STEWARD LEARNING SERIES

Calling all stewards! CUPE is proud to continue with our exciting education program - the Steward Learning Series. This series recognizes that the steward has an important role to play in a number of areas in the workplace and the union. It provides an opportunity for stewards to explore a number of topics - all from a steward's point of view. At this workshop we will offer:

Disability Issues for Stewards

There are workers with disabilities in every workplace. Learn about different kinds of disabilities and what you can do as stewards, to create accessible workplaces.

Connecting with Indigenous Workers

Explore how your local can demonstrate solidarity with Indigenous members, and your role as a steward in promoting justice for Indigenous members in the workplace.
