

Youth Council:

A WEEK-LONG
PROGRAM
FOR YOUTH AGES 9-14

Getting ready for convention?

Have kids aged 9 to 14?

Consider signing them up for CUPE's Youth Council!

Children in the care of delegates are invited to participate in CUPE's National Youth Council to be held during the 2023 National Convention in Québec City.

Ever had your child ask why you go to so many meetings? Or what you actually do there?

The CUPE's Youth Council is a chance for children to learn about the union, in a safe setting while having fun!

The Council will be an opportunity for CUPE kids to witness and learn about the political process of Canada's largest union. They will learn about issues facing workers and make links with their own lives, at school and in the community.

Registration details will be sent with the official convention call. The deadline for registration is September 8, 2023. The program runs while convention is in session.

Cost: \$250 (lunch and activities included).
