

YOUR VOTE MATTERS

TOGETHER, WE HAVE THE POWER TO MAKE LIFE BETTER FOR EVERYONE.

Justin Trudeau's promises sound nice – but his record shows he won't make them reality.

Whether it's fixing long-term care, implementing pharmacare, fighting climate change, or ending tax loopholes for corporations and the ultra-rich – Trudeau says one thing and then does another.

Conservative leader Erin O'Toole says he supports workers. But his record shows otherwise.

O'Toole has voted for cuts to services, back-to-work legislation, and tax cuts for the wealthiest every chance he got since coming to office.

The NDP is the only party that working people can count on, with a plan to:

- ✓ Invest in long-term care, child care, pharmacare, and more
- ✓ Create green jobs and fight the climate crisis
- ✓ Make the ultra-rich pay their fair share

THIS ELECTION MATTERS. On September 20, let's vote to make life better **for everyone.**
