Choice of workshops

The February 11th workshops will provide a choice to participate in one of the following key bargaining issue workshops. Please rank your **three favoured workshops**, by indicating the most favoured with a 1, and the least favoured with a 3.

	1. Strategies to raise women's wages and benefits.
	2. Obtaining and improving pensions for women.
	3. Negotiating leaves to improve work and home balance.
	4. Bargaining secure jobs (collective agreement provisions that protect from casualization and privatization).
	5. Improving provisions to protect women from violence.

The February 12th workshops design will explore strategies to building women's strength at the bargaining table and getting equality issues on the table. There will be one format for this workshop.
