Either party may identify and bring forward for consideration classification(s) where skill shortages have or may impede service delivery. Market supplements shall be effective upon joint agreement of the parties and shall be applicable to all employees in that classification on the date the market supplement becomes effective or, if they are hired after the effective date, the date of hire.

The market supplement shall be reviewed no less than annually by the joint committee. Should market conditions change so that a review sooner than one year from implementation is appropriate, such a review may be initiated upon request of either party.

LETTER OF UNDERSTANDING #1

Re: Reasonable Accommodation

The duty to accommodate is a broad equality concept that applies to all grounds of discrimination that are covered under federal, provincial and territorial human rights legislation and the equality rights provisions of the *Canadian Charter of Rights and Freedoms*.

Accommodation of employees within the workplace is a shared responsibility between the Employer, the Union and the employee.

The Employer agrees to make every reasonable effort, short of undue hardship, to provide reasonable accommodations, including suitable modified or alternate employment, to employees who are temporarily or permanently unable to return to their regular duties as a consequence of a disability.

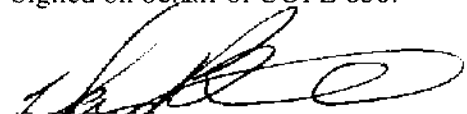

Employees have a responsibility to cooperate and provide medical information as required regarding fitness to return to work, abilities and restrictions, the prognosis for recovery and/or the duration of the restrictions. The accommodation process is based on medical documentation.

An employee, who, as the result of a disability, is unable to perform regular duties, may be given the preference of alternate work. This may include modification to the Employee's existing job, or an alternate placement. Alternate positions within the bargaining unit are to be considered before exploring accommodations outside of the bargaining unit. The Employer and the Union may mutually agree to waive certain provisions in this Agreement to facilitate a reasonable accommodation.

Employees and Union representatives attending meetings for the purpose of discussing and planning accommodations shall be released from duty without loss of pay and benefits.

LETTER OF UNDERSTANDING #2

Re: Joint Benefits Committee

Regina Public Schools will form a Joint Employee Benefits Committee consisting of employer and participating employee group representatives. The Committee will operate on a consensus basis, guided by principles of transparency, collaboration, and mutual trust.

The purpose of the Committee is to:

- **Learn about and review the employee benefits plan,**
- **Promote information and education about the plan to employees, and**
- **Monitor plan usage and prioritize areas for modification and review the annual renewal documentation and premium rates prior to renewal.**

To support its work, the committee will engage a technical consultant to be selected by the committee with expertise in employee benefit programs and on a shared-cost basis between Division and union(s). The technical consultant will:

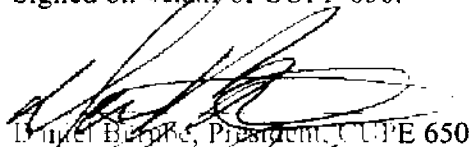

- **Gather market information to help calibrate program offerings with comparison to similar organizations,**
- **Provide utilization metrics and analytics to ensure maximum benefits to the employer and employees.**
- **Provide advice/guidance and information related to the management of the plan including assisting with the process of ensuring the most favorable annual renewal options.**
- **Meet with and provide reports and presentations to the committee and other groups as requested by the committee, and**
- **Other duties as agreed by the parties.**

The parties acknowledge that a Health Spending Account is an enhancement to the benefit plan that has been requested by the Union, however, as an added benefit would result in a substantive increase to the benefit premiums therefore, the parties agree to discuss the enhancement during the next round of negotiations.

The coverage, benefits and deductibles for employees covered by this Agreement shall be as agreed by the Union and the Board as per Article 32.
