- 14.06 Any disciplinary action will become a permanent part of the Employee's record for a period of thirty (30) months worked. At the end of this period, and if the Employee's record has been good during the thirty (30) month period, the disciplinary action will be removed from the file.
- 14.07 The Employer will notify an Employee in writing of any expression of dissatisfaction concerning their work within ten (10) working days of the event or the complaint, with copies to the Union. This notice will include the particulars of the work performance which led to the dissatisfaction. If this procedure is not followed such expression of dissatisfaction will not become part of their record for use against them in regards to discharge, discipline, promotion or any other related matter. This Article will be applicable to any complaint or accusation which may be detrimental to an Employee's advancement or standing with the Employer whether or not it is related to their work. The Employee may reply to such complaint, accusation or expression of dissatisfaction and the reply will become part of their record.
- 14.08 Should it be found upon investigation that an Employee has been unjustly suspended or discharged, such Employee will be immediately reinstated in their former position without loss of seniority and will be compensated for all time lost in an amount equal to their normal earnings during the pay period next preceding such discharge or suspension or by any other arrangements for compensation which is just and equitable in the opinion of the Parties or in the opinion of the Arbitrator if the matter is referred to such.

ARTICLE 15 - SENIORITY

- 15.01 Seniority is defined as the length of service with the Village of New Minas and Employees will be credited with all service from the first day of work with the Village of New Minas. Service will be credited towards pension, vacation and any other accrued benefits.

Seniority will operate on a bargaining unit basis for the purpose of promotions, transfers, layoffs and permanent reduction of the work force and recall.

- 15.02 The Employer shall maintain a seniority list showing the date upon which each Employee's service commenced. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in January of each year.

The list shall be posted for a period of thirty (30) days during which time any errors or omissions shall be forwarded to the Employer for revision. The finalized list shall then be posted and shall be deemed as accurate by the Parties.

- 15.03 A newly hired Employee shall be on probation for a period of six (6) months from the date of hiring and shall have no seniority rights during that period. After completion of the probationary period, the Employee's seniority shall date back to the Employee's first day of work. A probationary Employee may be terminated at any time during the probationary period without cause subject to the *Nova Scotia Human Rights Act*.

- 15.04 An Employee shall not lose seniority rights if the Employee is absent from work because of sickness, accident, lay-off, or leave of absence approved by the Employer, except as provided in this Agreement. An Employee shall only lose seniority in the event:

- (a) the Employee is discharged for just cause and is not reinstated;
- (b) the Employee resigned verbally or in writing and does not withdraw the resignation within two (2) working days;
- (c) the Employee is absent from work in excess of two (2) consecutive working days without sufficient cause and without notifying the Employer unless such notice was not reasonably possible;
- (d) the Employee fails to return within seven (7) working days of the recall following a layoff and after being notified by registered mail and email to do so, unless through sickness or other just cause. It shall be the responsibility of the Employee to keep the Employer informed of the Employee's current address. An Employee recalled for casual work or employment of short duration at a time when the Employee is employed elsewhere shall not lose recall rights for refusal to return to work, and

(e) the Employee is laid off for a period longer than twelve (12) consecutive months from the date of layoff.

- 15.05 No Employee shall be transferred to a position outside the bargaining unit without the Employee's consent. If an Employee is transferred to a position outside of the bargaining unit, the Employee shall retain seniority accumulated up to the date of leaving the unit but will not accumulate any further seniority. An Employee shall have the right to return to a position in the bargaining unit at any time during the trial period, which shall be a maximum of a six (6) month trial period. If an Employee returns to the bargaining unit, the Employee shall be placed in the Employee's former position. Such return shall not result in the layoff or bumping of an Employee holding greater seniority.
- 15.06 The Employer retains the exclusive right to organize, direct and assign the workforce, including the assignment of daily tasks and duties, in accordance with its operational requirements. In making daily work assignments, the Employer will consider the qualifications, skills, abilities, experience, training requirements and operational needs of the workplace. Where the Employer determines that two or more Employees within the same classification are equally qualified and operational requirements permit, seniority shall be the determining factor. The Employer may assign Employees to different tasks or duties for the purpose of training, skill development, operational efficiency, or to meet operational requirements. Such assignments shall not be subject to the seniority provisions of this Article, provided they are made in good faith. Where reasonably practicable, the Employer will discuss temporary training assignments with the affected Employee(s) in advance.

ARTICLE 16 - PROMOTION AND STAFF CHANGES

- 16.01 When a vacancy occurs or a new position is created, either inside or outside of the bargaining unit, the Employer shall post notice of the position on all bulletin boards for a minimum of one week, so that all Employees will know about the vacancy or new position.
- 16.02 Such notice shall contain the following information: nature of position; qualifications; required knowledge and education; skills; shift; wage or salary rate or range. Such qualifications may not be established in an arbitrary or discriminatory manner.
- 16.03 Both Parties recognize:
- (a) the principle of promotion within the service of the Employer;
 - (b) that job opportunity should increase in proportion to length of service.

In selecting an individual to fill any position, appointment shall be made of the applicant with the posted skills, abilities and qualifications. Where two or more applicants meet the minimum job requirements as posted on the job posting, then seniority will govern.

- 16.04 The successful applicant promoted from within the bargaining unit to a position within the bargaining unit shall be placed in the position on trial for a period of seventy-five (75) working days. In the event the successful applicant proves unsatisfactory in the position during the trial period, the Employee shall be returned to the former position, wage rate, and without loss of seniority. Such return shall not result in the layoff or bumping of an Employee holding greater seniority.
- 16.05 Consideration for promotion within the bargaining unit may be given to the senior applicant who does not possess the required qualifications but is preparing for qualification prior to filling of vacancy. Such Employee may be given a trial period to qualify within a reasonable length of time and to revert to the former position if the required qualifications are not met within such time.
- 16.06 Within seven (7) working days of the appointment to a vacant position, the name of the successful applicant shall be sent to each applicant and a copy posted on all bulletin boards. The Union shall be notified of all appointments, hirings, lay-offs, transfers, recalls, retirements and terminations of employment within the bargaining unit.
- 16.07 An Employee covered by this Agreement who has given good and faithful service to the Employer, and who through advancing years, injury, illness, or temporary disablement is unable to perform regular duties, may be placed in other work which the Employee can do, if such work is available, except such Employee shall not displace another Employee who has acquired seniority.
- 16.08 Training opportunities shall occur throughout the year. Employees who would like to learn any of the core responsibilities of the job in a higher classification will be given the opportunities whenever possible subject to operational requirements and the authorization from the Municipal Director of Public Works.
- 16.09 There shall be a position of Foreperson. This position shall carry out certain responsibilities as assigned in addition to the normal work of the bargaining unit. Any Employee who is assigned to act as the Foreperson will receive the rate as per Schedule "A" for all time spent in the position.

ARTICLE 17 - LAYOFFS AND RECALLS

- 17.01 Both Parties recognize that job security shall increase in proportion to length of service. In the event of lay-off, Employees shall be laid off in reverse order of their seniority having the qualifications to perform the remaining work.
- 17.02 Employees shall be recalled to their Department in order of their seniority provided they are qualified to do the work.
- 17.03 Provided they are qualified to do the work, Employees shall be offered a recall before casual, temporary or new Employees are hired.
- 17.04 Unless legislation is more favourable to the Employees, the Employer shall notify Employees who are to be laid off ten (10) working days prior to the effective date of lay-off. If the Employee has not had the opportunity to work the days as provided in this Article, the Employee shall be paid for the days for which work was not made available. This provision does not apply to short term recalls of less than one (1) month.

- 18.02 The Parties agree that during the winter months (from approximately December 1st to March 31st), that a flexible work schedule may be put in place from Monday to Friday which will provide for three (3) Employees to commence their normal hours of work up to two (2) hours prior to the normal start time as referred to in Article 18.01. The other Employees would work a regular 8:00 am to 4:30 pm shift Monday to Friday unless the Employees are notified by noon of a weather event scheduled for the following day which would allow for the Employer to have a flexible work schedule to provide for three (3) other Employees to commence their normal hours of work up to five (5) hours later than their normal start time as

referred to in Article 18.01. Employees shall rotate between the two (2) shifts on a weekly basis. Employees shall be paid a premium of \$1.00 per hour for all hours scheduled to work outside the normal workday as per Article 18.01. When working such other hours, overtime rates will not apply to the eight (8) hour shift but will apply to additional hours worked in excess of eight (8) hours worked. - 19.08 The first option for overtime will go to regular staff prior to calling back laid off Employees.
- 19.09 An Employee who has completed a regular day's work and who is not advised to return to work at a specific time before their next normal working day and who has left the place of work and is called back to work shall be compensated for the actual hours worked at the applicable rate of pay or three (3) hours at the appropriate overtime rate, whichever is greater.

If a subsequent call is received prior to returning home, it will be a continuation of the call out. Once an Employee has returned home from a call out, a subsequent call shall trigger a new call out.

Employees who are called out to work between the hours of 11:00 pm and 4:00 am will be allowed an eight (8) hour rest period at the end of the work they were called out for. Such rest period shall be without loss of pay should such eight (8) hours overlap with the normal workday.

The Supervisor shall be notified of the change.
- 19.11 Instead of cash payment for overtime, an Employee may choose to receive time off in lieu at a time that is mutually agreed upon. Such time off in lieu shall accrue at the rate of time and one half (1 ½) or double (2) time as applicable for the overtime worked and shall be taken in increments of eight (8) hours or less. The maximum accumulation of time off in lieu shall be forty (40) hours per fiscal year.
- 19.12 (a) The Employer shall keep a list of all overtime offered, all overtime hours worked, and all overtime refused by each Employee. This list shall be updated and posted in the lunchroom. Overtime opportunities will be given out on a rotational basis from this list.
