Article 1 - Purpose

- 1.01 The purpose of this Agreement is to promote and maintain harmonious relations between the Employer and the Union; to provide for ongoing means of communication between the Union and the Employer and the prompt disposition of grievances and the final settlement of disputes; and to establish and maintain mutually acceptable working conditions, hours of work, and compensation for all Union members.

It is recognized that the parties wish to work cooperatively to provide the best possible health services for patients in a cost effective manner.

Article 2 - Recognition

- 2.01 The Employer recognizes the Union as the exclusive bargaining agent of all office, clerical and technical employees of the Employer as listed In Schedule "A", save and except students, persons employee reports to, persons above the rank of person employee reports to and persons covered by the subsisting Collective Agreement between The Employer and the Ontario Nurses' Association.
- 2.02 Without restricting its right to determine the methods by which services are to be provided, the Employer agrees that no permanent employee shall be laid off from work as a result of contracting out present work or services of a kind presently performed by its employees.
- 2.03 No employee or group of employees shall undertake to represent the Union at meetings with the Employer without the proper authorization of the Union executive. No employee shall be permitted or required to make a verbal or written agreement with the Employer or Its representative, which might conflict with the terms of this Agreement. The Employer shall not negotiate any terms or conditions of employment with employee(s).
- 2.04 Should the number of bargaining unit employees be reduced, the Employer shall ensure that work that has been normally performed by the affected bargaining unit employees, shall not be transferred to managerial or supervisory personnel.
- 2.05 Where the Employer wishes to use volunteers in functions and programs their placement shall require the mutual agreement of the Employer and the Union. The Employer shall provide the Union, upon request, with a listing of the total number of volunteers, their functions and their work locations.
- 2.06 Employees not covered by the terms of this agreement will not perform duties normally assigned to those employees who are covered by this agreement. It is understood that some overlap may exist between positions from another bargaining unit or a non-union position for the efficiency of the operation.
- 2.07 The definition of a Regular Full Time Employee Is one for whom there Is a regular schedule of work providing seventy (70) hours of work biweekly.

2.08 The definition for a Temporary Full Time Employee is one who is engaged to perform a fixed term or task on a full-time basis. Such fixed terms or tasks will be greater than three (3) months in length and will not normally exceed a twelve (12) month period (if the leave is a pregnancy/parental leave a maximum of up to eighteen (18) month period), unless the parties agree otherwise In writing.

At the end of the fixed term or task the employee shall revert to their former status. When an employee accepts such an assignment they may not be considered for another temporary assignment if accepting such an assignment will require them to leave the current assignment before the end of the fixed term or task. These positions will be posted.

Such an employee is to be treated as a regular full-time employee for all purposes except insurance benefits for which the employee shall be treated as regular part-time. Notwithstanding the above, where the position is filled by a full-time employee, the incumbent retains their previous "status" while filling the temporary position.

2.09 The definition of a Regular Part Time Employee is one for whom there is a regular schedule of work providing less than seventy (70) hours biweekly.

2.10 The definition of a Casual Employee is one who:

- a) Does not have any guaranteed hours of work;
- b) May be called to work as and where required;
- c) Has no regularly scheduled hours on an ongoing basis, but will appear on the posted schedule whenever possible;

In addition, a Casual Employee may work for a fixed term or task that will not exceed:

- a) Three (3) months for the purposes of filling a vacant position that has been posted;
- b) Three (3) months if the hours of work are full time;
- c) Twelve (12) months if replacing a regular part-time employee absent on leave, or in another term position, unless the parties agree otherwise in writing.

Casual employees will accrue seniority and service on the same basis as regular part-time employees. Casual employees will be treated as regular part-time for all other purposes under the collective agreement except that they will have no bumping rights, and except as may be modified elsewhere in the Collective Agreement.

2.11 The Employer agrees that part time and casual employees shall not be used to eliminate full time positions and further that to the extent possible, part time and casual positions will be converted to full time positions where there is a demonstrated need for additional regular full time employees and where there is budget available. All such positions will be filled in accordance with the posting procedure.

- 2.12 Whenever the feminine or masculine pronouns are used in this Agreement, it includes the non- binary pronoun.

Article 3 - No Harassment or Discrimination

- b) Every person who is an employee has a right to freedom from harassment in the workplace because of sex, sexual orientation, gender identity or gender expression by their employer or agent of the employer or by another employee.
- c) The parties recommend and encourage any Employee who may have a harassment or discrimination complaint to utilize the complaints process as set out in the Employer's harassment policies and process, this does not preclude employees from accessing the grievance procedure.
- d) In recognizing the importance of a harassment free environment, the Employer will review Employer policies and processes with respect to harassment with the Employer during the employee's orientation period.
- e) Where an employee requests the assistance and support of the Union in dealing with harassment or discrimination issues, such representation shall be allowed.
- f) The employee rights set out above shall be interpreted within the context of the Ontario Human Rights Code and the Occupational Health and Safety Act.

Article 4 - Check Off Union Dues

- 4.01 There shall be a compulsory check-off of union dues from all persons who are employees of the Employer to which this Agreement applies. The amount to be deducted shall be such sum as may from time to time be assessed by the Union on its members according to its constitution and by-laws. The Employer shall be notified in writing sixty (60) calendar days prior to any required change in deductible assessments.
- 4.02 Such deductions will be made every pay day by the Employer and shall be forwarded to the Canadian Union of Public Employees not later than the 15th day of the month following the month in which deductions were made, accompanied by a list of all employees from whose wages the deductions have been made, and indicating the hours worked for each reported employee. The listing will also identify employees who are on leave of absence. Union dues are compulsory as per article 4.01 and are not affected by membership or non-membership in the union.
- 4.04 The Union shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.
- 4.05 Deductions will not be made from any employee's bi-weekly pay cheque either immediately or retroactively unless the employee receives at least one (1) normal day's pay in the pay period.
- 4.06 The Employer will include the amount of union dues deducted from employees, on the T-4 Slips.

Article 5 - Membership In The Union

- 5.02 The Employer agrees to acquaint new employees with the fact that a Union Agreement is in effect. New employees shall be presented with a copy of this Agreement.
- 5.03 It is further agreed that the Employer will notify the Union Secretary in writing, once each month, of the names and classifications and locations of all new employees hired, and all employees terminated or promoted out of the unit the previous month

who are subject to this Agreement. A representative of the Union shall be given an opportunity to interview each new employee within regular working hours and without loss of pay for a maximum of fifteen (15) minutes within twenty-one (21) calendar days of the Union's notification of their employment, with such time at the discretion of the person employee reports to, for the purpose of discussing with the new employee the benefits and duties of union membership.

- e) Management rights will be exercised in a fair and equitable manner. When any union member is to be displaced due to the exercise of management rights, the Union will be advised of the action taken.

Article 7 - No Strikes Or Lockouts

7.01 The Union agrees that there shall be no strikes, and the Employer agrees that there shall be no lockouts, so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

Article 8 - Seniority

Probationary Period

8.01

- a) Employees shall be probationary employees until they have been continuously employed by the Employer for five (5) continuous months or for one hundred (100) actual days worked, inclusive of any specified holidays, whichever is the greater. Upon completion of the probationary period the employees' names shall be placed on the seniority list and their seniority shall be based on their date of last hire. Employees who have not completed their probationary period may be discharged at the sole discretion of the Employer.
- b) The probationary period can be extended by mutual agreement in writing between the Employer, the Union, and the affected employee.
- c) Temporary full time employees who are successful to a posted full time position will have one half of their accumulated temporary time acquired since their last starting date deducted from their probationary period. Seniority shall be retroactive to the last date of hire.
- d) Part time employees, including casual employees, will accumulate seniority on the basis of one (1) years' seniority for each 1820 hours worked in the bargaining unit as of the last date of hire.

8.02 The Employer shall maintain a seniority list showing the date upon which each employee's continuous service with the Employer commenced from the employee's last starting date. An up- to-date copy of this list will be given to the Union quarterly on March 1st, June 1st, September 1st and December 1st of each year, reflecting seniority status a copy posted on all approved bulletin boards. Employees have thirty (30) calendar days from the date on the seniority list to notify the Manager, HR or designate in writing, of any errors, etc., or changes or additions, noted since the previously posted list. The seniority date for all employees shall reflect their original date of hire as at January 1st, 2007, and thereafter seniority accumulates per the collective agreement.

8.03 a) Seniority shall operate and govern on a bargaining unit wide basis except as otherwise provided in the Collective Agreement.

- b) Seniority for layoff, recall from layoff and for all posted positions shall be on a bargaining unit wide basis.
- c) Seniority will apply provided that the senior employee already possesses the necessary skills, qualifications, and abilities to perform the work available, as well as or better than a less senior employee. An unsuccessful senior applicant, if the senior applicant so requests of the Director of HR or designate, in writing, will receive a written explanation of the choice made, provided the written request is actually received in Human Resources, within five (5) working days from the date the employee is notified of being unsuccessful. Senior-applicants not awarded a position who have submitted a written request shall be notified of the reason(s) in writing within five (5) working days of the request.
- d)
 - i) The Employer will give the Union as much advance notice as is reasonably possible, but not less than thirty (30) days, of any layoff affecting members of the bargaining unit. The Employer shall meet with the Union, within five (5) days of the above notice, to discuss the impact of any proposed layoffs. Discussions will include but are not limited to the following: reasons for the layoff, issues related to process, and the method of implementation.
 - ii) In the event of layoff, a layoff shall occur in reverse order of seniority by position. Position shall be defined as the position title as set out in Schedule "A" of the Collective Agreement. The least senior employee in the affected position shall be the first laid off. In the event of a recall the most senior person remaining on layoff shall be the first recalled, provided they possess the necessary skills, qualifications, and abilities to perform the work available without training, other than a familiarization period of no longer than ten (10) working days.
 - iii) An employee subject to layoff shall be permitted to bump into the position of any employee who has lesser bargaining unit seniority and who is the least senior employee in the position the laid off employee is seeking to bump into. Should no position be available then the employee may elect to bump the least senior employee in an equal or lesser position. The bumping employee must already possess the necessary skills, qualifications and abilities to perform the work available without training other than a familiarization period of no longer than ten (10) working days.
 - iv) In the event of a permanent layoff (one that is expected to be more than thirteen (13) weeks), laid off employees must exercise their bumping rights as soon as possible but in any event within five (5) working days from the date they are notified of the layoff. Any other employees so bumped must exercise their bumping rights within five (5) working days

of their being bumped, and so on, on a five (5) working day maximum basis for each involved employee.

- v) In the event of a temporary layoff (one that is expected to be thirteen (13) weeks or less), employees to be laid off will receive a five (5) working day period of notice.

On the third day of the notice period, all employees must specify the position they wish to bump into, and these, plus all resulting bumps must be completed by the end of the third working day.

- vi) In the event that a job vacancy occurs or a new position is created while a full time employee(s) is on lay off or has been notified of lay off, before the position is posted the employee(s) so affected by the layoff, shall be the first employee(s) to be considered for the available position providing they possess the required qualifications, skill and ability to perform the work available without training other than a familiarization period of no longer than ten (10) working days

- e) In order that the operations of the Union will not become disorganized when layoffs are being made, members of the local executive board i.e. - President, Vice-Presidents, Secretary, Treasurer, and Grievance Chairperson or the Unit Chairperson and Chief Steward shall be the last persons laid off during their term of office, as long as full-time work is available, for which they already possess the necessary skills, qualifications and abilities to perform the work available without training, other than a familiarization period of no longer than ten (10) working days, at their own, or at a lower wage level. In the case of a change in the local executive board during a layoff, notice in writing of the change shall be given to the Employer forthwith and the Employer shall have five (5) working days from receipt of the notification in writing within which to make any changes necessary to apply this Clause to the new local executive board and to terminate its application to the person(s) dropped from the executive board. If any notice to any person being laid off in consequence is required by law, the period of notice will be in addition to the five (5) working days, and layoff(s) and recall(s) will not be effective until the expiry of the notice period required by law.

- f)
 - i) The mailed and/or emailed notice shall be deemed to be received on the third calendar day after the date of mailing
 - ii) The laid off employee has three working days to notify the Employer of the employee's intentions;
 - iii) An employee who has complied with b) above will have a further four (4) working days from the expiry of the time period in b) above to return to duty.

- iv) Employees notifying the Employer within the three (3) working days referred to in b) above, that they are unable to return to work within the prescribed time for a legitimate reason acceptable to the Employer, will not have their name struck from the seniority list. Their name, however, may be passed over and the next in line in seniority may be recalled.

These time limitations may be extended in writing for valid reasons such as sickness certified by a doctor's certificate, death in the immediate family, accident, and other legitimate reasons acceptable to the Employer.

- v) If an employee has resigned in writing without advance notice and has not revoked the resignation within three (3) consecutive working days following the date of the letter of resignation, the resignation shall stand and be final. The Union shall be notified in writing as soon as possible of any such revocation of a resignation.

8.04 All permanent employees attaining seniority in CUPE 791 shall be assigned a computer generated random number (CGRN) at the time of hire and shall be advised of that number and it shall be recorded in their employee file in Human Resources and on the seniority list. Temporary employees shall be given a CGRN at the time they acquire seniority.

Where two or more employees have the same length of seniority, their order of seniority, relative to each other, shall be determined by reference to their computer generated random number. A lower number shall mean the employee with that number is senior to all employees with a higher random number.

The computer generated random number (CGRN) shall be used solely for the purpose of determining the relative order of seniority of employees with the same length or service of seniority date and for no other purpose.

For further clarity, the parties confirm that the CGRN is irrelevant with respect to the comparative seniority of employees who do not share the same length of seniority or seniority date.

8.05 Subject to Clause 8.06, if permanent full-time employees are absent from work because of authorized leave of absence, they shall not lose seniority but shall not acquire seniority after the first thirty (30) calendar days of such authorized leave of absence. Employees absent from work on sick leave due to illness or accident or on layoff will continue to accumulate seniority until clause 8.06 applies.

8.06 Seniority status once acquired by employees will be lost and their names removed from the seniority list and their employment terminated for any of the following reasons:

An employee shall lose all seniority and service and shall be deemed to have terminated if the employee:

- a) Resigns;
- b) Is discharged and not reinstated through the grievance procedure;
- c) Retires;
- d) Is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Employer of such absence and providing a legitimate reason satisfactory to the employer.
- e) Has been laid off for a period of time equal to the length of seniority at the time of layoff, or for a period of twenty-four (24) months; whichever is lesser;
- f) If the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified by the Employer through registered mail, addressed to the last address on the records of the Employer;
- g) Is absent due to illness or disability for a period of thirty (30) calendar months from the time the leave commenced.
- h) Is unable to meet their availability requirement.

Promotion or Transfer to Positions Outside the Bargaining Unit for up to 60 days

- 8.07 a) The promotion or transfer of employees to positions outside the bargaining unit but within the Employer's employment is not covered by this Agreement, and shall not be subject to the terms of this Agreement except that such employees will retain their seniority after promotion or transfer, for up to sixty (60) days and if demoted or transferred for any reason to a position which is subject to this Agreement such employee shall be given the seniority credit they had at the time of the promotion or transfer outside of the bargaining unit provided such promotion, demotion, or transfer is within the sixty (60) days specified above.

It is understood that no employee shall be transferred to a position outside the bargaining unit without their consent.

Temporary Assignment to Non-Bargaining Unit Positions in Excess of 60 Days

- b) Any temporary assignment of a bargaining unit member to a non-bargaining unit position in excess of sixty (60) days shall require the prior mutual agreement of the parties in writing. Such employees will be given their seniority credit they had at the time of the transfer upon their return to the bargaining unit. No seniority will accumulate while in the non-bargaining unit position, no union dues will be deducted and all rights under the Agreement will be waived while in the non-bargaining unit position.

Former Employees Rehired by the Employer

- c) Where employees with previous service with the Employer are rehired by the Employer they will be treated in all respects as a new employee with seniority dating back to their most recent date of hire.
- d) The seniority dates of employees in programs that are assumed by the employer which have been or will be assumed by the Employer and come within the jurisdiction of this Collective Agreement will be placed in a chronological position that recognizes the former service on a combined list of employees forming the total seniority list.

Article 9 - Job Vacancies

- 9.01
- a) The Employer will post for five (5) working days a notice excluding the day of posting of a vacant position showing the department and type of position, any required knowledge and/or education, qualifications, ability and skills, shift, wage rate and whether an automobile is required, and will endeavour to show location for the initial assignment, in order that employees may have the opportunity of making written application for such positions. Such application must be signed and delivered to Human Resources on or before the date specified in the posting. Probationary employees may be considered for job vacancies at the employer's discretion.
 - b) No employee outside the bargaining unit will be hired until consideration of laid off employees is given.
 - c) Subsequent to interviewing qualified bargaining unit employees for vacancies, other qualified Employer applicants will be considered in the following sequence:
 - (i) Probationary and temporary employees (CUPE local 791)
 - (ii) External applicants

Advertising for external applicants shall not be considered until management has determined the applicants from within the bargaining unit do not meet the requirements of the job vacancy.

- d) Employees going on an approved leave of province or out of country, may provide a written list of preferred positions identified by title to Human Resources. Such list shall constitute an application for such positions.
- e) All interview questions will be relevant to the qualifications, skills and abilities needed to perform the duties of the position. The Employer shall ensure that uniform interview questions are asked of all applicants for the position.

- 9.02 Employees who are successful in their application for a job posting in accordance with the provisions in this Collective Agreement, can only get an extension of whatever start date is required by the Employer if the employee makes a written request to the Hiring Manager stating reasons that in the opinion of the Employer are acceptable. A written reply will be given to the employee. Any extension granted will not exceed a once only maximum period of thirty (30) calendar days under any circumstances. The Employer will place employees into the position within (30) days of the stated start date on the offer letter, unless there are operational reasons that prohibit the transfer. The employer will advise the union of any operational reasons prior to the lapsing of the (30) days.
- 9.03 a) Temporary vacancies, such as those caused by an employee's absence owing to accident, injury, illness, sickness, vacation, leaves of absence and temporary transfer known to be of three (3) month duration or more shall be posted as per 9.01 a). Permanent employees need not be considered for temporary vacancies of less than six (6) months or less at the employer's discretion. The parties agree that employees in temporary assignments may be elect to apply for permanent job vacancies.
- b) It is understood that returning employees will have the right to their position previously held provided the position has not been eliminated. Other affected employees shall also be returned to their former positions provided the positions have not been eliminated. In the event there is a resultant lay off the layoff provisions of the collective agreement shall apply.
- 9.04 Nothing in this Article shall be construed as restricting the right of the Employer to temporarily assign an employee to a job, which qualifies for posting for a period not exceeding three (3) months, until a new person can be selected.
- The foregoing applies to internal postings only. If the Employer is seeking applicants from another source, the Employer may temporarily assign an employee for a period not to exceed six (6) continuous months or twelve (12) continuous months, respectively, where the temporary vacancy is created by concurrent pregnancy and parental leaves.
- 9.05 a) i) In the event successful applicants wish to return to their former position within a period of up to fifty (50) working days or prove unsatisfactory to the Employer during the trial period of up to fifty (50) working days or such longer period as may be mutually agreed upon in writing between the Director of Human Resources or designate, and the Union, they shall be returned to their former position without loss of seniority. Any other employee promoted or transferred as a result of the re-arrangement of jobs shall be returned to their former position without loss of seniority.

- ii) In the event that an employee during the trial period is returned to the former position held and such position (or other positions if other employees were moved as a result of the original position change) is filled by a new employee, the new employee will either be laid off until a suitable position becomes available, or for thirty (30) calendar days, whichever is the lesser, at which time the newly hired employee will be terminated if no suitable position is available.
- b) It is agreed that successful applicants of the job bidding procedure who apply for another posted position within twelve (12) months of the date of the official notification of their existing position may be considered at the Employer's option. The parties agree that employees in temporary assignments may be elect to apply for permanent job vacancies.

9.06 The Employer agrees to post on all approved bulletin boards the outcome of all job postings within, when possible, ten (10) working days of the expiration date of the posting. The Employer will endeavour, within thirty (30) working days of a position becoming vacant, to notify the Union in writing if the vacancy is not to be filled and will endeavour to give the reason.

Article 10 - Correspondence

- 10.01 All correspondence between the parties arising out of this Agreement or incidental there to, shall pass to and from the Director, HR or designate of the Employer, and the Unit Chair. The local union address is 207-120 Ottawa Street North, Kitchener ON N2H 3KS. The CUPE area office is 204-1120 Victoria Street North, Kitchener, Ontario, N2B 3T2.
- 10.02 The Employer agrees that one copy of all Board meeting agendas and attached documents released to the public will be forwarded to the Unit Chair of the Local. This will be provided at no cost to the Union.

Article 11 - Union Representation

- 11.01 a) The Employer agrees to recognize the following representatives of the Union:
 - i) A bargaining committee consisting of not more than four (4) employees;
 - ii) A Grievance Committee of not more than two (2) employees;
 - iii) four (4) stewards
 - iv) A chief steward (to be selected by the Union from among the stewards);
 - v) A unit chairperson who shall be the chief spokesperson for the bargaining unit;

Note: The number of stewards and the departments within which they are recognized may be changed at any time by mutual consent of the parties in writing.

b) The Union shall provide the Employer with a list of such representatives and shall keep such list up to date.

11.02 Casual employees shall not be eligible to serve as stewards or union committee members.
