LETTER OF UNDERSTANDING # 4

RE: EMPLOYMENT EQUITY

The participating Education Entities and the participating Locals of the Nova Scotia School Board Council of Unions recognize the diverse communities served by the participating Education Entities. The composition of the workforce should reflect the diversity of these communities. To that end, the parties agree as follows:

The Parties agree:

1. Timelines and goals will be developed for the implementation of the Program.
2. An education and training program will be developed for implementation of the Program and to foster advancement of all interested Employees.

2. The Employer will be responsible for the maintenance of the self-identification data.

The participating Education Entity must notify the Union prior to filing an equity position and the Union may request the reasons for such preference. MEMORANDUM OF AGREEMENT # 4

RE: CLASSIFICATION/RECLASSIFICATION

BETWEEN: SOUTH SHORE REGIONAL CENTRE FOR EDUCATION

("The Employer")

AND: THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 964

("The Union")

Where the Employer established a new classification, the Union will be provided with a copy of the job description and the proposed rate of pay. If the Union does not agree with the proposed rate of pay it shall be referred to the Classification Review Committee.

Classifications shall not be eliminated without the Union receiving at least ninety (90) days' notice.

When the duties in any classification are significantly changed such that either party believes the position has become incorrectly classified and/or that the duties are substantially similar to a higher paid classification within the eight education entities within the local Bargaining Unit or another CUPE Bargaining Unit, the rate of pay shall be subject to negotiations between the Employer and the Union. Such process shall be commenced by way of a written letter of dispute submitted to the Director of Human Resources or Local Union President outlining the significant change to the duties. The Employer and Union agree that any disputes concerning the standardized provincial classifications shall be referred to the Classification Review Committee.

The Employer and Union agree that any classification, that exists in more than one CUPE Bargaining Unit across the education entities, that has not already been standardized provincially (job description, title and wage rate), will be submitted for review by the Classification Committee and follow through the process outlined in this article.

Classification Review Committee:

While recognizing the right of each individual Employer to determine and establish classification(s) within its own Region/CSAP, the Employer also recognizes the value of maintaining the standardized provincial classifications and wage rates.

- a. The Classification Review Committee will consist of a maximum of one CUPE Employee and a maximum of one Management Employee from each Region/CSAP as well as a spokesperson for CUPE and an Education and Early Childhood Development spokesperson for the Employers.**
- b. When a classification is referred to the Committee the Employer shall provide the job description, job postings and wage rate (as implemented within the Region/CSAP to the members of the Classification Committee a minimum of fourteen (14) calendar days in advance of the meeting.**
- c. When there are one or more classifications to be considered, the Classification Review will meet with the purpose of reviewing and, where possible, determining the appropriate wage rate for the classification(s) as presented.**

- d. Such review and determination, where possible, is limited to considering:
- i. required duties;
 - ii. standardized title; and
 - iii. the appropriate wage rate
- e. Nothing herein prevents the Employer from implementing a new or significantly changed classification anytime in advance of the meeting in accordance with the provisions of their applicable collective agreement.
- f. Should the Classification review Committee reach consensus on a different wage rate:
- For existing classifications, if the wage rate is more than the implemented wage rate it shall be retroactively applied to the date of the written letter of dispute submitted to the Director of Human Resources of the Local Union President.
 - For a new classification, if the wage rate is more than the implemented wage rate, it shall be retroactively applied to the date of implementation of the new classification.
 - For both existing and new classifications, if the wage rate is less than the implemented wage rate it shall be implemented effective the first day of the next pay period following the Classification Review Committee decision or the decision of the Arbitrator.
- g. Should the Classification Review Committee not reach consensus on a wage rate it may be referred to arbitration for final determination by a mutually agreed upon arbitrator.

Prior to any arbitration the parties may participate in mediation through the Department of Labour, Skills and immigration.

Following each meeting, if there is more than one referral pursuant to (g), then those matters may be referred to the same Mediator/Arbitrator at the same hearing.

The arbitration costs will be shared equally between the parties.
