

## Build solidarity! Support change!

## Contribute now to the Global Justice Fund!

Global Justice Fund projects protect and promote CUPE members' interests and the interests of workers and communities around the world. The fund supports initiatives that build solidarity and work for change with unions and popular movements. Projects partner CUPE members with foreign unions building their capacity to defend the right to organize, fight privatization and promote healthy strong communities.

## You can make a difference!

The Global Justice Fund depends on contributions from individual activists, CUPE locals, as well as staff.

Contribute online at: www.cupe/globaljustice.ca or complete the form on the back and send your cheque or money order to:
