BETWEEN:

THE CORPORATION OF THE DISTRICT OF SAANICH
(hereinafter called the "Employer")

OF THE FIRST PART

AND:

THE POLICE BOARD OF THE CORPORATION OF THE DISTRICT OF
SAANICH
(hereinafter called the "Employer")

OF THE SECOND PART

AND:

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL NO. 2011
(hereinafter called the "Union")

OF THE THIRD PART

WHEREAS the Corporation is an "Employer" within the meaning of the Labour Relations Code;

AND WHEREAS the Police Board of the Corporation of the District of Saanich is an "Employer" within the meaning of said Code;

AND WHEREAS the Canadian Union of Public Employees, Local 2011 is a "Trade Union" within the meaning of said Code;

AND WHEREAS it is the desire of all parties to promote and maintain harmonious industrial relations and to recognize the mutual value of joint discussions and negotiations;

AND WHEREAS the parties have carried out collective bargaining and have reached agreement as hereinafter expressed;

NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties hereto agree each with the other as follows:

ARTICLE 1: DEFINITIONS

- 1:01 Party: means any of the parties signatory to this Agreement.
- 1:02 Employee: means any person defined as such by the Labour Relations Code who is employed in one of the categories listed below (Sections 1:03 through 1:07 inclusive), save and except those persons excluded from the bargaining unit by mutual agreement of the parties.
- 1:03 Permanent Full-time Employee: is an employee who works regularly scheduled full-time hours and has completed the requirements of the probationary period.
- 1:04 Permanent Part-time Employee: is an employee who works a minimum of 728 hours but less than full-time hours in a calendar year and has completed the requirements of the probationary period. Note: 728 hours equals an average of 14 hours per week.
- 1:05 Term Certain Employee: is an employee with the same benefits as a permanent employee, for a defined period that is a minimum of one (1) year and a maximum of up to three (3) years.
- If a term-certain employee is in their appointment for longer than three (3) years, the incumbent will automatically be converted to a permanent employee, and be eligible for lay off, recall and bumping in accordance with Article 15 as per all permanent staff.

1:08 Permanent Part-time Employee Benefits

- (a) Permanent part-time employees shall be covered by all provisions of the Collective Agreement that apply to a permanent full-time employee except that the level of vacation, family responsibility and sick leave benefits shall be pro-rated on the basis of hours actually worked. Credit for these benefits shall be calculated once they start permanent employment, or once yearly on January 1st of each year.
- (b) Statutory holiday entitlement for permanent part-time employees shall be determined on the basis of the following formula:

Total number of hours paid to employee in 30 calendar days prior to statutory holiday (including paid leave but not overtime)

Divided by 20

- (c) Notwithstanding the foregoing, permanent part-time employees working full weekly hours shall not have their statutory holiday entitlement on a pro rata basis. A permanent part-time employee who is actively at work on a full-time weekly basis shall receive the same statutory holiday entitlement as a permanent full-time employee, but while on lay off, shall not receive any statutory holiday entitlement.
- (d) If the employee has returned from maternity, parental or adoption leave in the 30 day period immediately prior to the statutory holiday, entitlement shall be determined on the basis of the following formula:

Total number of hours paid to employee in 30 (or less)
calendar days prior to statutory holiday (including paid
leave but not overtime)

Divided by the full-time hours available in the 30 (or less)
calendar days since the return to work commenced.

 - (i) Effective December 25, 2021, a casual employee shall be paid fourteen percent (14%) of gross earnings added to each pay cheque in lieu of Vacation (Article 19), Statutory Holidays (Article 20), Sick Leave (Article 21) and Benefit Plans (Article 30). Effective December 24, 2022, the percent shall increase to fifteen percent (15%).
 - (ii) A casual employee shall have their casual hours accumulated for the purpose of determining seniority, pursuant to Article 13:03.
 - (iii) A casual employee who has not performed work for the Employer for a period of twelve (12) consecutive months shall lose all accumulated casual seniority.
- (c) A casual employee shall serve a probationary period equal in length of time to the hourly equivalent to that of a permanent full-time employee.
- (d) A casual employee with the hourly equivalent of six (6) or more month's service, immediately prior to being appointed as a permanent employee, shall receive all benefits of the Collective Agreement, including Article 18:04, upon commencement of the appraisal period.

In the event the employment of any employee terminates for any reason, the Employer shall complete the Record of Employment, as issued by Human Resources Development Canada, stating the reasons for the separation of employment.

ARTICLE 5: NO STRIKES OR LOCKOUTS

5:01 The Employer shall not request, require or direct employees within the bargaining unit to perform work resulting from legal strikes that would normally have been carried out by those on strike, providing the Employer is allowed to cross picket lines to carry out emergency work.

All grievances shall be dealt with progressively in the following manner without stoppage of work, or refusal to perform work, except where otherwise specifically permitted by the Statutes of British Columbia.

11:02 Procedure

- (a) **Step 1:** Within twenty (20) working days from the date of the incident prompting the grievance, the employee and Union representative shall discuss the matter with the applicable supervisor who has been designated for such purpose by the Employer. The Employer's response to the grievance at Step 1 shall be in writing within seven (7) working days of this meeting.
- (b) **Step 2:** If no settlement is reached within seven (7) working days from the date the grievance was first presented at Step 1, the Grievance Committee on behalf of the employee shall submit the grievance in writing to the applicable department head or designate, with a copy to the Manager of Human Resources, who shall meet with the employee and Grievance Committee member, or another representative of the Union, within seven (7) working days of their receipt of the grievance at this Step in an attempt to reach satisfactory settlement. The Employer's response to the grievance at Step 2 shall be in writing within seven (7) working days of this meeting.
- (c) **Step 3:** If no settlement is reached at Step 2, a meeting shall be held between the senior representatives of the Union and the Employer within seven (7) working days of the Employer's response at Step 2. The Employer's response to the grievance at Step 3 shall be in writing within seven (7) working days of this meeting.

- (d) Step 4: If settlement is not reached through the foregoing procedures, the grievance may be referred to an Arbitration Board. The party referring the grievance to arbitration shall give notice to the other party in writing, together with the name of its representative on the Arbitration Board, within ten (10) working days of the Employer's answer at Step 3.

11:03 Extension of Time Limits

The parties may by mutual agreement, in writing, extend the time limits mentioned above, provided such extension is requested prior to the expiry of the time allowed.

11:04 Policy Grievance

Where a dispute involving a question of general application or general interpretation of this Agreement occurs, or where a group of more than three (3) employees, or the Employer, has a grievance, such grievance may be processed commencing at Step 3, provided the grievance is submitted within twenty (20) working days from the date of the incident prompting the grievance.

11:05 Deviation from the Grievance Procedure

- (a) In the event that after having initiated a grievance in writing, an employee endeavours to pursue the matter through any external jurisdiction other than the grievance procedure, then the Union agrees that pursuant to this Article and after ten (10) working days of initiating the written grievance, the grievance shall be considered to have been abandoned.
- (b) A complaint filed pursuant to the Human Rights Code of B. C. is not subject to (a) above.

ARTICLE 12: ARBITRATION

12:01 Appointment of an Arbitration Board

Within ten (10) working days of receiving notice pursuant to Subsection 11:02(d), the second party shall appoint its representative to the Arbitration Board and inform the first party in writing. A single Arbitrator may be appointed by mutual agreement of the parties.

12:02 Powers of Arbitration Board

- (a) The Arbitration Board shall hear the parties and render an award within fifteen (15) days from the time the Chairperson is appointed and shall commence its proceedings within forty-eight (48) hours after the

Chairperson is appointed. The time limits fixed by this procedure may be extended by mutual consent of the parties.

- (b) The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations to it.
- (c) The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The decision of the Board shall be made within ten (10) days after the hearing, if practical in the Board's opinion, and shall be final, binding and enforceable on all parties. The Board shall not have the power to change this Agreement or to alter, modify or amend any of its provisions. However, the Board shall have the power to dispose of a grievance by any written decision which it deems just and equitable.
- (d) Should the parties disagree as to the meaning of the Board's decision, either party may apply to the Chairperson, within five (5) days of receipt of the decision, to reconvene the Board to clarify the decision.

12:03 Cost of Arbitration

Each of the parties hereto will bear the expense of the arbitrator appointed by the parties, and the parties will jointly bear the expense of the Chairperson.

No written reasons for the decision shall be provided beyond that which the arbitrator deems appropriate to convey a decision.
- (c) An expedited arbitration decision respecting any matter shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter (with the exception of discipline which may remain on an employee file).
- (d) All settlements of expedited arbitration cases, prior to hearing, shall be without prejudice.
- (e) Notwithstanding (a) above, either party may remove from the expedited arbitration process any matter at any time prior to hearing and forward the matter through the arbitration process established pursuant to Article 12.
- (f) Neither party shall use lawyers to represent them.
- (g) All presentations shall be short and concise and are to include a

comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.

13:01 Definition

- (a) For the purposes of this Agreement, seniority shall be defined as the length of any employee's employment from the date of first hire, provided there is no break in service of greater than twelve (12) months, in any position, provided that permanent part-time, and casual employees shall accumulate seniority on the basis of hours worked. Hours worked shall include all paid straight time hours, hours while in receipt of Workers' Compensation, LTD qualification period and while in receipt of LTD for the first two years, Union leaves, jury and court witness duty, sick leave, leave for education and training purposes related to work and maternity, parental and adoption leave. - (b) Employees shall not attain seniority until they have completed their probationary period, after which their seniority shall include the probationary period.

13:02 Probationary Period

- (a) All newly hired permanent employees shall serve a probationary period:
 - (i) not exceeding six (6) consecutive months for permanent full-time employees, or in the case of permanent part-time employees, a period of time equal in length to the hourly equivalent to that of a full-time employee in Pay Grade A, up to and including Pay Grade J; including all employees on Schedule B;
 - (ii) not exceeding twelve consecutive months, or its hourly equivalent, for employees in all other Pay Grades;

confirmation in writing, within thirty (30) days of completion of the probationary period, with a copy to the Union.

- (b) In any instance where more than six (6) months is required, the Union shall be notified in writing within fifteen (15) days prior to the date the probationary period would normally end.

13:03 Casual Employee Seniority

Casual employees, after completion of their probationary period, shall have their total cumulative hours of service as a casual employee credited for the purposes of seniority. It is understood that this clause applies to seniority only and is in no way applicable to service for purposes of retroactive benefit entitlement, except vacation, salary increments and service pay.

NOTE: After completion of the casual probationary period, their seniority (hours worked) shall be considered no different than seniority of a permanent employee in filling posted vacancies.

13:04 Seniority Lists

The Employer shall maintain current seniority lists for employees showing each employee's seniority standing. Where two (2) or more employees have the same seniority date, their relative seniority standing shall be determined on the basis of their application dates. When an employee is transferred or promoted out of the bargaining unit, they shall retain the right to return for a period of twelve (12) months and upon returning, they shall bump into a position consistent with their previously accumulated seniority, with the relative qualifications, experience, skill and ability on the basis of Section 15:04, provided such position is not higher than their former bargaining unit position. receive preference. Those applicants chosen to be interviewed must be given three (3) working days' notice in advance of the interview. Interviews shall be held within twenty (20) working days of the closing date of the posting. The successful applicant shall be notified in writing within ten (10) working days of the interview. Notification in writing shall be sent to the unsuccessful applicants within ten (10) working days of the appointment.

Notwithstanding the above, preference shall be given to the most senior outside employee who applies for the position provided that the senior employee possesses the qualifications, experience, skill and ability to perform the work in question. This provision shall only apply to those outside classifications in Pay Grade A on Wage Schedule A.

- (b) Unsuccessful interview applicants may request a meeting with the interview panel chairperson to discuss their interview results.

- (e) A permanent employee applying for a posted vacancy, who lacks the formal educational or technical certification required in the position, shall not be rejected solely on that basis if they are judged by the Employer as having sufficient experience, skill and ability to otherwise satisfactorily perform the work in question, provided always that such employee is currently enrolled in an appropriate course of study or is, in some other fashion acceptable to the Employer, currently preparing to achieve the necessary certification and provided further that the employee can be expected to achieve such certification within a period of time deemed reasonable by the Employer. In such circumstances, the Employer shall consider the employee as having already achieved the required certification at the time of the promotional competition. The employee shall compete for the vacancy on this basis and, if successful in winning that competition over other applicants on the basis of Subsection (a) above, they shall be awarded the position contingent upon successful achievement of such certification within the time limit established by the Employer for that purpose. If the employee fails to achieve such certification within this time period, the employee shall revert to their former position.

- (f) Credit shall not be given for experience gained in an acting capacity which was gained immediately prior to a posting for the position in question. Experience gained at other times may be a factor considered in filling a posted vacancy.

The observer shall be granted time off with pay to attend the interview, which shall be cost-shared between the parties fifty percent (50%) each.

14:03 Applications by Employees

- (b) A written appraisal shall be completed at the end of the appraisal period. The appraisal form shall provide space for employee comments on any or all points contained in the appraisal. Employees shall be required to sign the form to indicate receipt only, and space shall be provided to indicate by check mark whether the employee agrees in whole or in part. The employee shall receive a copy at this time.

14:05 Annual Written Appraisals

A written appraisal shall be completed annually. The appraisal form shall comply with the requirements set out in Article 14:04 (b). - Eligible partners must be:
 - (a) qualified for the position to be shared;
 - (b) be a Permanent employee;

Casual Employee Parks and Public Works Call Lists

The Employer shall establish two (2) separate Casual employee Call List which shall apply for purposes of contacting Casual employees to work in the Parks Division and the Public Works Divisions.

The Employer shall place the names of individuals it is willing to consider for casual employment on the Call Lists in rank order based upon the hours of work they have previously accumulated. The lists shall be updated every week. The Employer also reserves the right to add to and remove names from the list at any time without restriction, with written notice to the individual and the Union within five (5) working days in the event an employee is removed. Actions by the Employer under this Letter are subject to the grievance procedure.

When the Employer requires casual employees in the Parks or the Public Works Division, it shall first consider individuals on the Call List who, in the opinion of the Employer, have the qualifications, experience, skill and ability relative to the requirements of the job to perform the work in question, starting with the top name on the list and working downward.

A telephone call or text message to the person's last telephone number(s), maximum two (2), as on file with the Employer, between the hours of 6:00 a.m. to 8:30 a.m., and 12:00 p.m. to 4:00 p.m. shall represent a "call" under this Letter, it being understood that any individual shall not be called more than once for any work assignment in one work day. If any individual cannot be contacted, does not text or phone back, or is not prepared to accept the work in question, they shall be bypassed, with the Employer moving to the next person in rank order having the required qualifications, experience, skill and ability that are relative to the requirements of the job. A record shall be kept by the Employer of the time and date of all calls made under this Letter. A person who refuses three (3) calls or texts shall be deemed by the Employer to have resigned from the applicable call list.

It is understood that any individual may request the Employer to temporarily remove their name from the list for a specified period and when, in the opinion of the Employer, the circumstances of such individual warrants and operational requirements permit, this request shall be granted. After completion of this approved leave, the individual shall have their name reinstated on the list in its appropriate ranking.

Recreation and Community Services and Municipal Facilities Division Employee Call Lists

1. The Employer shall establish separate employee call lists for Aquatics, Building Service Works, Reception and Cashiers, in Recreation and Community Services. These lists shall apply for the purposes of contacting permanent part-time and casual employees to assign additional hours.
2. The Employer shall also establish a separate list for Building Service Workers, which shall apply for the purpose of contacting permanent part time and casual Municipal Facilities employees to assign additional hours.
3. The Employer shall place the names of these employees in separate job function call lists at each site based upon the accumulated hours of work. The lists shall be updated prior to the drafting of new schedules or quarterly, whichever is appropriate.
4. The Employer shall set up clearly definable scheduling periods within the year as set out in Article 16:07. These scheduling periods and actual shifts may vary between facilities or work units. Prior to the upcoming seasonal or program scheduling periods, all these employees are expected to indicate which days / hours they are available to work. The Employer will compile a seniority call list based upon availability for call in work during those scheduling periods.
5. An employee who refuses two (2) calls for work during a particular scheduling period without reasonable cause shall have their name moved to the bottom of the call list for the duration of that scheduling period. An employee who refuses three (3) calls for work during a particular scheduling period without reasonable cause shall have their name removed from the call list for the duration of that scheduling period. Actions by the Employer under this Letter are subject to the grievance procedure.

6. When an employee is needed to work a shift, the Employer shall first offer the shift to permanent part-time employees who, in the opinion of the Employer, have the qualifications, experience, skill and ability relative to the requirements of the job to perform the work in question, in accordance with Article 16:07 (c) and (d). A record shall be kept by the Employer of the time and date of all calls for shift replacement made under this Letter for a minimum of a two (2) month period.

NOTE: Shifts that would result in overtime for an employee will not be offered without specific approval of the manager or designate.

7. The employee is responsible for securing their own replacement in accordance with (5) above if they determine that they are unable to work a shift 14 calendar days or less from the start of the shift. The employee will find a replacement using the call list, starting with the most senior employee on the list and working downward. The employee shall then submit a tracking form forty-eight (48) hours in advance of a shift change to the Employer. If this tracking form is not submitted within forty-eight (48) hours, the Employer may refuse the shift change. Employees who require a replacement within four (4) hours of shift commencement may find a replacement without using the call list, however, if this occurs more than once for a particular employee in a particular season, there shall be a review by the Employer and the Union.
8. A telephone call, text message or notification via scheduling software to the employee's last contact number(s), maximum of two (2), as on file with the Employer, shall represent a "call" under this Letter. The most senior person (with Part-time employees scheduled before casual employees) who responds with acceptance within one (1) hour will be assigned the shift.

Self-Directed Hours of Work

The parties agree as follows:

The parties agree to implement a voluntary self-directed hours plan based on the following criteria and guidelines for certain classifications of employees in the Parks, **Community Services** and Recreation Divisions:

1. Classifications:

Program Technician
Programmer I
Programmer II
Parks Stewardship Coordinator
Administrative Supervisor
Park Use Coordinator
Technical Building Service Supervisor
Facility Technician

2. The reason for this letter of understanding is to provide employees with the flexibility to self-determine their hours of work yet still provide management with an "alert" tracking system to aid an employee with managing their workload when needed. The employer representative (Manager) approval is not required for those instances requiring work over the standard designated weekly hours for the position which add up to less than twenty-one 21 hours. Once an employee's extra work adds up to more than twenty-one 21 hours, the employee must meet with the Manager to address these hours. Employees shall make every effort to reschedule their work to allow accomplishment of all irregular tasks while remaining within the standard designated weekly hours for the position.

3. Employees covered under this letter of understanding may work up to twelve (12)

hours a day and may work in excess the standard designated weekly hours for the position without receiving payment for overtime. Overtime will be paid for hours worked in excess of: the standard designated weekly hours for the position over a twelve (12) week cycle. Employees shall endeavour to have two consecutive days of rest every week wherever possible. Overtime will also be paid for any work performed on the second consecutive day of rest in the employee's basic work schedule, provided overtime is authorized in advance by the Manager.

4. The employee will continue to be paid their regular salary bi-weekly, and any overtime pay will be reconciled and paid at the end of each twelve (12) week work. It is the employee's responsibility to provide a written summary to the Manager, of any pending overtime for approval which is likely to be paid out at the end of the cycle, thirty 30 days in advance of the end of their twelve 12 week work cycle. However failing to do so will not prejudice their right to be paid appropriately for this time.
5. Upon mutual agreement between the Section Manager and employee, any overtime worked may be banked at the appropriate rates and scheduled as time off in lieu of payment at a mutually agreeable time.
6. The union will be advised, in a timely manner, in writing of the names, positions, departments and basic work schedules of employees participating. Upon request, a written record of the hours worked by each employee during a work cycle will be provided to the Union.
7. Where this Letter of Understanding is silent or there is a dispute about its application, the parties will meet to attempt to resolve the dispute. Failing resolution, the terms of the collective agreement will apply.
8. The department may end the application of this Letter of Understanding to an individual employee in a designated classification by providing thirty (30) days written notice to the affected employee and Union. An employee may end the application of this Letter of Understanding to their position by providing thirty (30) days written notice to their facility manager and the Union.
9. The work arrangements implemented under this Letter of Understanding constitute a Variation of Working Hours agreement under Article 16.03 of the collective agreement. All other articles of the collective agreement remain effect unless explicitly altered by this letter of understanding.

Refuse Truck Operators Work Schedule

The parties agree as follows:

1. Pursuant to Article 16:03(a), Variation of Working Times, the Employer shall change the regular work week for Permanent full-time employees employed as Refuse Truck Operator, as well as any other employee (i.e. Permanent or casual) awarded a posted temporary full-time Refuse Truck Operator, to a nine day work cycle over a two week period. Unless otherwise amended by this letter of understanding, the provisions of the collective agreement shall apply to such employees assigned to work the nine (9) day refuse collection schedule.
2. The regular bi-weekly work schedule shall consist of a work week of five (5) consecutive working days, Monday to Friday inclusive, followed by a work week of four (4) consecutive working days, Tuesday to Friday inclusive. Where a Monday is scheduled as a regular day off, such day shall be considered as a Saturday equivalent for the purpose of overtime.
3. The regular work day shall consist of eight (8) consecutive hours commencing at 7:00 a.m. with an unpaid period of one-half (½) hour for a meal break.
4. The regular bi-weekly work schedule may include being scheduled to work on the statutory holidays listed in Article 20, Statutory Holidays, except for Christmas Day, Boxing Day and New Year's Day. There are ten (10) such statutory holidays on which an employee may be scheduled to work. The parties agree that Articles 20:02, 20:03 and 20:04 are amended to have no application to the ten (10) statutory holidays as these are considered compensated in the regular bi-weekly work schedule, and shall be worked at straight time. When Christmas Day, Boxing Day and New Year's Day occur on what would be a scheduled Monday off, there will be no additional compensation in the form of wages or time off.

5. Permanent full-time employees (as well as other employees who are awarded a posted temporary full-time position) shall be paid a regular bi-weekly wage based on their hourly rate times eighty (80) hours.
6. It is the intention of the Employer, the Union and the Refuse Truck Operator employees to work cooperatively to reduce work-related injuries and accidents.
7. The Employer agrees to review its cost figures to better reflect the cost of refuse collection services in order to provide and retain solid waste services to multi-unit housing complexes.
8. Should the employer consider contracting out any of the solid waste services that are being carried out by members of the bargaining unit, the Union shall be notified in writing as to what is under consideration and shall afford the Union a reasonable opportunity to respond before any decision to contract-out is made. The Employer shall provide the Union with all pertinent information it has that may assist the Union in its response.
9. The parties agree that this Agreement shall be reviewed annually for the purpose of improving or refining service levels.
10. In the event a change to the work schedule outlined in this Letter of Understanding is needed due to operational reasons, the Employer will issue notice under Section 54 of the BC Labour Relations Code and the parties will develop an adjustment plan to facilitate the change in work schedule.

Statutory Holidays in Continuous Operations - Facility Operations Employees

The parties agree as follows:

This letter of understanding is to clarify and formalize the method of calculating statutory holidays for Facility Operations employees who work nonstandard hours in a continuous operation. Calculations are based on the standard weekly hours of work for the work group which is thirty seven and a half (37½) hours.

The following three scenarios address the agreed upon method of calculating and recording statutory time:

1. **Statutory day worked:** When an employee works on a statutory day, they are paid straight time for the shift and banks actual hours worked at time and a half (1.5). E.g. 9.5 hrs worked x 1.5 = 14.25 hrs overtime banked.
2. **Statutory day not worked on regular scheduled work day:** When an employee takes the statutory day off they receive the day off with regular day's pay. E.g. receives regular salary for the pay period with no time banked or withdrawn.
3. **Statutory day falls on regular scheduled day off:** When the statutory day falls on a regularly scheduled day off the employee shall receive banked time equal to the daily equivalent of a standard work week regardless of their normal weekly schedule. For example, an employee who works a 37.5 hour week would receive seven and a half (7.5) hours banked time even if they worked a four day schedule composed of nine and a half (9.5) hour days or a six day schedule of six and one quarter (6.25) hour days. This remains consistent with the annual statutory entitlement of 82.5 hours for employees who work a regular week of 37.5 hours.

Seniority

WHEREAS the Collective Agreement between the parties, in Article 13.04 Seniority Lists, refers to both seniority date and hours of work;

WHEREAS the District of Saanich (the District) had provided seniority lists that included both seniority date from date of hire and "Life to Date" hours until the District moved to the current Human Resources Information System (HRIS);

WHEREAS after January 2020 the HRIS system could not be programmed to accurately calculate seniority date for permanent part time and casual employees; and

WHEREAS the system can correctly record a seniority date for permanent full time employees.

THEREFORE THE PARTIES AGREE as follows:

- (a) There will be two (2) seniority lists provided to the Canadian Union of Public Employees Local 2011 (the Union). One will reflect the seniority of permanent full time staff by date of hire seniority per Article 13:01 (month, day, year) and Life to Date seniority hours, and the second will reflect the seniority of permanent part time and casual employees in Life to Date seniority hours only.
- (b) Seniority lists will be provided on a quarterly basis after the first close of both bi-weekly pay periods and will also reflect the following:
 - Status, Name, Position, Department, most senior employee at the top, and the most junior employee at the bottom.
- (c) Seniority lists will list employees in descending order of seniority.
- (d) The seniority date of a permanent part-time or casual employee who gains a permanent full-time position will be calculated by taking their life to date seniority

hours, dividing them by the daily hours of their permanent position, and counting back the normal paid days (including vacation and statutory holidays) to identify a seniority date.

- (e) In the event that two (2) employees whose seniority is in hours and not dates compete for a posted position and in accordance with Article 14:02 Factors Considered in Filling Posted Vacancies, their scores relative to the requirements are considered equal, their seniority will be compared. Should their seniority be within 500 hours the Employer will verify the standard full-time daily hours of a full-time worker in the position most regularly performed by each employee and divide their seniority hours accordingly. The resulting number of full days of work for each employee will then demonstrate who is more senior.
