SCHEDULE B RESPECTFUL WORKPLACE STATEMENT

WORKPLACE HARASSMENT

The Municipality seeks to provide, and the Union is committed to an environment that supports productivity, personal dignity, self-esteem and fair and equal treatment of every employee. The destructive nature of workplace harassment, sexual harassment, intimidation and physical and mental abuse in the workplace undermines the integrity of the employment relationship and threatens the well-being and job performance of the employee. The parties will not tolerate harassment or intimidation or physical or mental abuse in the workplace and encourage the reporting of all such incidents. Harassment and intimidation by anyone in the workplace is a serious offence and the Municipality will uphold a zero tolerance policy.

These principles apply to all individuals who are employed by the Municipality, those working under contractual agreements with the Municipality, students, volunteers, medical employees, physicians and others carrying out business on behalf of the Municipality, regardless of where the business might be conducted. This statement may be super-ceded in certain circumstances by Federal/Provincial legislation or collective agreement provisions or company policy.

The Municipality supports and adheres to the principles and practices set out in provincial Human Rights legislation, which provide fair and equitable rights and opportunities for all individuals on the basis of:

- | | |
