ARTICLE 1- PURPOSE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Region and its employees. It is the desire of the parties to co-operate in maintaining a harmonious relationship between the Region and its employees and the Union and to provide means for the prompt and equitable disposition of grievances, and to establish and maintain mutually satisfactory working conditions, hours and wages for all employees who are subject to the provisions of this Agreement.

ARTICLE 2 – RECOGNITION

- 2.01 The Region recognizes the Union as the sole bargaining agent for all employees of the Regional Municipality of Waterloo in its operations regularly employed for not more than twenty-four (24) hours per week, save and except supervisors, persons above the rank of supervisor, office, clerical, technical and laboratory staff, and students as defined in Article 26.01 e).

2.02 Use of Volunteers

The parties agree that where the Region wishes to use volunteers in any areas other than tree planting, the clean up of roadside litter under the "Adopt-a-Road" program or the Neighbourhood Litter Clean-up along the North Railway Spur, their use and placement shall require the mutual agreement of the Region and the Union.

2.03 Supervisor and Bargaining Unit Work:

The Region recognizes that supervisory personnel will not perform work normally performed by employees in the bargaining unit unless there is an emergency for which no qualified employees are readily available, or for the purposes of instructing personnel, or as mutually agreed by the parties in writing.

2.04 No Lay-off Due to Contracting Out

Without restricting its right to determine the methods by which municipal services are to be provided, the Region agrees that no permanent employee shall be laid off from work as a result of contracting out present work or services of a kind presently performed by its employees. For clarification layoff is defined as per the Employment Standards Act.

2.05 Individual Employee Agreements Prohibited

The terms of this Agreement are to be upheld by the Region and the Union, and as such, no employee shall be permitted or required to make any verbal or written agreement with the Region or its representatives, which might conflict with the terms of this Agreement.

No employee or group of employees shall undertake to represent the Union at meetings with the Employer without the proper authorization of the Union executive. The Region shall not negotiate any terms or conditions of employment with employee(s).

ARTICLE 3 – NO DISCRIMINATION

3.01 The Region and the Union agree that there will be no discrimination, interference, restriction or coercion exercised or practised by the Region or by the Union or by any of their representatives with respect to any employees by reason of race, colour, age, handicap, sex, sexual orientation, marital status, national origin, political or religious affiliation, nor by reason of membership or non-membership, lawful activity or non-activity in a trade union.

3.02 Workplace and Sexual Harassment

Cases of alleged harassment because of position, race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, record of offenses, marital or family status, and disability, will be considered as discrimination and shall be eligible to be processed as grievances under the grievance procedure.

a) Definition of Sexual Harassment

Sexual harassment shall be defined as any sexually oriented practice that undermines an employee's health, self-esteem, job performance or workplace relationships or endangers an employee's employment status or potential. Sexual harassment may include, but not be limited to:

- unwanted touching or patting
- suggestive remarks or verbal abuse
- suggestive gestures or staring
- compromising invitations
- requests or demands for sexual favours

- physical assault
- derogatory or degrading remarks directed towards members of one gender or one sexual preference group

Note: Normal workplace banter may not necessarily be construed as sexual harassment.

b) Interpersonal Conduct

The Region requires that all employees of the Region act professionally and treat one another with courtesy and respect. All employees are responsible to conduct themselves in a manner that contributes to positive working relationships. The Region will not permit any interpersonal conflict that involves threatening or abusive behaviour.

- c) Where the alleged harasser is the person who would deal with the first or any step of a grievance, the grievance shall automatically go forth to the next step.
- d) An employee shall, at all times, retain their right to lodge a complaint under The Ontario Human Rights Code (1981). In the event the employee lodges a formal complaint under The Human Rights Code, the grievance procedure shall be discontinued immediately.
- e) The Region agrees that the information and training regarding sexual harassment is essential and will undertake to work jointly with the Union on all training and information measures. The Region agrees to make all Regional employees aware that violations of this Article will be subject to disciplinary action.

ARTICLE 4 CHECK OFF OF UNION DUES

4.01 Deduction of Union Dues

There shall be a compulsory check-off of union dues from all persons who are employees of the Region to which this Agreement applies. The amount to be deducted shall be such sum as may from time to time be assessed by the Union on its members according to its Constitution and By-Laws. The Director of Labour Relations & Emergency Management or designate shall be notified in writing forty-five (45) calendar days prior to any required change in deductible assessments.

4.02 Remission of Union Dues

Such deductions will be made every pay by the Treasurer of the Region, and shall be forwarded to the National Secretary-Treasurer, CUPE, 1375 Boul St. Laurent Blvd, Ottawa, Ontario, K1G 0Z7, not later than the 15th day of the month following in respect of which deductions have been made, accompanied by a list of all employees from whose wages the deductions have been made. The list shall indicate total accumulated deductions for all employees and indicate the total regular wages for the bargaining unit and any other union dues information that is required by the Union and is available to the Employer. A copy of the list shall be sent to the Secretary-Treasurer of the CUPE Local 1656. For new employees such deductions shall commence in the first full bi-weekly pay period immediately following the date on which the employee is hired.

4.03 The Union shall indemnify and save the Region harmless with respect to all dues so deducted and remitted.

4.04 T-4 Slips

The Region will include the amount of union dues deducted from employees, on the T-4 slips.

ARTICLE 5 – MEMBERSHIP IN THE UNION

5.01 All employees of the Region as outlined in Article 2, shall be eligible for union membership on a voluntary basis.

5.02 The Region agrees to acquaint new employees with the fact that a union agreement is in effect. New employees shall be presented with a copy of this Agreement.

5.03 New Employee and Orientation to Union

It is further agreed that the Region will notify the Union Secretary in writing, once each month, of the names and classifications of all new employees hired the previous month who are subject to this Agreement. A representative of the Union shall be given an opportunity to interview each new employee within regular working hours and without loss of pay for a maximum of fifteen (15) minutes within one (1) month of the Union's notification of their employment and with timing at the discretion of the supervisor, for the purpose of discussing union membership with the new employee.

5.04 Membership List

The Employer agrees to provide an electronic list of the names, phone numbers and addresses of present Employees of the bargaining unit on the 15th day monthly to a Union email. The Union will keep this information confidential and use the information for Union business only. The Union will save the

Employer harmless from any and all claims that may be made against the Employer for disclosing such information and for any inaccuracies in the information.

ARTICLE 6 – MANAGEMENT RIGHTS

6.01 The Union recognizes the right of the Region to:

- a) Operate and manage its business in all aspects in accordance with its responsibilities and the right, powers and functions conferred upon the Region by statute and/or by-laws of the Region;
- b) Maintain order, discipline and efficiency and, in connection therewith to make, alter, and enforce from time to time rules and regulations, policies and practices to be observed by its employees.

The Region recognizes that the foregoing is subject to such procedures, regulations and/or restrictions governing the exercise of these rights as are expressly provided in this Agreement and subject to the right of the employee(s) concerned to lodge a grievance in the manner and extent herein provided;

- c) Select, hire, discipline, discharge, transfer, assign to shifts, schedule overtime, promote, demote, classify, layoff, recall, suspend and retire employees, and select employees for positions excluded from the bargaining unit, provided that no employee shall be transferred out of the bargaining unit against the employee's wishes, and further provided that a claim of discriminatory promotion, demotion, transfer, classification, discipline or suspension, or a claim by employees that they have

been discharged or disciplined without cause, may become the subject of a grievance and be dealt with as herein provided;

- d) Direct the working forces, the right to plan, direct and control the operations of the Region, the right to introduce new and improved methods and facilities, the equipment, the amount of supervision of personnel necessary, the number of employees to be employed, the work schedules, the establishment of standards of quality, the extent of the Region's operations and the increase or decrease in employment arising there from, the sole and exclusive jurisdiction over all operations, buildings, machinery, equipment and tools. If a decrease in employment as stated herein becomes necessary, the Region will endeavour to transfer the affected employee(s) to another vacant union position(s) in the Region.

ARTICLE 7 – NO STRIKES OR LOCKOUTS

- 7.01 The Region and the Union agree to follow procedures as outlined in this Agreement. It is understood and agreed that there will be no strike or lockout during the lifetime of this Agreement, and the definition of "strike" and "lockout" are those set out in the Ontario Labour Relations Act.
- 7.02 The parties hereto mutually agree that this Agreement is subject to the rules of practice and procedure and regulations of the Labour Relations Act of the Province of Ontario.

ARTICLE 8 – SENIORITY

- 8.01 Seniority is defined as the length of service with the Employer in the CUPE Local 1656 Part Time bargaining unit.

8.02 Probationary Period

- a) Employees shall be probationary employees until they have been continuously employed by the Region for:
 - i) three (3) continuous months or for sixty (60) actual days worked inclusive of any specified holidays whichever is the greater for job grades 1 to 6,
 - ii) four (4) continuous months or for eighty (80) actual days worked inclusive of any specified holidays whichever is the greater for job grades 7 to 10.

Continuous employment for the purpose of probation excludes up to five (5) corporate mandatory training days.

Upon completion of the probationary period, the employees' names shall be placed on the seniority list and their seniority shall be based on their date of last hire. Employees who have not completed their probationary period may be discharged without cause at the discretion of the Region and the discharge shall not be subject to the grievance or arbitration procedure.

- b) The probationary period can be extended by mutual agreement in writing between the Region, the Union, and the affected employee.

8.03 Seniority List

The Region shall maintain a seniority list showing the date upon which each permanent part time employee's continuous service with the Region commenced from the most recent hire date within Local 1656 and any "adjusted seniority date". Employees names shall be listed in descending order according to their respective "most recent hire date". An up-to-date copy of this list

will be given to the Union twice each year in the months of June and December and a copy posted on all approved bulletin boards.

Employees have thirty (30) calendar days from the date of the posting of the seniority list to notify the Commissioner, Human Resources or designate in writing, of any errors etc., changes or additions, noted since the previously posted list. Otherwise, the seniority dates noted on the most recently posted list will be taken as accurate.

8.04 Role of Seniority - Promotion and Lay-off

- i) Seniority shall operate and govern on a bargaining unit wide basis provided that the senior employee possesses the necessary skill and ability to perform the work available. For job postings, the candidate selected shall be the senior employee possessing the necessary skill and ability to perform the work available, with a two (2) working day orientation period and no training. In the event of a lay-off, the concept of the last employee hired shall be the first laid off and the last employee laid off shall be the first requested to return, will be followed, and provided the senior employee possesses the necessary skill and ability to perform the work available with a five (5) working day orientation period and no training. The orientation period shall provide an opportunity for the Region to advise the bumping employee of any particular requirements, procedures or aspects of the job and for the bumping employee to become familiar with the job processes and requirements. If a specific position(s) is to be laid off, then the employee(s) in the specified position(s) will be laid off and they in turn shall be permitted to bump into any other less senior position in accordance with the criteria

established in this Clause. Employees shall be allowed to bump to a higher paid classification.

ii) Notice – Permanent Lay-off

In the event of a permanent lay-off, as defined in the Employment Standards Act, all employees to be laid off will be given at least eight (8) weeks notice of lay-off. Laid off employees must exercise their bumping rights within two (2) weeks from the date they are notified of the lay-off. Any other employees so bumped must exercise their bumping rights within one (1) week of their being bumped, and so on, on a one (1) week maximum basis for each involved employee.

iii) Notice – Temporary Lay-off

In the event of a temporary lay-off as defined in the Employment Standards Act, all employees to be laid off will receive a one (1) week period of notice. At the end of the second day of the notice period, all employees must give their intention of the position they wish to bump into, and these plus all resulting bumps must be completed by the end of the fifth day.

iv) In the event an employee is laid off or bumped from their position and that position becomes vacant within thirty-six (36) months of the employee's date of lay-off or bump, said employee shall be offered that position before it is posted or offered to another employee.

b) Layoff Protection for Union Executive

In order that operations of the Union will not become disorganized when lay-offs are being made, members of the Local Executive Board i.e. President, Vice-President, Secretary,

Treasurer, Chief Steward and the Senior Steward (as identified by the Union for the part-time unit when layoffs are in the part-time unit), shall be the last persons laid off during their term of office, as long as full-time work (or part-time work for the Senior Steward) for which they possess the necessary skill and ability to perform the work available with a five (5) working day orientation period and no training at their own wage level. Should work not be available at the same wage level, then placement will be made at the next lower wage level.

c) Notice of Lay-off to Union

The Region will give the Union as much advance notice as is reasonably possible, but not less than eight (8) weeks, of any lay-off affecting members of the bargaining unit. The Region shall meet with the Union to discuss the impact of any proposed lay-offs.

8.05 Seniority Determination when Hired on Same Date

Where more than one employee is hired to start employment on the same day, seniority preference and placement on the seniority list shall be decided by a random draw mutually acceptable to the Region and the Union. The random draw shall be conducted as soon as possible after the completion of the employee's probation period. The affected employees and a member of the Union executive shall be present with a representative of Human Resources at the random draw. The results of the random draw shall be recorded and signed by those in attendance, and a notation shall appear on the seniority list.

8.06 Seniority Accumulation–Layoff or Authorized Leave of Absence

Subject to Clause 8.06 - if permanent part-time employees are absent from work because of lay-off or authorized leave of absence, they shall not lose seniority but shall not acquire seniority after the first thirty (30) calendar days of such lay-off or authorized leave of absence. Employees absent from work due to illness or accident will continue to accumulate seniority until clause 8.06 applies.

8.07 Loss of Seniority and Termination

Seniority status once acquired by permanent part-time employees will be lost and their names removed from the seniority list and their employment terminated for any of the following reasons:

- a) Voluntary resignation;
- b) Discharge for cause not reversed through operation of the grievance procedure;
- c) Continuous non-employment including lay-off, but not including sickness, accident or authorized leave of absence for a period of time equal to the length of seniority at the time of lay-off or for a period of twelve (12) months, whichever is less;
- d) Continuous non-employment while in receipt of LTD or WSIB benefits for a period of time equal to the length of seniority at the time of commencement of absence, or for a period of thirty-six (36) months, whichever is the lesser.
- e) Failure to signify intention to return to work after recall from lay-off within five (5) working days following proper notification by the Region by registered or certified mail sent to the employee

at the last address provided by the employee to the Human Resources Department, or failure to return to work after an additional five (5) working days following such notification. Copies of the registered or certified notification will be sent to the President and Recording Secretary of the Union. The intent of this Clause is as follows:

- i) The registered or certified notification shall be deemed to be received on the third (3rd) calendar day after the date of mailing.
- ii) The laid off employee has five (5) working days to notify the Region.
- iii) An employee who has complied with ii) above will have a further five (5) working days from the expiry of the time period in ii) above to return to duty.

Employees notifying the Region within the said five (5) working days referred to in ii) above that they are unable to return to work within the prescribed time for a legitimate reason acceptable to the Region, will not have their name struck from the seniority list. Their name, however, may be passed over and the next in line in seniority may be recalled.

These time limitations may be extended in writing for valid reasons such as sickness certified by a doctor's certificate, death in the immediate family, accident, and other legitimate reasons acceptable to the Region;

- f) Absence from work without an excuse acceptable to the Region for a period of more than three (3) consecutive working days.

8.08 Promotion or Transfer to Positions Outside the Bargaining Unit for up to 60 Working Days

- a) The promotion or transfer of employees to positions outside the bargaining unit but within the Region's employment is not covered by this Agreement and shall not be subject to the terms of this Agreement except that such employees will continue to pay union dues. The Region will notify the Union in writing of all such promotions and transfers. Should the employee return within sixty (60) working days to a position which is subject to this Agreement such employee shall be given the seniority credit they had at the time of the promotion or transfer outside of the bargaining unit provided they return to their former position if such position is still available or in the event such position is not available to another similar position.

Temporary assignment to Non-Bargaining Unit Positions in Excess of 60 Working Days

- b) Any temporary assignment of a bargaining unit member to a non-bargaining unit position in excess of sixty (60) working days but no longer than fifteen (15) months shall require the prior mutual agreement of the parties in writing. Such employees will be given their seniority credit they had at the time of the transfer upon their return to the bargaining unit. For further clarity, no seniority will accumulate while in the non-bargaining unit position, no union dues will be deducted and all rights under the Agreement will be waived while in the non-bargaining unit position. The Union shall not unreasonably withhold agreement to the temporary assignment where the employer agrees to backfill the union position from the start of the temporary non-

bargaining unit assignment and for the full duration of the assignment.

Subject to Article 9, an employee hired to backfill for an employee in a temporary non-bargaining unit position shall be defined as a temporary full-time employee and will not acquire seniority for the duration of the temporary non-bargaining unit assignment. Upon return of the employee in the temporary non-bargaining position to the bargaining unit, all employees within the bargaining unit affected by any backfilling shall revert to their original positions.

- c) Any bargaining unit member who has been in a non-bargaining unit position under 8.07 a) or b) must return to the bargaining unit upon completion of the assignment and shall not go out of the bargaining unit again on a temporary assignment until they have been in their bargaining unit position for a period of time equal to the length of time that they were in the non-bargaining unit position or a lesser time as mutually agreed.

d) Promotion/Transfer between Full-time and Part-time Units

The promotion or transfer of part-time or full-time employees to positions in either the CUPE Local 1656 full-time or part-time Collective Agreements is covered by this Agreement. The transfer of seniority between these bargaining units shall be calculated as follows:

- i) A part-time employee who is selected for a full-time position covered by CUPE Local 1656 full-time Collective Agreement shall receive credit for seniority earned in the part-time bargaining unit on the basis of 2080 regular hours being equal to one (1) year of service. For periods of less

than one (1) year, the number of hours shall be prorated on the basis of eight (8) hours per day and five (5) days per week with any period of less than eight (8) hours counting as one (1) day. The resulting seniority shall be converted to a date and posted to the CUPE Local 1656 full-time seniority list.

- ii) A full-time employee who is selected for a part-time position covered by the part-time Collective Agreement of CUPE Local 1656 shall have their seniority posted as the most recent hire date to the CUPE Local 1656 part-time seniority list.

8.09 Seniority from other Organizations

The seniority dates of employees in area municipalities, boards or commissions which have been or will be assumed by the Region and come within the jurisdiction of this Collective Agreement, will be placed in their rightful chronological position that recognizes their former continuous service on a combined list of employees forming the total seniority list for all purposes.

8.10 Transfer into Bargaining Unit – Probationary Period

When a Regional employee who does not come under the scope of Local 1656, obtains a position that does come under the scope of Local 1656 without interruption of continuous service, the employee will serve a probationary period of exactly one-half (1/2) of the probationary period established in the then current Local 1656 Collective Agreement.

Seniority will not be obtained until after satisfactory completion of the probationary period and backdated to the most recent hire

date within Local 1656. If the employee had not completed the probationary period in the previous position, then the unused portion will be added on to the one-half (1/2) period indicated above, however, the combined total shall not exceed the probationary period established in the then current Local 1656 Collective Agreement.

Employees who are transferred to L1656 as a result of a permanent accommodation will be permitted to carry their seniority.

This Clause does not apply to an employee to whom Clause 8.07 or 8.08 applies.

8.11 Resignation of Employment

If an employee has resigned in writing without advance notice and has not revoked the resignation within three (3) consecutive working days following the date of the letter of resignation, the resignation shall stand and be final.

The Union shall be notified in writing as soon as possible of a revocation of any resignation.

ARTICLE 9 – JOB VACANCIES

9.01 Posting of Vacancies

- a) The Region will post for five (5) working days a notice of a new position or vacant position showing the department, the number of vacancies, the type of position and location for the initial hours of work, any required knowledge and/or education, skills, shift and wage rate, according to the job description for the position, in order that the employees may have the opportunity of making

written application for such positions. A copy of all job postings shall be sent to the Recording Secretary of the Union.

b) Priority for Employees on Lay-off

No new employee(s) will be hired until consideration is given to any laid off employees.

c) Priority of Applicants for Vacancies/Postings

Subsequent to interviewing qualified bargaining unit employees for vacancies, other qualified Regional applicants will be considered in the following sequence:

- i) probationary employees (part-time unit)
- ii) full-time employees from full-time 1656 unit
- iii) temporary employees (part-time unit)
- iv) other Regional employees.

d) Full-time Access to Part-time Positions

Full-time employees shall be allowed to apply for part-time positions covered by the part-time CUPE Local 1656 Collective Agreement, and shall be governed by the applicable terms of this Collective Agreement, and Articles 8.07 b) and 9.01 d) of the full-time Collective Agreement.

e) Simultaneous Advertisement

The Region may advertise internally and externally simultaneously, however, no external applications will be forwarded to the Hiring Manager until the internal hiring process has been completed.

f) i) Applying for Vacancies/Postings

Employees wishing to apply for a posted position shall do so by using the internal application form as agreed between the parties. Employees must identify in the application and/or attached information how they are qualified to perform the position in order to be screened in for the competition. Employees who make application for a position shall not be required to submit a resume with the application form in order to be considered for the position.

ii) Interview Questions

All interview questions will be relevant to the qualifications, skills and abilities needed to perform the duties of the position. The Region shall ensure that uniform interview questions are asked of all applicants for the position. Upon request, the Region will supply the applicant with a summary of their own screening or interview results.

iii) Selection for Positions

All interviewing and selection for positions shall only be conducted by members of Human Resources and management.

iv) Cancellation or Amendment of Posting

If the Region cancels or amends a posting for a position after applications are received and the posting is re-issued at a later date, the applications received from the cancelled or amended job posting will be considered provided:

- a) not more than three (3) months' time has elapsed since the initial cancelled or amended job posting and,

- b) the applicants to the initial cancelled or amended job posting are deemed to be qualified for the amended job posting in accordance with article 8.03 a) i).

The Union will be advised of any cancelled or amended job postings at the time of such cancellation or amendment.

- g) No person or employee shall be hired into a position in the bargaining unit while continuing to hold a full-time position with the Regional Municipality of Waterloo.

- h) Posting in Same Classification – No Trial Period

An employee who is the senior candidate for a job posting that is within the same classification (job description) will not be required to participate in screening, interviewing or testing. However, such employee will participate in a familiarization session with the hiring supervisor for the purposes of orienting the employee to the new work assignment, shift and location.

If an employee accepts the job offer for the new work location or shift following the familiarization session, the parties agree that the employee will not be required to undergo the trail period, (i.e. 15 and 25 day period), as referenced in article 9.05 a) i).

9.02 Successful Applicant - Extension of Start Date

- a) Employees who are successful in their application for a job posting in accordance with the provisions in this Collective Agreement can only get an extension of whatever start date is required by the Region, if the employee makes written request to the Commissioner, Human Resources or designate stating reasons that in the opinion of the Region are acceptable. A written reply will be given to the employee. Any extension

granted will not exceed a once only maximum period of forty (40) working days under any circumstances.

b) Unsuccessful Applicant - Explanation

An unsuccessful senior applicant, if requested of the Commissioner, Human Resources or designate in writing, will receive a written explanation of the choice made, provided the written request is actually received in the Human Resources Department, within five (5) working days from the date the employee is notified of being unsuccessful.

9.03 Filling of Temporary Vacancies:

a) When the Region determines there is a need to fill a temporary vacancy, such as those caused by an employee's absence owing to accident, injury, illness, vacation, leaves of absence and temporary transfer, a temporary vacancy of less than four (4) months shall be filled for the duration of the temporary vacancy on a rotational basis starting with the most senior qualified employee.

b) More Than 4 Months:

Temporary vacancies in the full-time bargaining unit that still exist at the end of the four (4) month period (as set out in Article 9.03 b) of the full-time collective agreement) where no full-time employee has been selected shall be made available to qualified part-time employees on the basis on seniority.

c) Employees successful to a temporary vacancy of more than four (4) continuous months as a result of an employee's absence owing to accident, injury or illness shall remain in the temporary vacancy, subject to agreement from the Union and such

agreement shall not be unreasonably withheld; until such time as the absent employee returns to work or the position is filled permanently.

- d) Following completion of the full-time temporary vacancy period, the part-time employee shall return to their former position, work location and shift without loss of seniority. Subject to article 8.06 c), the employees returning to work following any of the absences listed above shall be returned to the position, work location and shift they held prior to the start of the absence.

In the event that their position no longer exists returning employees will be able to bump any less senior employees upon their return, but must possess the necessary skill and ability to perform the work available, with a five (5) working day orientation period and not training as defined in Article 8.03 a) i. Employees shall be allowed to bump to a higher paid classification. In the event the returning employee cannot bump any other employee, the returning employee will automatically be considered on layoff.

APPENDIX B

1. **JOB EVALUATION - DEFINITION, PURPOSE, GENERAL METHODOLOGY**
- 1.1 Job Evaluation (JE) is the term used to describe the process of determining the rating for an individual job, in relation to other jobs in the CUPE Local 1656 bargaining unit. It begins with an analysis of the work to determine its characteristics and requirements, continues through the completion of a job analysis questionnaire by employees and supervisors, the joint writing of a description of duties and responsibilities, and ends with the evaluation of those duties and responsibilities against measurable standards as set out in the Joint Job Evaluation Plan and Manual. Job Evaluation, or rating, is the technique which determines the relative value of the job content of the jobs performed. It does so by evaluating written statements of the jobs performed in terms of factors (characteristics).
- 1.2 Job Evaluation has three main aspects:
 - a) Construction of the Joint Job Evaluation Manual, the terms of reference and the Joint Job Evaluation Maintenance Plan.
 - b) Preparation distribution and collection of employee job analysis questionnaires and the job description/documents.
 - c) Evaluation of the employee job analysis questionnaires and job description/documents in terms of defined factors found in the Joint Job Evaluation Manual.
2. **JOB EVALUATION TRAINING**
- a) Human Resources will conduct Job Evaluation training for CUPE Local 1656 employees and applicable members of

management. The training will cover the purpose of job evaluation, the job evaluation plan, accountabilities, forms, and the maintenance review process. All employees will be required to attend the training in 2017/18. Afterwards up to four (4) sessions of training will be conducted on an annual basis for employees who wish to attend the training.

- b) Annually employees will receive a Job Evaluation information handout from their supervisor. Employees who seek more information shall advise their supervisor that they wish to attend a Job Evaluation training session.
- c) Training where necessary for new members of the JJEC shall be scheduled far enough in advance to ensure that such training occurs prior to the first day of rating of jobs by the JJEC.

THE WIGHTED POINT METHOD OF JOB EVALUATION

- 3.1 The method of Joint Gender Neutral Job Evaluation known as the "Weighted Point Method" has been jointly selected by the Region and the CUPE Local 1656. The Weighted Point Method is a quantitative system in which a rating plan is developed by selecting and defining common factors, distinguishing and defining a number of degrees for each, and by assigning point values to each degree.
- 3.2 The position being evaluated is analyzed in terms of the selected factors and the degree definitions. The total of the points assigned to the position under each of the factors determines its relative worth in the organization. The method can be adapted to changing organizational conditions or amended to keep it up-to-date and workable. These and other changes would be made at timely intervals, or as required to resolve specific problems.

4. APPLICATION OF THE DOLLARS

4.1 Application of the ratings to wage rates is accomplished by transferring the rating results established by Job Evaluation to a corresponding pay grade as set out on the wage rate schedules of Appendix "A" in the Collective Agreement established through Collective Bargaining.

4.2 All matters pertaining to compensation or remuneration are contained in and governed by the Collective Agreement or other Agreements between the parties. Appointment to or selection of the appropriate rate of pay, or rate within a pay range, is governed by the Collective Agreement.

4.3 While the Job Evaluation system forms the basis for the wages paid to incumbents by determining the pay grades which reflect the relative worth of jobs, it is understood that Job Evaluation and Wage administration are two separate procedures. Specifically, wage administration is not part of job evaluation.

4.4 FULL ECONOMIC PROTECTION OF INCUMBENTS – GREEN CIRCLING:

All incumbents who are currently earning more than the rate of pay determined through the initial JJE Plan, shall continue to receive any and all future negotiated wage increases on their current rate of pay so long as they remain in the position. Any new hires, or employees posting into the position, will receive the new job rate as determined by the JJE Plan and will continue to get all other benefits of the Collective Agreement. No incumbent will have their wages reduced following the re-evaluation of their job and the establishment of a new wage structure.

4.5 EFFECTIVE DATE OF RATINGS (RETRO ACTIVITY)

If a job is rated at a pay grade with a wage rate higher than the current wage rate for the job, the incumbent's rate of pay shall be adjusted to the higher pay grade on the new wage schedule with the effective date being the date upon which the review was requested, or the start date of the incumbent in the new or changed job classification, but at any rate shall be no longer than six (6) months prior to the date the JJEC reviews the job.

If at no fault of the incumbent(s) the job is not reviewed at the next JJEC meeting, the retroactivity pay will have an effective date upon which the review was requested, or the start date of the incumbent in the new or changed job classification.

5. GENERAL PRINCIPLES

In the application of the rating manual, the following principles will apply:

- It is the content of the job that is being evaluated, not the individual doing the job.
- In making the determinations necessary for the rating of a job from the job's content, certain basic characteristics are considered to be inherent in the performance of all jobs and are not considered in the evaluation of any job in this program. These characteristics are honesty, integrity, normal discretion, reasonable care and attention, ordinary tact and common courtesy.
- Jobs are to be evaluated without regard to existing pay rates.
- Workload is not a consideration when evaluating a job.

- Jobs are to be placed at the appropriate level in each factor by considering the specific requirements of each job, the factor definition, and the description of each factor degree.
- The job description and rating of each job will be relative to, consistent with, and conform to the job analysis questionnaires, job descriptions and ratings for other positions in the bargaining unit.

6. GENERAL RULES OF PROCEDURE

The following applies to all committees:

- 6.1 Subject to reasonable operational requirements, members of the Job Evaluation (JE) Committees will be granted leave of absence with pay, benefits and applicable premiums (other than overtime) from their regular duties to attend scheduled meetings. Members will be paid their respective salaries for all regular hours spent in attendance at meetings and will continue to accumulate seniority. These members will continue to have all the rights and privileges of the Collective Agreement including access to the grievance procedure, promotional opportunities and salary increments to which they would normally be entitled, including any increase that may occur as a result of an evaluation of their present position.
- 6.2 A member of the JJEC will not attend JJEC meetings in any of the following circumstances:
 - a) the member is the incumbent in the job being rated.
 - b) the member is in a position to benefit personally from the results of the evaluation

- c) the member is the direct supervisor or the lead hand of the job being rated
- 6.3 Where conflict arises as defined in Article 5.2 above, an alternate member will sit to rate any positions instead of the committee member while the conflicting evaluations are being reviewed, or if deemed best by consensus of the committee, the alternate member will sit for the remainder of the day.
- 6.4 All matters discussed by all Committees will remain confidential except, where by consensus, the Committee deems it necessary to forward identified issues to the appropriate resource for resolution and/or guidance.
- 6.5 The JJEC will not review any job until final and complete documentation (questionnaire and job description) is made available to them.
- 6.6 The JJEC may request advisors in job evaluation to assist them with the job evaluation process. The role of the advisors is to answer specific questions and provide advice and guidance relating to the job evaluation plan and process. Advisors are not involved in the evaluation of jobs. Advisors shall be entitled to a voice but not a vote and shall not be considered members of the JJEC. The advisors will also participate in periodic reconciliation processes with the JJEC to discuss and resolve "sore thumb" and other rating issues.
- 6.7 The employer will provide administrative support services to the JJEC. The person performing these functions will not be a member of the Committee and will only perform such duties as provided below. These services shall include:

- a) the distribution of all Committee correspondence to the Committee Co-chairpersons
- b) the preparation and distribution of meeting agendas at least forty-eight (48) hours prior to the meeting

 - iv) recording the results and rationale on the rating sheet as attached.
 - v) identifying any issues with respect to the content of the job description and forwarding the issues to Human Resources for consideration.
- f) The JJEC will not change the interpretation of the Job Evaluation Plan Factor Definitions, or add or change the Notes to Raters, without the prior approval of the Steering Committee. If they wish to make amendments to the above, they will submit their recommendations to the Steering Committee for decision.
- g) The routine business decisions of the JJEC will be made by a simple majority.
- h) Job rating decisions will require a consensus of the Committee members in attendance and job rating decisions are final and binding on the parties, subject to the Dispute Resolution Process outlined in section 12.

- i) To ensure that all members of the Steering Committee are equally informed on matters between the Steering Committee and the JJEC, the protocol below will be followed:
 - a) When the JJEC wishes to consult with or inquire of any of the advisors or members of the Steering Committee, the person so contacted shall contact the advisor or spokesperson of the other party, without delay, so that both parties can attend to the consultation or inquiry of the JJEC.
 - b) Whenever the advisors or representatives of the Steering Committee deem it necessary to meet with the JJEC, such representatives shall ensure that both parties attend the meetings together.

8. PROCEDURES FOR DESCRIBING AND RATING A JOB

- 8.1 The Employer will exclusively design, assign duties and responsibilities for all jobs. It is agreed that neither the incumbent(s) nor the union executive can design or structure jobs. Nothing in this article interferes with the union executive and incumbent's rights to have input into job descriptions, as outlined in articles below.

8.2 New or Revised Vacant Jobs

In the event that a new position is decided upon by the Region, or where the Region revises a vacant position, the Region shall forward the draft job description to the President and Recording Secretary of the union. The Union Executive will forward any comments they have regarding the accuracy of the description of the job duties (i.e. to ensure consistent use of terminology and language and help maintain the integrity of the Job Evaluation Plan) to the Job Analyst within seven (7) working days of

receiving the document from Human Resources. Any comments submitted by the Union will be taken into consideration by Human Resources when the job description is finalized. Human Resources shall determine the rate of pay for the position using the Job Evaluation Plan. Human Resources shall then inform the union of the preliminary job rating, by means of a memo and a copy of the appropriately signed, final job description, and the position will be posted in accordance with article 9.01 of the Collective Agreement.

The union will have twenty (20) working days from the date the final job description is sent to their attention, to review the accuracy of the description of the duties in the job description. If no formal protest is lodged within the twenty (20) working day period, the job description for the new or revised vacant position shall be deemed to be accurate. In the event that a formal written protest is made by the Union, within the twenty (20) working day time period, the parties shall arrange for a meeting to endeavour to resolve any differences with regard to the accuracy of the description of the duties in the job description. If such differences between the parties are not resolved by this means, then the dispute may be submitted to arbitration in the same manner as a grievance.

After at least six (6) months of the assignment of an incumbent to a new job, or a revised vacant job, the job will be presented to the JJEC at their next scheduled maintenance session.

The process for evaluating existing jobs that have an incumbent and have experienced a change that impacts the job's skill, responsibility effort, or working conditions is outlined in section 10 of this document.

9. INITIAL JOINT JOB EVALUATION PROCESS

- 9.1 A job analysis questionnaire shall be completed by the incumbent and the supervisor and shall be submitted to the JJEC along with the standard Regional format job description. Associated documents that would prove useful to the Committee in the understanding of the job duties (i.e. policies, procedures, guidelines, regulations, PDA's, equipment descriptions, etc.) may also be submitted.
- 9.2 The questionnaire will be completed as outlined in the cover page of the Job Analysis Questionnaire by the incumbent in the job and reviewed by the supervisor. In the case of multi-incumbent jobs, one questionnaire will be completed with input from all incumbents (or may be completed by one incumbent, chosen by the group to represent the job).
- 9.3 A Human Resources Job Analyst or members of the union Executive are available to the employee or supervisor to assist in the completion of the documentation, as required.
- 9.4 Both the Employer and incumbents will be responsible for ensuring job descriptions and job questionnaires are current, accurate and prepared in accordance with the requirements of this document and will be reflective of the duties the employee is required to perform.
- 9.5 For each position in the bargaining unit, the JJEC will:
- a) Review the job description, the questionnaire and associated documents.
 - b) Interview the incumbent and the supervisor together, as joint interviews are the preferred approach. If requested by either the

incumbent or supervisor, another management representative may accompany the incumbent to the interview. In exceptional circumstances, the Steering Committee will consider alternative approaches on a case by case basis. In multi-incumbent positions, one or two of the incumbents on the job will be chosen by the union to represent the position.

- c) Based on all the information gathered, rate the position using the Job Evaluation Plan.
- d) Record the rating decision on the Factor Summary Sheet.
- e) The Co-chairs will co-author a report outlining the final rating decisions of the JJEC to the Steering Committee for the second phase of the process (weighting, banding and job grades).

10. INITIAL APPEAL PROCESS

Following the initial job evaluation process, an initial appeal process will be conducted as follows:

- 10.1 Either the incumbent or supervisor may appeal the rating of a position if they feel an error has been made based on the content of the job at the time of the initial evaluation.
- 10.2 The appeal must be submitted in writing using the appeal request form (as attached) within thirty (30) days of the publishing of the results of the Joint Job Evaluation process. Extensions to the time limits may be considered under exceptional circumstances.
- 10.3 The request for appeal is based solely on the ratings obtained for the job in question as it was evaluated by the JJEC, without reference to job changes or to how any other job was rated.

10.4 The appeal request will be considered by the JJEC who will adjust factor ratings, if necessary, to reflect additional information provided through the appeal process.

10.5 The ruling of the JJEC is final and binding on both parties.

11. ONGOING MAINTENANCE EVALUATION PROCESS

11.1 The Maintenance Review process is in place to ensure that job changes are appropriately documented and evaluated. It is not an appeal of the original rating or of any subsequent rating. Unless a change to job content can be identified to justify a change in a factor rating, the last factor rating agreed upon by the JJEC stands.

11.2 Existing Jobs

a) Existing jobs that have an incumbent and have experienced a change which impacts the job's skill, responsibility, effort or working conditions will require a Job Evaluation Maintenance Review Request Questionnaire and a standard Regional format job description, revised to reflect the changed job duties. The job description will be signed by the incumbent or a representative of multiple incumbent positions; the supervisor; the Department Head; the Manager, Employee Services and Systems; and the Commissioner, Human Resources. Other associated documents that would prove useful to the JJEC in understanding the job duties (i.e. policies, procedures, guidelines, regulations, PDA's, equipment descriptions, etc.) may also be submitted. All documentation shall be submitted to Human Resources. The Steering Committee may make special provision to have the JJEC rate an unsigned job description. Such provision will be negotiated on an individual basis.

Changes to a job must be permanent and in place for at least six (6) months before the JJEC can review the job. However, the process of completing the review documentation may commence earlier, if appropriate.

- b) It is the joint responsibility of the supervisor and incumbent to initiate changes to ensure that whenever duties and/or the demands of a job change, to the degree that the documentation or rating may not reflect the job, that the relevant documents are altered and that a rating review be initiated.
- c) A job may only be reviewed by the JJEC once per year and must wait a full year after any review process before resubmitting for a subsequent review.
- d) Maintenance Pre-Review Process

A Joint Maintenance Pre-Review Committee, which will consist of two members from the JJEC (one from management and one for the union) and two members of the Steering Committee (one from management and one for the union) who will review all requests for maintenance review, in order to determine if the job is eligible for maintenance review. The Joint Maintenance Pre-review Committee will review the Job Evaluation Maintenance Review Request Questionnaire (as attached) and will determine if the job's skill, responsibility, effort or working conditions have changed enough to potentially impact the rating. Changes to a job must be permanent and in place for at least six (6) months before being considered by the Joint Maintenance Pre-Review Committee. The Joint Maintenance Pre-Review Committee will conduct decision making by way of a simple majority. If the committee reaches a split decision the job being reviewed will be forwarded to the JJEC with the necessary information so they

may conduct a maintenance review. The Joint Maintenance Pre-Review Committee will ensure the integrity of the job evaluation process by identifying any issues with respect to the content of job descriptions and forwarding the issues to Human Resources for consideration. When reviewing a job, the Committee may recommend that other jobs be submitted for review, if they are potentially impacted by changes to the job being reviewed.

- e) For each position submitted to Maintenance Review following the Maintenance Pre-Review Process, the JJEC will:
 - i) Review the revised job description and completed Job Evaluation Maintenance Review Request Questionnaire which describes the changes to the job duties, including the actual change, why the change occurred and/or where it came from and the timing of the change.
 - ii) Interview the incumbent and the supervisor together, as joint interviews are the preferred approach. If requested by either the incumbent or supervisor, another management representative may accompany the incumbent to the interview. In exceptional circumstances, the Steering Committee will consider alternative approaches on a case by case basis. In multi-incumbent positions, one or two of the incumbents on the job will be chosen by the union to represent the position.
 - iii) Based on all the information gathered, rate the position using the Job Evaluation Plan. The JJEC will focus on the changed duties as they impact on the job's skill, effort, responsibilities and working conditions. Only factors affected by the changes to the job will be changed during the Maintenance process.

- iv) Record the rating decision on the Factor Summary Sheet.
- v) The Co-chairs will co-author a report outlining the final rating decisions of the JJEC to the Director, Employee Systems and Services, who will tabulate the appropriate rate changes to the job grades. The Director, Employee Systems and Services will include this information in a report that will be sent to the Commissioner (Human Resources), the President the Recording Secretary of the Union and the CUPE representative at the same time. The Commissioner (Human Resources) will then communicate the results to the incumbents.
- vi) The Commissioner (Human Resources) shall, in writing, inform the incumbent(s) and supervisor of the decision of the JJEC within 15 working days of receiving the report. A copy of this correspondence shall be forwarded to the Union and the CUPE National Representative.

11.3 “Green Circling”:

Where a change in the job grading occurs as a result of the JJEC’s rating decision and a lower wage rate will apply, the incumbent’s wage rate shall be identified as being “green circled”. The incumbent will be paid the wage rate paid immediately prior to the evaluation, which shall be increased by any negotiated wage increases, until the incumbent leaves the position, or the job ceases to exist, or is altered upwards in value. Any new hires or employees posting into the position will receive the new job rate as determined by the JJE Plan and will continue to get all other benefits of the Collective Agreement. No incumbent will have their wages reduced following the reevaluation of their job.

12. ONGOING APPEAL PROCESS

- 12.1 Following the release of results of rating decisions by the JJEC, an appeal process can be requested as follows:
- a) either the incumbent or supervisor may request an appeal of the rating of a position if they feel an error has been made in evaluating the content of the job at the time of the JJEC's evaluation.
 - b) the appeal must be submitted in writing using the appeal request form (as attached) within thirty (30) days of the publishing of the results of the Maintenance Review process. The appeal must provide rationale for the specific factors the appellant wishes to have reconsidered. The completed appeal request form must be submitted to the supervisor who will have the opportunity to add comments and will be responsible for delivering the form to Human Resources.
 - c) the request for appeal by the incumbent or supervisor is based solely on the ratings obtained for the job in question as it was evaluated by the JJEC, without reference to job changes that have occurred since the time the job was rated, or to how any other job was rated.
 - d) the originator of the appeal (incumbent or supervisor), may make a fifteen (15) minute, uninterrupted, presentation to the JJEC to clarify the information they have provided on the appeal request form, accompanied by the other party to appeal (incumbent or supervisor). Following the presentation, the JJEC may ask questions to further clarify the information provided or presented. The intent of the presentation and subsequent questions asked

by the JJEC is to clarify the information provided and not to engage in debate.

- e) the appeal request will be considered by the JJEC, who will adjust factor ratings if appropriate, to reflect additional information provided through the appeal process.
- f) the ruling of the JJEC, where consensus has been reached, is final and binding on both parties.

13. CONCLUSION AND IMPLEMENTATION:

- 13.1 Following the completion of the rating of the respective jobs by the JJEC, the tabulation of the appropriate rate changes (if any) to the job grades and the completion of the appeal process (Section 11) for either the periodic review or the ongoing maintenance, the applicable wage rate adjustments shall be made to Schedule A in accordance with the provisions of these Terms of Reference.

14. SETTLEMENT OF DISPUTES WITHIN THE JJEC

- 14.1 In the event the JJEC is unable to reach consensus on the rating of a job, the Co-chairpersons of the Committee shall request, within ten (10) working days, that each party designate an advisor to meet with the Committee and attempt to assist in reaching a decision.
- 14.2 If, after meeting with the two (2) advisors, the JJEC remains unable to agree upon the matter in dispute, the Co-chairpersons shall advise, in writing, the union and the employer of this fact, within fifteen (15) working days of said meeting.
- 14.3 Either party may, by written notice to the other party, refer the dispute to a single arbitrator who shall be selected by agreement

of the parties. If the parties are unable to agree, either party may request the Minister of Labour to appoint an arbitrator.

- 14.4 The arbitrator shall decide the matter upon which the JJEC has been unable to agree and **their** decision shall be final and binding on the JJEC, the employer, the union and all affected employees. The arbitrator shall be bound by these Terms of Reference and the Job Evaluation Plan and shall not have the power to modify or amend any of their provisions. The jurisdiction of the arbitrator shall be limited to the matter in dispute, as submitted by the parties.
- 14.5 The employer and the union shall be the parties to the arbitration hearing and shall have the right to present evidence and argument concerning the matter in dispute. The arbitrator shall have the powers of an arbitrator appointed pursuant to the Collective Agreement and, in addition, shall have the authority to require the parties to present additional information, and to require other person(s) to present evidence, as deemed necessary by the arbitrator.
- 14.6 The arbitrator's fees and expenses shall be borne equally between the parties.
