary employee cannot bump a full-time regular employee.

Bumping rights must be exercised within five (5) working days of receiving notice of lay-off, or within two (2) working days after completion of term of employment and can be exercised in any classification provided the employee has the qualifications and ability to perform the work of the position.

There are no bumping rights at the end of a temporary position. Where a temporary position is occupied by a regular employee, the employee shall revert to their previous position.

Section 3 - Recall-to-employment Rights

- 8.04 A regular employee who has been laid-off shall have recall-to-employment rights for a period of twelve (12) months from the date the lay-off commenced. A temporary employee with seniority shall have recall to employment rights for a period of twelve (12) months from the last date worked.

Employees with recall-to-employment rights shall be recalled in order of seniority, providing they are qualified and able to do the work. The Employer shall notify the employee(s) of recall by registered mail, if the employee cannot

be reached by telephone, and shall give ten (10) days notice. The ten (10) day notice period is waived in the recall of laid-off employees for snow removal, flagging, storm damage, flood damage, broken water mains, broken or blocked sewers and power outages.

- 8.05 Any employee who is recalled for any period of ten (10) working days or less need not be given lay-off notice again. Employees recalled shall receive a minimum of eight (8) hours work.

Section 4 - Severance Pay

- 8.06 A regular employee who has completed a period of employment of at least six (6) consecutive months and who is about to be laid-off may elect within five (5) working days of being notified of the lay-off, to accept termination compensation based on the following formula, or may elect to be placed on the recall-to-employment list for a period of twelve (12) months.

Where the regular employee has completed a period of employment of at least six (6) consecutive months and up to the completion of a period of employment of three (3) consecutive years, two (2) weeks severance pay; plus one (1) additional week severance pay for each subsequent consecutive completed year of employment up to a maximum of eight (8) weeks severance pay in total.

Section 2 - General Leave

9.02 The Employer shall grant leave of absence, without pay, and without loss of seniority, to any employee requesting such leave for good and sufficient reason, provided the employee's request is in writing, and that the granting of such leave shall be subject to the Employer's approval.

Section 3 - Union Leave

9.03 Leave of absence without loss of seniority shall be granted upon request to the Employer, to regular or temporary employees elected or appointed to represent the Union. Such time shall not exceed a total of twenty-four (24) working days in any one (1) year. Where the Employer grants an approved leave of absence the Employer continues to pay the regular rate of pay to the employee during the leave of absence provided the Employer is reimbursed the regular rate of pay and the cost of benefits.

Any regular employee who is elected or selected for a full-time or temporary position with the Union, or who is elected to public office, shall be granted leave of absence without pay and without loss of seniority by the Employer for a period of two (2) years.

The Employer agrees that where permission has been granted to regular or temporary employees, who are members of a Union Committee, to leave their employment temporarily to meet with the employer to carry out negotiations, or with respect to a grievance, or for a joint committee meeting, they shall suffer no loss of pay for the time so spent.

The schedule implemented is intended for example: a 37.5-hour work week to extend the work day by one-half (1/2) and hour per day for 14 days and the 15th day would be designated a day with pay. Overtime will not be paid for work normally scheduled as modified work week hours.

RE: Community Safety Bylaw Officers - Hours of Work and Wage

1. Collective Agreement: Relevant Language:

10.01 Advancement of Shift

Notwithstanding any other provision of this Agreement, provided notice has been given by the end of an employee's previous Day Shift of a new start time. The Employer may alter the start time for inside employees to 7:00 am and outside employees to 5:00 am with consideration to the half (1/2) hour lunch break and two (2) 15 minute breaks. The employee may request an earlier or later start time and would require the approval of the department manager or designate. If notice is given on a Sunday or a Statutory Holiday for the next day, a minimum of twelve (12) hours notice of a new start time (notice period) must be given.

10.02 Shift Change Notice – Applicable to Afternoon Shift, Night Shift and Any Other Shift, other than Advancement of Shift.

The Employer may institute an afternoon or night shift and any other mutually agreed to shift by a Letter of Understanding, provided the Employer has given five (5) consecutive calendar days notice.

10.10 Overtime - Sundays

An employee who works on Sundays or who is called back to work while on vacation, if available, shall receive pay at the rate of double their regular wage, subject to the provisions of Section 1 and Section 4 of this Article.

2. Issue:

Through a Union of British Columbia Municipalities (UBCM) grant, the City implemented a position to work with the transient population since the fall of 2021 on a contract

basis. This position required a flexible schedule with varied starting times, evening work, and weekend work, all in conjunction with a non standard pattern work week which continuously changed. This has been in response to the always changing habits and schedules of the transient population. The Bylaw Officers are inside classifications scheduled for 37 ½ hours per week.

3. Proposal:

This proposal is not intended to circumvent the overtime provisions of the Collective Agreement. The purpose is for the City to have the ability to schedule the Officers on a variable schedule with a non-defined pattern to provide a direct impact on enforcing bylaws and providing support regarding challenges with the transient population.

The intended adjustment to the normal work pattern is to patrol neighbourhoods and city areas outside of the regular business hours on a nonstandard schedule. In order for the transient population to not be able to predetermine the schedule of the Officers, the Officers must be scheduled to work generally outside of regular hours and in a non-standard pattern.

Regarding Section 10.01:

The City would like the ability to vary the normal start time for the Officers to 5am which is consistent with Outside Worker Advancement of Shifts.

Regarding Section 10.02:

The City would like the ability to vary the normal work week to a non-standard, non-pattern shift rotation that comprises of a mix of daytime shifts, afternoon shifts, evening shifts, and weekend shifts at fluctuating starting times.

Regarding Section 10.10:

The City would like the ability to utilize Sundays as a regular scheduled day to allow for a more variable schedule.

Given the above, the following is agreed upon:

- The Officers shall be scheduled to work between 5:00 a.m. and 1:00 a.m.
- A Shift Rotation schedule with the following guidelines will be used:
 - Maximum 75 hours per pay period scheduled in 7.5 hours shifts
 - with a maximum of 6 consecutive days before a day of rest
 - with a minimum of 10hrs rest between shifts.
 - A variable Shift Rotation Schedule of 5 day on, 2 day off // 5 day on 3 day off may be used
 - The intent upon creation of this position is for the role to work outside of the regular work week and workday, without the application of Shift Differential; however, if the Employer varies the prearranged shift

schedule, Shift Differential as per Article 10.22 would apply. For clarity, Shift Differential would only apply for all hours outside of the prearranged shift schedule.

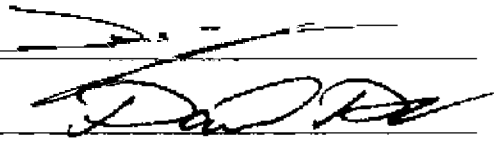

- Hours beyond the 75 hours per pay period will be subject to all overtime provisions unless it is due to the Shift Rotation Schedule.
- Sundays shall be observed as:
 - 1st day of rest, if worked 6 consecutive prior
 - last day of rest, if scheduled 2 or 3 consecutive days of rest
- Statutory Holidays shall be observed as per collective agreement
- On a regular basis, but not less than five days from the proposed shift change, the Manager and the Officers will prepare a work schedule that considers:
 - currently scheduled events, transient activities, support service, contractors availability, etc.
 - status/priority of current work assignments
- It is understood that there will be occasions when the City's operational requirements dictate that the work must be accomplished through overtime hours.

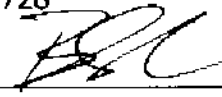

This Letter of Understanding is subject to review by the parties on each anniversary date for discussion, negotiation and revision.

RE: Technology Coordinator - Hours of Work, Wage, and Role

1. Collective Agreement: Relevant Language:
10.01 Advancement of Shift

Notwithstanding any other provision of this Agreement, provided notice has been given by the end of an employee's previous Day Shift of a new start time. The Employer may alter the start time for inside employees to 7:00 am and outside employees to 5:00 am with consideration to the half (1/2) hour lunch break and two (2) 15 minute breaks. The employee may request an earlier or later start time and would require the approval of the department manager or designate. If notice is given on a Sunday or a Statutory Holiday for the next day, a minimum of twelve (12) hours notice of a new start time (notice period) must be given.

- 10.02 Shift Change Notice – Applicable to Afternoon Shift, Night Shift and Any Other Shift, other than Advancement of Shift.

The Employer may institute an afternoon or night shift and any other mutually agreed to shift by a Letter of Understanding, provided the Employer has given five (5) consecutive calendar days notice.

- 10.10 Overtime - Sundays

An employee who works on Sundays or who is called back to work while on vacation, if available, shall receive pay at the rate of double their regular wage, subject to the provisions of Section 1 and Section 4 of this Article.

2. Issue:

School District No. 51 (SD51) and the City of Grand Forks jointly own and operate a fiber optic network and data center. In 2021, SD51 lost two senior management employees and struggled to fill the positions. The City supported SD51 on a temporary basis throughout 2022 with the intent that the two positions would be filled permanently. SD51 was able to fill one position in the summer of 2022; however, the IT Manager role has been vacant for over 16 months now. As of September 2022, the City supported SD51 full time with one employee in a senior lead role. To create some stability for everyone involved, SD51 would like to contract the City on a permanent basis for 3 years minimum to fulfill the role of IT Manager in the SD51 IT department at 80-90% of the time. This position requires a flexible schedule with varied starting times, evening work, and weekend work, all in conjunction with a nonstandard pattern work week which continuously changes due to the nature of the IT system and responsibilities. The Technology Coordinator would be considered an inside role scheduled for 37 ½ hours per week.

3. Proposal:

Technology Coordinator (Temporary) Role:

During the term of the contract with SD51, the added responsibilities will include:

- Support SD51 in an IT management capacity as determined by SD51, which will include, but not be limited to:
 - Datacenter, networks systems administration
 - o Security and video surveillance systems management
 - Project Management
- Continue to fulfill City of Grand Forks technology needs and responsibilities as per the Corporate / IT Services Assistant role
- Other related duties as assigned

4. Shifts:

This proposal is not intended to circumvent the overtime provisions of the Collective Agreement. The purpose is for the City to have the ability to schedule the Coordinator on a variable schedule that allows for SD51 to effectively conduct their operations.

The intended adjustment to the normal work pattern is to allow for technology related operational needs outside of the regular business hours on a nonstandard schedule. In order for technology related upgrades, outages, and projects, to be efficient, the Coordinator must be scheduled to work at times outside of regular hours and in a non-predetermined pattern that allows for a successful execution of the role.

Regarding Section 10.01:

The City would like the ability to vary the normal start time for the Coordinator to 5am which is consistent with Outside Worker Advancement of Shifts.

Regarding Section 10.02

The City would like the ability to vary the normal work week to a non-standard, non-pattern shift rotation that comprises of a mix of daytime shifts, afternoon shifts, evening shifts, and weekend shifts at fluctuating starting times.

Regarding Section 10.10

The City would like the ability to utilize Sundays as a regular scheduled day to allow for a more variable schedule.

Given the above, the following is agreed upon:

- The Coordinator shall be scheduled to work between 5:00 a.m. and 1:00 a.m.
- A Shift Rotation schedule with the following guidelines will be used:

Maximum 75 hours per pay period

. scheduled in alignment with SD51 requirements, ideally:

- in 7.5 hours shifts.
 - with a maximum of 6 consecutive days before a day of rest.
 - with a minimum of 10hrs rest between shifts.
 - A variable Shift Rotation Schedule of 5 day on, 2 day off // 5 day on 3 day off may be used.
 - The intent upon creation of this position is for the role to work outside of the regular work week and workday, without the application of Shift Differential; however, if the Employer varies the prearranged shift schedule, Shift Differential as per Article 10.22 would apply. For clarity, Shift Differential would only apply for all hours outside of the prearranged shift schedule.
- Hours beyond the 75 hours per pay period will be subject to all overtime provisions unless it is due to the Shift Rotation Schedule.

- Sundays shall be observed as:
 - 1st day of rest, if worked 6 consecutive prior
 - last day of rest, if scheduled 2 or 3 consecutive days of rest
- Statutory Holidays shall be observed as per collective agreement or in alignment with SD51 statutory holidays observation.
- On a regular basis, but not less than three days from the proposed shift change, the Manager and the Coordinator will prepare a work schedule that considers:
 - currently scheduled events, projects, support service, contractors' availability, etc.
 - status/priority of current work assignments
- It is understood that there will be occasions when the City's and SD51 operational requirements dictate that the work must be accomplished through overtime hours.

5. Wage:

To assist SD51, the City is proposing to elevate one employee, Morgan Strohmman currently a Corporate / IT Services Assistant, to a Technology Coordinator level with the same wage as the Public Works Coordinator, and be subject to any percentage changes negotiated in the current or subsequent collective agreements, while the employee fills this contractual role with SD51. To be clear, if the contract ends or is canceled by either of the parties, the employee will return to their original wage and classification.

Backfill for non-technological duties:

The Employer plans to backfill the corporate administrative portions of the current role (Corporate/IT Services Assistant) with a temporary part-time position with up to 30hrs per week for the first year, with possible extensions and or transition to part time permanent thereafter for the remainder of the contract with SD51 or as required by the employer. To be clear, this backfill position is not anticipated to fulfill all the duties of the full role; and, if the contract ends prematurely, then this backfill position would be removed.

This Letter of Understanding is subject to review by the parties based on the contractual obligations or changes with SD51, for discussion, negotiation and revision.

Signed this 31st day of May 2024.
