11.01 Union members shall endeavour to settle grievances through appropriate administrative channels before a formal claim is filed.

Should such attempts fail to resolve the matter, the Union may file the grievance with the Superintendent, Human Resources, within twenty (20) working days from the event giving rise to the grievance. The Superintendent, Human Resources, shall arrange a meeting with the Union within **ten (10)** working days of the filing of the grievance. The Superintendent, Human Resources, shall give a written decision within **ten (10)** working days of the meeting or within such other mutually agreed upon time.

11.05 Step 4:

Any grievance which is not settled by the procedure set out above, may be referred to a Board of Arbitration by either party to this Agreement. Application for the establishment of a Board of Arbitration must be made by either party within ten (10) working days from the date the decision of the **Board** is rendered.

ARTICLE 12 – SENIORITY

12.01 Definition

Employees employed at June 30, 2006, had their years and days of service converted to a date based on a calendar date conversion, which henceforth became their seniority date.

Seniority is defined in the bargaining unit as outlined in the following provisions:

- a) Seniority for all newly hired permanent employees shall date from the commencement of employment upon successful completion of probation as per Article 12.03.

- b) Newly hired temporary employees shall be assigned their date of commencement of employment to be used in the event that said temporary employees are appointed to a permanent position within eight (8) working months of the last day worked. In such an event, the date of commencement of temporary employment shall become their seniority date upon successful completion of probation as per Article 12.03.
- c) Any employee who had permanent status and resigned and is re-employed into a permanent position within twelve (12) months of that resignation will not be required to serve the probationary period in accordance with Article 12.03. They will have their seniority date re-instated in accordance with Article 12.01 effective the day they recommence employment in a permanent position.
- d) Should two (2) or more employees have the same date of hire, the tie shall be broken by a random electronic process conducted by the Human Resources Department.

12.02 Loss of Seniority

All rights of employment, recall and seniority shall terminate:

- a) the effective date of resignation, when an employee resigns,
- b) the date of dismissal, if an employee's employment is terminated, unless the employee is returned to work under the provisions of the Grievance Procedure, or
- c) Fourteen (14) months after the effective date of layoff, if an employee is laid off.

An employee shall not lose seniority rights if absent from work on a leave of absence approved by the Division.

12.03 Probation

All new employees appointed to permanent positions shall be regarded as probationary employees for the first (1st) six (6) months for which payment has been received. During the probationary period, the employee shall have no seniority or bidding rights, and the Division has the right to discharge the employee for general unsuitability.

In order to successfully complete the probationary period, the employee must have remained in the same position for the entire period.

If the employee completes the probationary period satisfactorily, and is retained, seniority shall commence retroactively to the date of employment.

12.04 Information to the Union

The Union President shall be advised, electronically or by letter, of the appointment of new employees and/or the subsequent change in employment status of employees covered by this Agreement within ten (10) working days of the change in employment.

The Division agrees to provide the Union President, by October 15th of each year, an electronic report including the names, phone numbers and addresses of all Union employees (including those on leaves of absence), the name of the school to which they are assigned and their respective classifications as of October 1st of that year.

12.05 Seniority List

The Division agrees to prepare and distribute in the month of October of each year, or at such other time as may be mutually agreed upon, a list of the names of all employees, including those on an approved leave of absence, indicating their respective positions and seniority standing as of July 1 of that year. Employees shall have ten (10) days from date of receipt of the list to indicate errors.

Upon the establishment of errors, corrections shall immediately be made, and the Division shall, by December, supply the Union with a copy of the corrected seniority list.

12.06 Layoff

- a) In the event that the Division determines that the layoff of employees is necessary, the Division shall lay off employees in inverse order of their seniority. However, the employee with least seniority shall not necessarily be laid off if the necessary qualifications, experience and ability to perform the duties of the position in question are not held by an employee with greater seniority.

Where a permanent employee bids into a temporary position, and that position expires prior to the employee successfully bidding into another position, the employee shall be laid off subject to the recall period specified in subsection 12.02 c).

- b) Where the needs of a school result in a decrease of one or more permanent employees within job classifications of:
 - i) Special Education Assistant I
 - ii) Special Education Assistant II
 - iii) Developmental Classroom Assistant
 - iv) Structured Learning Classroom Assistant

The Division shall have the right to reassign the permanent employees in inverse order of seniority. However, the employee with least seniority shall not necessarily be reassigned if the necessary qualifications, experience and ability to perform the duties of the position in question are not held by an employee with greater seniority within the school.

12.07 Notice of Layoff

The Division may lay off an employee in accordance with provincial legislation.

12.07.01 For the information of employees, the present legislation indicates that employees are entitled to notice as follows:

- a) one (1) week's written notice, where the period of employment is more than thirteen (13) consecutive weeks, up to one (1) year;
- b) two (2) weeks' written notice, where the period of employment is more than one (1) year, up to three (3) years;
- c) four (4) weeks' written notice, where the period of employment is more than three (3) years, up to five (5) years;
- d) six (6) weeks' written notice, where the period of employment is more than five (5) years, up to ten (10) years;
- e) eight (8) weeks' written notice, where the period of employment is more than ten (10) years.

If notice is not provided as required, employees shall receive pay in lieu of notice.

12.07.02 Employees who work on the basis of the school year shall be deemed to be laid off for the school vacation periods. For permanent employees in positions which were posted without end-dates, recall following the school vacation periods shall be automatic unless the Division has served layoff notice in accordance with Article **12.07.01**. This Article will serve as notice of layoff and recall for the school vacation periods. Article **12.07.01** does not have application in these situations.

12.08 It is agreed that the Division may permanently extend an employee's work week by 0.3 (1½ days per week) in any one (1) school year (July 1 to June 30), without posting in accordance with Article **13**.

12.09 The Division may employ individuals on a casual basis, subject to the following conditions:

12.09.01 The Division will endeavour to employ, in order of seniority, laid off employees whenever such employees have the necessary qualifications, experience and ability to perform the duties of the position(s) in question.

12.09.02 All newly hired casual employees shall have no seniority date assigned. Casual service shall be credited for incremental purposes upon appointment to a temporary or probationary position.

- 12.09.03 A casual employee who does not work for the Division for a period of three (3) calendar months, not including the summer months, will be terminated. Exceptions may be granted by the Superintendent of Human Resources, or designate, if the employee submits a request in writing a minimum of one (1) calendar month prior to the expiry of the three (3) month period in which the employee has not worked.

ARTICLE 13– PROMOTIONS AND VACANCIES

13.01 Postings

13.01.01 The Human Resources Department shall post notice of new positions, maternity/parental/adoption leaves, and positions declared vacant. A permanent increase in excess of 0.3 (1½ days per week) work time will necessitate the posting of that position.

13.01.02 Vacancies shall be electronically posted for five (5) school days. Vacancies posted in the summer months shall be posted once in July and once in August for fourteen (14) calendar days.

13.01.03 No vacancies will be posted during the layoff periods except those issued in the summer months.

13.01.04 All postings shall set forth the job classification, the hours of work, salary range, job location (if known), and anticipated starting date for the position.

13.01.05 Where a Special Education Assistant has been assigned to work with only one (1) specific student, and that student transfers to another school, the position shall not be deemed vacant, and the assistant shall be transferred along with the student.

13.02 Employees shall be entitled to bid for positions or vacancies by means of electronic application which is to be submitted to the Human Resources Department. Any application received after the posted closing date may not be considered.

13.03 Promotions

13.03.01 a) The Division shall endeavour to fill posted positions from **qualified** Union applicants who have successfully completed the probationary period. Seniority (up to and including the closing date of the posting) shall be the determining factor when selecting the successful applicant(s) whenever two (2) or more applicants have the necessary qualifications, experience, and ability to perform the required duties of the position(s).

- b) **If there is no qualified Union applicant who has successfully completed the probationary period, the Division shall endeavor to fill posted positions from qualified temporary employees. Date of commencement of temporary employment shall be the determining factor when two or more applicants have the necessary qualifications, experience, and ability.**
- c) **Temporary employees shall be assigned a date of commencement of temporary employment. If there is a break in temporary employment of greater than eight (8) working months, and the employee is awarded a new temporary contract, the employee will be assigned a new date of commencement of temporary employment.**

13.03.02 For postings advertised from May to August and beginning in the following school year, applications from employees who have already successfully bid into two (2) positions, may be set aside in favour of an application from a less senior applicant.

Applications for posted positions which begin within that same school year from employees who have already successfully bid into two (2) positions within that same school year, may be set aside in favour of an application from a less senior applicant.

13.03.03 If there is no qualified Union applicant, the Division may fill the position from outside the bargaining unit. Qualified casual employees will be considered before filling from outside the bargaining unit.

13.03.04 All Union applicants will be notified of the disposition of the posting within ten (10) days of the closing date. The successful applicant will be placed in the position on a date to be determined by the Division. In determining the effective date, the emotional and mental well-being of the student(s) and the employee, and the needs of the school(s) shall all be given due consideration. The Division may appoint a casual employee to new or vacant position (from existing employees or those employees on layoff, if possible), until such time as the Division transfers the successful applicant.

13.03.05 The President of the Union will be notified of the disposition of the posting and provided with a list of all Union applicants within ten (10) days of the closing date.

13.04 Employees transferred to new or vacant positions in a different job classification, may be required to serve a trial period of sixty (60) school days. If an employee fails to satisfactorily complete the trial period, the employee will be offered alternate employment within their previous pay classification.

Employees required to serve a trial period shall be so informed in the letter of appointment.

13.05 In the event of an absence of an employee, another employee may be required to temporarily fill the vacancy. In such event, the temporarily assigned employee, after replacing the incumbent for three (3) consecutive assigned working days, shall, beginning on the fourth (4th) consecutive day, receive the minimum rate of pay assigned to the incumbent's job classification, or shall continue to receive his/her usual rate of pay, whichever is the greater.

ARTICLE 14 – VACATION PAY

14.01 Every employee shall be entitled to vacation pay as follows:

- a) After one (1) year of service, 3/52 of total gross earnings.
- b) After eight (8) years of service, 4/52 of total gross earnings.
- c) After sixteen (16) years of service, 5/52 of total gross earnings.
- d) After twenty-four (24) years of service, 6/52 of total gross earnings.

Gross earnings shall be determined as the total salary earned for the period beginning with July 1 of one (1) year to the end of June of the next year.

14.02 Vacation pay shall be payable on January 31, May 31, and June 30 of each school year, or upon termination of employment.

19.02 On each pay day, each employee shall be provided with an itemized statement of earnings and deductions.

19.03 All Union employees shall be paid by direct deposit.

ARTICLE 20 – SICK LEAVE

20.01 Sick Leave Defined

Sick Leave means the period of time an employee is permitted to be absent from work with full pay by virtue of being sick or disabled or because of an accident for which compensation is not payable under The Workers' Compensation Act.

20.02 Full-time employees shall earn one (1) day of sick leave, with pay, for each semi-monthly pay period, for an annual total of twenty (20) days. Part-time employees' sick leave entitlements shall be pro-rated.

20.03 The annual unused portion of sick leave credits can be accumulated up to a maximum of one hundred and eighty (180) days, exclusive of the current year's twenty (20) days.

20.04 Where sick leave is for a period in excess of three (3) consecutive days, the Division shall have the right to require a doctor's certificate before being required to pay sick leave credits **if doing so is reasonable in the circumstances. In exceptional circumstances the Division can request a note for absences less than three (3) consecutive days. If the medical practitioner charges a fee, the Division shall reimburse the costs where the medical certificate is supported by receipts.**

ARTICLE 21 – MEDICAL EXAMINATION

21.01 All appointees to the staff shall, no later than commencement of employment, complete a form prescribed by the Employer identifying if the employee has restrictions that will interfere with their ability to perform the tasks of the position, and, if so, what functions cannot be performed and what accommodations can be made to allow the employee to do the work. If restrictions are identified by the employee, the Employer may require further information on the restrictions from a duly authorized medical practitioner of the employee's choice. Such information shall be supplied at the appointee's expense. This article shall be applied in conjunction with **Article 22 – Reasonable Accommodation.**

ARTICLE 22 – REASONABLE ACCOMMODATION

The duty to accommodate is a broad equality concept that applies to all grounds of discrimination that are covered under federal, provincial and territorial human rights legislation and the equality rights provisions of *The Canadian Charter of Rights and Freedoms*.

Accommodation of employees within the workplace is a shared responsibility between the Employer, the Union and the employee.

The Employer agrees to make every reasonable effort, short of undue hardship, to provide reasonable accommodations **to employees requiring accommodation based on human rights grounds**, including suitable modified or alternate employment, to employees who are temporarily or permanently unable to return to their regular duties as a consequence of a disability.

Employees have a responsibility to cooperate and provide medical information as required regarding fitness to return to work; abilities and restrictions, the prognosis for recovery and/or the duration of the restrictions. The accommodation process is based on medical documentation.

An employee who, as the result of a disability, is unable to perform regular duties, may be given the preference of alternate work. This may include modification to the employee's existing job, or an alternate placement. Alternate positions within the bargaining unit are to be considered before exploring accommodations outside of the bargaining unit. The Employer and the Union may mutually agree to waive certain provisions in this Agreement to facilitate a reasonable accommodation.

An employee requiring temporary modified requirements, and not of a substantive or complex nature, will not normally require a meeting of the parties. In these situations, the employee and supervisor are encouraged to facilitate the return to work. If concerns are not addressed successfully between the employee and supervisor, the employee may request a return to work meeting with Union representation present. The scheduling of the meeting shall not delay the return to work. If the accommodation is long-term, complex or accommodation may be necessary outside the employee's normal place of work, a return to work meeting will be held between the parties to finalize the accommodations. The employee/Union representative shall have the opportunity to bring any concerns related to the accommodation to the attention of the Employer. This meeting shall occur as early as possible once notice has been given.

Employees and Union representatives attending meetings for the purpose of discussing and planning accommodations shall be released from duty without loss of pay and benefits.

ARTICLE 23 – DISCIPLINE

- 23.01 In case of an employee being disciplined for cause, the Division shall immediately notify the Union of the discipline.
- 23.02 Should an employee be suspended or dismissed and it is later established to the mutual satisfaction of both parties to this Agreement that the suspension or dismissal was not in

accordance with the provisions of this Agreement, the employee shall immediately be returned to former status in all respects and shall be paid for any loss of earnings suffered by reason of such suspension or dismissal.

23.03 In case of an employee being issued discipline that is placed on his/her record the Division shall notify the Union, in writing, within five (5) working days of taking such action.

23.04 No action shall be taken by the Division against an employee after twenty (20) working days have elapsed from the date that an alleged offence becomes known to the out-of-scope supervisor. **In extenuating circumstances, the parties may extend the timelines by mutual agreement.**

23.05 An employee who is requested to attend a meeting at which the employee may be issued discipline that will be placed on his/her record shall be accompanied by an elected official of the Union.

23.06 Adverse Reports

If there should be a written adverse report concerning an employee's work or conduct, while employed with the Division, the report shall be discussed with the employee and a copy thereof provided to the employee. The employee and/or the out-of-scope supervisor, within ten (10) working days of discussing the report with the employee, may respond in writing to the report and any such responses shall become part of the employee's record.

After forty-eight (48) months from the date of issue of an adverse report, a report shall be deemed irrelevant in subsequent cases of suspension, dismissal or reprimand, with the exception of reports which detail incidents of questionable conduct involving students.

23.07 Any dispute arising from the discipline may be processed under the Grievance Procedure.

23.08 Performance Review

When a review of an employee's work performance is made, the employee concerned shall be given the opportunity to read such review. The employee shall be required to sign an acknowledgement that they have been given an opportunity to read the performance review and shall be provided with a copy. Such signature shall not constitute an agreement with the contents of the review.

The employee shall have the right to respond in writing to such review within fourteen (14) days and such response shall become part of the record.

23.09 Personnel Files

An employee shall have the right to inspect his or her file in accordance with the provisions of Division Administrative Procedure 416.

ARTICLE 24 – BENEFIT PLANS

24.01 Pension Plan

Employees shall participate in the superannuation and benefit plans provided by the Division, and make contribution thereto in accordance with their terms.

24.03 Group Life Insurance

Employees shall participate and contribute, together with the Division, in accordance with the terms of the Group Insurance Plan.

24.04 Retirement and Severance Gratuity

Effective July 1, 1984, upon retirement or severance in good standing, employees with less than fifteen (15) years of continuous service with the Division shall be granted a gratuity based on seven and one-half percent (7½%) of the number of earned, unused sick leave days in their account from the commencement of their employment with the Division. Employees having completed fifteen (15) years or more of continuous service with the Division shall be granted a gratuity based on ten percent (10%) of the number of earned unused sick leave days in their account from the commencement of their employment with the Division, or one (1) month's pay, whichever is the greater. In the event of death of an employee, the above shall be paid to his or her beneficiary. This gratuity is to be paid at the rate of pay which the employee is receiving at the time of retirement or severance. The Retirement and Severance Gratuity applies only to permanent, probationary or temporary employees as of June 25, 2020.

24.05 Dental Plan

The Division shall provide, and pay the full premiums for, a dental plan which provides for the employee and eligible family members:

- a) full coverage of preventative and minor restorative dental work with no deductible or annual limit,
- b) Fifty percent (50%) coverage of major restorative dental work with a \$1,500 per person per year limit, and
- c) Fifty percent (50%) coverage of orthodontic work, with a \$1,500 per person lifetime limit.

24.06 Employee Counselling

The Division and the Union agree to participate in an Employee Counselling plan, the costs of which shall be shared equally by the Division and the Union. The counselling sessions under this plan for any employee and eligible family members will be provided as per the service agreement between Regina Public School Division #4, CUPE Local 3766 and the service provider.

24.07 Extended Health Care Plan

24.07.01 Effective September 1, 1995, the Division shall provide an Extended Health Care Plan fully funded by the Division. The coverage, benefits and deductibles of the Extended Health Care Plan shall be as agreed by the Union and the Division.

24.07.02 Effective January 1, 2002, the Division shall provide a Vision Care Plan fully funded by the Division.

24.08 If, effective June 30th, 2009, or on any subsequent June 30th, an employee has worked under an employment contract for a minimum of twenty-eight (28) of the previous thirty-six (36) months, and has not had a break in service resulting from a resignation during that time, and, if that employee is re-hired under an employment contract by October 1st of the same year, the employee shall be eligible for health benefits and dental benefits on the date of rehire. Such benefits shall remain in effect until the employee resigns or has a break in employment contracts of greater than three (3) months. If the employee takes an approved leave, the provisions of the plan shall apply. (Note: August employment shall be included as part of September employment.)

ARTICLE 25 – CLASSIFICATIONS AND WAGE RATES

25.01 Incremental Credit

Following initial placement in a pay classification, incremental credit will be granted on the following basis:

- i) The number of hours constituting one (1) year for increment purposes shall be six (6) multiplied by the number of working days set in Article 15.01 plus the nine (9) statutory holidays within the school year.
- ii) Employees who are employed less than thirty (30) hours per week shall have their service pro-rated and recognized for incremental credit on the same basis as full-time employees.

If an employee's initial employment contract is for a probationary position, initial placement will be Step 1 of the salary grid.

Increments will be effective **on the first day** of the next pay period following completion of one (1) year of service **with pay**.

25.02 Any employee who had permanent status and resigned and is re-employed within four (4) months of that resignation will have their wage step re-instated effective the day they re-commence employment.

25.03 Salaries

All employees shall have the following statutory holidays off with pay at the regular rates of pay: New Year's Day, Family Day, Good Friday, Victoria Day, Labour Day, **National Day for Truth and Reconciliation**, Thanksgiving Day, Remembrance Day and Christmas Day, and all other holidays proclaimed by the federal or provincial authorities. Any statutory holidays during the layoff periods are excluded from payment.

LETTER OF UNDERSTANDING #3 – GUIDELINES FOR NOON AND PLAYGROUND SUPERVISION

Regina Public Schools and CUPE 3766 have negotiated terms and conditions of employment that include pay allowances for CUPE 3766 staff who are authorized by the Division to act as a Noon Hour or Playground Supervisor.

These guidelines are intended to provide additional details to support the consistent application of the negotiated terms and conditions with the goal to support schools in managing and coordinating supervision allocations specific to CUPE 3766 staff.

- ***“An employee authorized by the Division to act as a noon-hour supervisor or playground supervisor”* means that in any circumstance where an employee is supervising students, the employee is entitled to receive supervision payment at the rate outlined in Article 18.01 in addition to regular pay:**
 - **“Supervision” means supervise/watch/observe either one or many students during non-instructional periods of time either indoors or outdoors.**
 - **It is understood that there are exceptions to the definition of supervision for intensive support programs that do not schedule recess periods. In these programs, staff could receive alternate breaks or could be paid for supervision.**
- **If the supervision is occurring during the lunch period:**
 - **Employees should expect to be assigned up to 60 minutes of the supervision over the noon hour.**
 - **Noon hour assignments of less than 60 minutes may be agreed upon between the principal and the employee. These arrangements are assessed on a case-by-case basis at the school level and considerations take into account the specifics of the employee’s request and supervision needs of school.**
- **Where staff are being paid supervision, it is understood that staff are not entitled to scheduled break periods.**
- **Scheduling hours of work (start, end and break times) is the responsibility of the principal or direct supervisor, following the provisions of the Collective Bargaining Agreement. However, in the interests of positive employee relations, flexibility may be provided where staff voluntarily make arrangements with the principal to adjust break times to the start or end of the day and/or during the school day in lieu of being paid supervision. Such arrangements will be discussed and agreed upon at the school level using a sign off process via the attached form. This form is to be stored at the school level.**

Mutually agreed upon adjustments to start, end and/or break times in lieu of being paid supervision must remain within the following general guidelines:

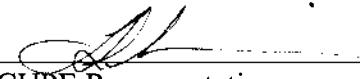

- **Arrangements must meet the needs of students, the school, and the employee.**
- **Arrangements will be in place for one school year. Arrangements can continue, but a new form must be signed each school year.**
- **Arrangements will not increase or decrease the employee's total paid hours of work.**
- **Adjustments to hours of work will not result in an employee arriving more than 30 minutes before/after the start of school day and/or leaving 30 minutes before/after the end of the school day.**
- **It is not required for the employee to be on-site during break periods (15-minute breaks and lunch).**
