## **ARTICLE 1 - PURPOSE**

- 1.01 It is the purpose of both parties to this Agreement:
- 1) To improve relations between the Employer and the Union and provide settled and just conditions of employment.
  - 2) To promote the mutual value of joint discussions and negotiations in all matters pertaining to working conditions, employment, services, etc.
  - 3) To encourage efficiency in operations to ensure the best possible nursing and health care for the residents of the facility.
  - 4) To promote the morale, well-being and security of all employees in the bargaining unit of the Union.
- 1.02 It is now desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in a collective agreement.

## **ARTICLE 2 - MANAGEMENT RIGHTS**

- 2.01 It is the exclusive right and function of the Employer, except as modified by the terms of this Agreement, to manage and control the business in every respect and to control and direct the working force.
- 2.02 Without restricting the generality of the foregoing, it is the exclusive function and right of the Employer to:
- a) maintain order, discipline and efficiency;
  - b) to hire, direct, approve, promote, transfer and layoff employees.
  - c) discharge, suspend, or otherwise discipline employees for just cause;
  - d) determine the work to be done, the location, methods and schedules for the performance of such work;
  - e) determine the number of employees required and the duties to be performed by each from time to time;
  - f) make and alter from time to time reasonable rules and regulations to be observed by the employees, provided such rules and regulations are posted. The Union and each new employee shall be given a complete set of rules and regulations under which the Home operates.
- 2.03 Management rights as set out in this agreement must be exercised fairly without discrimination and in accordance with the Collective Agreement. Nor shall these rights be used in a manner which would deprive any employee of her/his employment except through just cause.

## **ARTICLE 3 - RECOGNITION AND NEGOTIATIONS AND GRIEVANCE COMMITTEE**

- 3.01 The Employer recognizes the Union as the sole collective bargaining agent for, and this Collective Agreement shall apply to all employees of Caressant Care Nursing and Retirement Homes Limited, operating under the style and cause of Lindsay Retirement

Home at Lindsay, Ontario, save and except supervisors, persons above the rank of supervisor and office and clerical staff.

**3.02 No other Agreement**

No employee in the bargaining unit shall be required or permitted to make a written or verbal agreement with the Employer or her/his representatives which may conflict with the terms of this Collective Agreement.

- 3.03**
- a) Persons whose jobs are not in the bargaining unit shall not normally perform job duties included in the bargaining unit except due to absent employee(s), cases of emergency, or for the purpose of instruction, or for the purpose of experimentation. The Employer agrees to provide the Union with advance notice of any co-op placement students or other instructional placements in the workplace. Such notice shall include the name of the student, and their hours of instruction.
  - b) The Employer agrees that during the term of this Collective Agreement there shall not be any contracting out of any work currently being performed by members of the bargaining units, if as a result of such contracting out a layoff of any employee, or a reduction in the workforce, other than casual part-time employees, results from such contracting out. Contracting out to an employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off at the same or better rate of pay, and the same terms and conditions of employment, is not a breach of this Agreement.

**3.04 Union Recognition**

For the purpose of representation with the Employer, the Union shall function and be recognized as follows:

- a) The Union has the right to appoint Stewards. The Stewards are representatives of the employees in certain matters including the processing of grievances. When dealing with grievances, the Union shall be limited to a maximum of two (2) Union Representatives in the processing of such grievances. The Union shall inform the Employer of the names of its Stewards in writing.
- b) CUPE Representatives are representatives of the employees in all matters pertaining to this Agreement, particularly for the purpose of processing grievances, negotiating amendments to or renewals of this Agreement, and of enforcing bargaining rights of the employees under this Collective Agreement or under the law of Ontario.

**3.05** CUPE, through its representatives, is recognized by the Employer as having the collective bargaining rights to represent employees in the bargaining unit for the employees in the bargaining unit covered by this Collective Agreement.

**3.06** Union Representatives shall be granted time off without loss of wages to assist an employee in the presentation of a grievance where such grievance must reasonably be dealt with during working hours and where the consent of her/his Supervisor has first been obtained. Such consent shall not be unreasonably withheld. Only such time as is reasonably necessary to assist the employee in the presentation of the grievance shall be granted.

- 3.07 Under no circumstances shall the Union appoint a total of more than six (6) Stewards from among the two (2) bargaining units for which the Union has bargaining rights with Caressant Care Nursing and Retirement Homes Limited, i.e. Lindsay Nursing Home & Lindsay Retirement Home at Lindsay, Ontario.
- 3.08 Grievance Committee  
The Employer acknowledges the right of the Union to appoint or otherwise select a grievance committee which shall be composed of the President, Secretary, plus the Steward directly involved with the grievance. The name and area of each of the Stewards and the names of the grievance committee, from time to time selected shall be given to the Employer in writing and the Employer shall not be required to recognize any such Steward or Chairman until it has been so notified.
- 3.09 Co-operation of the Employer  
The Employer undertakes to instruct all members of its administrative supervisory staff to co-operate with the Stewards in the carrying out of the terms and requirements of this Agreement.
- 3.10 Co-operation of the Union  
The Union undertakes to secure from its Officers, Stewards and members their cooperation with the Employer and with all persons representing the Employer in an administrative supervisory capacity in carrying out of the terms and requirements of this Agreement.
- 3.11 Permission to Leave Work  
The Employer agrees that Union Representatives shall not be hindered, coerced, restrained or interfered with in any way in the performance of their duties, while investigating disputes and presenting adjustments as provided in this Article. The Union recognizes that each Steward is employed by the Employer and that she/he will not leave her/his work during working hours except to perform her/his duties under this Agreement. Therefore, no Steward shall leave her/his work without obtaining the permission of her/his immediate supervisor whose permission shall not be unreasonably withheld.
- 3.12 Representative of the Canadian Union of Public Employees  
The Union shall have the right at any time to have the assistance of representatives of the Canadian Union of Public Employees when dealing with the Employer. Such representatives shall have reasonable access to the Employer's premises after notice has been given to the Employer for the access in order to investigate and assist in the settlement of a grievance when requested.
- 3.13 a) If an employee is to be called in by the Employer to discuss a matter which could lead to discipline she/he shall, unless she/he indicates otherwise, be accompanied by a Steward or elected Union official. The Steward or elected Union official shall then promptly attend without loss of wages.  
b) Such disciplinary meeting shall normally take place during the employee's scheduled shift and the amount of time allotted for the meeting shall be appropriate to the circumstances which gave rise to the meeting. If the employee is not at work and is not scheduled to work within three (3) days of the incident, or if the incident giving rise to the meeting is so serious that more immediate action is warranted, she/he may be called in at a time when she/he is not scheduled.

- c) The employee and the Steward will be allowed to meet for a reasonable period of time, in private, if such a meeting is requested by either party.
  - d) When discipline is to be administered, the reason(s) for the discipline shall be communicated during the meeting and confirmed in writing to the employee within three (3) working days of the meeting. The time limits for filing a grievance as per Article 9.01 shall commence when the written confirmation of discipline is received.
- 3.14 The bargaining committee will consist of two (2) members from Mary Street, one (1) member from the Retirement Home and the Local President, for a total of four (4) members. Employees who are appointed by the Union to the bargaining committee for the renewal of a Collective Agreement who are required to be in attendance at negotiating sessions during regularly scheduled shifts, shall be paid their normal hourly rate for all time spent at negotiations up to and including the first conciliation meeting. Thereafter the Union shall reimburse the Employer for total lost wages and benefits, if any, for members of the Committee. Throughout the course of collective bargaining members of the committee shall accrue seniority for time paid or reimbursed.
- 3.15 The Home agrees to provide correspondence addressed to the Local Union President directly to that individual if she/he works in the facility or by mail if she does not. First stage grievances answers will be provided to the Local Union President directly if she works in the facility or to the Steward of record if the Local Union President works elsewhere.
- 3.16 The Parties shall each appoint a maximum of four (4) representatives to the Labour-Management Committee. Such committee shall meet for the purpose of discussing ongoing and current matters of mutual interest no less often than quarterly, unless otherwise agreed to by the parties.
- The members of the committee shall receive a notice and agenda of the meeting no less than one (1) week in advance of the meeting.
- Employees shall not suffer any loss of pay for time spent with this committee, and members not scheduled to work shall be paid for the hours in attendance at the meeting only. The Committee shall not have the authority to settle grievances or to amend the terms of this agreement.
- In months when there is not a Labour-Management Meeting the Union shall forward any Labour-Management Issues, in writing, to the Employer and the Employer shall respond in writing within ten (10) days of receiving such concerns.
- 3.17 The employer agrees that no full time positions shall be converted to part time positions.

#### **ARTICLE 4 - NO DISCRIMINATION**

##### **4.01 Employer and Union Shall Not Discriminate**

The Employer and Union agrees that there shall be no harassment, discrimination, interference, restriction or coercion exercised or practiced with respect to any employee in the matter of hiring, wage rates, training upgrading, promotion, transfer, layoff, recall, discipline, classification, discharge, or otherwise by reason of age, race, creed, colour, national origin, political or religious affiliation, sex or marital status, family relationship, place of residence, nor by reason of her/his membership or activity in the Union or any other reason.

Harassment shall be defined as a course of vexatious conduct that is known to be or reasonably ought to be known to be unwelcome.

4.02 Human Rights Act

Any claim by an employee or the Union pertaining to a violation of the Constitution of Canada, the Human Rights Act, or the Employment Standards Act, or any other labour relations legislation may be the subject of a grievance which shall be processed in accordance with the Grievance Procedure.

4.03 Any provision of this Collective Agreement which violates any legislation or regulation imposed by the Ministry of Health or other government body shall be deemed void.

4.04 In the event the Public Health Unit/Medical Officer of Health and/or advisory physician of the facility deems it necessary to conduct medical examinations or requires medical testing of employees to control or eliminate an outbreak in the Home, all employees shall cooperate fully with the party requesting such information.

**ARTICLE 5 - UNION MEMBERSHIP REQUIREMENT**

5.01 All Employees to be Members

All employees of the Employer shall, as a condition of employment, become and remain members in good standing of the Union, according to the constitution and by-laws of the Union.

5.02 The Union agrees that it will make membership in the Union available to all employees covered by this Agreement on the same terms and conditions as are applicable to other members of the Union.

5.03 The Union agrees to hold the Employer harmless in respect of any deductions or remittances made pursuant to this Article.

5.04 As a condition of employment each employee shall sign a form authorizing the Employer to deduct from each pay an amount equal to Union dues. Such authorization shall not be subject to cancellation.

5.05 The Employer agrees to check off from each employee such amount as requested in writing by the Local Secretary-Treasurer of the Union, for dues, initiation fees and/or levies. The total amount checked off and any authorized initiation fees owing, will be turned over to the Secretary/Treasurer of the National Union not later than the 25<sup>th</sup> day of the following month, together with an itemized list of the employees for whom the deductions are made and the amount checked off for each.

5.06 Dues Receipts

At the same time that Income Tax (T-4) slips are made available, the Employer shall indicate the amount of Union dues paid by each Union member in the previous year.

5.07 The Employer agrees to keep the Union advised, upon their request, of specific changes in the status with regard to new employees who are to have union dues deducted; employees who are to be laid off or recalled, or employees who have been discharged.

5.08 Interviewing Opportunity

The Employer agrees to acquaint new employees with the fact that a Union agreement is in effect and with the conditions of employment as they are set out in the Collective Agreement. On commencing employment, the employee's immediate supervisor shall introduce the new employee to her/his Union Steward within their first (1st) month of employment.

5.09 The employer shall provide the President of the Union the home addresses, email addresses and phone numbers of all bargaining unit members which they have available on file.

**ARTICLE 6 - CORRESPONDENCE**

6.01 Correspondence

All correspondence between the parties arising out of this agreement or incidental thereto, shall pass to and from the Executive Director and the Secretary of the Local Union with copies to the Vice President – Human Resources of the Employer and the National Representative of the Union.

6.02 Representatives

The Union will supply the Employer with the names of its Officers. Likewise, the Employer shall supply the Union with the names of its supervisory personnel with whom the Union may be required to transact business.

**ARTICLE 7 - NO STRIKES, NO LOCKOUTS**

7.01 There shall be no strike or lockout as long as this Agreement continues to operate. The words "strike" and "lockout" shall be defined as per the *Ontario Labour Relations Act*.

7.02 Should the Employer allege that the Union has engaged in a strike, as defined under the Ontario Labour Relations Act or should the Union allege that the Employer has engaged in a lockout, as defined under the *Ontario Labour Relations Act* either party may take the matter up at Step 2 of the grievance procedure.

**ARTICLE 8 - GRIEVANCE PROCEDURE**

8.01 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible and it is understood that an employee has no grievance until they have given their supervisor an opportunity to adjust the complaint. No grievance shall be considered where the event giving rise to it occurred or originated more than ten (10) days before the filing of the grievance.

**STEP # 1**

If an employee has an unsettled complaint affecting herself/himself regarding the interpretation, application, administration or alleged violation of this Agreement, the Union may take the matter up as a written grievance within ten (10) days after receiving an unsatisfactory reply to the complaint. The Union and the Executive Director shall hold a

meeting within ten (10) days to discuss the grievance. The Executive Director shall give a written reply within five (5) days of the meeting set out herein.

**STEP # 2**

Failing settlement at Step # 1 the Union representative may, within ten (10) days of receipt of the Executive Directors reply, request a further meeting between the parties. The Employer shall reply in writing within five (5) days of the date of the meeting set out herein. Failing settlement at Step # 2 the grievance may be submitted to Arbitration as hereinafter provided if the request is made in writing to the other party within sixty (60) days after the decision has been given at Step # 2. unless extended by mutual agreement of both parties, or by exercise of an Arbitrator's discretion.

- 8.02 The reference to days means all calendar days except Saturdays, Sundays and public holidays. Any and all time limits may at any time be extended by written agreement between the Employer and the Union.
- 8.03 Any difference arising directly between the Union and the Employer relating to the interpretation, application, administration or alleged violation of this Agreement may be presented by either party as a policy grievance commencing at Step # 2. A policy grievance shall not be arbitrable if the matter in dispute could have been brought solely as an employee grievance.
- 8.04 A "Group Grievance" is defined as a single grievance, signed by a Steward or a CUPE Representative on behalf of a group of employees who have the same complaint. Such a grievance must be dealt with at successive stages of the grievance procedure, commencing with Step # 1. The grievors shall be listed on the grievance form. Should such a grievance be referred to arbitration, the matter shall be adjudicated as a group grievance.
- 8.05 If either party fails to answer at any stage of the grievance procedure, the other party shall have the right to proceed to the next step of the procedure.
- 8.06 Unless informed otherwise, the Employer shall communicate with the Steward-of-record in each grievance.

**ARTICLE 9 - ARBITRATION**

- 9.01 When either party requests that a grievance be submitted to a Board of Arbitration as provided under this Collective Agreement, it shall make such request in writing addressed to the other party and at the same time name its nominee.

Within five (5) days of the request being received, the other party shall name its nominee in writing.

Should the two (2) nominees be unable to select an arbitrator within seven (7) days then either party may request the Minister of Labour of the Province of Ontario to nominate a person to act as a Chairperson at any time thereafter.

- 9.02 No person may be appointed as a nominee who has been involved in an attempt to negotiate or settle the grievance or who is an employee of either party.

- 9.03 Each of the parties hereto shall bear the expenses of the representative appointed on its behalf and the parties hereto shall jointly bear the expenses of the Chairperson of the Board of Arbitration.
- 9.04 The decision of the majority of the Arbitration Board shall be the decision of the Board and shall be final and binding upon the Employer, the Union and the employee or employees affected; provided, however, that in no event shall the Board of Arbitration have the power to change this Agreement or to alter, modify or amend any of its provisions nor to make any decision in conflict with the provisions of this Agreement. In the event there is no majority decision, the decision of the Chairperson shall govern.
- 9.05 Unless the Collective Agreement provides a specific penalty in determining a discharge case, the Board of Arbitration shall have the authority to:
- a) affirm the Employer's action;
  - b) set aside the penalty imposed by the Employer and restore the grievor to her/his former position with or without compensation.
  - c) vary or alter the penalty imposed by the Employer or make such other determination as the Board in its discretion may deem just and reasonable; and
  - d) have access to the Employer's premises to view the working conditions or operations that may be relevant to the resolution of the grievance.
- 9.06 Notwithstanding the arbitration procedure outlined above, a grievance after the second step in the grievance procedure may be referred to the Ontario Labour Relations Board for arbitration under the provisions of the *Labour Relations Act*, for appointment of a single arbitrator.
- 9.07 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issues(s) in dispute and assist the parties in resolving grievances.
- By mutual agreement the parties may extend the time limits and utilize the services of a Mediator. The cost of the Mediator will be shared equally between the parties.

## **ARTICLE 10 - DISCHARGE AND SUSPENSIONS**

- 10.01 Designation of Supervisor  
Every employee shall be notified of the name of her/his immediate designated supervisor.
- 10.02 In order to be valid as grounds for further disciplinary action, a written warning must be communicated to the employee within ten (10) days of the incident or when the Home became aware of the incident which gave rise to the complaint.
- 10.03 A claim by an employee who has completed the probationary period, that she/he has been discharged or suspended without just cause, shall be treated as a grievance if a written statement of such grievance is lodged with the Executive Director at Step #2 of the grievance procedure within five (5) days after the employee is made aware of the suspension or discharge. Such special grievances may be resolved by:
- a) confirming the Employer's action;

- b) reinstating the employee with full compensation for time lost;
- c) any other arrangement which is just and equitable in the opinion of the conferring parties or through arbitration.

10.04 If circumstances allow, any employee who has been dismissed during her/his shift, shall be able to meet with the Union Representative on duty. Such meeting shall not exceed fifteen (15) minutes. The duration of such meeting shall begin with the arrival of the on-duty Steward at such meeting. The Steward will obtain permission from her/his immediate supervisor to attend such meeting. Such permission will not be unreasonably withheld. The Employer shall further notify the terminated employee by registered letter of her/his termination, with a copy to the Local Chairperson.

10.05 When an employee has completed any twelve (12) continuous month period without any disciplinary action being placed against her/his record, her/his record prior to the twelve (12) month period shall not be used as a basis for or in support of any subsequent disciplinary action taken against the employee except in cases involving resident abuse where the record will remain on file.

10.06 In cases of discharge and discipline, the burden of proof of just cause shall rest with the Employer.

10.07 Provided an employee submits a request in writing, an employee shall be granted the opportunity to view her/his personal file. Within eight (8) working days of receipt of the request, the Executive Director will establish a time for the employee to view the file. Information to be viewed will be limited to:

- 1) Application form;
- 2) Written warnings and evaluations;
- 3) Incident reports;
- 4) Medical reports; and
- 5) Any documentation relevant to a grievance

10.08 Throughout this Article the reference to days means calendar days except Saturdays, Sundays and Paid Holidays (Article 18). Any and all time limits may at any time be extended by written agreement between the Employer and the Union.

10.09 The parties agree that coaching and counseling letters will not form part of the disciplinary process nor appear on file.

10.10 Discharge and Suspensions

Administrative Leave:

An employee who is placed on administrative leave pending the outcome of a workplace investigation, will be paid their full wages (based on their regularly schedule hours) and benefits until such a time as the investigation is completed and a decision has been made.

- 10.11 In the event the employee is to be interviewed or disciplined the meeting, wherever possible, shall happen during the employee's working hours. If a union representative attends off schedule, they shall receive their regular hourly rate for all time spent at a minimum of one hour.

## **ARTICLE 11 - SENIORITY**

Seniority shall be used to determine preference and priority for job postings, recalls, call-ins, and as otherwise provided in this Collective Agreement.

### 11.01 Full-Time

- a) Seniority is defined as the length of service in the bargaining unit, with the Employer, including normal work time lost as a result of a sick leave or any unpaid medical leave.
- b) A newly hired full-time employee shall be on probation for forty-five (45) working days from last date of hire.

### 11.02 Part-Time

Such termination may be subject to the grievance procedure as defined under the *Labour Relations Act*. The Union acknowledges that the Home has a Policy which amounts to a lesser standard for the termination of probationary employees.

Any extensions of a probationary period will be by mutual agreement, will be in writing and will specify the length of time.

- b) Newly hired employees shall have a minimum period of three (3) days practical training and orientation for employees in the Nursing Department and an additional one (1) day training in policy and procedure including but not limited to safe lifting training, in accordance with the Home's current practice. The Home's supervisory personnel shall be responsible for training and orientation of newly hired employees. However, all staff are expected to participate in this training and orientation period. During the training and orientation period the employee shall be paid at the probationary rate for her classification.

The Employer agrees that all mandatory training (In-Service and online training) shall, where practicable, be scheduled during an employee's normal working hours.

Additional staff shall be scheduled, where practicable, to replace employees who are completing the training.

In the event that mandatory training cannot be scheduled during an employee's normal working hours, the Employer in consultation with the employee, shall find

suitable time for the employee to come into work early and/or stay late to complete the training. All time spent completing the training will be paid at the employee's regular earnings at a minimum of four (4) hours.

In the event that the mandatory training cannot be scheduled at the workplace, the Employer in consultation with the employee, will approve time for the employee to complete the training offsite. The Employer shall continue its current practice of accumulating hours for both full-time and part-time employees.
- e) Employees, employed with Caressant Care, Lindsay, as non-registered staff, who obtain their Registration (RPN or RN) shall be placed on the salary grid in accordance with seniority to a maximum of one thousand and seven hundred and fifty (1750) hours and progress on the wage grid in accordance with the number of hours/years in the Registered position. For all other benefits (example: vacation) their seniority with the Employer shall apply.
- f) A probationary employee who goes off on Maternity/Parental Leave before completing probation shall not accumulate shifts/hours toward the completion of her probation while on Maternity/Parental Leave. Upon her return she shall complete the remaining number of shifts/hours needed to complete her probation. Once she has gained seniority she shall be credited with the shifts/hours she lost while on Maternity/Parental Leave in accordance with the *Employment Standards Act*.

- a) In the same classification, shall not re-serve the probationary period and shall receive the start rate, 1750 rate or the 3500 rate, based on her/his previous length of service, upon her/his return.
  - b) In a different classification, shall re-serve the probationary period but shall receive the start rate, 1750 hour rate or 3500 hour rate based on her/his previous length of service, upon her/his return unless the rate of the new classification is higher than the employee's former classification, in such a case the employee will be paid at the start rate.
- 11.06 A seniority list will be revised twice annually. A copy of the seniority list will be posted and a copy will be given to the Union. The seniority list for all employees will be in order of last date of hire or, in the case of part-time employees, total hours worked.

## **ARTICLE 12 - EMPLOYEES DEFINED**

- 12.01
- a) A full-time employee is one who is regularly scheduled more than twenty-four (24) hours per week on a regular and continuing basis.
  - b) A part-time employee is one who is regularly scheduled thirty (30) hours or less per week.   - c) A student, working in any classification (other than RN) shall be defined as those employees who are enrolled at a community college, high school or other similar educational institution, and maintain at least 50% of a full-time course load. Students can be required to provide proof of enrollment in order to maintain their student status with the Employer.
- 12.02 Students working in any classification (other than RN) shall be paid at the rates set out in Schedule "A" as long as they are students as defined above. When the condition set out above is no longer met by such employee she shall be laid off.
- 12.03 A student, working in any classification (other than RN) who has been laid off out of the student classification, may apply for any regular full-time or part-time position that the Home may have available. The students employment record, skill, ability, and availability to perform the required tasks will be used as a basis for determining their suitability for employment in regular full-time or part-time positions. This should not be construed as a guarantee of employment or an offer of employment.
- Students hired for regular full-time or part-time positions will serve the probationary period as set out in this Collective Agreement.

- 12.04 Students working in any classification (other than RN) shall not be eligible for the payment in lieu of benefits, pension or shift premium.
- 12.05 A casual part-time-employee means an employee who is called to work on a call-in basis, but who does not work a regular schedule, or does so only for a specified period.

### **ARTICLE 13 - LAYOFFS AND RECALLS**

- 13.01 When circumstances require a reduction in staff, all probationary employees will be laid off first and if further reductions are required, employees will be laid off in the inverse order of their seniority provided the remaining staff have the ability and qualifications to perform the work. No full-time employee shall be laid-off by reason of her duties being assigned to one or more part-time employees.
- 13.02 When employees are recalled to work, they will be recalled in order of their seniority provided they have the ability and qualifications to perform the work.
- 13.03 No new employees shall be hired until those laid off have been given an opportunity of recall and have failed to return to work provided they have the ability and qualifications to perform the work.

- 14.02 When a vacancy occurs the Employer shall post a notice of such vacancy on the bulletin board. The job postings shall also state that this position is open to both male/female applicants.
- 14.03 When filling any vacancy the Employer shall give preference to an applicant employee in the bargaining unit with the most seniority provided such employee has the ability and qualifications to perform the required work.
- 14.04
- a) A vacancy shall be posted for ten (10) days (or less by mutual agreement between the Employer and the Union) and be filled within ten (10) calendar days. Applicants shall notify the Executive Director or her/his designate in writing on forms supplied by the Employer within that time to be eligible. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Employer. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting.

The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.

When the Home makes a substantial change during the term of the Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Home agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay. The Employer will provide the new job description at least ten (10) days prior to the change taking effect.

If the matter is not resolved following the meeting with the Union, the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting.

The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications. In the event a full-time employee needs to be called in to work on a scheduled weekend off, such employee shall not be entitled to overtime and will be given an alternate day off of their choice, but to be taken within the next seven (7) calendar days.

Full-time employees may be scheduled to work weekends to cover part-time employee shifts during vacation, illness, WSIB, maternity, in the event no part-time staff are available to fill shifts and to ensure appropriate levels of staffing are met.

The above clause shall not apply to any full-time employee who wishes to work weekends.

In the event of sufficient staff, some employees, by seniority, may have both Christmas and New Years' off.

If employees agree to switch time off under this provision and such switch is approved, eligibility for time off in succeeding years shall be based upon the original schedule as posted. The Employer shall not unreasonably deny such requests.

**RE: SIGN UP FOR NEEDS LIST PROTOCOL**

Whereas the 'sign up for needs list' is intended to divide shifts for needs as equitable as per the collective agreement, and;

Whereas "Needs" refers to shifts that need to be filled due to the absence of an employee who has consistent line, and;

Whereas the intention of the sign up for needs is not to replace the call-in procedure (Article 16.09) but is to be used as an aid to distribute shifts that are needed to be replaced due to employees on lines, and;

It is further understood that for employees who do not have consistent lines, shift replacement for vacation, requests or vacancies, will be scheduled as our Collective Agreement.

The Parties agree to the following:

1. The needs list is used to cover absences during a schedule cycle that are know to the home before the schedule is posted.
2. The shifts will be divided as equitably as possible.
3. The needs list will be posted fourteen (14) days before the posting of the work schedule. With the date listed that it will be pulled down, and the date that the completed schedule will be posted.
4. All employees who want any of the shifts shown on the needs list will indicate this by writing their names beside the shifts.
5. Shifts will be assigned through a seniority-based rotation, among those employees who have signed the needs list, starting with the most senior employee and continuing in seniority order until all shifts are assigned.
6. Anyone who would be in an overtime situation or if the shift assignment will result in a violation of the collective agreement, will not be awarded shifts.

- 7. The finished schedule will be posted for all to view and members will be contacted regarding their shifts awarded.

Signed this 11th day of July, 2025.
