APPENDIX OF LOCAL ISSUES 65

APPENDIX A: RPN WORKLOAD COMPLAINT FORMi

APPENDIX B: NON-RPN WORKLOAD COMPLAINT FORMi

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

ARTICLE 1 – PREAMBLE

1.01 - PREAMBLE

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients

ARTICLE 2 – DEFINITIONS

2.01 – TEMPORARY EMPLOYEE

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to WSIB disability, sick leave, long term disability or to perform a special nonrecurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee, and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed their probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

2.02 – PART-TIME COMMITMENT

The Hospital shall not refuse to accept an offer from an employee to make a written commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual employees so as to restrict the numbers of regular part-time employees.

2.03 - REGULAR PART-TIME EMPLOYEE

A "regular part-time employee" is an employee who regularly works no more than thirty (30) hours per week in a position consisting of a pre-determined number of regular hours and in respect of whom there is a pre-determined schedule.

2.04 - CASUAL EMPLOYEE

A "casual employee" is one who is employed on a relief or replacement basis who may be called as required by the Hospital.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

ARTICLE 3 - RELATIONSHIP

3.01 – NO DISCRIMINATION

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of their activity or lack of activity in the Union.

The Union shall be provided a copy of any written notice provided to an employee that they may be subject to termination, demotion, transfer, or other adverse impact for innocent absenteeism.

3.02 – ATTENDANCE MANAGEMENT

Days of absence arising out of a medically-established serious chronic condition, an on-going course of treatment, a catastrophic event, absence for which WSIB benefits are payable, medically necessary surgical interventions, or days where the employee is asymptomatic and is under a doctor's care from the commencement of symptoms for a confirmed communicable disease (and has provided medical substantiation of such symptoms) but is required to be absent under the Hospital or public health authority protocol, will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

Leaves covered under the *Employment Standards Act*, and leaves under Article 12 will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

ARTICLE 4 – STRIKES & LOCKOUTS

The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the *Ontario Labour Relations Act*.

ARTICLE 5 – UNION SECURITY

5.01 – T4 SLIPS

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

5.02 – NOTIFICATION TO UNION

- (a) The Hospital will provide the Union with a list, monthly, of all hirings, lay-offs, recalls, and positions which have been vacated within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.
- (b) The Hospital will provide the Union with the current mailing address, personal email address if available, and phone number(s) it has on record of all members of the bargaining unit twice a year in electronic form.

5.03 – EMPLOYEE INTERVIEW

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

5.04 – NO OTHER AGREEMENTS

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its representative(s) which conflicts with the terms of this agreement.

No individual employee or group of employees shall undertake to represent the union at meetings with the Hospital without proper authorization from the Union.

ARTICLE 6 – UNION REPRESENTATION AND COMMITTEES

6.01 – UNION ACTIVITY ON PREMISES AND/OR ACCESS TO PREMISES

The Union agrees that neither it, nor its officers, agents, representatives, and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

6.02 – LABOUR-MANAGEMENT COMMITTEE

- (a) Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour Management Committee Meeting during the term of this Agreement, the following shall apply.
- (b) An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

- (c) It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour Management Committee.

It is also agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour Management Committee. The committee shall have access to work schedules and job postings upon request.

- (d) It is understood that joint meetings with other Labour Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

- (e) Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

6.03 – LOCAL BARGAINING COMMITTEE

The Hospital agrees to recognize a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix). The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business but shall not be deducted from the Union entitlement under Article 12.02.

6.04 – CENTRAL BARGAINING COMMITTEE

- (a) In central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from their normal straight time working hours at their regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospital's Central Negotiating Committee in direct negotiations up to the point of arbitration. In addition, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from their normal straight time working hours at their regular rate of pay and without loss of leave credits for two (2) days of preparation time for such central negotiating meetings with the Hospital's Central Negotiating Committee. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight (8), and in no case will more than one employee from a hospital be entitled to such payment.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

The Union shall advise the Hospital's Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospital's Central Negotiating Committee shall advise the eight (8) hospitals accordingly.

- (b) Vice-Presidents of the Ontario Council of Hospital Unions shall be granted leave of absence by their employers in accordance with (a) above or Article 12.02 as the case may be, in order to fulfil the duties of their position.

6.05 – UNION STEWARDS

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of their duties, a Union steward is required to enter an area within the Hospital in which they are not originally employed, they shall report their presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming their regular duties and responsibilities, such steward shall again report to their immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during their regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.

6.06 – GRIEVANCE COMMITTEE

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

ARTICLE 7 – GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration, or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until his/she has first given his/her immediate supervisor the opportunity of adjusting his/her complaint. The grievor may have the assistance of a union steward if he/she so desires. Such complaint shall be discussed with his/her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his/her immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee, who may be accompanied by a steward, may submit a written grievance signed by the employee to (designated by Hospital). The grievance shall identify the nature of the grievance, and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The Union and the Hospital may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The (designate) will deliver their decision in writing within nine (9) calendar days following the day on which the grievance was presented to them. Failing settlement or response, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No.1, the grievance may be submitted in writing to the (designated by Hospital). A meeting will then be held between the (designate) and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor may be present at the meeting. It is further understood that the (designate) may have such counsel and assistance as they may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could themselves institute and the regular grievance procedure shall not be thereby bypassed.
- 7.05 Where a number of employees have identical grievances, and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or their designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his/her probationary period that he/she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is affected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the employee; or
- (b) reinstating the employee with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed their probationary period, without just cause.

7.07 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.

(b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

7.08 All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.

7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to affect such appointment upon application thereto by the party invoking Arbitration Procedure. The two nominees shall attempt to select by agreement a chairperson of the Arbitration Board. If they are unable to agree upon such a chairperson within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairperson.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to, or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairperson will be final and binding upon the parties hereto and the employee or employees concerned.
- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairperson of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48 (16) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 8 – ACCESS TO FILES

8.01 – ACCESS TO PERSONNEL FILE

Each employee shall have reasonable access to their personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

8.02 – CLEARING OF RECORD

Any letter of reprimand, suspension, or any other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension, or other sanction provided that such employee's record has been discipline free for one year. All leaves of absence in excess of ten (10) calendar days will not count toward either of the above periods.

ARTICLE 9 – SENIORITY

9.01 – PROBATIONARY PERIOD

A new employee will be considered on probation until he/she has completed sixty (60) days of work (or 450 hours of work for employees whose regular hours of work are other than the standard workday), within any twelve (12) calendar months. Upon completion of the probationary period, they shall be credited with seniority equal to sixty (60) working days. With the written consent of

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration unless the probationary employee is released for reasons which are arbitrary, discriminatory, in bad faith, or for exercising a right under this Agreement.

9.02 – DEFINITION OF SENIORITY

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Part-time employees, including casual employees, will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

A part-time employee cannot accrue more than one year's seniority in a twelve (12) month period. The twelve (12) month period shall be determined locally.*

9.03 – LOSS OF SENIORITY

Employees shall lose all seniority and service and shall be deemed to have terminated if they:

- (a) resign;
- (b) are discharged and not reinstated through the grievance/arbitration procedure;
- (c) have retired;
- (d) are absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) have been laid off for forty-eight (48) months;
- (f) have been laid off and fail to return to work within seven (7) calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall.

9.04 – EFFECT OF ABSENCE

((a), (b) and (c) of the following clause are applicable to full-time employees only)

Unless otherwise provided in the Collective Agreement:

- (a) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

9.07 (B) – PORTABILITY OF SERVICE

An employee hired by the Hospital with recent and related experience may claim consideration for such experience at the time of hiring on a form to be supplied by the Hospital. Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

(b) A layoff shall not include a reassignment of an employee from their classification or area of assignment who would otherwise be entitled to notice of layoff provided:

- (I) reassignments will occur in reverse order of seniority;
- (II) the reassignment of the employee is to an appropriate permanent position with the employer having regard to the employee's skills, abilities, qualifications and training or training requirements;

- (IV) the job to which the employee is reassigned is located at the employee's original work site or at a nearby site in terms of relative accessibility for the employee;
- (V) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
- (VI) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

(c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

(d) Redeployment Committee

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08(A)(a) and will meet thereafter as frequently as is necessary.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

The mandate of the Redeployment Committee is to:

- (1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;
- (2) Identify vacant positions in the Hospital or positions which are currently filled but which will become vacant within a twelve (12) month period, and which are either:

- (3) Identify the retraining needs of workers and facilitate such training for workers who are, or would otherwise be, laid off.
- (4) Subject to article 9.11, the Hospital will award vacant positions to employees who are, or would otherwise be laid off, in order of seniority if, with the benefit of up to six (6) months retraining, an employee has become able to meet the normal requirements of the job.
- (5) Any dispute relating to the foregoing provisions may be filed as a grievance commencing at Step 2.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be determined locally. Where for the purposes of HTAP (the Ontario Hospital Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Hospital at their regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs shall chair alternative meetings of the committee and will be jointly responsible for establishing the agenda of the committee meetings, preparing minutes, and writing such correspondence as the committee may direct.

Prior to issuing notice of layoff pursuant to article 9.08(A)(a)(ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 9.08(A)(a)(ii).

An employee who elects an early retirement option shall receive, following completion of the last day of work, a retirement allowance of two (2) weeks' salary for each year of service, plus a prorated amount for any additional partial year of service, to a maximum ceiling of fifty-two (52) weeks' salary.

9.08 (C) – VOLUNTARY EXIT OPTION

If after making offers of early retirement, individual layoff notices are still required, prior to issuing those notices the Hospital will offer a voluntary early exit option in accordance with the following conditions:

- (i) The Hospital will first make offers in the classifications within department(s) where layoffs would otherwise occur. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (ii) If insufficient employees in the department affected accept the offer, the Hospital will then extend the offer to employees in the same classification in other departments. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (iii) In no case will the Hospital approve an employee's request under (i) and (ii) above for a voluntary early exit option, if the employees remaining are not qualified to perform the available work.

The Redeployment Committee will seek the availability of any federal or provincial retraining program funds to cover the cost of tuition, books and travel, as well as any wages eligible under the terms of such program.
- (iii) Apart from any on-the-job training offered by the Hospital, any employee subject to layoff who may require a leave of absence to undertake retraining in accordance with the foregoing shall be granted an unpaid leave of absence which shall not exceed six (6) months.
- (iv) Laid-off employees who are approved for retraining in order to qualify for a vacant position within the Hospital will continue to receive insured benefits.

ARTICLE 20 – COMPENSATION

20.01(A) – JOB CLASSIFICATION

When a new classification (which is covered by the terms of this collective agreement) is established by the Hospital, the Hospital shall determine the rate of pay for such new classification and notify the local Union of the same. If the local Union challenges the rate, it shall have the right to request a meeting with the Hospital to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or Arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.

When the Hospital makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or Arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.

The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

Notwithstanding the foregoing, if as a result of compensable illness or injury covered by WSIB, an employee is unable to carry out the regular functions of their position, the Hospital may, subject to its operational requirements, establish a special classification and salary in an endeavour to provide the employee with an opportunity of continued employment. This provision shall not be construed as a guarantee that such special classification(s) will be made available or continued.

20.01(B) – JOB DESCRIPTIONS

A copy of the current job description for a bargaining unit position shall be made available to the Union upon request. When a new classification which is covered by terms of this collective agreement is created, a copy of the job description shall be forwarded to the Union at the time that the Hospital notifies the local Union of the rate of pay pursuant to article 20.01(a) above.

20.02 – ASSIGNMENT OF DUTIES FROM ANOTHER CLASSIFICATION

- (b) In the event an employee presently occupying a position which is revised in accordance with this article requires additional training to perform duties of the revised position the employee shall be entitled to a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

20.03 – PROMOTION TO A HIGHER CLASSIFICATION

An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the higher rated classification so that they shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of their previous classification (provided that they do not exceed the wage rate of the classification to which they have been promoted).

20.04 – WAGES AND CLASSIFICATION PREMIUMS

Provisions under these headings shall remain unchanged and are repeated as 20.04, except to the extent that the Wage Schedule referred to in the hospital's expiring collective agreement shall be adjusted and retroactivity shall be paid in accordance with the Implementation Agreement signed.

Notwithstanding the above, employees hired prior to October 10, 1986, will be credited with the service they held for the purpose of progression on the wage grid under the Agreement expiring September 28, 1985, and will thereafter accumulate service in accordance with this Article.

ARTICLE 21 – FISCAL ADVISORY COMMITTEE

Recognizing the value of Union input on behalf of employees, the parties agree to the following:

- (a) The Union's representative(s) will be included in the consultation and planning process from the early phases of the budget planning process, through representation on the Fiscal Advisory Committee or equivalent committee to its final stages of completion, to assist the Hospital in minimizing layoffs or job loss, and in developing labour adjustment strategies where necessary, and in otherwise minimizing adverse effects on CUPE-represented employees through program or service restructuring.
- (b) Where the Hospital experiences unforeseen circumstances such that will necessitate changes to its budgetary plans which have been approved by the Ministry of Health, or the Local Health Integration Network, the Hospital agrees that revisions to the budget will be carried out in consultation with the Union.
- (c) In furtherance of the foregoing, and, where possible, in advance of any scheduled FAC or equivalent committee meeting, the Hospital agrees to provide to the Union in a timely way any financial and staffing information pertinent to its budget, or to any other re-structuring plan that would affect the Union's members.
- (d) It is understood that employee time spent at FAC or equivalent committee meetings with the employer in pursuance of the above shall be deemed to be work time for which the employee shall be paid by the Hospital at their regular or premium rate as may be applicable.

ARTICLE 22 – APPRENTICESHIP COMMITTEE

The central parties agree that within sixty (60) days of the commencement of this agreement, a joint local committee consisting of up to three representatives each will be formed to discuss the feasibility of establishing an apprenticeship Program (s). If such a program is deemed feasible, the local parties will determine the terms and conditions of such program(s).

The joint local committee will seek the availability of any federal or provincial funds to cover the costs of such programs.

The Ontario Council of Hospital Unions/ CUPE

Whereas the current collective agreement makes reference to the Blue Cross Plans in effect as of September 28, 1993;

And Whereas the semi-private, extended health care and dental benefits are now being provided by various carriers at the different hospitals;

And Whereas the Participating Hospitals ("the Hospitals") and the Ontario Council of Hospital Unions/CUPE ("the Union") wish to ensure that the collective agreement entitlements to semi-private, extended health care and dental benefits are comparable;

And Whereas the Hospitals and the Union wish to ensure that eligible employees receive comprehensive and accurate information about their coverage and entitlements;

And Whereas the Hospitals and the Union recognize the importance of working collaboratively to achieve the objectives outlined above, it is agreed as follows:

1. Within thirty days of the ratification by the Hospitals and the Union of the collective agreement, a provincial Joint Benefits Committee ("the Committee") will be established.
2. Both the Hospitals and the Union will nominate three members of the Committee and appoint co-chairs. The Committee will meet and mutually select a third-party facilitator. Failing to do so, William Kaplan will appoint the facilitator.

7. The Committee will also consider whether, without reducing the level of benefits provided at each individual participating hospital, there are cost saving mechanisms available to the parties.
8. The Committee may retain expert assistance, the cost of which shall be borne equally by the Hospitals and the Union. Should the Hospitals and the Union not agree on retaining expert assistance, the decision of the facilitator shall be binding.
9. The Committee shall complete its work and prepare a final report within eighteen months, unless the parties agree otherwise. The parties agree that this memorandum of agreement and the report of the Committee shall not be introduced or relied upon by either party in any proceedings

The schedule of normal working hours for full-time and part-time employees shall consist of a minimum of six (6) consecutive weeks, and hard copies will be posted on designated notice boards at least ten (10) consecutive days prior to the beginning of the work schedule at a location where it is most likely to come to the attention of employees concerned. Once posted, there will be no changes to the schedule without forty-eight (48) hours notice to the employees affected by the change(s), except in circumstances beyond the control of the Employer. Work schedules shall embody the following conditions:

- (b) For full-time and regular part-time employees, a minimum period of twelve (12) hours shall elapse between the end and resumption of work and failing this, the employee shall be remunerated at the premium rate of one and one half (1½) times the regular straight time hourly rate of pay for the number of hours the interval is short of twelve (12) hours. This shall not apply where a regular part-time employee is offered and voluntarily accepts an additional shift in accordance with Article H.02 (a).

This premium payment shall apply for every third (3rd) and subsequent weekend until a weekend off is scheduled, except where:

This shall not apply to employees who normally work Monday to Friday and who are not scheduled to work on a statutory holiday.

Employees may opt out of receiving their three (3) consecutive days off. To do so, an employee must provide notice of his/her availability to work Christmas Day, Boxing Day and New Year's Day no later than August 1 in the year which they are opting out.

Requests for additional time off during the period Dec 20- Jan 5 will be approved, provided the operational needs of the hospital are met, at the time of the posting of the Christmas schedule. Requests for additional time off for this period shall be submitted in accordance with Article O.

It is understood, that in order to accommodate the requests for time off, the master schedules will be suspended for the period of December 20th to January 5th and that part time employees will submit availability as per H.06 for this period.

Notwithstanding Article H.01 (b), there need only be a minimum of twelve (12) hours between the end and resumption of work. Failing this, a part-time employee shall be remunerated at the overtime rate for the number of hours the interval is short of twelve (12) hours.

This will not require the Hospital to offer available shifts to casual employees where it would result in the payment of overtime or premium pay.

- (c) When a long term (defined as leave known by the Hospital to be for the complete duration of a six week Work Schedule) temporary full-time vacancy occurs, it shall be offered on a rotational basis, to part-time employees qualified and able to perform the work and working in the same department or Clinical Program in which the work is being performed. Such regular part-time employee shall remain in the position until the return of the incumbent and will maintain his regular part-time status; however, for the purpose of Article 14.01, he shall be deemed a full-time employee. Requests shall be submitted in writing to the employee's immediate supervisor. The employee will sign in for the actual hours of work. The requirement to have twelve (12) hours between shifts will be waived if necessary. This shall not disentitle employees from using leave provisions of Article 12.10.

H.08 Part-time Shift Protocol – Offering of Additional Shifts

- (a) Additional shifts that become available seven (7) days or more in advance of the required shift will be offered by seniority to regular part-time employees as per the declared availability. The Employer will phone all such employees in order of seniority until an employee tentatively agrees to the shift. An employee with greater seniority will have two hours from the call to the more junior employee, to claim the shift. If a senior employee fails to respond within two hours of messages left for the employee, the shift will be confirmed with the employee who accepted and agrees to be scheduled for the shift. Accordingly, the provisions of the Occupational Health and Safety Act are incorporated into and form part of this collective agreement and the rights and responsibilities set out therein will not be diminished.
- (c) The Hospital agrees to cooperate in providing necessary information and management support to enable the Health and Safety Committee to fulfill its functions. In addition, the Hospital will provide the Health and Safety Committee with access to all accident reports, health and safety records and other pertinent information in its possession. The Health and Safety Committee shall respect the confidentiality of the information.
- (d) Where the Hospital determines that there is a risk that employees may be exposed to infectious or communicable diseases (viral or bacterial), or blood borne

pathogens, employees who may be so exposed will be provided with personal protective equipment reasonably necessary for the protection of the employee.

- (e) An employee who is required by the Hospital to wear or use any protective clothing, equipment or device shall be instructed and trained in its care, use and limitations before wearing or using it for the first time and at regular intervals thereafter and the employee shall participate in such instruction and training.
- (f) Where the Hospital identifies high risk areas where employees are exposed to infectious or communicable diseases for which there are available protective medications, such medications shall be provided at no cost to the employee.
- (g) The Hospital accepts that one CUPE member on the Joint Occupational Health and Safety Committee will be trained and will act as a certified worker under the Occupational Health and Safety Act. Any costs associated with the training of a certified worker will be paid by the Hospital.

P.02 The Hospital agrees to provide the employee and the Union representative on the Health and Safety Committee with a copy of the Workplace Safety Insurance Board Form 7 (absent the Social Insurance Number and Date of Birth) at the same time it is sent to W.S.I.B.

P.03 The Hospital will inform the Union within three (3) working days of any employee who is subjected to violence while performing his/her work. Such information shall be submitted to the Union in writing as soon as possible.

ARTICLE Q - GENERAL CONDITIONS

Q.01 Bulletin Boards

- (a) The Union will be allowed bulletin boards at mutually agreeable locations in the Hospital and on any off sites for the purpose of posting notices regarding matters pertaining only to the Union. All such notices must be signed by an authorized officer of the Union. All notices must be submitted to the President and CEO or delegate for information, prior to posting.
- (b) The Employer will allow the Union the use of the Hospital's fax machine for any union correspondence.

Q.02 Copies of the Collective Agreement

The Union and the Hospital agree to share the costs of reproduction of the Collective Agreement in sufficient number on an equal basis and in a mutually approved form. The Hospital will be responsible for distributing copies of currently negotiated Collective Agreements to CUPE Local 1502 bargaining unit employees.

Q.03 Job Creation Program

Persons from any job creation program will not be introduced into any department without the consent of the Union. Such consent shall not be unreasonably withheld.

Q.04 Evaluations

A copy of any completed evaluation which is to be placed on an employee's personnel file shall be first reviewed with the employee. The employee shall sign such evaluation as having been read, and shall have the opportunity to add his/her views to such evaluation prior to it being placed in his/her personnel file. It is understood that such evaluations are not disciplinary action by the Hospital against the employee.

Q.05 Certification / Registration of Regulated Health Professionals

All Regulated Health Professionals must present evidence annually that their current certificate of registration is in good standing and currently in effect, in accordance with the requirements of the applicable Regulatory Body and with Hospital policy. The Hospital may elect to subscribe to the automated registration process offered by the regulatory body, and this shall satisfy the aforementioned evidentiary requirement.

When the Hospital is notified that a Regulated Health Professional's certificate of registration has not been achieved or has been suspended, the employee/Regulated Health Professional shall be placed on a non-disciplinary suspension without pay.

When the Regulated Health Professional presents evidence that his/her Certificate of Registration has been reinstated, he/she shall be reinstated to his/her position upon presenting such evidence. Failure to provide evidence of reinstatement within ninety (90) days of being placed on non-disciplinary suspension by the Hospital will result in termination of employment for not being qualified to work.

Q.06 Employees on Leave

The Hospital agrees to provide the Union with a list of employees on pregnancy/parental leave, long-term disability, and Workplace Safety Insurance Board benefits on a monthly basis.

Q.07 Exposure to Contagious Disease

Full-time employees required by the Hospital to be absent from work as a result of exposure to contagious disease will be placed on the sick pay benefit plan until it is determined if the employee has become infected.

Where a regular part-time employee is absent from work during the screening period for a contagious disease, the Hospital will endeavour to replace lost shifts after the employee returns to work.

Q.08 Travel Expenses

Where the employee is required to use their own vehicle to perform the duties of their job they will be reimbursed in accordance with the Hospital policy on Travel Expenses.

Q.09 Confirmation of Leave Requests

The Employer shall provide written confirmation that a requested leave or random vacation day, or otherwise, has been approved or denied to an Employee who has requested such leave in writing. Confirmation shall be provided within seven (7) calendar days of the Employees request.

Q.10 Benefits for Part-time Employees

The Hospital agrees to provide Extended Health Care benefits to all part-time employees who so request in writing. The cost of such benefits shall be made known to the employees and shall be paid for by the employee through payroll deduction.

Q.11 Transfer to a Lower Paying Classification

An employee who is the successful applicant to a job posting, and as a result is transferred to a lower paying classification within the bargaining unit will be placed in the range of the lower paying classification commensurate with his service at the Hospital and shall progress within the new salary range in accordance with his/her length of service in the new job subsequent to the date of the transfer.

Q.12 Notification to the Union

The Hospital shall maintain a list of all temporary assignments and temporary employees showing the current classification and department. An up-to-date list shall be sent to the Union on a quarterly basis.

Q.13 Access Cards

Where Employees require an access card to gain entry to the Employer's premises, such cards shall be provided at no cost to the Employee at the time of hire. Cards which are damaged through normal wear and tear, or which are non-functional, will be replaced at no cost to the Employee provided that the damaged or non-functioning card is returned to the Hospital and exchanged for a new card. Otherwise, Employees are responsible for the cost of replacement cards.

Q.14 Mentorship

Registered Practical Nurses (RPNs) may, from time to time, be assigned a formal mentorship role for a designated nurse. Mentorship is a formal supportive relationship between two (2) RPNs, which results in the professional growth and development of an individual practitioner to maximize her or his clinical practice. The relationship is time limited and focused on goal achievement. Orientation to the organization or general functioning of the unit does not constitute mentorship.

After consultation with the RPN being mentored and the mentor, the Hospital will identify the experiences required to meet her or his learning needs, will determine the duration of the mentorship assignment and expectations of the mentor, and appropriate training.

During the consultation process, the Hospital will review the mentor's workload with the mentor and the RPN being mentored to facilitate successful completion of the mentoring assignment.

The Hospital will provide, on a regular basis, all nurses with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the local parties. The Hospital selects and assigns the mentor for a given mentoring relationship. At the request of any RPN, the Hospital will discuss with any unsuccessful applicant ways in which she or he may be successful for future opportunities.

The Hospital will pay the RPN for this assigned additional responsibility a premium of one dollar (\$1.00) per hour, in addition to her or his regular salary and applicable premium allowance.

ARTICLE R - PARKING

The Hospital will continue to provide employees with free parking in the D'Youville lot.

The parking rates shall not exceed \$22 per pay period in the 'paid parking' lots.

Employees may discontinue payment for absences in excess of three weeks. Payment will resume upon return to work. There shall be no reinstatement fee.

Employees who do not pay for parking, and who are scheduled for standby, shall be reimbursed for parking when called in from standby.

Letter of Understanding #1

between

Pembroke Regional Hospital

and

**The Canadian Union of Public Employees
and its Local 1502**

Re: Benefits for Classifications Voluntarily Recognized May 23, 1997

WITHOUT PREJUDICE

Individuals in the following classifications were voluntarily recognized by the Hospital as members of the Canadian Union of Public Employees Local 1502 bargaining unit on May 23, 1997:

Psychologist, Physiotherapist, Social Worker, Program Therapist, Group Home Coordinator, Residential Counsellor, Clinical Dietitian

Pembroke Regional Hospital agreed to continue paying 100% of the premiums for dental, extended health care and long term disability benefits for full-time staff while they continued to work in their classification identified above.

During March 1998, all staff in the classifications of Program Therapist, Group Home Coordinator and Residential Counsellor were invited in writing to apply for their choice(s) of newly developed job classifications in the new Community Mental Health Program. Interviews were conducted and staff transferred from their former classifications into the positions for which they had been successful. Their former classifications ceased then to exist, and employment continued from April 1, 1998, in the new classifications. Dental, extended health care and long term disability benefits from April 1, 1998, have been offered in accordance with the CUPE Collective Agreement where the Hospital pays 75% of the dental and extended health care premiums, and 85% of the long term disability premiums.

Staff continuing to work in the classifications of Psychologist, Physiotherapist, Social Worker and Clinical Dietitian since May 23, 1997, will continue to have their premiums for dental, extended health care and long term disability paid 100% by the Hospital as long as they continuously occupy their classification. Such "grandparenting" of 100% paid benefits will cease upon successful application for a posted position in another classification.

No aspects of this Agreement shall be considered precedent setting. The Union accepts no liability.
