YOUTH COUNCIL

CUPE Youth Council is a week-long education program where youth aged 9 to 14 can connect, grow and develop their understanding of unions and social justice while parents and guardians attend the 2025 national convention. National convention delegates previously adopted a resolution to provide this program as a way to engage young people in the labour movement, build their confidence and nurture the next generation of leaders.

All Youth Council participants will have guest status and will be able to visit the convention floor during the proceedings. At the end of the week, they will prepare a report about their activities and present it to convention delegates.

If you wish for your child to participate in this program, please complete the attached application form and send it to the national office together with a cheque in the amount of \$200 per child **TO BE RECEIVED NO LATER THAN AUGUST 22, 2025.**

Note: Because our children's programs are set up in advance of convention, it is not possible to accommodate registrations made for either the on-site child care or the Youth Council after August 22, 2025, nor will refunds be possible.
