

# A Message for Residents of the Eastern School District

Please contact your MLA,  
the Eastern School Board Trustee,  
**Premier Robert W.J. Ghiz**  
**(902) 368-4400,**

or the Minister of Education &  
Early Childhood Development,  
**Gerard Greenan,**  
**(902) 368-4610.**

## Did you know?

The School Closure Regulations (under the School Act of PEI) require that school boards looking at school closures must consider:

- information available to the school board regarding future developments in the community; and
- the effects of closures on communities affected.

Did You Know that the Eastern School Board's January 7<sup>th</sup> report on small school closures included none of the above?

### The Process is Flawed and Government Can Stop It.
