**6:02(9) Stage One**

It is understood that an Employee has no Grievance until he/she has first given his/her Supervisor an opportunity to adjust his/her Complaint. In discussing his/her Complaint, the Employee may be accompanied by a Steward.

Any Employee's Complaint which is not settled by his/her Supervisor within three (3) working days of the lodging of the Complaint, shall then commence at Stage Two of the Grievance Procedure provided that no more than thirty (30) working days have elapsed since the occurrence of the alleged Grievance.

When the Employee returns the time period will be adjusted and the Employee advised. Should an Employee have a reoccurrence of an illness or injury within thirty (30) calendar days of returning to work that Employee would not have the benefit of the

fifteen (15) calendar day waiting period. The Employer will advise the Employee in writing of the elimination of the Disciplinary Notice, with a copy to be sent to the Union.

Notwithstanding the above, any Step 1 or Step 2 Notice of Discipline shall be disregarded after a period of nine (9) months, provided no further disciplinary action has been recorded (excluding discipline issued to Transit Employees which will sunset in accordance with the Transit Discipline Policy).

**6:05** In the event that the Employer deems it appropriate to discipline an Employee, the discipline must be provided within twenty (20) working days of the Employer becoming aware of the incident or ought to have reasonably been aware. An Employee may also, upon written request to the Director of Human Resources and Organizational Development, authorize a Union Representative to view the Employee's personnel file in the Human Resources and Organizational Development Department at a time mutually convenient. Copies of any documents contained in the personnel file may be released to the Employee upon written request by the Employee to the Director of Human Resources and Organizational Development, with the understanding that the Employer will no longer be responsible for the confidentiality of those documents.

### **7:00            Arbitration**

**7:01**            When either Party requests that a Grievance be submitted to Arbitration, communication shall be sent to the other Party of the Agreement, indicating the name of its Nominee on an Arbitration Board. Within five (5) working days thereafter, the other Party shall answer by e-mail indicating the name and address of its Nominee to the Arbitration Board. The two (2) Nominees shall then meet to select an impartial Chairperson.

**7:02**            The above provisions shall apply unless either Party applies for a Sole Arbitrator under the *Ontario Labour Relations Act*, as amended.

**7:03**            If the recipient of the notice fails to appoint a Nominee to the Board, or if the Nominees fail to agree on a Chairperson within ten (10) working days of their appointment, the appointment shall be made by the Minister of Labour for Ontario upon the request of either Party.

**7:04**            The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The decision of the Board shall be final and binding upon the Parties. An Arbitration Board/Sole Arbitrator shall not have any authority to alter or change any of the provisions of this Agreement or substitute any new provision in lieu thereof, or to give any decision contrary to the Terms and Conditions of this Agreement, or in any way modify, add to, or detract from any provision of this Agreement. However, the Arbitration Board/Sole Arbitrator shall have the power to dispose of a Grievance by an arrangement which it deems just and equitable.

**7:05**            Each Party shall pay the fees and expenses of its Nominee to the Board of Arbitration and one-half (½) of the fees and expenses of the Chairperson.

### **7:06            Arbitrators**

The Parties agree to meet by October 31<sup>st</sup> of each year of this Agreement to establish a list of Arbitrators acceptable to both Parties and to pre-book hearing dates. This list will be reviewed on an annual basis and amended accordingly.

### **7:07            Expedited Arbitration**

When either Party requests that a termination grievance be expedited to arbitration, the Parties shall agree to an arbitrator and schedule two (2) consecutive days of hearing within three (3) months from the date of the final stage grievance meeting. It is understood that no grievance shall be expedited without the grievance being heard at a final stage grievance meeting in accordance with Article 6. A final stage grievance meeting shall take place within eighteen (18) days of the receipt of the grievance.

## **ARTICLE 8:00 – UNION SECURITY**

**8:01(1)** It is agreed and understood by the Parties hereto that there shall be a compulsory check-off upon all Employees who come within the Unit to which this Agreement applies, and it shall continue during the period of this Contract.

**8:01(2)** The Employer agrees to deduct Union Dues from the earnings of each Employee in the amount certified by the Treasurer of the Union. Where Union dues are to be changed, as certified by the Treasurer of the Union, the Employer shall implement such change to be effective the second payroll period immediately following written notification.

**8:01(3)** The Employer agrees to deduct the amount of dues from each payroll period of each month and remit the amount of dues so deducted to the Treasurer of the Union no later than seven (7) calendar days after which the dues are deducted.

**8:01(4)** The Treasurer of the Employer, when remitting the dues deducted to the designated Officer of the Union, shall include a statement clearly setting forth the names of the Employees from whom the dues were deducted, also showing any additions or deletions in staff. This statement will also indicate the status of the Employees by showing whether an Employee is Permanent, Part Time, Probationary, Temporary or Student.

**8:02** No contract, written or oral, shall be entered into between the Employer or any of its designated representatives, and Employees covered by this Agreement on matters relative to hours of work, wages and working conditions, promotions, or any other conditions affecting the welfare of the Employees in general.

### **8:03 Discipline**

Whenever the Employer deems it necessary to censure or discipline an Employee for just cause, the Employee will be so advised in advance and if an Employee is to be disciplined at the Step 3, Step 4 or Step 5 level, the Employer will also notify the Secretary of the Union and the Unit Chair in advance. The Employee may request the presence of a Steward if he/she so wishes. A copy of a written confirmation of a censure or discipline is to be forwarded to the Secretary of the Union.

Should an Employee be placed on unpaid suspension pending investigation, the Employer will notify the Secretary of the Union and the Unit Chair.

### **8:04 Agenda and Minutes - City Council**

The Chair and Recording Secretary will be notified via e-mail when the Agendas become available to view online.

## **ARTICLE 9:00 – SENIORITY**

**9:01(1)** Seniority for Permanent Full Time Employees is defined as the length of continuous service in the employ of the Employer within the Bargaining Unit. Seniority for Part

Time Employees shall be by number of hours worked exclusive of overtime within the Bargaining Unit. Seniority shall operate on a Bargaining Unit wide basis.

Therefore, the Parties recognize:

- (a) The right of the Employees to fair and just consideration for vacancies in light of their length of continuous service and their qualifications;
- (b) The right of the public to be served by qualified persons.

Therefore, the Parties agree that:

In promotions, demotions, transfers, lay-offs and recalls, the following factors shall be considered:

- (a) Length of continuous service (seniority);
- (b) Efficiency, knowledge and ability of the Employee, and the qualifications as contained in the Job Descriptions.

When factor (b) is relatively equal in the judgement of the Employer, which judgement shall not be exercised in an arbitrary or discriminatory manner, factor (a) shall govern.

**9:01(2)** Notwithstanding anything herein contained, it is hereby agreed and understood that there is no recall for Temporary Employees who are laid off under this Article.

**9:02(1)** A Seniority List of all Employees covered by this Agreement shall be posted no later than April 1<sup>st</sup> and October 1<sup>st</sup> of each year. The List will show all Permanent Full Time Employees within the Bargaining Unit in order of seniority stating the Employee's number, name, job classification, and date of latest entry into the employ of the Employer. The List will show each Part Time Employee's seniority as hours worked, exclusive of overtime, beneath the listing for Full Time Employees. Regular Part Time Employees shall be shown first, Casual second, and Seasonal third with each Employee's status (Regular, Casual or Seasonal), the Employee's number, name, job classification, and date of latest entry into the employ of the Employer also shown. The List will show each Temporary Employee's seniority as hours worked, exclusive of overtime, beneath the listing for Part Time Employees, the Employee number, name, job classification and date of the latest entry into the employ of the Employer as shown. Should a Part Time or Temporary Employee be the successful applicant to a Permanent Full Time posting, a seniority date crediting Part Time or Temporary seniority will be established on the Employee's transference to Full Time, based on one (1) year equalling one thousand, eight hundred and twenty (1,820) hours worked (two thousand and eighty hours (2,080) hours for Part Time Employees working under Schedule "G" and Schedule "H"). The reverse calculation will be done for Full Time Employees who bid/bump successfully to Regular Part Time Positions. Copies of this Seniority List will be posted on all Bulletin Boards and copies will be supplied to the Union. It is agreed and understood by the Parties that the Union will be supplied with a third Seniority List upon written request.

**9:02(2)** Should two (2) or more Employees have an identical seniority date, their seniority dates will remain unchanged, but their ranking on the list will be determined by the length of total temporary service with the Employer. Should two (2) or more Employees with the same seniority date also have equal lengths of total temporary service with the Employer, then their ranking shall be determined by a random draw of numbers, with the Employees involved being present.

**9:02(3)** A List of all Temporary Employees covered by this Agreement shall be posted in April and October of each year. This List will show the Employee's number, name, job classification, temporary status, and date of latest entry into the employ of the Employer. Copies of the List will be posted on all Bulletin Boards, and copies will be supplied to the Union. It is agreed and understood by the Parties that the Union will be supplied with a second List each calendar year upon written request.

**9:02(4)** Protests in regard to an Employee's seniority standing must be submitted in writing to the Director of Human Resources and Organizational Development within sixty (60) calendar days from the date that the Employee's name is first entered on the Seniority List. When proof of error is established by the Employee or the Employee's representative, such error will be corrected and the proper information inserted on the Seniority List. No change in the seniority status or other information required on the Seniority List of an Employee shall be made unless agreed upon by both Parties.

**9:03**            **Probationary Period**

In hiring it is agreed and understood that all newly hired Probationary Employees will be on a probationary period of up to a maximum of six (6) months duration. After completion of the probationary period, seniority shall then become effective from the commencement date of probation. A Part Time Employee will be considered probationary for the first five hundred (500) hours worked within the scope of a 4705 Bargaining Unit.

The probationary period may be extended by mutual agreement between the Parties.

**9:04**            **Notice of Lay-Off**

A notice of lay-off shall be given in accordance with the terms of the *Employment Standards Act*, as amended. If the Employee laid off has not had the opportunity to work the period of notice of lay-off, the Employee shall be paid in accordance with the *Employment Standards Act*, as amended.

**9:05(a)**        Should circumstances require a reduction of Employees, Temporary Employees, Probationary Employees and Casual/Seasonal Part Time Employees in the Bargaining Unit shall be released first. If a further reduction of Employees is required, Regular Part Time Employees shall be laid off first, and then commencing with those Permanent Full Time Employees with the least seniority. Regular Part Time Employees cannot use this provision to change their employment status from Part Time to Full Time.

**9:05(b)**        A Regular Part Time Employee shall be deemed laid off under this Agreement when their reduction in scheduled hours over twelve (12) consecutive weeks is equal to or

greater than twenty-five (25%) percent. Other hours (i.e. call-ins) shall not be considered in determining if a layoff of Regular Part Time Employees has occurred.

**9:06** When Permanent Full Time and Regular Part Time Employees are laid off under this Article and positions again become available with the Employer, the Permanent Full Time Employees shall be called back in accordance with Article 9:01(1) on a seniority basis, prior to recalling the Regular Part Time Employees. Regular Part Time Employees shall then also be called back in accordance with Article 9:01(1) on a seniority basis. Prior to implementing the Job Posting provisions Employees on layoff will be offered recall in their own classification. Employees on layoff will be considered for all other Job Postings and the Employer will provide Employees on lay off with electronic access to Job Postings on the Intranet.

**9:07** Notwithstanding anything herein contained, it is hereby agreed and understood that there is no recall for Probationary, Casual/Seasonal Part Time or Temporary Employees who are released under this Article.

**9:08** **Bumping Procedure**

**9:08(1)** An Employee in receipt of a lay-off notice or who is displaced from his/her position may exercise the right to bump an Employee with less seniority provided that the Employee exercising bumping rights meets the qualifications as contained in the Job Description for the position the Employee is selecting. The right to bump includes the right to bump up within a class (i.e. not Part Time to Full Time).

The Parties understand and agree that the application of this provision entitles Employees to bumping rights only in the following circumstances:

- (a) A permanent reduction of Employees occurs within a classification and the affected Employee is served with a notice of layoff and;
- (b) An Employee has been permanently displaced from a position (defined as a change in reporting depot). Bumping rights are not granted to an Employee:
  - (i) Who is temporarily relocated from his/her position to a different place of work/reporting depot;
  - (ii) Who is temporarily assigned under Article 12:01;
  - (iii) Employees are not considered displaced when the Employer changes hours of work pursuant to the terms of the Agreement.

**9:08(2)** At the Employee's request, a Representative of the Human Resources and Organizational Development Department will meet with the Employee to review and assist the Employee in the selection of a position.

**9:08(3)** It is agreed and understood that the Employee may request the presence of a Union Representative at the meeting with a Representative of the Human Resources and Organizational Development Department. If such a request is made the request will be granted.

**9:09            Notice of Recall**

When Employees are to be recalled by the Employer, they shall be notified by Registered Mail or any other written means the Employer may wish to utilize to their last place of residence known to the Employer, and if he/she fails to report within ten (10) working days after the delivery or receipt of such notice, the Employer shall not be under any obligation to re-employ them.

**9:10            Application of Seniority for Temporary Employment**

**9:10(1)**        The Probationary period will continue as outlined in the Collective Bargaining Agreement from the date of hire as a Probationary Employee. Benefits applications are to be as outlined in Article 24:01(2).

**9:10(2)**        Vacation Pay received during the applicable temporary employment period shall be either:

- (a)    paid back to the Employer as:
  - (i)    lump sum, or
  - (ii)   a pre-arranged and approved series of no more than four (4) payments within a one hundred and twenty (120) calendar day period from the date of being hired as a Probationary Full Time Employee, or;
- (b)    kept by the Employee, in which case the Employee will only accrue vacation credits from his/her date of hire as a Probationary Full Time Employee.

**9:10(3)**        Seniority for all Seasonal Part Time and Temporary Employees shall be maintained unless there is a break in service in excess of two (2) years.

**ARTICLE 10:00 – LOSS OF SENIORITY AND TERMINATION OF EMPLOYMENT**

**10:01**        Seniority rights shall cease, and employment will be terminated, for any of the following reasons:

- (1)    Voluntary resignation.
- (2)    Discharge for just cause.
- (3)    Failing to report as required by Article 9:04 of this Agreement.
- (4)    Those Employees with up to and including five (5) years of employment are to receive twelve (12) months' recall rights; and those Employees with greater than five (5) years of employment are to receive twenty-four (24) months' recall rights.
- (5)    Absent without leave for any period in excess of five (5) consecutive working days.

## **ARTICLE 11:00 – JOB POSTING**

**11:01(1)** All vacancies and newly created positions, which the Employer intends to fill, shall be posted for a minimum of seven (7) calendar days during which time Permanent Full Time Employees will have an opportunity to apply and be duly considered. If there is no applicant having the qualifications contained in the Job Description from amongst the Permanent Full Time Employees, then second consideration shall be given to applications from Regular Part Time Employees and Casual/Seasonal Part Time Employees. Third consideration shall be given to Temporary Employees, with at least seven (7) continuous months of employment with the Employer in the preceding eighteen (18) months, and fourth consideration to Probationary Employees. Fifth consideration shall be given to Students and sixth consideration shall be other Employees in the sister CUPE 4705 Bargaining Unit for Permanent vacancies only, regardless of status, before being offered to all other groups. It is agreed and understood that Part Time Employees, and Temporary Employees shall have the opportunity to submit an application for a Job Posting when initially posted. It is agreed that an Employee cannot hold a Full Time and Part Time Job Posting, or two (2) Part Time Job Postings, under this Agreement, at the same time.

### **11:01(2) Posting Period**

The Job Posting shall be posted for a minimum of seven (7) calendar days including the date of the Job Posting. Upon the removal of the Job Posting a selection period of fourteen (14) calendar days will be allowed for the consideration of applications. Requests for an extension to the selection period shall not be arbitrarily or unreasonably withheld by the Union. After the selection period the Union and Employees will be advised through the appropriate notice the name(s) of the successful applicant(s) or a statement to the effect that there were no successful applicants or that there were no applications received. The said notice shall be posted for a period of seven (7) calendar days.

**11:01(3)** The notice under Article 11:01(2) shall contain the information described in the Job Evaluation Job Description, such as nature of position, initial reporting location and qualifications.

### **11:01(4) Placement**

The placement of a successful candidate to a Job Posting shall become effective within four (4) weeks of the selection. The new rate of pay shall also come into effect to coincide with the placement of the successful candidate.

Notwithstanding the above, by mutual agreement, Job Postings for Seasonal or multiple incumbent positions requiring substantive training (e.g. Bus Operators, Paramedics) shall include a specific start date. The placement of the successful candidate(s) for those postings will occur no later than the stated start date. Requests for an extension to the start date shall not be arbitrarily or unreasonably withheld by the Union.

### **11:01(5) Limited Position**

**11:01(5)(a)** A Full Time or Regular Part Time Limited position shall mean a position which is for a limited duration not exceeding seven (7) months or such longer period as may be

mutually agreed upon between the Employer and the Union. Unless posted under the terms of Article 11:01(5)(b) or Article 11:01(5)(c), if an Employee occupies a Full Time Limited position and his/her employment is longer than seven (7) continuous months in that Limited position without mutual consent, then the Employee shall automatically rank as a Full Time Permanent Employee. Unless posted under the terms of Article 11:01(5)(b) or Article 11:01(5)(c), if an Employee occupies a Regular Part Time Limited position and his/her employment is longer than seven (7) continuous months in that Limited position without mutual consent, then the Employee shall automatically rank as a Regular Part Time Employee.

**11:01(5)(b)** It is understood that if the cause of the Limited posting is a Pregnancy or Parental Leave, that the above Limited posting shall not exceed the number of months of the current statutory entitlement under the *Employment Standards Act* or applicable legislation. The same would apply to any position(s) posted to backfill the successful candidate(s).

Notwithstanding the above, it is understood that the Limited posting may also be extended to cover both the time period of accommodation and/or sick leave as well as Pregnancy/Parental Leave.

The Employee will provide the Employer medical documentation specifying the date on which the Employee will no longer be able to perform the essential duties of her position due to pregnancy. The Employee will also provide written documentation stating the approximate date the Employee will begin her Pregnancy Leave. The Employee will have to comply with Article 17:02 for purposes of confirming the official date of her Pregnancy Leave.

**11:01(5)(c)** If the Limited position is caused by occupational/non-occupational illness/injury, the Employer may designate on the posting that it may extend beyond seven (7) months. If the vacancy is subsequently filled by a Permanent Full Time or Part Time Employee, the Employee may remain in the position, without reposting, until the earlier of the injured/ill Employee's return to work, or thirty (30) months. The same would apply to those position(s) posted to backfill the successful candidate(s). However, if the vacancy is filled by a Temporary Employee and the injured/ill Employee has not returned to work within seven (7) months, the vacancy must be reposted under the terms of Article 11:01(1).

**11:01(5)(d)** The Employer is not required to release the Temporary Employee in Article 11:01(5)(c) above (if unsuccessful in their second application) until the posting is awarded and the successful candidate begins work in the job. It is agreed the Union may waive successive postings, if appropriate.

**11:01(5)(e)** Notwithstanding any other article, a Temporary, Regular Part Time or Casual/Seasonal Part Time Employee who has accepted a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto. This provision does not preclude an Employee being considered for Permanent vacancies.

**11:01(5)(f)** Where a Limited position is funded wholly/partially on an external third party (e.g. Fednor, HRDC, RBC) and the duration of the Limited position is expected to go beyond the limits contained in Article 11:01(5), the Employer may post the Limited position for up to two (2) years, which may be extended by mutual agreement between the Parties. Notwithstanding any

other Article, a Temporary Employee who has accepted a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto, provided the Employer provides the Union with prior notice of the expected duration, scope and duties.

The Parties agree that Government Grant Programs (e.g. from HRDC, FedNor) have the potential to enhance the community and the quality of life of the Citizens of CGS. The Parties therefore agree that support/concurrence with applications for said grants will not be unreasonably withheld.

At the time Union concurrence is sought the Employer is to provide the Union with a written explanation of the amount of funding sought, number of jobs to be created, their term, wage(s), general duties, and expected outcomes of the project.

The Employer will be required to forward to the Sectional Chair of the Union at the end of each quarter of the calendar year, a listing of the current funded Limited positions covered by the Agreement which are not listed in Schedule "A". The listing will show the job title, the Incumbent's name, the Incumbent's employment class (e.g. Permanent, Temporary, etc.), the Section where the Incumbent works, the Incumbent's pay group and step number, and whether that rate of pay is interim, or confirmed by the Joint Rating Committee.

For Funded positions of one (1) year or more, the Employer agrees to contribute 100% of the total Employee premium costs for the following Plans:

- (i) Comprehensive Extended Health Care in accordance with Article 24:01(1)(i)(b).
- (ii) Paramedical Coverage in accordance with Article 24:01(1)(i)(c).
- (iii) Dental Coverage in accordance with Article 24:01(1)(i)(d).

**11:01(5)(g)** If the Limited position is caused by a Special Project, the Employer may designate on the posting that it may be up to five (5) years. The same would apply to those position(s) posted to backfill the successful candidate(s). Notwithstanding any other Article, an Employee who has accepted such a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto. The Employer commits to provide the Union with prior notice of the expected duration, scope and duties.

For Special Projects of one (1) year or more, the Employer agrees to contribute 100% of the total Employee premium costs for the following Plans:

- (i) Comprehensive Extended Health Care in accordance with Article 24:01(1)(i)(b).
- (ii) Paramedical Coverage in accordance with Article 24:01(1)(i)(c).
- (iii) Dental Coverage in accordance with Article 24:01(1)(i)(d).

**11:01(5)(h)** If the Limited position is caused by an Employee's election or appointment as a salary representative of the Union, the Limited position will be for the same duration as the Employee's term with the Union. Should the Limited position end prior to the original end date, the Employee will revert to their Permanent position held within the Bargaining Unit. Should the Limited posting be filled by a Permanent Employee, the Employee shall revert to their Permanent position in accordance with Article 11:01(7).

**11:01(6)** A Limited Job Posting shall indicate the estimated probable duration that will be required.

**11:01(7)** The Permanent Employee filling a Limited Position shall, on termination of such Position, revert to the classification and grade held immediately preceding selection.

**11:01(8) Posting Pregnancy Leaves**

Only the initial vacancy resulting from an application for Maternity Leave will be filled according to Article 11.

**11:01(9) Written Notice**

The Employer shall give notice to the Union when a position is posted through myJOBS and will advise of a decision to postpone or not to fill a vacancy within seven (7) calendar days of the vacancy. Should the Employer decide to postpone or not fill a vacancy, the Employer will advise the Unit Chair of the reason(s), in writing.

**11:01(10) Employer Unable to Fill Vacancy**

If the Employer is unable to fill a vacancy or a newly created position by the Job Posting Procedure hereunder or by hiring from the outside labour market within three (3) months from the date of the first posting of the vacancy or newly created position concerned, then the Employer shall immediately re-post in accordance with the provisions of Article 11 or give written notice to the Union of a decision to postpone or not to fill the position concerned at that time.

**11:01(11)** Both Parties Recognize:

- (1) The principle of promotion within the service of the Employer;
- (2) That job opportunities should increase in proportion to length of service, provided job applicants have equivalent qualifications within the established Job Documents.

**11:02 Exceptions**

Vacancies occurring in jobs covered by this Agreement shall be posted, with the following exceptions:

**11:02(1)** A change to the Job Duties, Rating and/or Salary Group resulting from a Job Evaluation Plan Challenge, or a review of a rating by the Joint Rating Committee, or a change to a Job Title and/or Occupation Code only, shall not be considered to create a vacancy.

**11:02(2)** A change to the duties of an occupied job wherein the salary group remains unchanged, shall not be considered to create a vacancy.

**11:02(3)** The restructuring of a job in a manner which justifies application of the Downgrading Rule (Article 26:09) to the incumbent, shall not be considered to create a vacancy.

**11:02(4)** A temporary vacancy due to an accident, injury, illness, sickness, vacation, leave of absence or temporary transfer, for a period not to exceed forty-five (45) working days. It is understood that the forty-five (45) working days includes the Posting Period and Placement process.

The Employer shall send a notification electronically to the Secretary of the Union and the Unit Chair any time that an Employee is assigned to a temporary vacancy as described above. The notice shall include the name of the Employee assigned to the temporary vacancy, the start date of the assignment and the name of the Employee who is being replaced and their position.

**11:02(5)** Should a subsequent identical vacancy occur within four (4) weeks of an original posting's closing date, the Employer may return to that original pool of internal applicants to fill the subsequent vacancy(ies).

Notwithstanding the above, should an Employee be returned to their Permanent classification by the Employer within the first four (4) weeks of their Trial Period, in accordance with Article 11:03(1), the Employer shall re-post the vacancy.

**11:03(1)** **Trial Period**

A Successful Applicant to a Job Posting shall be so advised in writing. Such Successful Applicant to any Job Posting shall be placed on an appropriate Trial Period of up to a maximum of three (3) months. Successful Applicants to Job Postings within or outside the Scope of this Agreement, if unsatisfactory and so advised in writing or the applicant finds him/herself unable to perform the duties of the position during the Trial Period, shall revert to the permanent classification and salary group held immediately preceding such Job Posting. All other Employees affected by the return of the above-noted applicant shall also return to their former permanent classification and salary group held immediately preceding the above-noted Job Posting.

**11:03(2)** Upon application by an Unsuccessful Applicant, the Hiring Manager shall state in writing his/her reasons for the rejection of the application.

**11:04** A Job Posting referring to jobs covered by the Job Evaluation Plan shall be based on the Job Description and Specifications. Nothing contained in the Job Posting shall contravene the information contained in the Job Documents. No important information (subject

to space limitations) shall be omitted. Initial Reporting Depot shall also be indicated in the Job Posting.

#### **11:05      Training Development Opportunity Job Postings**

**11:05(1)**      It is agreed that the Employer may post Development Opportunity Job Postings, which allow the Employer to consider applicants that do not hold the full qualifications as outlined on the Job Posting (e.g. education, experience, licenses, certifications, etc.) after exhausting all qualified internal and external applicants. It is expressly understood and acknowledged that the Employer must consider all fully qualified applicants to any Job Posting (including Training Development Opportunity Job Postings) before considering an applicant that does not hold all qualifications.

Should an Employee be successful to a Training Development Opportunity Job Posting, they will receive one (1) pay group less in pay until such time that they fully meet the qualifications outlined on the Job Posting (which is based on the Job Description). Once the qualifications outlined on the Job Posting are fully met, the Employee's rate of pay will be adjusted. The Employer commits to identifying the outstanding qualification(s) that must be obtained when making any Development Opportunity Job Posting offer to an Employee and the Employee may decline at said offer stage.

#### **11:06      Polling**

The Parties agree that when a vacancy exists in any classification, Permanent Full Time Employees holding that Permanent classification in another reporting depot, even those in another Limited posting at the time of the vacancy, will be polled in order of seniority to move to the reporting depot containing the vacancy, and the last vacancy created by said polling will subsequently be posted.

#### **11:07      Apprenticeship Programs**

The Parties support apprenticeship as an effective form of training which addresses the needs of Employers, by helping build a skilled labour force, and workers, who learn necessary skills. In the event that the Parties agree there is a need to develop an Apprenticeship Program, the Parties agree to meet and develop a program which may include the following components:

- Pay and/or reimbursement for tuition, certification and/or affiliation
- Job Posting provisions
- Special arrangements with the relevant College and/or educational institution
- Other sources of funding for the apprentice(s) and/or program(s) including but not limited to the Provincial and Federal Government.

### **ARTICLE 12:00 – RELIEVING IN OTHER GRADES**

**12:01**      An Employee temporarily assigned to a position in a higher Job Group to replace an Employee for an absence not to exceed sixty (60) calendar days, shall receive a rate of pay increase in the higher job group of not less than one (1) increment above the rate of pay being received immediately prior to the temporary relieving assignment, for the full relief period.

Upon completion of the aforesaid sixty (60) calendar day period, the temporary assignment, unless mutually extended by both Parties hereto, which extension shall not be arbitrarily or unreasonably withheld by either Party hereto, shall be posted in accordance with Article 11.

**12:02** An Employee temporarily assigned to a lower job rated classification shall receive his/her regular rate of pay while so assigned.

**12:03** When an Employee is requested in writing and is willing to relieve in a position outside the Bargaining Unit, he/she shall receive the step in the position they are relieving in that provides not less than ten (10%) percent above the highest rated classification supervised for the full relief period. If the position outside the Bargaining Unit does not have any subordinate(s), they shall receive the step in the position they are relieving in that provides not less than ten (10%) percent above their rate of pay to a maximum of Step 5. Such Employee shall continue payment of Union Dues to the Bargaining Agent and shall continue to accrue seniority up to a maximum of six (6) months, twelve (12) months for relief due to illness/injury or eighteen (18) months for relief due to pregnancy/parental leave. The period of relief shall be no longer than six (6) continuous calendar months, twelve (12) months for relief due to illness/injury or eighteen (18) months for relief due to pregnancy/parental leave. When required, Management may request an extension to the six (6), twelve (12) or eighteen (18) continuous months' time limit and consent shall not be arbitrarily or unreasonably withheld by the Union. The Employer will notify the Unit Chair in writing of all Employees who are working for the Employer in a position outside the Bargaining Unit as soon as possible and in no case later than five (5) working days after Employees assume a position outside the Bargaining Unit.

It is understood if the Employee is requested in writing and is willing to relieve in a position outside the Bargaining Unit that pays less than their bargaining unit rate of pay, the Employee shall maintain their bargaining unit rate of pay.

## **ARTICLE 13:00 – SPECIFIED PAID HOLIDAYS**

**13:01(1)** All Permanent Full Time, Probationary Full Time and Temporary Full Time Employees except Students, shall be paid a normal day's pay (i.e. their regular rate times (x) seven (7) hours) for each of the following Holidays, except as otherwise provided under Article 13. - (b) the Claim has been denied, and the Employee has elected to appeal the Claim within thirty (30) days of being advised of the denial of his/her claim

The Employer will offer the option of using their current year's vacation entitlement as bridging income. If the Employee declines to use their vacation, then the Employee can make a verbal request to the Manager of Compensation and Benefits or his/her designate, for an advance of up to five (5) weeks of wages. The advance will occur if the Employee and the Union agree in writing to allow the Employer to recover the advance from the Employee as follows:

- (c) if the Claim is subsequently approved, by having the Employee "sign over" their benefit payment to CGS for application against the advance, with any residual amount being recovered from the Employees' pay on their return to work per (d) and (e) below or;
- (d) if the Claim is ultimately denied, the advance is to be recovered from the Employee's pay on the Employee's return to work, with the re-payment period commencing at the beginning of the second (2<sup>nd</sup>) full pay period after the

Employee's return to work, and with the re-payment period typically not to exceed ten (10) pay periods twenty (20) weeks.

- (e) the exact repayment arrangements will be in writing and agreed to between the Employee, the Union and the Employer.

An additional five (5) week advance will be available on an exception basis for very complex cases.

The Employer will maintain the Health and Dental Benefits for Employees throughout the WI application and Appeal periods and will continue to provide those coverages if the Employee is ultimately denied benefits, provided the Employee continues to provide CGS with medical evidence, acceptable to CGS that they are continuing to work toward their own rehabilitation. That evidence needs to be satisfactory to the Manager of Compensation and Benefits, otherwise the Employee will then be placed on an unpaid Leave of Absence and required to pre-pay the premiums at their own expense to maintain their Health and Dental Coverages.

This requirement will also apply to classes of Employees who receive Health and Dental Benefits from CGS, but whom are ineligible for WI/LTD benefits.

## **ARTICLE 25:00 – GENERAL WAGE INCREASE**

## **ARTICLE 26:00 – JOB EVALUATION**

### **26:01      The Job Evaluation Plan**

The provisions which form the basis of the Job Evaluation Plan are contained in the Collective Bargaining Agreement and the Job Evaluation Manual. Matters pertaining to the application of dollars are contained in the Collective Bargaining Agreement. Job Evaluation matters are contained in the Manual. Management and Union shall identify to each other the groups responsible for dealing in the foregoing matters.

### **26:02      Jobs Covered by the Job Evaluation Plan**

The Plan shall cover all jobs falling under the Scope of this Collective Bargaining Agreement.

### **26:03      Identification of Jobs in Salary Schedule**

All jobs processed under the Job Evaluation Plan shall be designated a salary group in the current Salary Schedule issued in conjunction with the Collective Bargaining Agreement.

### **26:04      The Job Evaluation Manual**

The Manual is a supplement to the Collective Bargaining Agreement and its provisions shall apply as if set forth in full in the Collective Bargaining Agreement.

### **26:05      Rights of the Parties**

Management has and shall retain the exclusive right and power to decide what work is to be done and who is to do it and accordingly Management shall apply the Job Evaluation Plan to determine the appropriate salary groups for jobs. Management shall exercise these rights in accordance with the provisions as set forth in the Collective Bargaining Agreement and the Job Evaluation Manual.

The Union's rights shall be to act on behalf of its members to ensure that the Job Evaluation Plan is being properly applied. In order to carry out this function the Union Job Evaluation Officer shall work in liaison with the appropriate Management Groups responsible for the administration of such matters and he/she shall be permitted, within reason, to interview Employees during regular working hours.

The Union shall exercise these rights in accordance with the provisions as set forth in the Collective Bargaining Agreement and the Job Evaluation Manual.

The Union shall retain its rights to participate jointly with Management in developing and/or modifying the Job Evaluation Plan.

In the event of conflict between the foregoing general statements, regarding the rights of the Parties, and the specific provisions contained in the Collective Bargaining Agreement and the Job Evaluation Manual, the latter shall govern.

**26:06      Salary Schedule**

The Salary Schedule for jobs covered by the Job Evaluation Plan and issued in conjunction with the current Collective Bargaining Agreement shall have the following characteristics:

- (1) The Salary Schedule shall be a salary range schedule with a total of sixteen (16) salary groups.
- (2) Each salary group is composed of five (5) steps. It is acknowledged that Groups One (1) through Three (3) inclusive utilize only the first three (3) steps. The time interval required for Annual Increments shall be in accordance with Article 14 of the Collective Bargaining Agreement.
- (3) When an Incumbent is promoted from one (1) salary group to another he/she shall be promoted in accordance with the Promotion Rule (Article 15 - 15:08(3)).
- (4) The relationship between the salary group and the point range will be 23 points for the first salary group and for each salary group thereafter.

**26:07      Retroactivity**

When the salary group for a job covered by the Job Evaluation Plan is changed as a result of an organizational change, the salary group shall be implemented retroactively to the actual date of job implementation of the revised job documents.

When the salary group for a job covered by the Job Evaluation Plan is changed as a result of a Job Challenge Procedure(s) (Part I of the Job Evaluation Manual), the salary group shall be implemented in accordance with the Retroactivity Clause, Part I of the said Manual.

**26:08      Hiring Rates**

In hiring a new Employee from outside the Employer to a job covered by the Job Evaluation Plan, there is sometimes inadequate evidence as to appropriate experience or other qualifications. In such cases a hiring rate, less than the salary range for the job may apply. Such hiring rates shall be selected from the salary range immediately below the salary range for the job for which the person is hired. Unless it is clearly evident that a person being hired does not possess the experience or qualifications required, the hiring rate shall be applied.

A hiring rate may apply for a maximum of six (6) months. However, in no case shall an Employee be paid a hiring rate after the date on which permanent status has been granted. When the hiring rate ceases to be applicable the Employee shall be paid the first step of the salary group for the job for which he/she was hired.

In determining the Employee's increment date, the period of time during which he/she was paid a hiring rate shall be counted.

**26:09**      **Red Circling/Downgrading**

This provision shall apply to Incumbents whose jobs are covered by the Job Evaluation Plan.

Should the job which an Incumbent is performing be changed, but the basic function and significant duties of the job remain unchanged, and should the job then fall into a lower salary group, the following shall apply:

- (1) The Incumbent's salary dollars (rate) shall be held constant (i.e. frozen - and the Incumbent be ineligible for step or GWI increases), commencing on the date of issue of the Job Evaluation Outcome Letter issued by Management.
- (2) The above process shall continue until the General Wage Increases bring the maximum dollars in the salary range for the restructured job above the Incumbent's frozen rate.

**26:10**      **Job Evaluation**

Retroactive pay shall be payable (as applicable) to Employees who resigned their position with CGS, Retirees, and Temporary Employees who have been released, provided the retroactive pay owed exceeds **ONE HUNDRED (\$100.00) DOLLARS** gross, and the former Employee has left a forwarding address with the Employer. No retroactive pay will be due those who acted in relief in a non-posted classification which was subsequently raised in value through the Joint Rating Committee process.

If an Employee's job has changed substantively after their date of assignment, the onus is on the Employee to avail themselves of the challenge procedures in the Job Evaluation Plan.

**26:10 (1)**      In the event that any position is rated by the Parties higher than a Group 16, the Parties shall meet to establish the new wage rates in the pay scale.

**ARTICLE 27:00 – DEFINITIONS**

The employment of a Probationary Full Time Employee may be terminated at any time during the six (6) consecutive month probationary period or extension thereto, without recourse to the Grievance Procedure, unless the Union claims discrimination under Article 19 of this Agreement.

**27:05(3)(a)** If a Student is assigned to relieve an incumbent then the Student will be paid Step 1 of the pay group in which the incumbent's classification has been evaluated. In determining whether or not an incumbent's position is being relieved, the duties being performed by the Student will be compared to the duties performed by the incumbent.

**27:05(3)(b)** If a Student is working as an extra Employee in a classification and is expected to perform the majority of the duties of the classification, the Student will be paid Step 1 of the pay group in which that classification has been evaluated. The Employer shall give sixty (60) calendar days prior notice to the Union of its intention to contract out work. No notice of contracting out is required where:

- (a) the work is not currently performed by members of the Bargaining Unit, or;
- (b) the work is currently contracted out, or;
- (c) the work involves the rental of operated or non-operated equipment for periods of thirty (30) days or less.

**28:01(2)      Contracting In Process**

The Parties are committed to creating the conditions for reducing the amount of operating work in the scope of positions in the bargaining unit currently performed by outside contractors. It is agreed that there are circumstances where work is currently being performed by contractors that could be performed more effectively and at a lower cost by CGS Employees.

The Parties will meet to evaluate priority operating projects currently being performed by contractors which could result in increased efficiency and decreased cost to the Employer. The Employer will notify the Union of the expiry of these priority contracts no later than two (2) months prior to their expiry. The Parties will meet to evaluate the potential for CGS Employees to perform the work of these priority contracts and set targets for the amounts of work that could be contracted in.

**28:02              Notice of Change**

**28:02(1)**      In situations where change (e.g. organizational, material, equipment, processes) will adversely affect a Permanent Employee(s) by resulting loss of Permanent Classification or loss of basic wages, the Employer will provide a minimum of thirty (30) days' notice in writing to the Employee(s) and the Union of the change, outlining:

- (1)      Nature of the Change.
- (2)      Date the Change will take effect.
- (3)      Approximate number, type and location of Employee(s) affected.
- (4)      Affect the change is expected to have upon the Employee(s).

**28:02(2)**      Where the change will result in the layoff of Permanent Employees, the Employer shall make every reasonable effort to provide the Union with at least three (3) months notice, inclusive of the thirty (30) days outlined above.

**28:02(3)**      In the event of a planned layoff of Permanent Employees, the Parties agree to meet within ten (10) working days of such notice for the purpose of minimizing any adverse effects upon the Employees involved. Such discussion shall include the possible implementation of an early retirement incentive program and/or other recognized voluntary leaving incentive program where feasible, as an alternative to layoffs. Nothing in this Article commits the Employer to offering any program should the Employer not deem it appropriate to do so.

It is understood by the Parties that this clause will not over-ride the provisions of any other Clause of the Collective Bargaining Agreement.

## **ARTICLE 29:00 – TERM OF AGREEMENT**

**29:01** This Agreement shall be in effect from the 1<sup>st</sup> day of April, 2023 and shall remain in effect until the 31<sup>st</sup> day of March, 2027, unless either Party gives to the other Party a written notice of termination or of a desire to amend this Agreement, then it shall continue in effect for a further year without change, and so on from year to year thereafter.

**29:02** Notice that amendments are required or that either Party intends to terminate this Agreement may only be given within the period of one hundred and twenty (120) days prior to the expiration date of the Agreement, or any anniversary date of such expiration date.

**29:03** If notice of amendments or termination is given by either Party, the other Party agrees to meet for the purpose of negotiations within a period of twenty (20) calendar days from the receipt of such notice if requested to do so, provided however, an extension of time shall be granted if so requested by either Party.

All work assignments must be covered first by Operators at regular rate before Operators at overtime rate are used except for Charters, posted with less than three (3) days notice per Article H:12, and spare work which must be offered to Full Time Operators who have signed the appropriate posting.

Notwithstanding the above, it is clearly understood and agreed to by both Parties that if Charters, posted with less than three (3) days notice per Article H:12 or spare work are available it must be assigned to Operators at overtime rate by seniority before they are allowed to select other assignments.

The posting period for these vacancies shall end at 8:00 p.m. two (2) days before the Specified Paid Holiday.

- (e) Notwithstanding the provisions of Article H:05(2)(a) above, an Operator working on a Flex Shift Crew will be paid overtime at the rate of time and one-half (1½ x) the regular rate per hour only after the Operator has completed the hours specified on the Flex Shift Crew, on a daily basis, at the regular rate per hour and/or up to the total hours scheduled in a five (5) day period for that Flex Shift Crew.

**H:05(3)** Notwithstanding Article H:06 of the Collective Bargaining Agreement, when the Employer forces Operators to work a Specified Paid Holiday Schedule it will be done in such a manner as to ensure that the Operators concerned are guaranteed a minimum of one (1) nine (9) hour rest period.

All Operators (excluding Student Operators) may bank overtime, even where opportunities for bank time off are not foreseen (due to operational need), as banking time can also serve the possible purposes of creating a Summer vacation 'fund' and a year-end holiday 'fund' (see payout schedule, below). Bank Time may be used to top up approved WI benefits.

The accrual of Bank Overtime shall be at the prevailing rate at which it is earned to a maximum of the dollar value equivalent of eighty (80) hours.

Cash Payout may occur quarterly if the Operator so indicates by February 1<sup>st</sup>, May 1<sup>st</sup>, August 1<sup>st</sup> and/or November 1<sup>st</sup>. It is understood that Employees requesting a cash payout can continue to bank time throughout the year.

The application of the above is dependent on the Operator by October 31<sup>st</sup> each year indicating in writing to their Supervisor their choice of participating in the bank time program.

It is understood that the use of banked time is based on mutual agreement and therefore, the inability to mutually agree is not subject to the Grievance Procedure.

**H:05(7) Overtime Paid Meal Period**

The Employer may add or remove additional items at its sole discretion.

The Employer shall issue uniforms to all Operators by no later than April 15<sup>th</sup> of each year.

No unauthorized alterations shall be made to the standard uniform.

**H:13(2)** Should a change in uniform style be made while an Operator is on a Leave of Absence extending beyond one hundred and fifty (150) days for whatever reason, the Employer will order any portion of the uniform or any of the accessories which have been changed by no later than ten (10) working days following the Operator's return to work.

**H:13(4)(c)** If the employment of an Operator terminates after serving twelve (12) months or more with the Employer, then the Operator shall be entitled to retain all of the standard uniform and the Operator shall not incur any recover cost therefore.

**H:14(2)**      A vacation week shall be from Monday to Sunday inclusive.

**H:14(3)      Vacation Entitlement - Operators**

Both Parties agree that by December 1<sup>st</sup> of each year the Employer will post a list containing the names of all Operators, their vacation entitlement, and the date they are to make their vacation selection for the coming year.

**H:14(4)**      Should an Operator fail to make his/her selection on the date posted he/she would be by-passed, but would be permitted to select his/her vacation from any remaining dates at any time between the date he/she was to bid and December 31<sup>st</sup>.

Should an Operator fail to make a selection by December 31<sup>st</sup>, he/she would then be assigned any opening left at that time.

One (1) qualified medical practitioner shall be appointed by the Union within seven (7) calendar days of the end of the Grievance Procedure and one (1) qualified medical practitioner shall be appointed by the Employer within seven (7) calendar days of the end of the Grievance Procedure. **H:17**      The Employer will issue Lifetime Bus Passes to all Operators who retire from the Transit Operations Section.

Notwithstanding the above, should a pass be misused (i.e. used by someone other than the Operator) and confiscated by the Employer, the pass will not be reissued.

**H: 20(4)(c)** Both Parties agree that any work made available to Part Time Operators will be distributed as equally as possible among the Part Time Operators. The work will be distributed on a rotating basis as follows:

Part Time Operators will be assigned on a rotating basis to crews by the Platform Time of each Crew. Should two (2) or more crews have the same Platform Time then the Part Time Operators will be assigned the available work starting with the Crew with the lowest Crew number in an increasing order. As an example, should there be vacancies on Crews 5, 15 and 39, the first Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 5, the second Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 15, and the third Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 39.

**H: 20(4)(d)** The Employer may use a Part Time Operator at regular rate to replace a Full Time Operator who is working at overtime rate if the Full Time Operator was assigned or selected a crew.

- i. List 1 shall be based on credited points and shall be used only for the purposes of promotion, only where two (2) or more Part Time Operators comprise the entire pool of applicants from within the Bargaining Unit, and on Crew Guide Selection as outlined in Article H:20(4)(f). When a Part Time

Operator works in a capacity other than a Part Time Operator, in accordance with the provisions of the Collective Bargaining Agreement, provided they are available for work, they shall be credited with one (1) seniority point, each time the call in rotation passes the Operator's name, and one seniority point for each scheduled Saturday or Sunday the Part Time Operator would have worked, up to a maximum of five (5) points per week.

Notwithstanding the above, should a Part Time Operator be successful to a Limited position, excluding Full Time Operator, his/her points shall be eliminated. Article H:20(6)(f) shall apply if the Operator returns to the position of Part Time Operator.

- ii. List 2 shall be per Article 9:00 of the Agreement.

**H: 20(6)(b)** Part Time Operators shall be credited with one (1) seniority point for every day that the Part Time Operator works to a maximum of five (5) seniority points for each week, a week being Saturday to Friday inclusive. Notwithstanding the above, a Part Time Operator may work on more than five (5) occasions in a week.

**H: 20(6)(c)** Only those Part Time Operators scheduled to work on a Specified Paid Holiday or called into work on rotation on a Specified Paid Holiday shall receive seniority credit for the Specified Paid Holiday.

Notwithstanding the above, if an Operator signs the appropriate posting and rotation goes by the Operator's name, seniority points shall be given.

**H: 20(6)(c)(i)** Hours worked by Part Time Operators and Student Operators on a Specified Paid Holiday will count towards their hours of work and seniority for that week. It is understood that the hours worked will only count towards their hours of work and seniority for a Part Time Operator if they are assigned through rotation or scheduled by the Employer.

**H: 20(6)(d)** A Part Time Operator who attends a mandatory training program shall be credited with one (1) seniority point each time the call in rotation passes the Operator's name and one (1) seniority point for each scheduled Saturday or Sunday the Part Time Operator would have worked.

Such seniority points will be added to the Operator's record upon the Operator's return to work, or immediately prior to the publication of the April or October seniority lists, whichever is earlier.

**H: 20(6)(f)** When an Operator is successful to a Part Time Operator position, his/her seniority hours as defined in Article 9 will be converted into seniority points by dividing his/her seniority hours by eight point seven five (8.75) hours.

**H:20(6)(g)** Hours worked by Part Time Operators and Student Operators on a Specified Paid Holiday will count towards their hours of work and seniority for that week.

Article C:04(c) of Schedule "C" does not apply to Part Time Operators. Rather the following will apply: Seniority rights shall cease and employment shall be terminated if unavailable for work on four (4) consecutive occasions when the Operator is contacted by his/her Transit Operations Supervisor to appear for work, unless reasonable explanation, acceptable to the Employer, is provided by the Operator:

For the purpose of this Article, the Employer's obligation to contact a Part Time Operator will be met when a telephone call has been placed and documented by the Transit Operations Supervisor or when a personal contact with the Operator has been made by the Transit Operations Supervisor.

A documented telephone call will be deemed to be completed when the Transit Operations Supervisor has called all telephone/pager numbers provided to the Employer by the Part Time Operator up to a maximum of two (2) different numbers.

Notwithstanding the above, a Part Time Operator will be considered unavailable for work for a maximum of one (1) occasion within a twenty-four (24) hour period, when contacted by a Transit Operations Supervisor.

This vacation pay will be paid to the Operator through the normal payroll process when their vacation is taken. Three quarters (3/4) of the amount owing will be paid during the Monday to Friday portion of the selected vacation week. One quarter (1/4) of the amount owing will be paid during the Saturday and Sunday portion of the selected vacation week.

Notwithstanding the above the vacation pay does not represent hours of work.

The Parties will meet with the goal of eliminating all thirty (30) minute lunch periods (including those with two (2) thirty (30) minute lunch periods) and creating as many forty-five (45) minute lunch periods as possible. This exercise shall not result in an increase in the number of Crews or spare work established by the Employer. In order to achieve this goal, the Parties may agree to increase the number of crews that are assigned work during the second portion of the platform time as per Article H:02(11)(2) but only to a maximum of two-thirds (2/3) of the total number of crews.

## LETTERS OF COMMITMENT

### **LC:01      Employee Motor Vehicle Usage**

The Employer agrees that no Employee of this Bargaining Unit is currently required (as a condition of Employment) to use their personal vehicle on City business. Therefore the following phrase (contained in every Job description of this Bargaining Unit implemented prior to ratification) will be deemed deleted from all Job Descriptions of the Bargaining Unit on date of ratification:

“May require the use of a personal or City vehicle on City business”.

The other related requirements in all Job descriptions of this unit (i.e. “must be physically capable of operating a vehicle safely, possess a valid drivers licence, have an acceptable driving record and personal insurance coverage”) will be reviewed for each job during the Job Evaluation process, and maintained only where deemed bona fide.

In the future, notwithstanding Article 20:03(2), should the Employer require Employees to use a personal vehicle on City business as a condition of employment, the following provision will be in effect:

Employees required to use and operate their own motor vehicle (as a condition of employment) shall be compensated for the use of same at the rate of **ONE HUNDRED AND SEVENTY-FIVE (\$175.00) DOLLARS** per month, plus a motor vehicle mileage rate of **SIXTY-TWO CENTS (\$0.62)** per business kilometre. The above motor vehicle mileage allowance will only be in effect while an Employee is required as a condition of employment to use his/her personal vehicle, and is actually working. It is understood that the per kilometre rate will be adjusted from time to time by CGS Council.

For absences from work under Weekly Indemnity (W.I.) or WSIB, the Employee shall continue to be eligible for Vehicle Allowance for sixty (60) calendar days commencing from the initial day of absence. Upon return to work, after the sixty (60) calendar day period, the Employee’s vehicle Allowance shall be pro - rated for the balance of that month.

### **LC:02      Training**

The Employer and the Union agree that training is an important issue. As a result, the issue of training will be discussed by the Labour-Management Committee with the objective of reviewing the present methods of training, opportunities for training and making joint recommendations concerning training initiatives.

Notwithstanding any provision in the Agreement to the contrary, when an Employee is required to travel outside of normal working hours for purposes of attending training programs outside CGS’ geographic boundaries, the Employee shall be compensated at straight time for travel time. The Employee will have the option of pay or banking of the travel time, to be taken at a time mutually agreed upon between the Employee and his/her Supervisor. Failing mutual agreement, the bank time will be paid out three (3) months after it was accrued.

**LC:03      Medical Certificates**

Should an Employee on LTD incur over **TWO HUNDRED AND FIFTY (\$250.00) DOLLARS** in medical certificates expenses as required by our LTD carrier over a calendar year, on presentation of receipts to the Health and Safety Section, the Employer will give consideration to reimbursing the amount over **TWO HUNDRED AND FIFTY (\$250.00) DOLLARS**, on verification (with the Employee's consent) that the carrier required the certificates, and that the Employee was not directed away from the practitioner(s) in question for reasons of cost, and that there were no other circumstances surrounding the case that would make reimbursement inappropriate.

**LC:04      Grand Parenting Payment in Lieu (PIL)**

The Employer agrees to grandparent those remaining three (3) Part Time Emergency Services Employees who were receiving twelve (12%) percent Payment in Lieu (PIL) prior to ratification of the 2002 - 2005 Collective Bargaining Agreement, with OMERS carve out (if applicable). Should a grand parented Employee leave the Part Time classification for any reason other than a Limited Posting, their grand parented status for PIL would cease.

**LC:05      Grand Parenting Group RRSP Participants and CSB's**

The Parties agree to grandparent participation in payroll deduction Group RRSP's to those Employees who participated on the date of ratification of the 2002 - 2005 Collective Bargaining Agreement in the current amounts deducted, per the listing of names provided to the Union on June 13th, 2002. The amounts cannot be adjusted up or down, and should an Employee wish to discontinue their contribution, their grand parented status will cease.

The Parties agree that all Employees may participate in payroll deduction at the local Credit Unions. Employees participating may change the level of payroll deduction one time (1x) per year.

**LC:06      Transitional Semi-Private Provision**

The Parties agreed to eliminate semi-private and private hospital room coverages from the Plan, effective the first of the month following ratification of the 1996 - 1999 Agreement. All Employees were advised that this coverage is no longer available and if an Employee wants a semi-private or private room, they will pay for same directly. However, where Area Hospitals bill Employees for semi-private or private rooms without the Employee having requested same, those bills will be paid by the Employer on presentation of invoices to the Human Resources and Organizational Development Department, and the issue of improper bills will be taken up by the Employer and the Hospital involved. The issue of improper billing will not exist where only semi-private/private rooms are available and the carrying agency can legally force the premium for the room to be paid. In such instances the premium for the room will be paid by the Employer. This arrangement only applies to semi-private/private rooms and will not be extended to current/future daily fees for chronically ill patients, or other accommodation charges which are not contemplated by our Plan design.

**LC:07      Tracking Temporary Employees**

The Employer commits to work with the Union to provide more current, regular and meaningful data on the status of Temporary Employees than that already provided under Article 9:02(3) (Listing of Temporary Employees). Automated and remote reporting will be explored as a means of providing quality information without excessively increasing administrative burden.

**LC:08      Municipal Elections**

The Parties agree that during a Municipal Election the Employer will put out a call for volunteers to provide general administrative support to the election process with an option to invoke Article 4:01 if necessary. Employees understand that they will be required to work more than their regular hours of work.

It is agreed that Employees who volunteer to support a Municipal Election will receive one (1) day in lieu for each day volunteered that does not fall on a weekend and one and one-half (1 ½) days in lieu for each day volunteered that falls on a weekend. Employees will also maintain their regular pay for hours regularly scheduled, if regularly scheduled to work on a day volunteered. It is understood that if an Employee volunteers on a day that they are not regularly scheduled to be at work that lieu time is the only compensation owed to them.

It is further acknowledged that lieu time calculations for all Employees will be based on what a full-time Employee would receive within the classification in question. For example, a Part Time Employee that works in a classification where Full Time Employees work eight (8) hours per day will receive eight (8) hours of lieu time (as a day in lieu), in the same way a Full-Time Employee in that same classification would.

Finally, the Parties acknowledge that lieu time provided to Employees under this Letter of Commitment will take the form of additional vacation time to be added to an Employee's vacation bank. For Employees who do not have a vacation bank (temporary staff, part-time staff, etc.), the Employer will create an Election Leave Vacation Bank for the vacation time to be added and drawn upon by Employees.

**LC:09      Community Assistance**

When CGS personnel are requested to assist another community in the event of an emergency, Employees will be canvassed to volunteer to assist. Employees who are not scheduled to work during the relevant period will be canvassed first by seniority. If more workers are required, Employees who are scheduled to work will be canvassed by seniority and subject to operational requirements. Nothing in this LC precludes the Employer from deploying Non Union staff to assist in the emergency.

**LC:10      NRA 60**

The Parties agree to meet to discuss the recently approved changes under Ontario Municipal Employees Retirement System (OMERS) that expands the groups eligible for normal retirement age 60 to Paramedics effective January 1, 2021. It is understood the conversion from the current NRA 65 to NRA 60 is subject to negotiation between the Parties.

**LC:11      Wellness Cards**

The Employer commits to amending the eligibility for the Wellness Card program to include Casual Part Time Employees upon ratification. To access the benefits of the Wellness Card, Casual Part Time Employees will need to obtain an Employee Identification Card/Wellness Card.

Note: Seasonal Part Time Employees are not eligible for the Wellness Card program.

**LC:12      Driver's Medical Examination**

Employees required to obtain a driver's medical examination in order to maintain their commercial driver's licence in accordance with Ministry of Transportation requirements shall, on presentation of a receipt, be reimbursed for the costs of obtaining such medical up to a maximum of **ONE HUNDRED AND FORTY (\$140.00) DOLLARS**. It is acknowledged that this reimbursement is not subject to a general wage increase.

**LC:13      Investigation Meetings**

The Parties agree that when the Employer schedules a meeting with an Employee for the purposes of conducting an investigation (excluding investigations under the Workplace Violence, Harassment and Discrimination Prevention Policy), and more than one (1) Non Union Employee is present, the Employee shall be offered the opportunity to have Union Representation. No such meeting will be cancelled due to Union unavailability.

**LC:14      Remote Work Policy**

The Employer commits to meet with the Union to advise of and discuss any changes to the Remote Work Policy before they are communicated to Employees or are implemented.

It is understood that this Letter of Commitment in no way restricts the Employer from amending the policy.

**LC:15      Water/Wastewater Stakeholder Engagement Coordinator**

Notwithstanding Article 11:01(5) and Article 27:04 of the Collective Bargaining Agreement, the Parties agree that the Employer may hire a single incumbent into the classification of Water/Wastewater Stakeholder Engagement Coordinator for a period of up to five (5) years. The Parties agree that should the position be filled by an individual other than a Permanent Employee, he/she will not rank as a Permanent Employee despite holding a temporary position for a five (5) year period.

Upon implementation of the position of Water/Wastewater Stakeholder Engagement Coordinator, the Parties agree that the Employer may schedule the Water/Wastewater Stakeholder Engagement Coordinator to work one (1) afternoon shift per week from 1:00 p.m. to 9:00 p.m. for the purposes of attending community meetings or events or to conduct community outreach initiatives. The Parties further agree that the Employer may

schedule the Water/Wastewater Stakeholder Engagement Coordinator to work a day shift on Saturday and/or Sunday for no more than one (1) weekend per month provided a minimum of six (6) weeks' notice is provided to the Employee. It is understood that a full weekend (i.e. both Saturday and Sunday) can be scheduled, as required. The Parties agree that the provisions in Article 15:03(5) apply to the classification of Water/Wastewater Stakeholder Engagement Coordinator.

The Parties further agree that should this position be filled by an individual other than a Permanent Employee, the following terms and conditions shall apply:

- (1) The incumbent temporary Employee will accumulate one (1) day of Sick Leave per month for the period of employment. The accumulation of these Sick Leave Days will commence on the first day of employment, however, utilization of these Sick Leave Days are not permitted until the seventh (7<sup>th</sup>) month of continuous employment. Although Sick Leave Days are cumulative, there will be no pay-out under any circumstances. Furthermore, all accumulated Sick Leave Days will be netted to zero (0) days should the incumbent Employee obtain permanent status.
- (2) Notwithstanding Article 24:00, effective the first of the month following the date the incumbent temporary Employee is hired, the Employer agrees to contribute 100% of the total Employee premium costs for the following Plans:
  - (i) Comprehensive Extended Health Care in accordance with Article 24:01(1)(i)(b)
  - (ii) Paramedical Coverage in accordance with Article 24:01(1)(i)(c)(iii) Dental Coverage in accordance with Article 24:01(1)(i)(d)

It is expressly understood that no other benefits outlined in Article 24 of the Collective Bargaining Agreement apply to the incumbent temporary Employee.

- (3) The incumbent temporary Employee shall be entitled to two (2) calendar weeks of paid vacation (at his/her basic rate in effect immediately prior to the commencement of vacation) per calendar year. For the initial vacation entitlement period, vacation entitlement will be calculated on a pro-rata basis.
- (4) The incumbent temporary Employee may participate in the Ontario Municipal Employees Retirement System (OMERS) at his/her option, provided he/she meets the test under the *Pension Benefits Act*.
- (5) The incumbent temporary Employee shall be paid shift differential, as applicable, in accordance with Article 15:05.
- (6) The incumbent temporary Employee shall be entitled to Annual Reviews in accordance with Article 15:07(3).
- (7) The incumbent temporary Employee who has accepted the five (5) year Limited posting in question will not be considered for any other Limited posting unless the

other Limited position is posted within thirty (30) calendar days of the expiration of the five (5) year Limited posting in question or by mutual consent of the Parties hereto.

For clarity, the Parties agree that should this position be filled by a Permanent Full Time or Permanent Part Time Employee, the terms and conditions of the Collective Bargaining Agreement apply.
