STEWARD LEARNING SERIES

Calling all stewards! CUPE is proud to continue with our exciting education program - the Steward Learning Series. This series recognizes that the steward has an important role to play in a number of areas in the workplace and the union. It provides an opportunity for stewards to explore a number of topics - all from a steward's point of view. At this workshop we will offer:

Creating an Accommodation Friendly Workplace

Learn the legal framework for the duty to accommodate, what a good accommodation process and plan look like, and what to do if the employer is not willing to provide reasonable accommodation.

Creating Psychologically, Healthy and Safe Workplaces

What is a psychologically healthy and safe workplace? Learn to identify the psychological hazards in our workplaces, and the role of the steward in eliminating psychological hazards.

Understanding Mental Health

Explore the steward's role in supporting and representing members around mental health and mental illness. Learn what to do about stigma, and how to approach a conversation with a member about a possible mental health issue.
