2.02 **Employee** shall mean a person hired by the Corporation for a position within the Bargaining Unit as outlined in this Agreement.

2.03 Probationary Period

All newly hired Employees shall be on probation for the first six (6) months of employment and will have no seniority rights during that period. After six (6) months service, the Employee’s seniority shall date back to the day in which the Employee was hired. Probationary terminations will not be grieved by the Union except in circumstances where the termination is discriminatory or in bad faith.

- i) This probationary period may be extended by mutual agreement of the parties that will not be unreasonably withheld. Said extensions will be for no more than four (4) additional months.
- ii) In the event that such an Employee is absent for ten (10) or more working days during the probationary period, such probationary period shall be extended to provide for a total of the required period noted above.
- iii) A probationary Employee shall be subject to the terms of this agreement, except as expressly otherwise provided.

2.04 Contract Employees

A contract Employee is a person filling a position created by the Corporation for a period of time not to exceed eight (8) months in any twelve (12) month period. A longer period of time may be allowed if requested and agreed to by the Union. Such requests would not be unreasonably denied. Contract Employees are exempt from the Bargaining Unit.

In the event that there are lay-offs, no permanent Employee shall be laid off while Contract Employees are still employed.

2.05 Temporary Replacement Employees

Where a permanent Employee is on an approved leave of absence, the Corporation may fill the incumbent's position for the length of their absence to a maximum of twenty-four (24) months. In the event of a medical leave of absence, under the Long Term Income Protection Plan the duration of leave may be extended to two and one-half (2-1/2) years. Temporary Replacement Employees shall only be covered by the following provisions of this Collective Agreement: 3, 4, 5.06, 11, 15.06, 17.01, 21.07, 21.08 and Appendix A, and shall have the right to grieve the violation of these articles.

Temporary Replacement Employees shall be entitled to one (1) paid personal day for every seventeen (17) continuous weeks of service up to a maximum of three (3) personal days per calendar year. Should the Temporary Replacement Employee's employment terminate prior to the end of a full year it is understood time taken shall be prorated and any time taken but not accrued will be deducted from the Employee's final pay.

The suspension or discharge of a Temporary Replacement Employee shall be within the sole discretion of the Corporation and cannot be made the subject of a grievance.

- 2.06 (i) in the event that a Contract or Temporary Replacement Employee becomes a permanent Employee in the same position and at the same classification, all time spent as a Contract or Temporary Replacement Employee shall be counted towards the Employee's probationary period and progression through the wage grid.
- (ii) in the event a Contract or Temporary Replacement Employee becomes a permanent Employee at a higher classification level, any time spent as a Contract or Temporary Replacement Employee will not be counted toward the Employee's probationary period. Progression through the wage grid shall be based on the start date of permanent employment.
- 2.07 An Employee who fills a position temporarily outside of the Bargaining Unit shall pay dues in accordance with Article 5.06 of the Collective Agreement. Such Employee shall have the right to return to their former position in the Bargaining Unit, within a period of two (2) years, with no loss of seniority.

2.08 Work of the Bargaining Unit

In the event that it becomes necessary to contract out the work of the Bargaining Unit, the Corporation will provide written notification with rationale to the Unit Chair, or designate, prior to the work being performed. There is no need to inform the Union in the case of instruction, demonstration, or emergency.

It is agreed that no Bargaining Unit member shall be laid-off, or have a reduction of hours as a result of contracting out.

The Parties agree to meet, at the request of the Union, to discuss opportunities where work could be contracted in.

ARTICLE 3 – RELATIONSHIP

- 3.01 The Corporation endorses the right of every Employee to work in an environment free from personal harassment and sexual harassment as defined in the *Occupational Health and Safety Act* and discrimination. All Employees who have completed their probationary period may make written application for the vacant position. The Union will be responsible for posting on their union communication boards.

10.02 Vacancies which will not or are not expected to exceed ninety (90) calendar days need not be posted unless agreed to by the parties. Such temporary vacancies may be filled at the discretion of the Corporation, and the Union will be provided with notification.

- (a) qualifications and demonstrated performance;
- (b) seniority.

When the matters in factor a) are relatively equal in the opinion of the Corporation, then factor b) shall govern.

During the trial period, the Employee shall be paid the full rate of pay for the job classification. If during the trial period, the Employee proves unsatisfactory or makes a request to be returned to their former position, he/she will be returned to their former position and rate of pay without loss of seniority, as will any other Employee in the Bargaining Unit who was promoted or transferred by reason of the original filling of the vacancy or new position. Any applicants for the original posting will then be given consideration in accordance with Article 10.03. If there are no qualified applicants, then the position would be reposted.

10.05 It is understood that posted positions shall be filled from within the Bargaining Unit first, then from the temporary pool of Employees working in a temporary position within the Roads or Waterworks Divisions and then from any other CUPE Bargaining Unit within the Corporation, prior to posting externally.

10.06 It is agreed and understood that a permanent Employee who has successfully applied for a temporary assignment is restricted from applying for further temporary assignments for a period of one (1) year, or the actual term of the temporary assignment, where the term is less than one (1) year, unless the assignment would be a promotion

10.07 **External Advertising** – Union positions shall not be simultaneously internally and externally advertised without the consent of both parties. External applications will be considered only when no qualified internal applicant applies.

10.08 It is agreed and understood that a permanent Employee who has been the successful candidate for another position and elects to invoke their right to return to their former position as per Article 10.04 is restricted from applying for further assignments for a period of six (6) months.

10.09 Where a vacancy arises in the same position within three (3) months of the original posting date, reposting of the job is not required where there were additional applicants that were successful in the initial recruitment process, in accordance with Article 10.05.

ARTICLE 11 – HOURS OF WORK AND OVERTIME

11.01 Hours of Work

The normal workweek for full-time Employees shall consist of forty (40) hours per week scheduled in eight (8) hour shifts, excluding the lunch period. The normal workday shall begin at 07:30 and end at 16:00, Monday to Friday. These hours of work can be modified by mutual agreement.

Each Employee will be eligible to take a thirty (30) minute unpaid meal and two fifteen (15) minute breaks during their shift. It is understood and agreed that meal breaks and break times will not unduly interfere with the efficient operation of the Corporation. It is understood and agreed that Employees prevented from completing their meal break shall be permitted to extend said period to provide a thirty (30) minute meal break.

11.02 It is expressly understood that the provisions of this article shall not constitute a guarantee of working schedules and/or starting/quitting times.

11.03 The parties agree that daily or weekly hours of work may exceed the time limits noted in Section 17 of the *Employment Standards Act, 2000*, as amended from time to time.

11.04 (a) After thirteen (13), or more, continuous hours of work the next consecutive eight (8) hours must be time off except in emergency situations as defined by applicable legislation and, if any of the eight (8) hours off fall within the Employees' next regular scheduled shift, all such hours shall be paid at straight-time rates.

(b) Under no circumstances will any Employee be required or allowed to work more than sixteen (16) hours, without an eight (8) hour break.

11.05 Special Shift

Should it be deemed necessary by the Corporation, a special shift consisting of a normal working day or working week at hours other than normal hours, may be scheduled (for example, but not limited to, training, parades, street light inspections etc.). This would constitute a normal shift and notice of it must be given twenty-four (24) hours in advance. Failure to provide twenty-four (24) hours notice shall result in payment of overtime for any hours worked during such special shift. However, the Corporation will endeavor to provide as much notice as possible.

Special shifts will not be scheduled for a period in excess of five (5) continuous days unless mutually agreed upon by the Union and the Corporation.

11.06 Overtime

Overtime means time worked in excess of the normal workday and/or workweek, as specified in Article 11.01. Overtime shall be paid at the rate of time and one-half (1-1/2) the Employee's regular straight time rate for all overtime hours worked, with the exception of hours worked on Sunday, which shall be at the rate of two (2) times the regular straight time rate.

All overtime assigned or requested by management shall be offered equally among the qualified Employees, based on their work location. Notice of scheduled overtime will be provided with as much notice as possible, but no less than eight (8) hours prior. At the request of the Union, management shall provide a written record of offered overtime.

Overtime includes the following conditions:

i) Continuation of Work

Up to three (3) hours of work continued past an Employee's regularly scheduled shift will not require the use of an overtime availability or stand-by list.

ii) Call Back

A call back is defined as a request to return to work for an Employee who is off-duty in order to participate in overtime.

An Employee participating in a call back shall be paid at the Employee's applicable overtime rate or two (2) hours at the Employee's regular rate of pay, whichever is greater.

The Employee shall be paid from the scheduled start time, or when the Employee arrives, whichever is later.

One other call back received during the first two (2) hour period will constitute a continuation of the first call-back and any time worked will be paid for at the applicable overtime rate. However, a third or subsequent call-back during any twenty-four (24) hour period shall be treated as a new call-back.

Where an Employee in Environmental Services responds to a call back using electronic means, the Employee will receive one (1) hour at the appropriate overtime rate.

iii) Call Out

A call-out is defined as mandatory overtime to which an Employee on standby must immediately respond at the request of the Corporation.

If the Employee is required to physically respond to a call out, the Employee will have up to one (1) hour to report to work after being notified, and shall receive a minimum of three (3) hours at the appropriate overtime rate starting at the time of notification.

Any other call out received during the first three (3) hour period will constitute a continuation of the first call-out. All further call outs after the first three (3) hour period has lapsed will constitute a new call out.

If the Employee in Environmental Services is able to respond to a call out using electronic means, the Employee will be required to respond immediately, and the Employee will receive one (1) hour at the appropriate overtime rate.

11.07 Stand-by

The option to invoke the stand-by provisions is at the sole discretion of management. All Employees will be assigned to stand-by on a rotational basis with a schedule provided at least thirty (30) days in advance. In the event an Employee is unable to be on standby as scheduled; the Employee must make arrangements to switch the stand-by period or portion thereof with another Employee. The Corporation will make best efforts to assign stand-by shifts as equally as possible, by seniority. All Employees must participate in at least fifty percent (50%) of their assigned stand-by shifts.

Stand-by shifts will not be scheduled for a period in excess of seven (7) continuous days unless mutually agreed upon by the Employee and the Corporation.

An Employee on stand-by Monday to Friday will be paid two (2) hours at their regular rate of pay for each day on stand-by. An Employee on stand-by on Saturday, Sunday or a paid holiday (with the exception of the floating holiday) will be paid three (3) hours at their regular rate of pay for each day on stand-by.

The stand-by period shall begin on a Friday and conclude the following Friday.

An Employee on stand-by must participate in overtime.

The Corporation will make best efforts to schedule Employees to not be on standby for more than one (1) holiday weekend in a row and to rotate holiday weekends on standby year over year.

11.08 Lieu Time

- (i) At the election of the Employee, time off with pay equal to the number of overtime hours worked at the overtime rate may be substituted in lieu of overtime pay, at a time suitable to the Corporation and the Employee. A total of one hundred twenty (120) hours per calendar year may be deferred in such manner and used no later than March 31 of the following year.
- (ii) Any deferred days as set out in subsection (i) of this Article not requested for a payout or used as lieu time by March 31, shall be paid out to eligible Employees no later than April 30 in each calendar year.

11.09 Shift Premiums

2. Payments from the Schedule will be made from the first day of absence.
 3. An Employee who is absent from work, on a Workplace Safety and Insurance claim, is entitled to draw upon their one hundred percent (100%) STIPP entitlement schedule, and this source only, for the purpose of topping up Workplace Safety and Insurance benefits to one-hundred percent (100%) of net salary. In this event, Workplace Safety and Insurance Board payments will be paid directly to the Corporation and the appropriate STIPP bank adjustments will be made. Such arrangement shall occur automatically and continue, if necessary, until STIPP entitlement is exhausted.

If an Employee has to attend a medical appointment as a result of a WSIB approved workplace injury and is entitled to receive Loss of Earnings benefits to attend that appointment, such time will not come out of Personal leaves.
 4. It is understood that while an Employee is in receipt of WSIB top-up in accordance with paragraph 3 above, OMERS contributions will continue to be paid by both the Employee and the Corporation. Should there be a period where OMERS contributions are not made, if the Employee wishes to contribute to the OMERS pension plan in respect of this period, the Employee may purchase the leave period and the Corporation will match the contribution for the period involved. The Employee may elect in writing not to purchase the leave period under the OMERS pension plan.
 5. Whenever any Employee is absent from their employment, such Employee must notify the Corporation in the morning on the first day of such absence, and each subsequent day of absence, unless such notification cannot reasonably be given, or unless notification has been provided for the length of the absence. In the event that such

notification cannot reasonably be given within this period, such Employee must notify, or cause notification to be given, at the earliest reasonable opportunity.

6. A medical certificate will be required for each period of absence lasting five (5) or more working days, after each thirty (30) calendar days, and prior to returning to work. The certificate must attest to the fact that the Employee was under the Doctor's care, provide the estimated date the Employee may return to duties and must be signed and dated by the attending physician. In specific circumstances, the Corporation may request that a Claim Form be completed by the Employee's physician and forwarded to the Town's Medical Advisor or case manager. This request by the Corporation may occur at any time during the employee's absence from work. A satisfactory medical certificate will be required before permission is granted to return to normal duties.

There shall be no sharing of medical information to any third party without the express permission of the Employee, in writing.

It is the Employee's responsibility to provide medical certificates within the specified time periods or at the Corporation's request and expense, in accordance with Article 21.09.

7. Payments will be made for a maximum of twenty-six (26) weeks (130 days) during any one continuous period of disability.

Successive absences due to the same or related cause, as verified by a medical certificate, will be considered as one continuous period of disability unless separated by return to active employment for a period of three (3) months. A disability due to a different cause will be considered a new period after a return to active employment for one (1) month.

8. No benefits shall be payable during a period of pregnancy leave of absence to which an Employee is entitled under The Employment Standards Act, or during any such longer period of pregnancy leave of which the Employee has applied and been approved by the Corporation.
9. An Employee who is engaged in outside employment, apart from their employment with the Corporation, is not entitled to any benefits under the provisions of this Plan for any occupational illness or injuries sustained during such periods of outside employment for which benefits under The Workplace Safety and Insurance Act or a Short-Term Disability Plan are available.
10. It is understood that from time-to-time, circumstances may occur for which provision has not been made in a Plan. When such circumstances do arise in relation to this Plan, the Administrator shall make the final decision as to disposition; however, the decision shall be consistent with the spirit of this Plan.

LONG TERM INCOME PROTECTION PLAN ("LTIPP")

The following outlines the LTIPP benefits applicable to all Employees. This is a summary of the benefits available only and all matters must be referred to the actual insurance plan when determining eligibility and the level of benefits available.

The Town shall pay the premiums to provide an insurance plan providing Employees with LTIPP. All issues regarding Employee eligibility for LTIPP benefits are determined by the insurance plan provider and any disputes regarding said eligibility would be between the Employee and insurance company beyond the scope of this Collective Agreement.

For eligible Employees, a benefit level of seventy-five percent (75%) of monthly earnings to a maximum of \$7,500.00 would be payable to the earlier of retirement or age 65. The plan is subject to a three (3) month waiting period and a one hundred eighty (180) day elimination period.

All group benefits not eligible for waiver of premium provisions, such as Semi-Private Hospital, Extended Health Care and Dental Benefits would be discontinued after twenty-four (24) months of continuous disability on LTIPP.
